The improvements to be constructed on the Property will utilize the following series of FAR bonuses:

Description (list of all bonuses applied for and calculations)	FAR
Base FAR:	16.000
Concealed Parking Façade	1.575
Setback Bonus	2.493
Affordable Housing Bonus	1.017
Total FAR:	21.085

9. The Applicant acknowledges and agrees that the rezoning of the Property from DX-16 Mixed Use District to this Planned Development triggers the requirements of Section 2-45-

110 of the Municipal Code (the "Affordable Housing Ordinance" or "AHO"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). The Applicant further acknowledges and agrees that the project has received an affordable housing floor area bonus pursuant to Section 17-4-1004-B of the Zoning Ordinance, as set forth in the bonus worksheet attached hereto as Exhibit A ("Bonus Worksheet"), and as a result is also subject to the requirements of the former Section 17-4-1004-D of the Zoning Code (the "Density Bonus Provisions"). Like the ARO, the Density Bonus Provisions require on-site affordable housing or payment of a fee in lieu of providing affordable housing, but the formulas for calculating the number of required affordable units and the amount of the in lieu payment are different from the formulas in the ARO. If a planned development is subject to both the ARO and the former Density Bonus Provisions, the Applicant may elect to comply with either. In this case, the Applicant has elected to comply with the Density Bonus Provisions. In accordance with the formulas set forth in the former Section 17-4-1004-C and the Bonus Worksheet, the Applicant acknowledges and agrees that it must provide a minimum of 11,768.50 square feet of affordable housing floor area (the "Affordable Units") in the building receiving the affordable housing floor area bonus ("Eligible Building"), with an affordable unit mix comparable to the overall mix and approved by DPD's density bonus project manager, or make a cash payment in lieu of providing Affordable Units in the amount of $828,502.40 ("Cash Payment"). Prior to the issuance of any building permits for the Eligible Building, including, without limitation, excavation or foundation permits, the Applicant must either make the required Cash Payment or, if providing Affordable Units, enter into an affordable housing agreement with the City pursuant to the former Section 17-4-1004-E9 ("Affordable Housing Agreement"). The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Eligible Building. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. In addition to the Affordable Housing Agreement, the Applicant acknowledges and agrees that, pursuant to Section 17-4-1003-D3, the Bonus Worksheet will serve as an official record of bonuses and amenities. The Applicant must comply with the applicable affordable housing standards and requirements set forth in the former Section 17-4-1004, the terms of which are incorporated herein by this reference. Notwithstanding anything to the contrary contained in the former Section 17-4-1003-E, the Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development. If this Planned Development does not receive city council approval by July 13, 2016, the project will be subject to Section 2-45-115 of the Municipal Code (the "2015 ARO"). In such event, the Applicant shall meet with the Department of Planning and Development to determine the application of the 2015 ARO to

the project, and the 2015 ARO requirements will replace and supersede the affordability requirements set forth in this Section.

10. Upon review and determination, "Part II Review", pursuant to Section 17-13-0610 of the Zoning Ordinance, a Part II Review Fee shall be assessed by the Department of Planning and Development. The fee, as determined by staff at the time, is final and binding on the Applicant and must be paid to the Department of Revenue prior to the issuance of any Part II approval.

11. The Site and Landscape Plans shall be in substantial conformance with the Landscape Ordinance and any other corresponding regulations and guidelines. Final landscape plan review and approval will be by the Department of Planning and Development. Any interim reviews associated with site plan review or Part II reviews, are conditional until final Part II approval.

12. The Applicant shall comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioners of the Departments of Streets and Sanitation, Environment and Buildings, under Section 13-32-125 of the Municipal Code, or any other provision of that Code.

13. The terms and conditions of development under this Planned Development ordinance may be modified administratively, pursuant to section 17-13-0611-A of the Zoning Ordinance by the Zoning Administrator upon the application for such a modification by the Applicant, its successors and assigns and, if different than the Applicant, the legal title holders and any ground lessors.

14. The Applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for People with Disabilities to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The Applicant acknowledges that it is in the public interest to design, construct, renovate and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. At the time of a hearing before the Chicago Plan Commission, all developments must be in substantial compliance with the current City of Chicago Sustainable Development Policy set forth by the Department of Planning and Development. The proposed Planned Development shall be in compliance with the Sustainable Development Policy by obtaining LEED certification and by providing a green roof of at least 50% of Net Roof Area of the new building constructed in Sub-Area A containing a green roof of approximately 13,900 square feet and shall meet the applicable storm water requirements of the Department of Water Management. .

16. This Planned Development shall be governed by Section 17-13-0612 of the Zoning Ordinance. Should this Planned Development ordinance lapse, the Commissioner of the Department of Planning and Development shall initiate a Zoning Map Amendment to rezone the property to the DX-16 Downtown Mixed Use District.

DEPARTMENT OF PLANNING AND DEVELOPMENT
APRIL 21, 2016

APPLICANT: 1000 SOUTH MICHIGAN EQUITIES, LLC

LOCATION: 920-1006 SOUTH MICHIGAN AVENUE; 1011-1015 SOUTH WABASH AVENUE

FOR APPROVAL:
1) REZONING FROM DX-12 (DOWNTOWN MIXED USE DISTRICT) and DX-16 (DOWNTOWN MIXED USE DISTRICT) to a DX-16 (DOWNTOWN MIXED-USE DISTRICT); and,
2) ESTABLISHMENT of a RESIDENTIAL BUSINESS PLANNED DEVELOPMENT; and,
3) APPROVAL OF LAKE MICHIGAN AND CHICAGO LAKEFRONT PROTECTION DISTRICT APPLICATION NO. 677

INTRO DATE: SEPTEMBER 24, 2015

PD THRESHOLD: MANDATORY PLANNED DEVELOPMENT – THE PROJECT EXCEEDS THE HEIGHT THRESHOLD OF 440' (832') AND THE UNIT THRESHOLD OF 400 (506) IN A DX-16 ZONING DISTRICT PER SECTIONS 17-8-0512-B and 17-8-0513-B, RESPECTIVELY

PROJECT SUMMARY

The project is located across the street from Grant Park at 920-1006 South Michigan Avenue and 1011-15 South Wabash Avenue in Chicago's Near South Side Community Area and the Michigan Boulevard Historic (Landmark) District. The project is also located within the Lake Michigan and Chicago Lakefront Protection District.

The overall 46,287 square foot site is currently zoned DX-12 (Downtown Mixed-Use District) and DX-16 (Downtown Mixed-Use District) and will be rezoned to a unified DX-16 prior to establishing the proposed Residential Business Planned Development. The Applicant intends to create two subareas within the boundaries of the proposed planned development.

Subarea A, located at 920 South Michigan Avenue will be redeveloped with a 73-story (832') residential building with 506 dwelling units, 486 parking spaces and ground floor

commercial space. Subarea B, located at 1006 South Michigan Avenue and 1011-15 South Wabash Avenue is currently improved with an 8-story (102') commercial building and 12 space parking area, respectively, and will remain as such.

The proposed residential building to be located within Subarea A is planned to consist of a 62-story tower on top of an 11-story base. The base primarily includes the parking levels, with 486 parking spaces, concealed behind the front façade of the building. Residential units will be located in front of the concealed parking floors on levels 2-11 and throughout the remainder of the tower. The first floor will consist of the main pedestrian entrance and residential lobby spaces as well as an approximately 2,700 square foot commercial space that will front on Michigan Avenue.

Vehicular access to the tower will be achieved via an easement accessed from East 9th Street. The easement will lead to the internal drive aisle and internal porte cochere inside the building. This internal porte cochere will provide access to the building's parking levels, loading as well as a dropoff area.

The building will contain a mix of efficiency, one, two, three and four bedroom units, including apartments and condominiums. The overall average unit size will be approximately 1,272 square feet. The building will contain various indoor and outdoor amenity levels, including private balconies, totaling approximately 56,000 square feet. The project will provide a 13,000 square foot green roof and will achieve LEED (Leadership in Energy and Environmental Design) certification. As part of the LEED certification, the project will provide 506 bike parking spaces, or one per residential unit. (See Exhibits)

BULK/USES/DENSITY/ARO

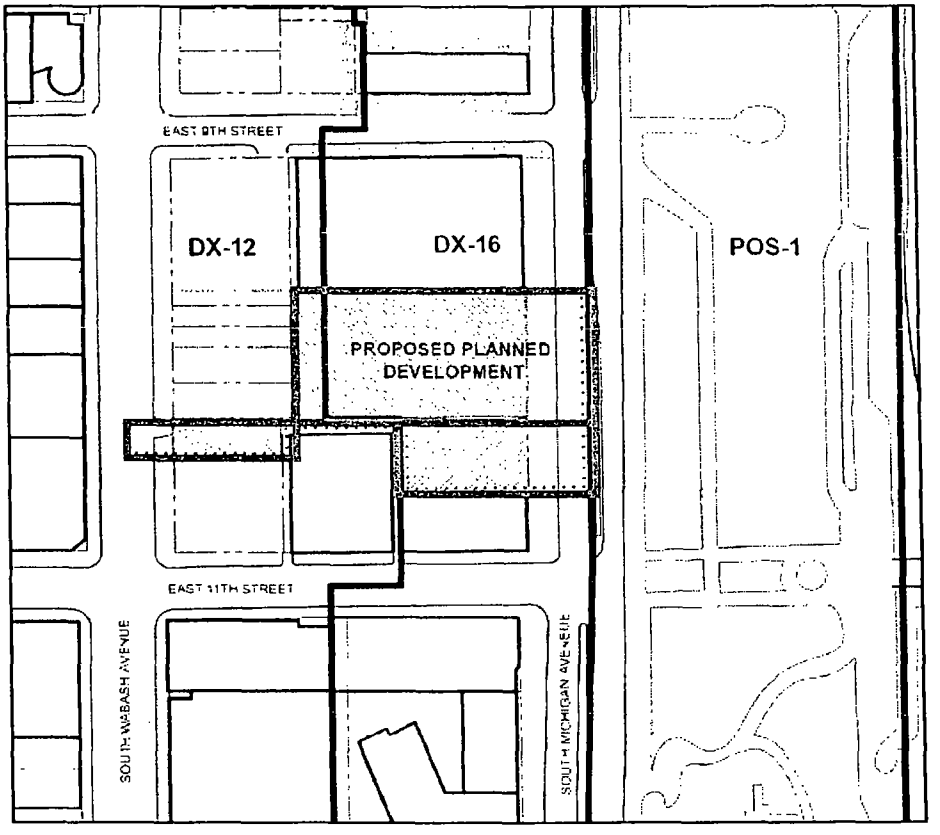

The PD would cap the total (overall) FAR for the project at 21.085 which includes the base FAR of 16 plus the following bonuses:

-1.017 FAR from the Affordable Housing Bonus
-2.493 FAR from the Upper-Level Setback Bonus
-1.575 FAR from the Concealed Parking Bonus

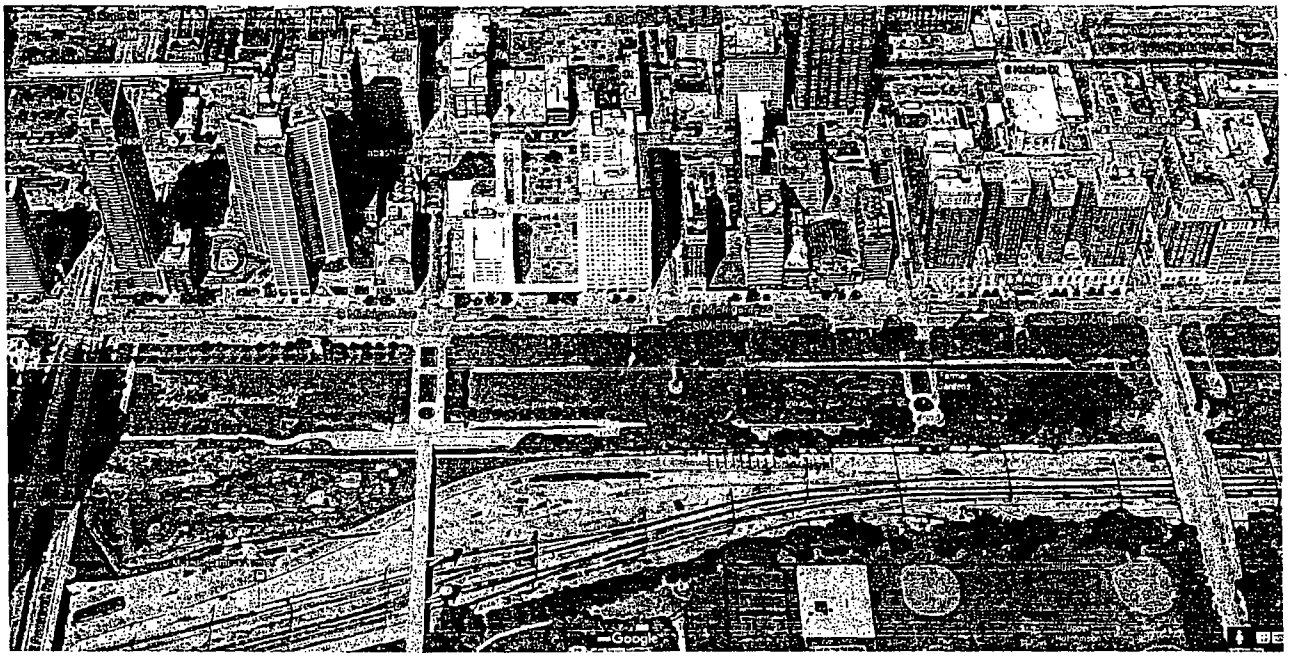

The FAR for Subarea A (the proposed tower) would be 27.74 while for Subarea B (existing commercial building) it would be 5.66. The PD would allow for residential, commercial and accessory parking uses. The Minimum Lot Area (MLA) for the project is 91.4. (see attached Bulk Table for further details)

The Applicant filed the project within the deadline established under the City of Chicago's 2007 ARO (Affordable Requirements Ordinance). The Applicant is seeking the Affordable Housing Bonus and will be complying with the ARO by paying an in-lieu fee of $828,502.40.

PROPOSED RENDERING

RECOMMENDATION

The Department of Planning and Development has reviewed the project materials submitted by the Applicant and compared this proposal to existing development in the community. The area around this project consists of a mix of downtown zoning districts and planned developments and the project represents an opportunity to construct a

compatible residential infill project along South Michigan Avenue within the Michigan Boulevard Historic (Landmark) District, Chicago and Lake Michigan Lakefront Protection District and Near South Side Community Area.

Based on that analysis, the Department of Planning and Development has concluded that this proposal is appropriate for this site and supports this development for the following reasons:

1. The proposed rezoning of the subject property is appropriate under Chapter 17-13 of the Zoning Ordinance. Specifically, the proposed DX-16 underlying zoning classification and the project is 1) consistent with plans for the area, including the Central Area Action Plan (17-13-0308-A); 2) appropriate because of growth and development trends (17-13-0308-B); 3) compatible with surrounding zoning districts (17-13-0308-D); and 4) the public infrastructure facilities and city services will be adequate to serve the proposed development at the time of occupancy (17-13-0308-E).

2. The project meets the purpose and criteria set forth in Chapter 17-8 of the Zoning Ordinance and its adoption would not have any adverse impact on the public's health, safety or welfare. Specifically, this project meets the following provisions:

    a. Provides adequate bicycle parking and vehicle parking, while minimizing the adverse visual impact of any off-street parking areas (per 17-8-0904-A7) as evidenced by the proposed bicycle storage space (506 bikes) devoted on site and concealed parking structure;
    b. Provides street-level spaces within buildings that are designed to accommodate active uses or to otherwise engage pedestrian interest (per 17-8-0905-A2) as evidenced by the project's street level façade composed primarily of glass providing an engaging experience for pedestrians entering or moving past the building lobby or commercial space;
    c. All sides and areas of the buildings that are visible to the public are treated with materials, finishes and architectural details that are of high-quality and appropriate for use on primary street-facing façade (17-8-0907-A-4), as evidenced through the material callouts in this report and on the elevations;
    d. Provides that buildings have a clearly defined vertical appearance, comprised of a base, midsection and top (per 17-8-0907-B1) as evidenced by the overall design of the structure;
    e. Provides that upper-story setbacks should be used to reduce the apparent mass and bulk of tall buildings and should be used to convey a sense of sculpting to the tower and the top floors of the building (per 17-8-0907-B3) as evidenced by the tower's proposed uniquely sculpted design; and,
    f. Promotes green design by conserving non-renewable energy and scarce materials (per 17-8-0908-A) as evidenced by the project's proposed green roof and LEED certification.

3. The project has been reviewed and approved by CDOT, MOPD and the Fire Department.

Based on the foregoing, it is the recommendation of the Department of Planning and Development that this application for a Residential Business Planned Development be approved and that the recommendation to the City Council Committee on Zoning, Landmarks and Building Standards be "Passage Recommended".

The Department of Planning and Development has also reviewed the project materials submitted by the Applicant with regards to the Policies and Purposes of the Lake Michigan and Chicago Lakefront Protection Ordinance and has concluded that the proposed development would be in compliance with the applicable Policies of the Lakefront Plan of Chicago and the Purposes of the Lake Michigan and Chicago Lakefront Protection Ordinance, as they apply to development in the Private Use Zone, specifically:

1. Policy No. 8 (Increase personal safety): The proposal will activate an underutilized piece of valuable urban land bringing new residents and activity to this part of South Michigan Avenue;

2. Policy No. 10 (Ensure a harmonious relationship between lakeshore parks and community edges but in no instance allow private development east of Lake Shore Drive): The proposal consists of an appropriate residential infill project that will appropriately frame Grant Park directly to the east; and,

3. Policy No. 14 (Coordinate all public and private development within the water, park and community zones): This site is located within the Private-Use Zone, and the development has been coordinated with the appropriate City departments and community to minimize the impact of construction and to ensure it remains in context with the surrounding neighborhood.

With respect to the Policies not enumerated here, the Department of Planning and Development has determined that they are either not applicable to development in the Private Use Zone or that the proposed project will not have a detrimental effect on the Lake Michigan shoreline or any wildlife habitats therein. This is because the proposed project is separated from the shoreline, does not reduce existing open space or wildlife habitat and does not interfere with existing access to, or use of, the lake and its parks.

Based on the foregoing, it is the recommendation of the Department of Planning and Development that this development application, being in conformance with the provisions of the Lake Michigan and Chicago Lakefront Protection Ordinance, be approved, subject to compliance with the exhibits including site and Landscape Plans and elevation drawings dated April 21, 2016 and presented before you today.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the warranties, indemnities, representations, covenants, undertakings and agreements herein made on the part of the Trustee, while in form purporting to be the warranties, indemnities, representations, covenants, undertakings and agreements of First American Bank as said Trustee, are nevertheless each and every one of them, made and intended not as personal warranties, indemnities, representations, covenants, undertakings and agreements by First American Bank or any of its directors, officers, employees, or shareholders or for the purpose or with the intention of binding First American Bank or any of its directors, officers, employees, or shareholders personally but are made and intended for the purpose of binding only that portion of the trust property specifically described herein, and this instrument is executed and delivered by First American Bank not in its own right, but solely in the exercise of the powers conferred upon it as such Trustee, and no personal liability or personal responsibility is assumed by nor shall at any time be asserted or enforceable by any person against First American Bank or any of its directors, officers, employees, or shareholders on account of this instrument or on account of any warranty, indemnity, representation, covenant, undertaking or agreement of the Trustee in this instrument, all such personal liability, if any, being expressly waived and released and any recovery thereof being limited to the property hereby conveyed and the enforcement of remedies under the documents and instruments creating, securing, or otherwise governing the obligations secured by this instrument; provided however, this clause shall not impair the enforceability or adversely affect the availability of any rights that may otherwise be available to Mortgagee or the obligations of any co-signer, endorser, or guarantor of the obligations secured by this instrument; and provided further, that the foregoing limitations on personal liability shall not impair the validity of the indebtedness secured by Mortgagee's collateral or the lien or security interest on the collateral or the right of Mortgagee as mortgagee or secured party to foreclose and/or enforce rights against the collateral after default by the Mortgagor. Subject to the foregoing, the warranties, indemnities, representations, covenants, undertakings and agreements herein made on the part of the Trustee are made for the sole benefit of Mortgagee, and no other person or persons, other than Mortgagee's successors or permitted assigns, shall have any benefits, rights, or remedies by reason of such warranties, indemnities, representations, covenants, undertakings and agreements herein made on the part of the Trustee. Nothing herein shall be deemed to be a waiver of any right which Mortgagee may have under sections 506(a), 506(b), 1111(b) or any other provision of the Bankruptcy Reform Act of 1978, as at any time amended or reinstated, to file a claim for the full amount of the debt owing to Mortgagee in the event Mortgagor or its beneficiary should become the subject of a petition for bankruptcy or reorganization or to require that all collateral shall continue to secure all of the indebtedness owing to Mortgagee in accordance with the documents and instruments creating, securing, or otherwise governing the obligations secured by this instrument.
