2014 Fourth Quarter Progress Report October-December

City of Chicago

Rahm Emanuel, Mayor

LETTER FROM THE COMMISSIONER

We are pleased to submit the 2014 Fourth Quarter Progress Report, which presents the Department of Planning and Development's progress on the goals set forth in *Bouncing Back*, the City's fifth Five-Year Housing Plan covering the years 2014-2018.

The Department of Planning and Development (DPD) is the lead agency for the City's affordable housing, housing preservation and homebuyer assistance programs. For the full year of 2014 the Department committed more than \$344 million to support 7,234 units of affordable housing. This represents 130% of our annual resource allocation goal and 87% of our units assisted goal.

During the fourth quarter, the Department approved financing for four multi-family development projects—giving us a total of fourteen for the year—and completed the roll-out of our new Large Lots Program that facilitates the acquisition of City-owned vacant lots by neighborhood residents.

Once again, we would like to thank our many partners for their continued support and participation. We at DPD could not succeed in our work without the ongoing support and cooperation of these valued partners—neighborhood and business groups, elected officials, state and federal agencies, and other community stakeholders. Through our combined efforts, we will continue to move forward in creating, preserving and supporting affordable housing for the people of Chicago.

Andrew J. Mooney

INTRODUCTION

This document is the 2014 Fourth Quarter Progress Report on the Chicago Department of Planning and Development's housing plan, *Bouncing Back: Five-Year Housing Plan 2014-2018*.

In 2014 DPD projected commitments of more than \$265 million to assist nearly 8,300 units of housing.

For the full year 2014, the Department committed more than \$344 million in funds to support over 7,200 units, which represents 87% of the 2014 unit goal and 130% of the 2014 resource allocation goal.

CREATION AND PRESERVATION OF AFFORDABLE RENTAL UNITS

In 2014 the Department of Planning and Development projected commitments of almost \$210 million to support more than 5,600 units of affordable rental housing using loans for new construction or rehab along with rental subsidies.

For the full year, DPD committed more than \$310 million in resources to support 5,090 units. These numbers represent 148% of the annual multi-family resource allocation goal and 90% of the annual unit goal.

Multi-Family Rehab and New Construction

Casa Queretaro

On October 8 the City Council approved financing for the construction of a 45-unit affordable rental building to be developed by The Resurrection Project on the Lower West Side. The \$15 million project, located at 1614 S. Damen Avenue in the 25th Ward, will offer one-, two- and three-bedroom units for households with incomes up to 60 percent of the area median income (AMI). Fifteen units will be reserved for CHA tenants.

Casa Queretaro will include a community room, office space and laundry facilities, along with a landscaped courtyard and parking lot. All units in the four-story building will be either accessible or visitable due to the “no-step entry with elevator” design of the building.

The City will provide a \$1.2 million loan, \$4.4 million in TIF funding, \$5.3 million in Low Income Housing Tax Credit equity and the sale of one parcel of City-owned land for \$1 to assist the project. Other funding sources include a \$4.5 million CHA loan and \$8.5 million in Housing Revenue Bonds for construction financing.

Senior Residence at Kedzie

Also on October 8 the City Council approved the construction of a \$15.9 million senior housing complex in Irving Park by Kedzie Partners LP. The six-story development will contain fifty affordable one-bedroom units, along with a community room, fitness center, laundry facilities and office space. The eco-friendly design also features an outside gazebo, garden and walking paths.

Apartments in the **Senior Residence at Kedzie** will be available to seniors at between 30% and 60% of AMI. The City is providing a \$4 million loan and \$1.2 million in Low Income Housing Tax Credit financing that will generate \$11.1 million in equity to support the project.

Sterling Park Apartments

In a third project approved on October 8, part of the former Sears, Roebuck & Co. headquarters complex in North Lawndale will be converted to 181 units of affordable rental housing by Sterling Park Development LLC. The \$55 million redevelopment will involve the adaptive reuse of the former Merchandising, Development and Laboratory Building, which has been vacant since 1999.

Sterling Park Apartments, located at 3301 W. Arthington Street in the 24th Ward, will house a mix of one- through four-bedroom units affordable to families at up to 60% of AMI. Sixty-six apartments will be set aside for CHA residents. The rehab of the six-story structure will include repair or replacement of the exterior masonry along with new exterior lighting, elevators and mechanical systems, including central heating and air conditioning. All apartments will be visitable for mobility-impaired guests; 20% of the units will be adaptable and 2% will be designed to accommodate sight- and hearing-impaired residents.

The building's first floor will contain the majority of the project's common space. Amenities will include a lobby, reception desk, mailroom, property management offices and a community room with warming pantry. Each floor will have a common laundry room.

City assistance for the project will include \$17.9 million in Low Income Housing Tax Credit equity, along with the transfer of \$30 million in bonding authority to the CHA for interim financing during the construction phase.

Homan Square Rentals Phase VI

On November 16 the City Council approved financing for the construction of the final phase of the Homan Square residential development in North Lawndale. Like Sterling Park Apartments, this project will be developed on the site of the former Sears, Roebuck & Co. headquarters complex in the 24th Ward.

The \$12.9 million **Homan Square Rentals Phase VI**, planned for a now-vacant site at 3601 W. Arthington Street, will consist of 52 mixed-income apartments in 8 two-story buildings. The project, to be developed by The Shaw Company, will include 46 units set aside for residents earning up to 60 percent of AMI.

The first five phases of the Homan Square development, constructed between 1994 and 2010, created 200 rental and 158 for-sale units. Phase VI will increase the total number of affordable rental units in the complex to 237.

Previous phases received assistance from the City of Chicago in the form of subordinate loans, Low-Income Housing Tax Credits and a New Homes for Chicago subsidy. City financial support for the current project will include \$3 million in TIF funds, a \$2.9 million loan and \$550,000 in Low Income Housing Tax Credits that will generate \$5.4 million in equity.

Updates on Previously Reported Developments

Bronzeville Family Apartments

On December 3 the City Council approved a \$772,000 Multi-Family Loan for soil remediation work completed in connection with the ongoing redevelopment of the former Paul G. Stewart IV apartment complex in the Grand Boulevard community. The **Bronzeville Family Apartments** project is being constructed in two phases supported by financial assistance packages approved by the City in 2010 and 2013. When completed, the development will contain a total of ninety affordable family units in six 3-story walk-up buildings near the intersection of 41st Street and King Drive in the 3rd Ward.

The new apartments replace ninety townhouse units built in 1984 that could not be maintained due to severe site settlement issues. The project's first phase containing 66 units has been completed, and all apartments are occupied. An additional 24 units currently are under construction in Phase II.

City assistance for the redevelopment included a combination of TIF, CDBG, Density Bonus and Low Income Housing Tax Credit funds. The new funding will reimburse the developer, Bronzeville Associates LP, for unanticipated expenses already incurred for soil remediation activities required before construction work could begin on the site.

PROMOTION AND SUPPORT OF HOMEOWNERSHIP

In 2014 the Department of Planning and Development projected commitments of over \$41 million to help more than 650 households achieve or sustain homeownership.

For the full year, DPD committed more than \$21 million to support 333 units. These numbers represent 53% of the annual homeownership resource allocation goal and 51% of the annual unit goal.

IMPROVEMENT AND PRESERVATION OF HOMES

In 2014 the Department of Planning and Development projected commitments of nearly \$15 million to assist more than 2,000 households repair, modify or improve their homes.

For the full year, DPD committed almost \$12 million to support 1,811 units. These numbers represent 80% of the annual improvement and preservation resource allocation goal and 90% of the annual unit goal.

Chicago Bungalow and Vintage Home Expo

On October 5 more than 500 bungalow owners and prospective homebuyers made their way to Chicago State University for the first of two neighborhood fairs sponsored by the Historic Chicago Bungalow Association (HCBA). The event featured over fifty exhibitors offering useful products and guidance on everything from energy efficient upgrades and rehabbing woodwork to home financing. Also lending their expertise were practitioners from the American Institute of Architects, who provided free face-to-face consultations on how to update vintage homes, add new rooms or convert attics and basements into more usable space. Attendees lined up to meet the architects with their ideas and photos in hand.

The expo was headlined by Chicago native Kelly Edwards, design coordinator for HGTV's "Design on a Dime" and STYLE Network's "Tacky House", who presented a workshop on innovative and budget friendly ideas for turning small spaces into unique interiors.

The Historic Chicago Bungalow Association is a non-profit organization that administers the City's Historic Bungalow Initiative, which provides resources to help Chicago bungalow owners maintain, preserve and adapt their homes. HCBA will host a second neighborhood expo on the North Side at the McFetridge Sports Center, 3843 N. California Avenue, on April 18, 2015.

POLICY, LEGISLATIVE AFFAIRS AND OTHER ISSUES

Large Lots Program Approved For Expansion to New Neighborhoods

On December 10 the City Council gave final approval for the future expansion of the new **Large Lots Program** to additional neighborhoods, enabling the sale of vacant, City-owned lots to homeowners, block clubs and non-profit organizations for \$1 each. The program represents the first new initiative launched by the City under its Five-Year Housing Plan for 2014-2018.

“The Large Lots Program enables community residents and stakeholders to take ownership of their blocks, one parcel at a time,” Mayor Emanuel said. “It’s an effective, cost-friendly tool to redevelop concentrations of City-owned land for private and community uses.”

In 2014 a pilot version of the program was rolled out successfully in three Chicago neighborhoods by the Department of Planning and Development (DPD). In the first two communities—greater Englewood and East Garfield Park—more than 800 prospective buyers submitted purchase requests. Applications were being accepted in the third neighborhood, Austin, through January 31, 2015.

The expanded program will provide an entirely electronic application process through the LargeLots.org web site. To qualify as a buyer, an applicant must own property on the same block, be current on property taxes and have no outstanding debt to the City. All lots are sold in “as is” condition via quit claim deed.

Eleventh Annual Rents Right Housing Expo

On October 18 the Eleventh Annual Rents Right Housing Expo provided landlords and tenants with a convenient, one-stop opportunity to learn more about their rights and responsibilities and make informed decisions. The free event, sponsored by the Department of Planning and Development and the Chicago Rents Right Committee, was held at the McFetridge Sports Center, located in California Park on the Northwest Side.

The expo featured over fifty exhibitors who provided information on conflict resolution, building code violations, laws pertaining to evictions, maintenance issues and other concerns involving rental housing. Bilingual workshops covered topics such as the Chicago Residential Landlord and Tenant Ordinance, fair housing and accessibility laws and the rights of landlord and tenants under foreclosure. Workshop attendees were eligible to enter a drawing to win one of six \$25 gift cards.

Participating organizations included various City departments, the Chicago Housing Authority, Lawyers' Committee for Better Housing, Metropolitan Tenants Organization, Illinois Department of Human Rights Fair Housing Division, Community Investment Corporation, Access Living, Community and Economic Development Association, Citizens Utility Board, Low Income Home Energy Assistance Program and Home Depot.

Neighborhood Stabilization Program Update

In March 2014 the City of Chicago achieved full compliance with all HUD deadlines for utilization of a total of \$169 million in NSP grants awarded since the program began in 2009. The City will continue to invest in NSP targeted areas by using the income generated through sales of NSP properties to fund the acquisition and rehabilitation of additional buildings.

Through the end of 2014, a total of 859 units in 194 properties have been acquired using funds from Chicago's three NSP grants. Construction has started on 810 units in 169 properties; 789 units (165 properties) have been finished or are nearing completion. One hundred forty-eight units (105 properties) have been sold to qualified homebuyers, and 35 multi-family properties containing 495 units have been fully rented out. A list of all properties that have been assisted through NSP can be found in the Appendix. A recent version of this list is always available at <http://www.chicagosp.org/index.html>.

The Chicago Low-Income Housing Trust Fund invests in residential properties to support long-term rent reduction by replacing more costly sources of financing. Property owners make a long-term commitment to provide lower rents for very low-income households. MAUI units are created with funding from the Illinois Rental Housing Support Program / Long Term Operating Subsidy (LTOS) as well as Chicago's Affordable Housing Opportunity Fund ("Downtown Density Bonus"). Units developed between 1990 and 2006 were funded using federal HOME funds directed to the City of Chicago.

* A property is reported as "closed" once it has met its HOME requirements.

NOTE: Gross rent limits for 50% and 65% AMI, the High HOME Rent, and the Fair Market Rent are published by HUD. All other rent limits are calculated assuming 1.5 occupants per bedroom and 1 occupant for an apartment with no bedrooms.

* For HOME-funded developments, rents are the "lesser of" the Fair Market Rent for the unit size or the High HOME Rent for the unit size. In HOME-funded developments with 5 or more units, 20% of the HOME-assisted units must be occupied by very-low income families whose rents do not exceed 30% of the annual income of a family whose income equals 50% of the area median. This is known as the "Low HOME Rent."
