2014-2018 Chicago Five-Year Housing Plan

Strengthening neighborhoods — increasing affordability.

2017 Third Quarter
Progress Report
July - September

City of Chicago
Rahm Emanuel, Mayor

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2017 Third Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in *Bouncing Back*, the City's Five-Year Housing Plan covering the years 2014-18.

During the third quarter of 2017 the City closed on the financing to begin the mixed-income redevelopment of a landmark North Side public housing complex and launched a new pilot program to rehab abandoned homes while creating employment and training opportunities in three targeted neighborhoods.

The Department of Planning and Development (DPD) is the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. DPD also promotes economic development by helping existing businesses grow and attracting new industry to the city, and it coordinates all of our zoning, land use planning, sustainability and historic preservation initiatives.

With the Chicago housing market's accelerating recovery from the 2007-8 collapse, along with the successful 2015 expansion of the City's Affordable Requirements Ordinance, we have seen an upsurge in production under our affordable housing programs. But we at DPD could not succeed in our work without the ongoing support and cooperation of our community partners that serve Chicago's neighborhoods, together with elected officials, state and federal agencies and other community stakeholders. Through these efforts, we will continue to move forward in creating and preserving affordable housing for the people of Chicago.

INTRODUCTION

This document is the 2017 Third Quarter Progress Report on the Chicago Department of Planning and Development's housing plan, *Bouncing Back: Five-Year Housing Plan 2014-2018*.

For 2017, DPD is projecting commitments of almost \$244 million to assist over 7,600 units of housing.

Through the third quarter of 2017, the Department has committed more than \$286 million in funds to support almost 6,800 units, which represents 89% of the 2017 unit goal and 117% of the resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

Multi-family Rehab and New Construction

In 2017, the Department of Planning and Development expects to commit almost \$205 million to support more than 5,400 units of affordable rental housing. DPD initiatives support new construction, rehabilitation and direct subsidies for affordable rental units.

Through the third quarter, DPD has committed over \$251 million in resources to support 4,651 units. These numbers represent 85% of the 2017 multi-family unit goal and 123% of the multi-family resource allocation goal.

Marshall Hotel

A ninety-year-old Single Room Occupancy (SRO) building on the Near North Side will be preserved and upgraded using a \$5 million multi-family loan approved on July 26 by the City Council. After a gut rehab the **Marshall Hotel**, at 1232 N. LaSalle Street in the 2nd Ward, will contain ninety apartments, each with private bath and kitchen. All units will be maintained affordable for residents earning up to 60 percent of area median income for the next thirty years through project-based vouchers from the Chicago Housing Authority (CHA).

Other funding for the \$31.8 million project includes \$14.2 million in Low Income Housing Tax Credit equity from the Illinois Housing Development Authority (IHDA), a \$2 million IHDA loan, \$2.8 million in historic tax credit equity, and a \$7.4 million private loan.

The rehab by the Michaels Development Co. will consist of new mechanical systems and windows, historic restoration of the main façade, roof repairs, and interior modifications to create private bathrooms and kitchens. The four-story elevator building, designed by architect Edmund Meles, features arched corridors, terrazzo flooring and textured plaster walls. It was nominated for the National Register of Historic Places by the Commission on Chicago Landmarks earlier this year.

The Marshall is the tenth property to be assisted under the City's SRO Preservation Ordinance, which was enacted in late 2014 by the Emanuel administration working with the Chicago for All Coalition and other housing advocacy groups. To date, more than 1,250 units have been successfully preserved through this initiative.

The developer, Three Corners Development, will lease the site for \$1 over 99 years from the CHA, which is also providing \$20.0 million in capital funding. The Habitat Company will manage the residential property and provide a range of supportive services to help tenants achieve self sufficiency.

In addition, the project has qualified for \$850,000 in IHDA tax credits that will generate \$8.7 million in equity. In addition, the developer has agreed to a \$2.2 million, interest-free loan, owed and managed—through a separate loan, will assist the residential component—which will be separated underground parking for tenants, shoppers and visitors. The City community room serving an adjoining CHA senior building, and house a 23,000-square-foot Target store, a 5,000-square-foot below the 111 apartments, the transit-oriented development will

tenants and 46 units to be leased at market rates.

A third project approved on July 26 is the construction of a \$41.8 million, mixed-use apartment complex on a CHA-owned site in the Rogers Park community. The seven-story Concord at Sheridan, located at 6438 N. Sheridan Road in the 49th Ward, will contain 65 units for CHA

The Concord at Sheridan

The developer, North River Commission (NRC), constructed Mayfair Commons with City assistance in 1996-97 as part of a community-wide redevelopment plan. Since the original tax credits have expired, NRC is now re-syndicating the property in order to leverage the investment needed to preserve the building's sustainability and affordability. The current rehab will include a new roof, windows, air-conditioning units for all apartments and interior updates and renovations.

City support will include up to \$6 million in Housing Income (AMI). The other apartments will continue to be leased to residents at up to 60 percent AMI. Trust Fund will reduce rents on thirteen units to serve tenants earning less than 30 percent of area median income (AMI). The other apartments will continue to be leased to residents at up to 60 percent AMI. The developer package also approved by the Council on July 26. The \$11.2 million Mayfair Commons project will provide energy efficiency upgrades and other improvements to a six-story elevator building at 444 W. Lawrence Avenue in the 39th Ward.

A 97-unit senior apartment complex in Albany Park will be preserved and rehabbed through a financial package also approved by the Council on July 26. The \$11.2 million Mayfair Commons project will provide energy efficiency upgrades and other improvements to a six-

Mayfair Commons

Tax credits represent the largest source of financing for the \$176 million project: \$5.8 million in Low Income Housing Tax Credits from the City and IDA that will generate \$60.9 million in equity; \$4.5 million in Donations Tax Credits generating \$4.1 million in equity; and \$22.7 million in Historic Tax Credits generating \$20.3 million. An additional \$60 million will be provided by the CHA through an interest-free HOPE VI loan.

On September 29 the City closed on the first stage of the mixed-income redevelopment of the historic Julia C. Lathrop Homes public housing complex in the North Center and Lincoln Park communities. Lathrop Homes Phase 1A will involve the full rehab of fourteen existing buildings and construction of one new building containing a total of 413 units on either side of Diversity Parkway west of Clybourn and Damen Avenues. The developer is Lathrop Companies LLC, a joint venture of three experienced affordable housing providers—Relocated Midwest, Heartland Housing and Blackbridge Redevelopment Corporation—that collectively have produced more than 7,500 affordable units.

Lathrop Homes Phase 1A

Designed by CSA Partners LTD, the cement-clad building is named for LGBTQ rights activist John Penneycurf, who died in 2012. This is the second LGBTQ-friendly housing development assisted by the City; the first, Town Hall Apartments, opened in Lakeview in 2014.

City assistance will consist of up to \$16 million in Multi-Family Housing Revenue Bonds for construction financing and \$564,000 in Low Income Housing Tax Credits that will generate \$5.7 million in equity for the project. Additional funding will include a \$12 million federal RAD grant and a private mortgage loan.

The triangular, seven-story building will house a mix of affordable studio, one- and two-bedroom apartments targeted at LGBTQ residents, including 47 units for Chicago Housing Authority (CHA) tenants. Among the on-site amenities will be a community room, management offices, laundry facilities, an outdoor patio and ground-floor commercial space.

An 88-unit, LGBTQ-friendly apartment complex will be developed in Logan Square through a financial package approved on September 26 by the City Council. The \$23.6 million John Penneycurf Memorial Apartments will be constructed on the northeast corner of Milwaukee and Campbell Avenues in the 1st Ward by Metropolitan Housing Development Corp.

John Penneycurf Memorial Apartments

The City supported the development with \$1 million in TIF funds and \$1.2 million in Low Income Housing Tax credits that generated \$10.7 million in equity. Project costs totaled about \$12.6 million, including public infrastructure upgrades such as a freshly paved alley. The financial assistance package was approved by the City Council in April 2015.

On June 30 Mayor Emanuel joined with Ald. Jason Ervin (28th Ward) and East Garfield Park community leaders to cut the ribbon on a new development that replaced a former burial site for old tires with 36 units of affordable rental housing for families.

Harvest Homes Apartments is the product of a collaboration between two not-for-profit housing developers, the People's Community Development Association of Chicago and the New York-based NHP Foundation. Four 3-story walk-up buildings containing a mix of two- to four-bedroom apartments were constructed on a vacant lot at 3512-46 W. Fifth Avenue. All of the units are affordable for families with household incomes between 30% and 60% of AMI. Eighteen apartments are handicapped-accessible.

Updates to Previously Reported Developments

Constructed in 1938 and named a national landmark in 2012, Lathrop Homes contained more than 900 units on 32 acres in what is today the 1st Ward. When the three-phase redevelopment is complete, the site will house over 1,100 units—of which 30% will be CHA replacement and 20% affordable—along with parkland, a riverwalk and retail space. The Lathrop revitalization is part of the CHA's Plan Forward, the follow-up to the earlier Plan for Transformation that has guided the agency's work since 2000.

The rehabilitated buildings, all located north of Divversy, will receive reconfigured and modernized unit layouts, energy-efficient mechanical systems, central air conditioning, and major exterior repairs to bring the structures into compliance with historic landmark standards. South of Divversy a six-story, 59-unit apartment building will be constructed. Altogether, the new and rehabbed units will total 161 CHA replacement, 91 affordable and 161 market rate.

The Root and Porch Program is funded through the City's Early Community Development Block Grant from HUD. The program is expected to serve 425 units in 2018; repair work will begin as soon as weather permits in the spring.

The day-long phone and on-line registration drew a total of 6,368 applications, of which more than 70% were submitted on-line. The second step in the process is a public lottery drawing at the Chicago Cultural Center on October 31; applicants need not be present to be eligible. All selected addresses are posted on DPD's website within two weeks of the lottery drawing date.

The Root and Porch Program successfully kicked off the 2018 funding cycle with its annual registration day on September 14. This popular program provides repair grants to income-qualified Chicago homeowners selected through a two-step process administered by the Department of Planning and Development.

Through the third quarter, DPD has committed almost \$1 million in resources to support 1,682 units. These numbers represent 95% of the 2017 improvement and preservation unit goal and 81% of the improvement and preservation resource allocation goal.

In 2017, the Department of Planning and Development expects to commit over \$13 million to assist nearly 1,800 households repair, modify or improve their homes. DPD initiatives support emergency repairs, energy efficiency improvements and financing programs to help existing homeowners keep their homes.

IMPROVEMENT AND PRESERVATION OF HOMES

Through the third quarter, DPD has committed almost \$24 million to support 443 units. These numbers represent 102% of the 2017 homeownership unit goal and 92% of the homeownership resource allocation goal.

In 2017, the Department of Planning and Development expects to commit almost \$26 million to help over 400 households achieve or sustain homeownership. DPD initiatives support the construction of new homes, the acquisition and rehab of deteriorated and abandoned properties and financing programs for home purchase and rehabilitation.

PROMOTION AND SUPPORT OF HOME OWNERSHIP

- The pilot is being launched with \$2 million in funds originally designated for property tax rebates that went unclaimed. This initial City investment will leverage \$4 million in private capital from MB Financial, Rush University Medical Center, and the Chicago Community Loan Fund. Additional program partners include:
- Cook County Land Bank Authority (CCLBA), which will acquire and hold the properties and building the capacity of local developers by identifying properties that can meet the dual goals of providing affordable housing and building the capacity of local developers
 - Safer Foundation, Chicago CRED and CARA, which will provide workforce development services focusing on job training, work experience and placement for residents of Garfield Park, Humboldt Park and Englewood
 - Safer Foundation, Chicago CRED and CARA, which will provide workforce development services focusing on job training, work experience and placement for residents of Garfield Park, Humboldt Park and Englewood

"This program is a win-win—it will help revitalize communities while generating employment and training opportunities in areas that need them the most," Mayor Emanuel said.

Fifty vacant homes in the Garfield Park, Humboldt Park and Englewood communities will be reclaims as affordable housing under a \$6 million initiative announced on September 13 by Mayor Emanuel. The Chicago Neighborhood Rebuild pilot program will acquire and rehab the homes through a public-private partnership that will provide training opportunities and transitional jobs for approximately 200 at-risk youths and ex-offenders over the next three years.

2017 Notes:

2530 S Blue Island will eventually include 34 units Riverbend estates, if fully built out, will include 89 units. The ARO obligation will be met by in-lieu payments of \$700,000 and 2 on-site units in Phase II.

3607 S Morgan was reported on in Q2 at the time they made an in-lieu payment and again in Q2 when they filed a covenant to provide an on-site ARO unit. 932 W Dakin initially filed a restrictive covenant agreeing to provide 3 affordable units on 11/18/2015; they subsequently elected to make an in-lieu payment of \$500,000 on 4/7/2017

3141 N Sheffield initially filed a restrictive covenant agreeing to provide 8 affordable units on 2/4/2015; they subsequently elected to make an in-lieu payment of \$800,000 on 2/15/2017

The payment for 2339 N Seeley was made in three phases, with the third and final payment of \$100,000 received on 1/25/2017

1650 W Division was originally conceived as a 60-unit project, but was expanded to 260 units (covenant filed 12/28/2016 reflects increased number)

2808 W North was originally reported as a Rental project in Q1 2015 but converted to a For-Sale project in Q3 2015.

NOTE: Gross rent limits for 50% and 65% AMI, High HOME Rent and Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the lesser of the Fair Market Rent or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very low income families whose rents do not exceed 30% of the annual income of a family @ 50% of the area median. This is known as the "Low HOME Rent."

** Low- or high-rise
