Re: Call for Committee Meeting to Vote on O2021-413 (Water-for-All)

Dear Chairman Cardenas,

Pursuant to Rule 39, my colleagues and I request a Committee meeting to vote on the Ordinance 2021-413, colloquially known as the Water-for-All Ordinance. I commend your leadership to work with the administration to previously hear this Ordinance at Committee. With your leadership on this Ordinance, we can establish substantive water billing relief for many Chicagoans most in need, and I believe this Ordinance will complement the City's recent Chicago Recovery Plan programming and Climate Action Plan to create a more resilient and just Chicago.

I respect the tradition and collegiality of working legislation through our Committees, and therefore the undersigned and I wish to see this Ordinance heard through Rule 39.

Sincerely,

Daniel La Spata
