

2009-2013 Affordable Housing Plan

Keeping Chicago's neighborhoods affordable.

City of Chicago
Rahm Emanuel, Mayor

2012 Fourth Quarter Progress Report
October-December

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2012 Fourth Quarter Progress Report, which presents the Department of Housing and Economic Development's progress on the goals set forth in the City's fourth Affordable Housing Plan for the years 2009-2013.

Perhaps more than at any time since the inception of the five-year planning process, 2012 was a year of great challenges in the housing and lending markets. In particular, the collapse of the single-family housing market has had a crippling effect on our homebuyer initiatives.

Despite these issues, the Department in 2012 committed \$276 million to support more than 7,000 units of affordable housing. This represents 75% of our annual resource allocation goal and 80% of our units assisted goal.

During the fourth quarter, the Department approved financing for two multifamily developments and conducted our annual Rents Right Housing Expo to assist tenants and landlords in finding answers to their housing questions.

As always, we would like to thank all of our partners for their continued support and cooperation under difficult circumstances. Working with them, we will continue to progress in our goals to create and preserve affordable housing for the people of Chicago.

Andrew J. Mooney
Commissioner

INTRODUCTION

This document is the 2012 Fourth Quarter Progress Report on the Chicago Department of Housing and Economic Development's Affordable Housing Plan, 2009-2013.

For 2012, HED projected commitments of \$367 million to support 8,860 units of housing.

Over the full year, the Department committed \$276 million to assist more than 7,000 units, representing 75% of the 2102 resource allocation goal and 80% of the unit goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

Multifamily Rehab and New Construction

At the start of 2012, the Department projected commitments of over \$288 million to support more than 6,000 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

For the full year, HED committed \$202 million in resources to support 4,635 units. These numbers represent 75% of the annual multifamily unit goal and 70% of the multifamily resource allocation goal.

Shops and Lofts at 47

On October 31 the City Council approved a \$45.6 million, mixed-use development featuring 96 rental units and a Wal-Mart Neighborhood Market in the Grand Boulevard community. The project, Shops & Lofts at 47, will be located primarily on a vacant, City-owned site at 47th Street and Cottage Grove Avenue. It will consist of a new five-story mixed-use building along with two new six-flats, a new nine-flat and a rehabilitated three-flat.

The \$33.5 million residential component, to be developed by The Community Builders Inc., will contain 44 affordable, 28 public housing and 24 market-rate apartments. Public sector support will include \$11.4 million in TIF funds, a \$550,000 HOME loan, a \$7.8 million loan from the CHA, a total of \$9.1 million in tax credits and up to \$20 million in tax-exempt bonds for construction financing.

The ground floor of the mixed-use building will contain 55,000 square feet of retail space, of which 41,000 square feet has been committed for the Wal-Mart grocery store. An additional 14,000 square feet will be offered for leasing to small retailers during the construction phase. Ground-level parking on the site will provide space for 66 vehicles.

Shops & Lofts is one of three major HED-assisted developments now moving ahead on the 47th Street corridor. Together, these projects will create almost 350 new housing units and more than 160,000 square feet of retail space.

A new Wal-Mart Neighborhood Market will anchor a three-acre, \$46 million residential and commercial development on the southwest corner of 47th Street and Cottage Grove Avenue in the 4th Ward.

Dorchester Artist Housing

On December 13 the City approved a total of \$1.1 million in tax credits for the creation of a 32-unit, mixed-income artists' colony through the rehabilitation of vacant CHA-owned housing in the South Shore community. Dorchester Artist Housing will contain 13 two- and 19 three-bedroom units, along with an arts center. Eleven of the units will be reserved for former public housing tenants and restricted to 50% AMI; 12 units will be at 60% AMI; and 9 units will be unrestricted. The buildings, formerly known as Dorchester/Dante Townhomes, will be donated by CHA and the land leased for 99 years.

The two-story, red brick buildings on the site will be restored to their original modern design. All major systems will be replaced, including HVAC, electric, plumbing, roofs, kitchens and baths, along with new landscaping. The arts center, located in the center of the development, will complement the residential buildings with a decorative glass façade, creating an open and inviting atmosphere for performing, creating and displaying art.

The \$11.8 million development, a joint venture of Brinshore Development and the nonprofit Rebuild Foundation, is part of the CHA's Plan for Transformation. The Rebuild Foundation, whose mission includes providing arts programming for children, plans to provide programming in the arts center, coordinating artists living on-site who will be required to volunteer a minimum of five hours per week. This project will also be part of a larger network of artists' residences being established by the Foundation in six midwestern cities.

These vacant CHA apartments at 70th Street and Harper Avenue in the 5th Ward are among 32 two- and three-bedroom units slated for redevelopment as artists' residences.

PROMOTION AND SUPPORT OF HOMEOWNERSHIP

At the start of 2012, the Department projected commitments of over \$62 million to help almost 700 households achieve or sustain homeownership.

For the full year, HED committed over \$62 million in resources to support 443 units. These numbers represent 67% of the annual homeownership unit goal and 101% of the homeownership resource allocation goal.

Troubled Building Condo Initiative to Continue As Self-Funded Program

Building on the success of the TBI Multi-Family and Single-Family programs, the TBI Condo program was initiated by HED in response to the mounting numbers of vacant and dysfunctional condo buildings in Chicago during the mid-2000s. A combination of unscrupulous developers and lax lending standards had caused a surge of foreclosures and vacancies rippling through many converted condo buildings, while a tangle of ownership issues deterred the sale and rehab of individual units. Using a three-year, \$2.5 million federal grant under the American Recovery and Reinvestment Act (ARRA), HED contracted with Community Initiatives, Inc. (CII) to acquire, assemble, manage, and sell these vacant units.

The program began in 2009 with the selection of twelve condo buildings housing a total of 80 vacant units. In 2010, several units were acquired at lower than anticipated costs through donations from banks or by court order as a result of Illinois's newly enacted Distressed Condominium Act. These factors enabled HED to expand the program and add more buildings to the acquisition list. By the end of the ARRA grant period in September 2012, 188 units had been acquired—more than twice as many as originally projected.

This three-story building at 3550 W. Franklin in the 27th Ward is being rehabbed under the TBI Condo program.

HED's intent is to continue operating the program supported exclusively by revenues generated as buildings are sold. The program is now targeting twenty buildings containing 252 units in the communities of Albany Park, Avondale, Chatham, Chicago Lawn, Humboldt Park, Logan Square, Rogers Park, Washington Park, West Ridge and Woodlawn. The first five buildings have been sold, generating income of almost \$360,000. In 2013 HED will continue to partner with CII in identifying additional troubled condo buildings to bring into the program, supported by anticipated program income of \$1,025,000.

IMPROVEMENT AND PRESERVATION OF HOMES

At the start of 2012, the Department projected commitments of almost \$15 million to help 2,000 households repair, modify or improve their homes.

For the full year, HED committed over \$11 million in resources to support 1,979 units. These numbers represent 98% of the annual home improvement and preservation unit goal and 77% of the resource allocation goal.

Homeownership Counseling to be Expanded Under New IHDA Grant in 2013

HED's direct support for homeownership counseling programs will be significantly boosted in 2013 through a new \$960,000 annual grant from the Illinois Housing Development Authority (IHDA). The new grant, which more than doubles City counseling assistance from \$445,000 in previous years, will enable the Department to expand the number of City-funded agencies under the Homeownership Counseling Services (HCS) program from nine to thirteen.

Through HCS, HUD-certified Housing Counseling Agencies provide foreclosure prevention and homebuyer counseling services to current and prospective homeowners. The thirteen agencies were selected through an RFP issued in November 2012.

EHAP Enhancements Approved for 2013

In December 2012, legislation was introduced to expand the Emergency Housing Assistance Program (EHAP) by raising the income eligibility ceiling from 50% to 80% of AMI. Under the change, approved by the City Council in January 2013, the maximum qualifying income is now \$58,900 for a family of four. This is the first such expansion of EHAP since its inception in 1984.

Also, the Department revamped the intake process for EHAP to make it fairer and more convenient for applicants. For the first time in 2013, open enrollment for the Roof and Porch Repair/Replacement Program was rescheduled from the New Year's Day holiday to the first business day of the year. During the new enrollment period, which ran from 9 a.m. to 3 p.m. on January 2 through January 4, more than 2,500 interested residents called into the City's 311 Service Center to place their names on the list for roof or porch repairs.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

Micro Market Recovery Program Update

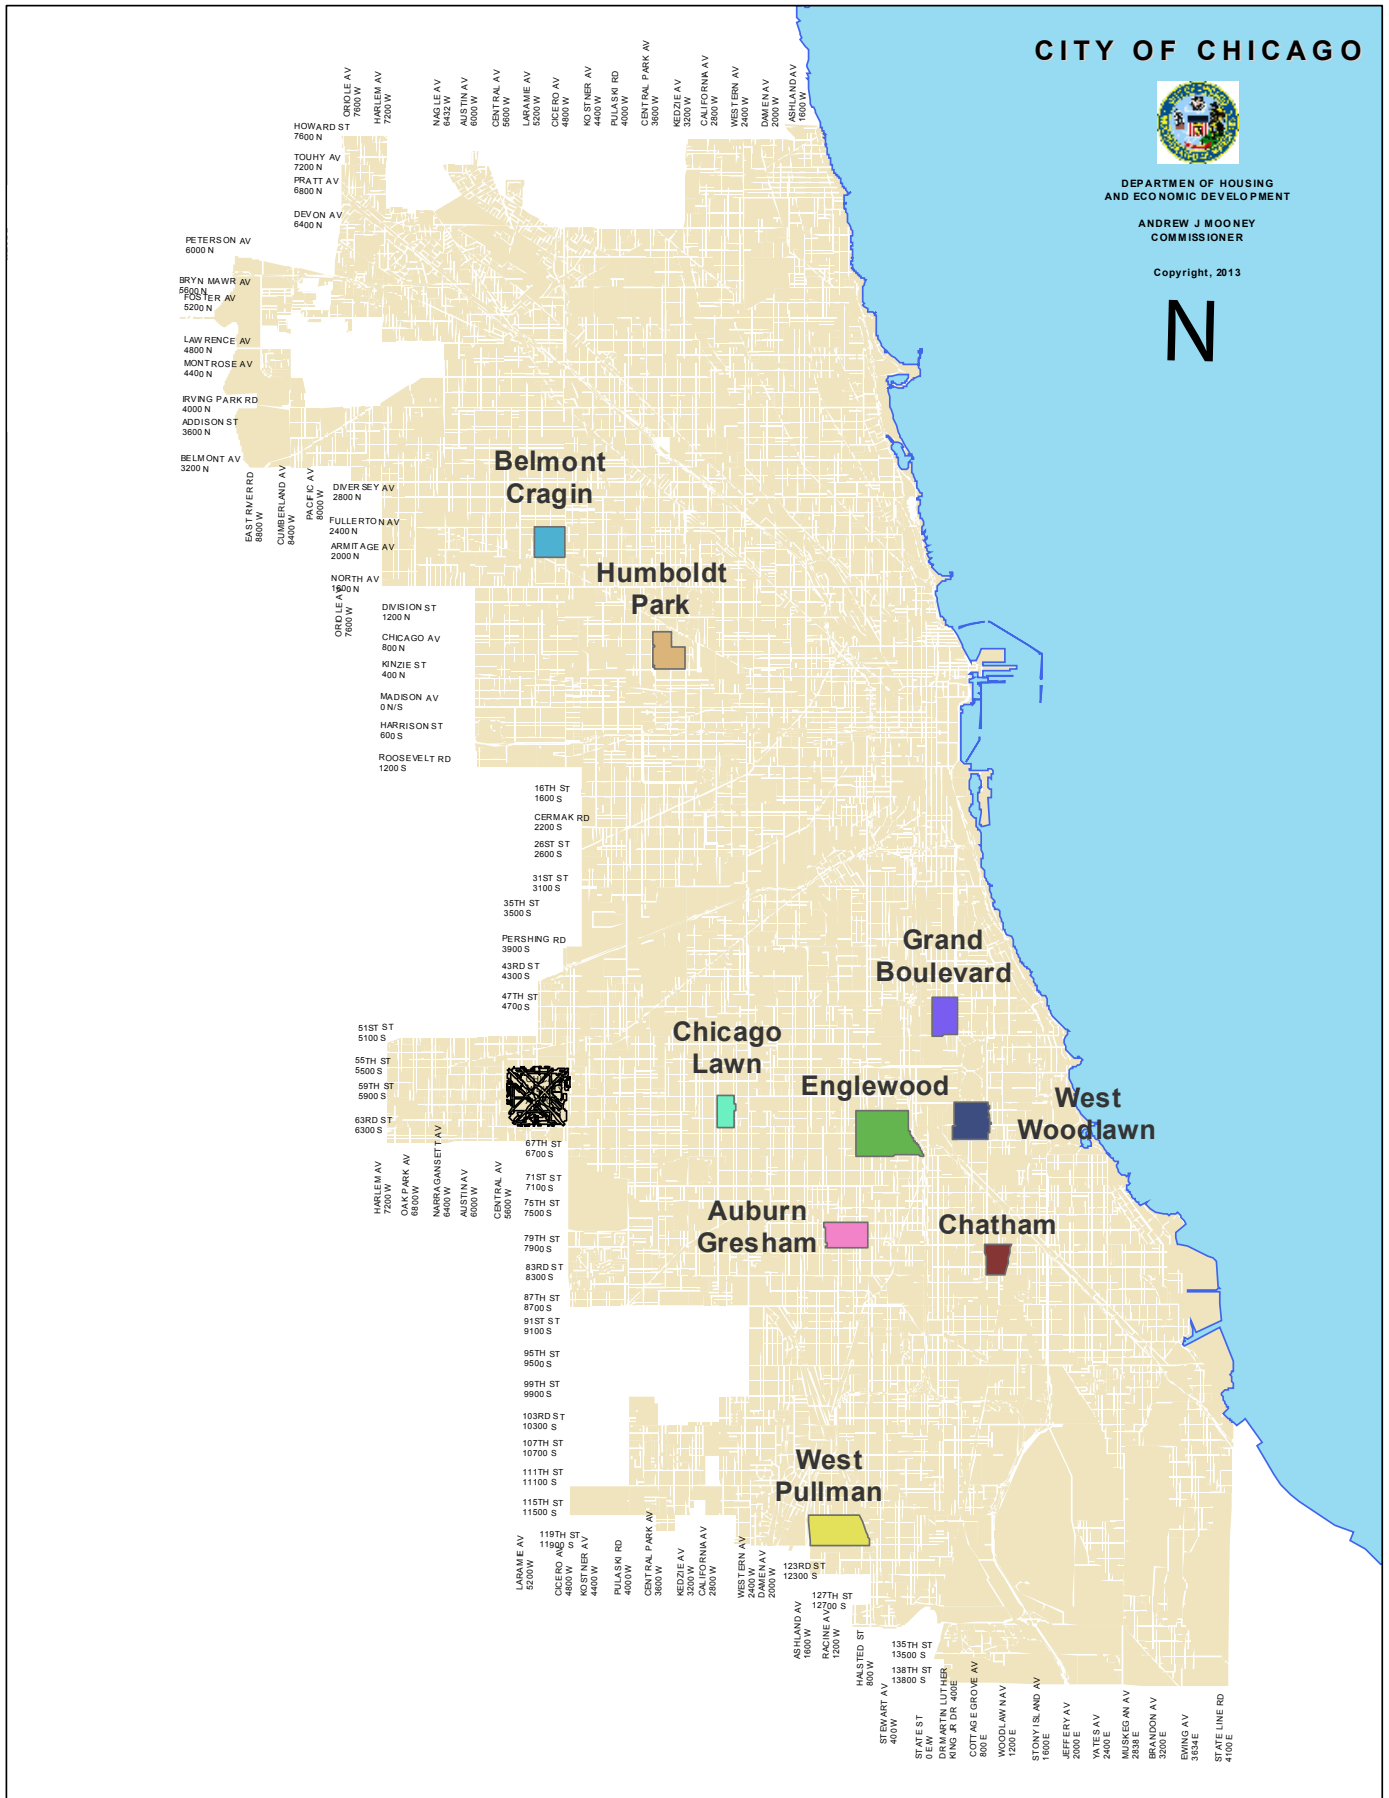

The Micro Market Recovery Program (MMRP) was launched in August 2011 to combat high foreclosure rates and stabilize property values in targeted neighborhoods throughout the city. Through the program the City works to foster the reoccupation of vacant or foreclosed properties in nine target areas (see map on p. 8) by coordinating multiple incentive programs, not-for-profit intermediaries and for-profit capital sources, and by providing financing to approved developers and end-users.

Since its inception, MMRP has leveraged the resources of the City and its non-profit and community partners to assist over 1,700 units in more than 260 properties. Combined public and private investments in MMRP properties now total \$236.9 million, including \$142.4 million through the City's affordable housing programs. This funding supports a wide range of services, including: foreclosure counseling; home repair assistance; enforcement, stabilization and repair of distressed properties; and private financing for acquisition and rehab.

Key to this effort in each target area is the City's Community Partner--an organization that is taking the lead in identifying local solutions to the foreclosure crisis. Each Community Partner assumes responsibility for a wide range of activities: surveying and reporting vacant properties in their community; providing or facilitating foreclosure counseling, financial literacy and credit counseling; assistance with insurance and property tax reduction options; referrals for lending and homeowner counseling to prospective buyers; block clean-ups and organizing; and other community engagement activities that help keep existing residents in their homes and avoid further foreclosures and vacancies. The groups meet monthly to review overall strategies, share best practices and get updates on the status of vacant properties.

MMRP Target Areas

Neighborhood Stabilization Program Update

The City continues on track to meet HUD's upcoming deadlines for the expenditure of NSP dollars. The first deadline requires all NSP2 funds to be spent by February 11, 2013; the final date for NSP1 is March 27, 2013. Property acquisitions under NSP3 will continue during 2013; the deadline for drawdown of these funds is March 15, 2014.

Through the end of 2012, a total of 826 units in 173 properties have been acquired (or are under contract to buy) using funds from Chicago's three NSP grants. Rehab construction has started on 667 units in 134 properties; 458 units (92 properties) have been finished or are nearing completion. Sixty-six units (42 properties) have been sold to qualified homebuyers, and several multifamily properties are partially occupied and in the lease-up process. A list of all properties that have been assisted through NSP can be found in the Appendix. An updated version of this list is always available at www.chicagosp.org.

This blighted commercial building at 436 E. 47th Street in the 3rd Ward will soon be reborn as Bronzeville Artist Lofts with the assistance of \$4.4 million in NSP2 grant funds.

Ninth Annual Rents Right Housing Expo

On November 3, 2012 the Adam Clayton Powell Academy, located at 7511 South Shore Drive in the 7th Ward, was the scene of the City's ninth annual Rents Right Expo to assist tenants and landlords with questions about their rights and responsibilities. Featuring some forty housing agencies and service providers, the free Expo was co-sponsored by HED and the Chicago Rents Right Committee, which provides guidance to tenants and landlords in meeting their legal rights and responsibilities.

At the event, a wide range of government and community agencies answered questions from more than 100 attendees about conflict resolution, building code violations, laws pertaining to evictions and lockouts, housing discrimination, pest control and other housing issues. Participants also attended bilingual workshops focused on fair housing laws and other topics of concern to renters.

Participating agencies included the Metropolitan Tenants Organization, the Spanish Coalition for Housing, Access Living, the Lawyers' Committee for Better Housing and other service providers.

NOTE: Gross rent limits for 50% and 65% AMI, the High HOME Rent, and the Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."

** Semi-detached, row house, duplex, townhouse, elevator/high-rise apartments, garden/walk-up apartments
