Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are incorporated here by this reference.

SECTION 2. Subject to the approval of the Corporation Counsel as to form and legality, the Superintendent of the Department or his designee (the "Superintendent") is authorized to execute an intergovernmental agreement (and such other documents as are necessary) between the City and the Board in substantially the form attached as Exhibit A (the "Agreement"), with such changes as the Superintendent deems necessary or appropriate. Funds received pursuant to the Agreement shall be subject to appropriation.

SECTION 3. To the extent that any ordinance, resolution, rule, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall control. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 4. This ordinance takes effect upon passage and approval.

Exhibit "A" referred to in this ordinance reads as follows:

Exhibit "A".

Intergovernmental Agreement With Chicago Board Of Education.

This Intergovernmental Agreement (the "Agreement") is effective as of the 1st day of January, 2014 (the "Effective Date") by and between the City of Chicago (the "City"), a municipal corporation and home rule unit of local government under Article 7, Section 6(a) of the 1970 Constitution of the State of Illinois, acting through its Department of Police (the "Department" or the "CPD") and the Board of Education of the City of Chicago (the "Board" or "CPS") acting pursuant to Board Report No. 13-0123-PR12 and in exercise of powers granted to it by Illinois law, specifically 105 ILCS 5/34-1 et seq., as amended; pursuant to the 1970 Constitution of the State of Illinois, Art VII, Sec. 10, for the purpose of maintaining and promoting the safety and security of the children, teachers and other staff of the Chicago Public Schools ("CPS Schools"), which is of great importance to the City and the Board, as well as resulting in protection against liability.

1. Term and Extension. The term of this Agreement shall begin on the Effective Date and end on December 31, 2015 ("Term"). This Agreement has two (2) options to renew for periods of twelve (12) months each.

The Superintendent will have discretionary authority to shift resources and activity to meet the needs of the City as a whole, however, if the Superintendent exercises such authority and it results in a reduction of services to the Board, all invoices shall reflect actual services rendered. A comprehensive list shall be provided and updated at least two (2) times per year for the Term including once in September of each year and once in January of each year and provided to the Chief Officer of Safety and

Security or his or her designee which includes the names of the police officers and their designated locations. J. CPD Officers must have a working knowledge of the CPS Student Code of Conduct Manual.

3. Operations.

Furthermore, all assigned CPD Officers shall be supervised by a designee determined by the District Commander of the respective police district.

C. The Board shall monitor the performance of the CPD Officers through its designated representatives.

D. CPD shall maintain daily reports on all crimes and arrests committed at CPS Schools and CPD shall provide a monthly report detailing such incidents to the Board's Chief Officer of Safety and Security in accordance with Illinois statutes.

4. Emergencies. Nothing contained herein shall preclude the emergency deployment of CPD Officers assigned under this Agreement, in any manner, at the discretion of the Superintendent of Police.

5. Reimbursement, Payment and Documentation.

A. Compensation. The total maximum compensation payable to CPD during the Term of this Agreement for Services performed shall not exceed Thirteen Million Dollars (\$13,000,000) a year for a total of Twenty-Six Million Dollars (\$26,000,000) ("Total Maximum Compensation"). Invoices submitted to the Board shall provide detail of the services provided to the Board pursuant to this Agreement including information by School of CPD Officer(s) name, date of service, hours being billed for the date of service, hourly rate of pay and regular hours and overtime hours. The Schools will not be billed for any time other than actual hours worked. Invoices shall be submitted by CPD to CPS twice per year, for the period from January 1 — June 30 and the period from July 1 — December 31. CPS will tender payment within thirty (30) days after receipt of invoice and may withhold payment on any part of an invoice in dispute, provided that they furnish to the CPD in lieu of payment a detailed written explanation of the reason for disputing any invoiced amount.

B. CPS shall have the right to audit the records of CPD to verify the time billed and other records for which CPS receives a charge and CPD shall cooperate with such request and make records available for inspection at a location mutually agreed to by the parties. Such audits may be conducted up to two (2) times per year. The Board may upon written notice as provided in Section 17 request an increase in services which may include the number of CPS Schools receiving services from CPD and/or the

number of officers at a specific CPS School. All increases in services are subject to the discretionary authority of the Superintendent to shift police resources to meet the needs of the City as a whole

All invoice amounts shall reflect said change in services.

7. Termination of Funding. Except as to services already rendered prior to the date of notification to the City, obligations of payment hereunder shall cease immediately, without penalty, upon written notice by the Board to the City, at any time if there are not sufficient appropriated funds lawfully available to the Board to meet such obligations.

8. Confidential Information. In the performance of its obligations under the Agreement, the Department may have access to certain student information and other Board Information that is not generally known to others ("Board Confidential Information"). The Department agrees not to use or disclose to any third party, except in the performance of its obligations hereunder, any Board Confidential Information or any records, reports or documents prepared or generated as a result of this Agreement without the prior written consent of the Board. The Department shall not disseminate any information regarding this Agreement, except as required by law, without the prior written consent of the Board. The Department agrees to cause its personnel, staff and/or subcontractors, if any, to undertake the same obligations of confidentiality agreed to by the Department under this Agreement.

9. Freedom of Information Act: CPD acknowledges that this Agreement and all documents submitted to the Board related to this Agreement are a matter of public record and are subject to the Illinois Freedom of Information Act (5 ILCS 140/1) and any other comparable state and federal laws and that this Agreement is subject to reporting requirements under 105 ILCS 5/10-20.44. Vendor further acknowledges that this Agreement shall be posted on the Board's Internet website at <http://www.cps.edu>.

10. Default and Remedies.

A. If the Department defaults by failing to perform any material obligations under this Agreement and does not cure such material default, then the Board may terminate this Agreement and/or take any other action at law the Board deems appropriate. For the purposes of this Agreement, a "material default" by the Department will be any default that would reasonably be construed as material by the Board and that the Board identifies as being grounds for terminating the Agreement. It is understood and agreed that the Board will give the Department prompt written notice of any obligations that the Board deems to be material, *pursuant* to the terms of this Agreement.

B. In the event of any material default by the Department, the Board will give the Department thirty (30) days advance written notice of its intent to terminate stating the nature of the material default. If the Department does not cure the default within the 30-day notice period, the termination will become effective at the end of the period. Notwithstanding the foregoing, with respect to those defaults that are not capable of being cured within the 30-day period, the Department will not be deemed to be in default if, in the opinion of the Board, using a reasonable standard, the Department has begun to cure the default within the 30-day period and, in the reasonable opinion of the Board, thereafter diligently and continuously prosecutes the cure of the default until cured.

C. In addition to the above, in the event of any uncured material default, the Board may, in any court of competent jurisdiction, by any proceeding at law or in equity, seek the specific performance of the agreements contained in this Agreement, or damages for failure of performance, or both.

11. Labor Guidelines. The Board shall not be considered a party to the collective bargaining agreement between the City of Chicago and the Fraternal Order of Police. The City remains the sole employer of any CPD Officer assigned under this Agreement and has exclusive authority to direct the duties of such officers.

12. No Waivers. It is understood and agreed that nothing contained herein is intended or should be construed as in any way affecting the status of the Board and/or the City as separate, independent and distinct entities under Illinois or any other law. It is further understood and agreed that the entry into this Agreement by the City and the Board shall not operate or be construed as a waiver of any rights, claims or actions they may have against the other, including, but not limited to any claims resulting from the providing of CPD Officers to the Board pursuant to this Agreement.

13. No Partnership or Joint Venture Created. It is understood and agreed that nothing herein contained is intended or should be construed as in any way creating or establishing the relationship of co-partners or joint venturers between the parties hereto, or as constituting the Board or the City as representatives of each other for any purpose.

The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Agreement shall not affect the remaining portions of this Agreement or any part hereof.

16. Termination. It is the intent of the parties to this Agreement that its commitments made hereunder are conditioned upon satisfactory performance of the commitments made by the other party hereto. Each party shall have the right to terminate this Agreement if the other fails or refuses to honor any of its commitments under this Agreement. Otherwise, this Agreement may be terminated by either party upon the giving of sixty (60) days prior written notice. 18. Parties Responsibilities. Neither party to this Agreement shall be liable for any negligent or wrongful act chargeable to the other unless such liability is imposed by a court of competent jurisdiction. This Agreement shall not be construed as seeking to either enlarge or diminish any obligation or duty owed by one party against the other or against third parties. In the event of a claim for any wrongful or negligent act, each party shall bear the cost of its own defense. Each party agrees that no Board or City Council member, trustee, employee, agent, officer or official of either party shall be personally charged by the other with any liability or expense or be held personally liable to the other under this Agreement.

19. Conflict of Interest. This Agreement is not legally binding on the Board if entered into in violation of the provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members within a one year period following expiration or other termination of their office.

20. Ethics. No officer, agent or employee of the Board is or shall be employed by the City or has or shall have a financial interest, directly, or indirectly, in this Agreement or the compensation to be paid hereunder except as may be permitted in writing by the Board's Ethics Policy adopted May 25, 2011 (11-0525-P02), as amended from time to time, which policy is hereby incorporated by reference into and made a part of this Agreement as fully set forth herein.

21. Shakman Accord Provisions.

(i) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) The Chicago Board of Education is aware that City policy prohibits City employees from directing any individual to apply for a position with the CPS, either as an employee or as a subcontractor, and from directing the CPS to hire an individual as an employee or as a subcontractor. Accordingly, the CPS must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by the CPS under this Agreement are employees or subcontractors of the CPS, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by the CPS.

(iii) The CPS will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

In the event of any communication to the CPS by a City employee or City official in violation of this Section 21(ii), or advocating a violation of Section 21(iii), the CPS will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement.

22. Inspector General. Each party to this Agreement hereby acknowledges that in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education of the City of Chicago has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

23. Non-Liability of Officials. The Board and its subcontractors, consultants, successors and assignees will not charge any official, employee or agent of the Department personally with any liability or expenses of defense or seek to hold him or her personally liable under any term

or provision of this Agreement or because of his or her execution or attempted execution of this Agreement or because of any of it. The Department and its subcontractors, consultants, successors and assignees will not charge any official, employee or agent of the Board personally with any liability or expenses of defense or seek to hold him or her personally liable under any term or provision of this Agreement or because of his or her execution or attempted execution of this Agreement or because of any of it.

24. Entire Agreement and Amendment: This Agreement, including all exhibits attached to it and incorporated into it, constitutes the entire agreement of the parties with respect to the matters contained herein. All attached exhibits are incorporated into and made a part of this Agreement. No modification of or amendment to this Agreement shall be effective unless such modification or amendment is in writing and signed by both parties hereto. Any prior agreements or representations, either written or oral, relating to the subject matter of this Agreement are of no force or effect.

25. Ordinance. Execution of this Agreement by the City of Chicago is authorized by virtue of an ordinance passed by the City Council of the City of Chicago on _____, 2014.

The University may not make any alterations, additions and improvements on the Premises without the prior written consent of the City's Commissioner of the Department of Planning and Development. SECTION 5. ASSIGNMENT, SUBLEASE, AND LIENS

5.1 Assignment and Sublease. The University shall not assign this Agreement in whole or in part, or sublet the Premises or any part thereof without the prior written consent of the City's Department of Planning and Development.

5.2 Covenant against Encumbering Title. The University shall not do any act which shall in any way encumber the fee simple estate of the City in and to the Premises, nor shall the interest or estate of the City in the Premises be in any way subject to any claim by way of lien or

encumbrance, whether by operation of law or by virtue of any express or implied contract by the University. Any claim to, or lien upon, the Premises arising from any act or omission of the University shall accrue only against the leasehold estate of the University and shall be subject to and subordinate to the paramount title and rights of the City in and to the Premises.

5.3 Covenant against Liens. The University shall not permit the Premises to become subject to any mechanic's, laborer's, or materialmen's liens on account of labor or material furnished to the University or claimed to have been furnished to the University. In case of any such lien attaching, the University shall immediately pay and remove such lien or furnish security or indemnify the City in a manner satisfactory to the City in its sole discretion to protect the City against any defense or expense arising from such lien. Except during any period in which the University appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, the University shall immediately pay any judgment rendered against the University, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If the University fails to pay and remove any lien or contest such lien in accordance herewith, the City, at its election, may pay and satisfy same, and all sums so paid by the City, with interest from the date of payment at the rate set at 12% per annum provided that such rate shall not be deemed usurious by any Federal, State, or Local law.

SECTION 6. INSURANCE AND INDEMNIFICATION

6.1 Insurance. The University shall procure and maintain at all times, at the University's own expense, during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement. The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance, in accordance with the laws of the State of Illinois, covering all the University's employees and Employer's Liability coverage with limits of not less than \$100,000 each accident or illness.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following: All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Agreement. Said coverage shall be evidenced on the Certificate of Insurance covering the Premises.

c) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the University shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence, for bodily injury and property damage.

The University shall submit evidence on insurance prior to Agreement award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from the University shall not be deemed to be a waiver by the City. The University shall advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance shall not relieve the University of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to terminate the Agreement until proper evidence of insurance is provided.

The insurance shall provide for thirty (30) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by the University.

The University agrees that insurers shall waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The University expressly understands and agrees that any coverages and limits furnished by the University shall in no way limit the University's liabilities and responsibilities specified within the Agreement documents or by law.

The University expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by the University under the Agreement.

The required insurance shall not be limited by any limitations expressed in the liability language herein or any limitation placed on the liability therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to reasonably modify, delete, alter or change these requirements. The City shall provide the University with thirty (30) day prior written notice of such modification, deletion, alteration, or change of these requirements.

6.3 Liability. It is understood and agreed that neither party to this Agreement shall be legally liable for any negligence or wrongful act either of omission or commission chargeable to the other unless such liability is imposed by law and that this Agreement shall not be construed as seeking either to enlarge or diminish any obligation or duty owed by one party to the other or to third parties.

SECTION 7. CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS

7.1 Conflict of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. Nor shall any such official, employee, or member participate in making or in any way attempt to use his/her position to influence any governmental decision or action with respect to this Agreement.

7.2 Duty to Comply with Governmental Ethics Ordinance. The City and the University shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any the City of Chicago contract, as an inducement for the award of that contract or order. Any contract or lease negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City. Nothing contained herein shall be deemed a waiver of University's sovereign immunity.

SECTION 8. CERTIFICATIONS

8.1 Compliance with Law; No Required Referrals. Each party expressly acknowledges that the compensation to be paid pursuant to this Agreement, if any, has been, and any changes therein will be, the result of arms' length negotiations between the parties, has not been determined in a manner that takes into account the volume or value of referrals or business otherwise generated between the parties (or any individuals or entities related to the parties). Neither party to this Agreement, nor any of their respective affiliates, employees, or agents shall be required to make any referrals to the other. The parties shall and intend to comply with all applicable laws.

(l) this Agreement has been executed and delivered by authorized officers of NHS and constitutes a legal, valid and binding obligation of NHS, enforceable in accordance with its terms.

3.2 Covenants. In connection with the execution and delivery of this Agreement, NHS covenants to the City that:

(a) except for its own employees, NHS will not use any individual, organization, partnership or corporation to carry out any of the duties or obligations of NHS hereunder, unless (1) NHS first obtains a certification of such individual, organization, partnership or corporation substantially the same as the representations, warranties and covenants contained in this Article III and in Article IV hereof, (2) such certifications shall be addressed and delivered to the City and (3) the City approves, in writing, the use of such individual, organization, partnership or corporation;

(b) all warranties and representations of NHS contained in this Agreement will be true, accurate and complete at the time of each Grant made pursuant to this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto for the length of this Agreement;

(c) NHS shall be subject to, obey and adhere to any and all federal, State and local laws, statutes, ordinances, rules, regulations and executive orders as are now or may be in effect during the term of this Agreement which may be applicable to NHS;

(d) NHS shall remain solvent and able to pay its debts as they mature;

(e) no member of the governing body of the City and no other elected official, appointed official, officer, agent, consultant or employee of the City shall have any personal interest, direct or indirect, in the business of NHS or shall participate in any decision relating to the business of NHS which affects his/her personal interests or the interests of any corporation, partnership or association in which he/she is directly interested;

(f) no former member of the governing body of the City and no former other elected official, appointed official, officer, agent, consultant or employee of the City shall, for a period of one year after the termination of such person's term of office or employment, assist or represent NHS in any business transaction involving the City or any of its agencies, if the person participated personally

and substantially in the subject matter of the transaction during his/her term of office or employment, provided that if the person exercised contract management authority with respect to this Agreement (including any Grant), this prohibition shall be permanent as to this Agreement;

(g) NHS shall immediately notify the City of any and all events or actions which may materially adversely affect the ability of NHS to carry on its operations or perform any or all of its obligations under this Agreement at any time while this Agreement is in effect;

(h) NHS shall not enter into any other agreement or transaction which would conflict with the performance of the duties of NHS hereunder or under any of the Grant Documents;

(i) during the term of this Agreement, NHS shall continue as an Illinois not-for-profit corporation in good standing under the laws of the State; and

(j) NHS shall enforce all provisions of the Grant Documents in accordance with the terms thereof and shall provide to the City all notices required hereunder or thereunder.

ARTICLE IV Duties and Obligations

4.1 NHS shall execute and deliver to DPD such documents as may be required by the Corporation Counsel to evidence NHS's participation in the Program, including, but not limited to, the City's current form of Economic Disclosure Statement and an opinion of counsel in substantially the form of Exhibit A attached hereto and incorporated herein.

4.2 (a) NHS agrees that the total amount of funds available for the Program hereunder shall be up to \$972,159 and that there have been no representations, assurances or agreements that any other assistance shall be forthcoming from the City. NHS shall provide written notice to the City when the aggregate amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, equals \$400,000 and thereafter when the amount of Program Funds committed or paid hereunder, including Grants and administrative costs paid to or for the account of NHS pursuant to Section 6.5, reaches \$972,159. Program Funds are deemed committed for purposes of this Section when NHS has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an Eligible Homeowner. No Grants shall be made or committed to be made by NHS hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to NHS pursuant to Section 6.5, exceeding \$972,159 (or such other amount as the City may determine from time to time). No Grants shall be made or committed to be made by NHS hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(b) As of the date of this Agreement, the total amount of funds available hereunder for use in the CSX-NIP Area is \$972,159. This amount may be changed from time to time upon written notice by DPD to NHS, provided that the aggregate amount shall not exceed \$972,159 (or such other amount as the City may determine from time to time).

4.3 (a) NHS shall accept and process Applications in the following manner (or as otherwise agreed to by DPD and NHS):

- (i) NHS shall make Application forms available for a period of four to six weeks;
- (ii) NHS shall make applications available at certain locations within the CSX-NIP Area such as community centers or libraries (as agreed to by DPD);
- (iii) Applications shall also be available by calling NHS;
- (iv) The Application will be approximately three (3) pages in length, from which NHS will be able to determine eligibility hereunder. NHS will require homeowners to provide more information if needed;
- (v) All Applications shall be returned directly to NHS; the City will not accept Applications; and
- (vi) All Applications must be received by a defined deadline of two weeks after the expiration of the period in (i) above.

(b) NHS shall review all Applications for eligibility, completeness and compliance with the Agreement. NHS shall verify the initial eligibility of each applicant within five days after its receipt in the manner described in subsection (c) below. Only those Applications which meet such criteria will be part of the Lottery. Applications so approved are to be numbered as they are received until the expiration of the period in (a)(vi) above. All such applicants shall be notified of the Lottery date and location by mail at least one week prior to holding the Lottery. The Lottery shall be conducted in a public place. At the lottery meeting, random numbers will be generated by computer (or such other method as determined by DPD and NHS) and the numbers will determine which Applications will be selected ("Selected Applicants") for further processing. The process by which the Selected Applicants are identified is referred to herein as the "Lottery." The amount of each Grant request from each Selected Applicant, including the applicable fee to be paid to NHS hereunder, will be deemed to be for the Maximum Program Assistance. When the aggregate amount entered in the log reaches \$972,159, or such other amount as DPD shall in writing specify to NHS, then NHS shall stop selecting Applications.

To accommodate the possibility that additional Selected Applicants will need to be chosen from eligible Applications because some earlier Applications are not in compliance with this Agreement, or because Program Funds are still available to make Grants, NHS may establish a waiting list of up to 25 applicants, to be chosen by the same lottery process described above. If additional Applications are needed thereafter, then NHS will designate a time and place as set forth above to receive additional Applications.

(c) Prior to the date of the Lottery, for each potential Eligible Homeowner, NHS shall obtain income and title information regarding the Eligible Homeowner and the Qualified Housing Unit, respectively, and shall verify information presented in the Application. NHS shall assure that an Eligible Homeowner qualifies as a Qualified Family at the time an Application is received by NHS. In determining whether an Eligible Homeowner qualifies as a Qualified Family, NHS calculates income in a manner determined by NHS and approved by DPD.

(d) NHS shall forward the name, address and Social Security number of every Selected Applicant to the City's Department of Finance for a scofflaw check. NHS shall perform an initial site visit to verify that the property will qualify. NHS shall approve a scope of work. No building will

qualify as a Qualified Housing Unit hereunder if the combination of the Grant funds, funds from the Eligible Homeowner and matching loan funds described in Section 4.4(b) hereof do not cover the cost of correcting the health and safety issues which have been identified by NHS inspectors. For any Qualified Housing Unit, no more than 30% of the Eligible Costs paid for from Program Funds can relate to interior life/safety improvements.

(e) For applicants who do not meet the requirements of this Agreement, as determined by NHS after its initial review described in subsection (c) above, NHS shall provide notice to such applicants that their Application has been rejected within two weeks after the expiration of the period described in subsection (a)(vi) above. For all applicants whose Application is in compliance with the requirements of this Agreement (based on NHS's initial review described in subsection (c) above), NHS will notify each such applicant, within two weeks of the date of the Lottery, as follows: those who are not Selected Applicants will be notified that their name has been placed on a waiting list; and Selected Applicants will be asked for further information to process their Application. The notice to Selected Applicants will also inform the applicant that, if requested materials are not supplied within 45 days in a form satisfactory to NHS, the applicants will forfeit their status as a Selected Applicant and will be placed at the bottom of the waiting list. If the scofflaw check described in subsection (d) above reveals that any amounts are owed to the City, then the materials requested by NHS shall include evidence that all such amounts have been paid or that the applicant has entered into a payment plan with the City. Thereafter, NHS shall, within 90 days of the date of the Lottery, complete its review of all information required hereunder and notify each such Selected Applicant whether they are eligible for a Grant, the amount of the Grant, and whether other funds need to be obtained by the Applicant pursuant to Section 4.4(b). No Selected Applicant shall be eligible for a Grant hereunder until NHS has received the results of the scofflaw check described in (d) above and has received evidence either that all amounts owed to the City have been paid, or that the applicant has entered into a payment plan with the City. NHS shall provide the City with a copy of each such notice described above. All notices of rejection shall include the reasons for such rejection.

(f) NHS shall enforce the following energy-efficiency requirements for the program:

- (i) If a Qualified Housing Unit is having its roof replaced and the roof insulation is below R-49, then the project will be required to include R-49 insulation in the roof (except in the case that the roof cavity is not able to be insulated due to a finished attic) ("Insulation Requirement");
- (ii) If NHS finds during the initial site visit required by Section 4.4(a) that the Qualified Housing Unit should be air-sealed, then the renovation work shall include air-sealing the Qualified Housing Unit ("Air-Sealing Requirement"); and
- (iii) If the Eligible Homeowner plans to replace the heating system, such as a boiler or furnace, in the Qualified Housing Unit, then the heating system must meet the Energy Star standards for energy efficiency ("EE Heating System Requirement").

4.4 NHS shall provide the following services:

(a) Technical/Rehabilitation Services. For all Selected Applicants, NHS shall make an initial site visit to the Qualified Housing Unit, and assist the Selected Applicant in the preparation of detailed plans and specifications for the renovation work. NHS shall monitor the process by which the Selected Applicant selects a contractor (or contractors) to do the renovation work to ensure that any contractor has been selected through a competitive bid process. NHS must approve the contractor selected, which must be licensed and properly insured; in its approval, NHS shall consider the financial strength of the contractor. NHS shall review the contract(s) between the Selected Applicant and the contractor(s) for the renovation work. NHS shall make available to each Selected Applicant (i) a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises, and (ii) a current list of contractors and subcontractors which have current insurance certificates and proof of City home repair and/or business licenses on file with NHS. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, NHS shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the CSX-NIP Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Qualified Housing Units. After approving an Application, NHS shall promptly prepare and execute Grant Documents for each Grant. NHS shall assure that each Grant satisfies all applicable requirements of federal, State and local law, and that:

- (i) Program Funds finance only Eligible Costs;
- (ii) [intentionally omitted];
- (iii) [intentionally omitted]; and
- (iv) one or more (up to four) units of the Qualified Housing Unit shall be occupied by the Eligible Homeowner.

(c) Closing. NHS shall promptly close each Grant. Prior to disbursement of any Program Funds by NHS, NHS shall require each Eligible Homeowner to enter into the Grant Documents. NHS shall assure that the renovation of the Qualified Housing Unit commences within six months of the date on which a Grant closes. NHS shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. NHS shall not provide Program Funds to any Eligible Homeowner in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be adjusted by mutual agreement of DPD and NHS based on the availability of Program Funds and the projected need of a particular community.

(d) Disbursement of Proceeds. The City will from time to time place all or a portion of the Program Funds, in an amount determined by DPD but not exceeding \$972,159 in the aggregate, into an interest-bearing segregated or escrow account established by NHS for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. NHS shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. NHS shall make any such disbursement within 30 days of its receipt of the City's request. NHS agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by NHS. Prior to disbursing any proceeds of a Grant, NHS shall determine the aggregate amount of Program Funds which have been provided or approved for a Qualified Housing Unit and shall not disburse any

funds exceeding the Maximum Program Assistance. NHS shall also assure that no Program Funds shall be paid until such funds are needed to reimburse the Eligible Homeowner for the prior payment of Eligible Costs, and that the proceeds of a Grant do not exceed available Maximum Program Assistance with respect to the Qualified Housing Unit. No payment from Program Funds shall be made to the Eligible Homeowner until NHS receives evidence of prior payment to the contractor for the rehabilitation work (consisting of a copy of the check issued to the contractor, which is not required to be a cancelled check, and/or a copy of the sworn statement). There shall be no commingling of funds among Grants by NHS and each Grant shall be accounted for separately in the records maintained by NHS.

(e) Servicing; Monitoring.

(1) NHS shall specify an employee directly responsible for the working on each Grant. NHS shall provide DPD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If an Eligible Homeowner breaches any covenant or agreement under the applicable Grant Documents, NHS shall mail notice of such breach to the Eligible Homeowner as provided in the Grant Documents (with a copy to DPD) and shall take such further action consistent with the terms of this Agreement.

(3) NHS shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. The Grant Documents shall provide that the Eligible Homeowner must approve of payment of funds from NHS to a contractor for the rehabilitation work. NHS shall inspect the renovation work prior to providing payment. NHS shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents.

(f) Reporting. On the seventh day of each month of each year during the term hereof, NHS shall submit to the City a monthly report in a form approved by DPD and containing the following information for each Grant closed during the previous month, and for each Eligible Homeowner whose Application has been approved: (i) the address (including zip code) and census tract of the Qualified Housing Unit; (ii) the name, address, income and race (if known) of each Eligible Homeowner for such Qualified Housing Unit; (iii) the amount of the applicable Grant and the date of the Grant; (iv) the amount of Program Funds, if any, provided to such Eligible Homeowner by the end of the preceding month, and the use of such funds; (v) the status of the renovation work on such Qualified Housing Unit; and (vi) the names of any Eligible Homeowners who have defaulted on any matching loan provided through NLS pursuant to Section 4.4(b) hereof. In addition, NHS shall also include the following in such report regarding the Program as of the end of the preceding month: (i) information about each matching loan made to an Eligible Homeowner, or matching funds provided by the Eligible Homeowner, including the amount of the loan or other funds, the address of the subject property and evidence that matching funds were provided; (ii) number of renovations in process; (iii) number of renovations completed; (iv) total number of applicants; (v) total number of Applications reviewed; (vi) total number of Applications approved; (vii) total amount of Grant funds disbursed hereunder; (viii) number of Qualified Housing Units; (ix) description of building style; (x) whether initial site visit indicated that a new roof was needed; (xi) whether initial site visit indicated that additional roof insulation was needed; (xii) whether initial site visit indicated that air-sealing was needed; (xiii) whether a new roof was installed; (xiv) whether roof insulation was installed; (xv) whether air-sealing was performed; (xvi) whether the heating system was replaced with an energy-

efficient or non-energy-efficient replacement; (xvi) costs of any roof replacement; (xvii) cost of any air-sealing; (xviii) total project cost; and (xix) whether waiver for Electricity and Gas Data provided.

(g) Marketing. NHS shall make information about the Program, including Applications, readily available to persons applying to become Eligible Homeowners. In connection therewith, NHS shall prepare and distribute brochures and other written materials describing the Program. NHS shall also make appropriate personnel available to speak at seminars to promote and explain the Program and shall conduct other affirmative outreach efforts (including organizing or participating in seminars, conferences and public meetings) to disseminate information about the Program to the public. NHS shall cooperate (and shall bind its contractors to cooperate) with DPD in any program which DPD may undertake to promote and explain the Program. NHS shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 Prior to each disbursement of proceeds in connection with a Qualified Housing Unit (pursuant to Section 4.4 (d) hereof), NHS shall assure to its best efforts that the rehabilitation work performed by the contractor on that Qualified Housing Unit complies with the building codes of the City.

4.6 NHS shall be responsible for all actions of any agents, employees, officers of NHS performing any duties or obligations of NHS hereunder.

4.7 The City authorizes NHS to act, subject to the limitations contained herein: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.8 In its marketing efforts regarding the Program, the City shall notify potential Program applicants that, for households earning more 100% of the Median Income, there will be a matching loan requirement (as set forth in Section 4.4(b) hereof).

4.9 Insurance.

(a) NHS must provide and maintain at its own expense, except as may be otherwise provided herein, during the term of this Agreement and during the time period following expiration if NHS is required to return and perform any of the work or services under the agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

1) Workers Compensation and Employers Liability

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work under this Contract and Employers Liability coverage with limits of not less than \$500,000 each accident, illness or disease.

2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than \$2,000,000

per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work for NHS must maintain limits of not less than \$1,000,000 with the same terms herein.

3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, NHS must provide Automobile Liability Insurance with limits of not less than \$1,000,000 occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

4) Errors & Omissions/Professional Liability

When any Program Managers/Administrators or any other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claim-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Valuable Papers

When any media, data, records, reports, application and other documents are produced or used under this Contract, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

6) Blanket Crime

NHS must provide Blanket Crime coverage covering all persons handling funds under this Agreement against loss by dishonesty, robbery, burglary, theft, destruction, or disappearance, computer fraud, credit card forgery, and other related crime risks. The policy limit must be written to cover losses in the amount of maximum monies/funds collected, received and in the possession of NHS at any given time.

7) Property

NHS is responsible for all loss or damage to City property at full replacement cost that results from this Agreement.

NHS is responsible for all loss or damage to personal property (including materials, equipment, tools and supplies) owned, rented or used by NHS.

b) NHS must furnish the City of Chicago, Department of Planning and Development, City

Hall, Room 1006, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. NHS must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements. The failure of the City to obtain certificates or other insurance evidence from NHS is not a waiver by the City of any requirements for NHS to obtain and maintain the specified coverages. NHS must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve NHS of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by NHS.

NHS hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by NHS in no way limit NHS's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by NHS under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If NHS is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

NHS must require all subcontractors to provide the insurance required herein, or NHS may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of NHS unless otherwise specified in this Agreement.

If NHS or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, and the City shall promptly notify NHS of any such changes.

ARTICLE V Events of Default; Remedies

5.1 Events of Default Defined. The following, subject to the notice and cure provisions of Section 5.2 hereof, shall each constitute an Event of Default hereunder:

(a) any misrepresentation, whether negligent or willful and whether in the inducement or in the performance of this Agreement, made by NHS to the City;

(b) failure by NHS to perform any of its duties or obligations under this Agreement;

(c) any change in ownership or control of NHS without the prior written approval of the City;

(d) the dissolution of NHS or the entry of a decree or order for relief by a court having jurisdiction with respect to NHS in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of NHS or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of NHS and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(e) the commencement by NHS of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or the consent by NHS to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of NHS or of any substantial part of the property of NHS or of any royalties, revenues, rents, issues or profits therefrom, or the making by NHS of any assignment for the benefit of creditors or the failure of NHS generally to pay its respective debts as such debts become due or the taking of action by NHS in furtherance of any of the foregoing;

(f) a final judgment for the payment of money in excess of \$100,000 shall be rendered by a court of competent jurisdiction against NHS, and NHS shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by NHS under any other agreement which NHS may currently have or may enter into with the City during the term of this Agreement; or

(h) a failure by NHS to fulfill its obligations under any Grant Documents.

5.2 Remedies. If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement, or if NHS has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to NHS and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure within the stated applicable cure period. Upon the giving of such notice, the City may invoke any or all of the following remedies:

- (a) the right to terminate this Agreement as to any or all of the services yet to be performed effective at a time specified by the City;
- (b) the right of specific performance, an injunction or any other appropriate equitable remedy;
- (c) the right to money damages;
- (d) the right to withhold all or any part of the compensation of NHS hereunder; and
- (e) the right to deem NHS non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interests, it may elect not to declare an Event of Default hereunder or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits NHS to continue to provide the services despite one or more Events of Default, NHS shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights thereby.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VI General Provisions

6.1 Duration of the Agreement. This Agreement shall commence on the date of execution and delivery hereof and, unless earlier terminated pursuant to this Agreement, shall terminate when the last Grant payment is made by NHS hereunder.

6.2 Termination. The City may terminate this Agreement for convenience upon thirty (30) days written notice from the City. In such event, all rights and obligations running to and from each party shall be terminated and of no further force and effect; provided that NHS shall be obligated to maintain all records and monitoring obligations with respect to any Grant made in accordance with the terms of this Agreement for a period of five years after the date of the Grant.

6.3 Indemnification. NHS shall pay, indemnify and save the City and the City's officers, employees and agents harmless of, from and against, any and all losses incurred by any such party under this Agreement and any claim brought by reason of any such loss due to NHS's negligence, bad faith or willful misconduct. In the event that any claim is brought against the City or any of the City's officers, employees or agents, by reason of any such loss, NHS, upon notice from the City, covenants to resist and defend such claim on behalf of the City and the City's officers, employees and agents. The City shall have the right to employ separate counsel in any such claim and to participate in the defense thereof and the fees and expenses of such counsel incurred shall be at

the expense of NHS, without regard to any authorization of such employment by NHS.

6.4 Non-Liability of Public Officials. No official, employee or agent of the City shall be charged personally by NHS or by any assignee or subcontractor of NHS with any liability or expenses of defense or shall be held personally liable to NHS, or any assignee or subcontractor of NHS under any terms or provisions of this Agreement because of the City's execution or attempted execution hereof or because of any breach hereof.

6.5 Compensation. NHS shall not charge any Eligible Homeowner any fees or charges for a Grant hereunder. The only compensation received by NHS for performance under this Agreement shall be in accordance with this Section. NHS shall be entitled to compensation hereunder in an amount equal to 15 percent (15%) of the aggregate Program Funds paid by the City for Eligible Costs hereunder each month; such amount shall be payable upon submission of a Voucher by NHS to DPD, which Voucher shall contain a line item for NHS compensation hereof. The City shall not be responsible for the payment of any fees other than as set forth in this Section.

6.6 Documentation of Costs and Income; Records and Availability. All Eligible Costs paid from the proceeds of a Grant shall be supported by properly executed invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of the Eligible Costs. All checks, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be maintained by NHS and shall be clearly identified and readily accessible to the City upon written request.

NHS shall maintain records evidencing compliance with the all requirements of the Program for each Qualified Housing Unit which is the subject of a Grant, including the provisions of Section 4.5. Such records shall be maintained for a period of five years after the date of the Grant. All Grant Documents shall be held by NHS for the benefit of the City during the term of this Agreement and for five years thereafter. Upon the written request of the City, NHS shall provide the City with access to and copies of such records.

At any time during normal business hours and as often as the City may deem necessary, NHS shall make available to the City (i) all of its records with respect to matters covered by this Agreement and (ii) access to its employees who have knowledge about the matters covered by this Agreement. NHS shall permit the City to audit, examine and make excerpts or transcripts from such records, and to make copies of records relating to personnel, conditions of employment and other data covered by this Agreement.

At any time during normal business hours and as often as the City may deem necessary, each Eligible Homeowner shall make available to the City the Qualified Housing Unit and records relating to tenants of the unit, if any, in order for the City to verify compliance with this Agreement, including Section 4.5. NHS shall include this requirement in the Grant Documents.

6.7 Non-discrimination. NHS agrees it shall be an unlawful employment practice for NHS (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify its employees or applicants for employment in any way which would deprive or tend to deprive any individual in any way of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color religion, sex,

age, handicap or national origin.

6.19 No Contractor Inducements. NHS shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics", including but not limited to Section 2-156-120 of such Chapter, pursuant to which no payment, gratuity or offer of employment shall be made in connection with any City contract, by or on behalf of a subcontractor to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of such Chapter 2-156 shall be voidable as to the City.

Pursuant to Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a Business Relationship (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated hereby, shall be grounds for termination of this Agreement and the transactions contemplated hereby. NHS hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated hereby.

Section 6.21. Shakman Accord Requirements.

(a) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) NHS is aware that City policy prohibits City employees from directing any individual to apply for a position with NHS, either as an employee or as a subcontractor, and from directing NHS to hire an individual as an employee or as a subcontractor. Accordingly, NHS must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by NHS under this Agreement are employees or subcontractors of NHS, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by NHS.

(c) NHS will not condition, base, or knowingly prejudice or affect any term or aspect of the

employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to NHS by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, NHS will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of DPD. NHS will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

IN WITNESS WHEREOF, the City and NHS have executed this Agreement as of the date first set forth above.

RE: CSX Neighborhood Improvement Program Agreement (the "Agreement")

Ladies and Gentlemen:

I am the Corporate General Counsel for Neighborhood Housing Services of Chicago, Inc., an Illinois not-for-profit corporation ("NHS"), in connection with the execution and delivery of the Agreement by and among NHS and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). NHS has requested that this opinion be furnished to the City.

In so acting as counsel for NHS I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of NHS as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the By-Laws of NHS, as certified by the Secretary of NHS as of the date hereof; and
- (iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of NHS.

In my capacity as counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than NHS which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. NHS is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, NHS has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of NHS, and constitutes a legal, valid and binding obligation of NHS, enforceable against NHS in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. To my knowledge, there is no action, suit or proceeding at law or in equity pending, against or affecting NHS, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of NHS to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the Articles of Incorporation of NHS, (ii) the By-Laws of NHS, (iii) any provision of any contract or other instrument to which NHS is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on NHS, or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either NHS pursuant to, any agreement or other instrument to which NHS is a party or by which NHS is bound.
6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

WHEREAS, The City of Chicago ("City") is a home rule unit of government by virtue of the provisions of the Constitution of the State of Illinois of 1970 and, as such, may exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The City, through the foreclosure of demolition liens, tax sales and other methods of acquisition, has acquired title to numerous parcels of real property which are of minimal value and costly to clean up and maintain, and because title to such properties was vested in the City, the properties were exempted from real estate taxes, thus depriving the City of revenue; and

WHEREAS, Pursuant to an ordinance (the "Original Program Ordinance") adopted by the City Council of the City ("City Council") on March 6, 1981 and published on pages 5584 and 5585 of the *Journal of the Proceedings of the City Council of the City of Chicago* ("*Journal*") for such date, the City established a program for the disposition of certain vacant real property owned by the City known as the Adjacent Neighbors Land Acquisition Program; and

WHEREAS, The Original Program Ordinance was amended by ordinances adopted on July 23, 1982 and published in the *Journal* for such date at pages 11830 -- 11833, and on January 7, 1983 and published in the *Journal* for such date at pages 14803 -- 14805 (the Original Program Ordinance and such two amending ordinances, collectively, the "Original ANLAP Ordinances"); and

The covenants shall terminate 10 years after the date of the conveyance of the parcel to the grantee; and

WHEREAS, The Department of Planning and Development ("DPD") of the City desires to convey the vacant parcel of real property identified on Exhibit A to this ordinance (the "ANLAP Parcel") to Anthony Gates (the "Purchaser"), who has a principal residence of 5518 South Aberdeen Street, Chicago, Illinois 60621, which ANLAP Parcel is located in the Englewood Neighborhood Project Area ("Area") established pursuant to ordinances adopted by the City Council on June 27, 2001 and published in the *Journal of the Proceedings of the City Council of the City of Chicago*, for such date at pages 61850 through 62055; and

Any forbearance by DPD in exercising its right to terminate this Agreement upon a default hereunder shall not be construed as a waiver of such right.

SECTION 11. CONSTRUCTION REQUIREMENTS.

If the Developer submits and DPD approves revised plans and specifications after the Effective Date, the term "Plans" as used herein shall refer to the revised plans and specifications upon DPD's written approval of the same. No material deviation from the Plans may be made without the prior written approval of DPD. The Plans shall at all times conform to the TIF Plan and all applicable Laws.

11.3 Relocation of Utilities, Curb Cuts and Driveways. The Developer shall be solely responsible for and shall pay all costs associated with: (a) the relocation, installation or construction of public or private utilities, curb cuts and driveways; (b) the repair or reconstruction of any curbs, vaults, sidewalks or parkways required in connection with or damaged as a result of the Developer's construction of the Project; (c) the removal of existing pipes, utility equipment or building foundations; and (d) the termination of existing water or other utility services. SECTION 12. LIMITED APPLICABILITY.

Any approval given by DPD pursuant to this Agreement is for the purpose of this Agreement only and does not constitute the approval required by the City's Department of Buildings or any other City department, nor does such approval constitute an approval of the quality, structural soundness or safety of any improvements located or to be located on the Project Site, or the compliance of said improvements with any Laws, private covenants, restrictions of record, or any agreement affecting the Project Site or any part thereof.

SECTION 13. COMMENCEMENT AND COMPLETION OF PROJECT.

The Certificate of Completion shall not, however, constitute evidence that the Developer has complied with any Laws relating to the construction of the Project, and shall not serve as any "guaranty" as to the quality of the construction. Nor shall the Certificate of Completion release the Developer from its obligation to comply with the other terms, covenants and conditions of this Agreement.

SECTION 15. RESTRICTIONS ON USE.

The Developer, for itself and its successors and assigns, agrees as follows:

15.1 The Developer shall use the Project Site in compliance with the TIF Plan.

15.2 The Developer shall not discriminate on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status, or source of income in the sale, lease, rental, use or occupancy of the Project Site or the Project or any part thereof.

15.3 The Developer shall construct the Project in accordance with this Agreement, the Plans, and all Laws and covenants and restrictions of record.

The Developer, for itself and its successors and assigns, acknowledges and agrees that the development and use restrictions set forth in this Section 15 constitute material, bargained-for consideration for the City and are intended to further the public policies set forth in the TIF Plan.

SECTION 16. PROHIBITION AGAINST SALE OR TRANSFER OF PROJECT SITE.

Prior to the issuance of the Certificate of Completion, the Developer may not, without the prior written consent of DPD, which consent shall be in DPD's sole discretion: (a) directly or indirectly sell, transfer or otherwise dispose of the Project Site or any part thereof or any interest therein or the Developer's controlling interests therein (including, without limitation, a transfer by assignment of any beneficial interest under a land trust); or (b) directly or indirectly assign this Agreement. The Developer acknowledges and agrees that DPD may withhold its consent under (a) or (b) above if, among other reasons, the proposed purchaser, transferee or assignee (or such entity's principal officers or directors) is in violation of any Laws, or if the Developer fails to submit sufficient evidence of the financial responsibility, business background and reputation of the proposed purchaser, transferee or assignee. If the Developer is a business entity, no principal party of the Developer (e.g., a general partner, member, manager or shareholder) may sell, transfer or assign any of its interest in the entity prior to the issuance of the Certificate of Completion to anyone other than another principal party, without the prior written consent of DPD, which consent shall be in DPD's sole discretion. The Developer must disclose the identity of all limited partners to the City at the time such limited partners obtain an interest in the Developer. The provisions of this Section do not apply to Developer's Existing Business on the adjacent property.

SECTION 17. LIMITATION UPON ENCUMBRANCE OF PROJECT SITE.

Prior to the issuance of the Certificate of Completion for the Project, the Developer shall not, without DPD's prior written consent, which shall be in DPD's sole discretion, engage in any financing or other transaction which would create an encumbrance or lien on the Project Site, except for any Lender Financing approved pursuant to Section 9, which shall be limited to funds necessary to construct the Project. The provisions of this Section do not apply to Developer's Existing Business on the adjacent property.

SECTION 18. MORTGAGEES NOT OBLIGATED TO CONSTRUCT.

Notwithstanding any other provision of this Agreement or of the Deed, the holder of any mortgage authorized by this Agreement (or any affiliate of such holder) shall not itself be obligated to construct or complete the Project, or to guarantee such construction or completion, but shall be bound by the other covenants running with the land specified in Section 19 and, at Closing, shall execute a subordination agreement in accordance with Section 10.10. If any such mortgagee or its affiliate succeeds to the Developer's interest in the Project Site prior to the issuance of the Certificate of Completion, whether by foreclosure, deed-in-lieu of foreclosure or otherwise, and thereafter transfers its interest in the Project Site to another party, such transferee shall be obligated to complete the Project, and shall also be bound by the other covenants running with the land specified in Section 19.

SECTION 19. COVENANTS RUNNING WITH THE LAND.

The parties agree, and the Deed shall so expressly provide, that the covenants, agreements, releases and other terms and provisions contained in Section 13 (Commencement and Completion of Project), Section 15 (Restrictions on Use), Section 16 (Prohibition Against Sale or Transfer of Project Site), Section 17 (Limitation Upon Encumbrance of Project Site), and Section 23.4 (Release for Environmental Conditions), touch and concern and shall be appurtenant to and shall run with the Project Site. Such covenants, agreements, releases and other terms and provisions shall be binding on the Developer and its successors and assigns (subject to the limitation set forth in Section 18 above as to any permitted mortgagee) to the fullest extent permitted by law and equity for the benefit and in favor of the City, and shall be enforceable by the City. Such covenants, agreements, releases and other terms and provisions shall terminate as follows: Sections 13, 15.3, 16 and 17 upon the issuance of the Certificate of Completion; Section 15.1 upon the expiration of the TIF Plan; and Sections 15.2 and 23.4 with no limitation as to time.

SECTION 20. PERFORMANCE AND BREACH.

20.1 Time of the Essence. Time is of the essence in the Developer's performance of its obligations under this Agreement.

20.2 Event of Default. The occurrence of any one or more of the following shall constitute an "Event of Default" under this Agreement:

(a) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under this Agreement or any related agreement;

(b) the failure of the Developer to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Developer under any other agreement with any person or entity if such failure may have a material adverse effect on the Developer's business, property, assets, operations or condition, financial or otherwise;

(c) the making or furnishing by the Developer of any warranty, representation, statement, certification, schedule or report to the City (whether in this Agreement, an Economic Disclosure Statement, or another document) which is untrue or misleading in any material respect;

(d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt to create, any lien or other encumbrance upon the Project Site, or the making or any attempt to make any levy, seizure or attachment thereof;

(e) the commencement of any proceedings in bankruptcy by or against the Developer or for the liquidation or reorganization of the Developer, or alleging that the Developer is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of the Developer's debts, whether under the United States Bankruptcy Code or under any other state or federal law, now or hereafter existing, for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving the Developer; provided, however, that if such commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such proceedings are not dismissed within sixty (60) days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(g) the entry of any judgment or order against the Developer which is related to the Project Site and remains unsatisfied or undischarged and in effect for sixty (60) days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, which default is not cured within any applicable cure period;

(i) the dissolution of the Developer; and

(j) the occurrence of a material and adverse change in the Developer's financial condition or operations.

20.3 Cure. If the Developer defaults in the performance of its obligations under this Agreement, the Developer shall have thirty (30) days after written notice of default from the City to cure the default, or such longer period as shall be reasonably necessary to cure such default provided the Developer promptly commences such cure and thereafter diligently pursues such cure to completion (so long as continuation of the default does not create material risk to the Project or to persons using the Project). Notwithstanding the foregoing or any other provision of this Agreement to the contrary:

(a) there shall be no notice requirement with respect to Events of Default described in Section 5 (with respect to Outside Closing Date); and

(b) there shall be no notice requirement or cure period with respect to Events of Default described in Section 13 (Commencement and Completion of Project), Section 16 (Prohibition Against Transfer of Project Site) and Section 17 (Limitation Upon Encumbrance of Project Site).

20.4 Prior to Closing. If an Event of Default occurs prior to the Closing, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement, institute any action or proceeding at law or in equity against the Developer, or retain the Earnest Money and Performance Deposit as liquidated damages.

20.5 After Closing. If an Event of Default occurs after the Closing but prior to the issuance of the Certificate of Completion, and the default is not cured in the time period provided for in Section 20.3 above, the City may terminate this Agreement and exercise any and all remedies available to it at law or in equity or under this Agreement, including the right to revest title to the Project Site in the City pursuant to the Reconveyance Deed; provided, however, the City's recording of the Reconveyance Deed shall not defeat, render invalid, or limit in any way, the lien of any mortgage authorized by this Agreement. If the Reconveyance Deed is recorded by the City, the Developer shall be responsible for all real estate taxes and assessments which accrued during the period the Project Site was owned by the Developer, and shall cause the release of all liens or encumbrances placed on the Project Site during the period of time the Project Site was owned by the Developer. The Developer will cooperate with the City to ensure that if the City records the Reconveyance Deed, such recording is effective for purposes of transferring title to the Project Site to the City, subject only to those title exceptions that were on title as of the date and time that the City conveyed the Project Site to the Developer.

20.6 Resale of the Project Site. Upon the reconveyance of title to the Project Site to the City as provided in Section 20.5, the City may complete the Project or convey the Project Site, subject to any first mortgage lien, to a qualified and financially responsible party reasonably acceptable to the first mortgagee, who shall assume the obligation of completing the Project or such other improvements as shall be satisfactory to DPD, and otherwise comply with the covenants that run with the land as specified in Section 19.

20.7 Disposition of Resale Proceeds. If the City sells the Project Site as provided for in Section 20.6, the net proceeds from the sale, after payment of all amounts owed under any mortgage liens authorized by this Agreement in order of lien priority, shall be utilized to reimburse the City for:

(a) costs and expenses incurred by the City (including, without limitation, salaries of personnel) in connection with the recapture, management and resale of the Project Site (less any income derived by the City from the Project Site in connection with such management); and

(b) all unpaid taxes, assessments, and water and sewer charges assessed against the Project Site; and

(c) any payments made (including, without limitation, reasonable attorneys' fees and court costs) to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer; and

(d) any expenditures made or obligations incurred with respect to construction or maintenance of the Project; and

(e) any other amounts owed to the City by the Developer.

The Developer shall be entitled to receive any remaining proceeds up to the amount of the Developer's equity investment in the Project Site.

SECTION 21. CONFLICT OF INTEREST; CITY'S REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

The Developer represents and warrants that no agent, official or employee of the City shall have any personal interest, direct or indirect, in the Developer, this Agreement, the Project Site or the Project, nor shall any such agent, official or employee participate in any decision relating to this Agreement which affects his or her personal interests or the interests of any corporation, partnership, association or other entity in which he or she is directly or indirectly interested. No agent, official or employee of the City shall be personally liable to the Developer or any successor in interest in the event of any default or breach by the City or for any amount which may become due to the Developer or successor or with respect to any commitment or obligation of the City under the terms of this Agreement.

SECTION 22. INDEMNIFICATION.

The Developer agrees to indemnify, defend and hold the City harmless from and against any Losses suffered or incurred by the City arising from or in connection with: (a) the failure of the Developer to perform its obligations under this Agreement; (b) the failure of the Developer or any Agent to pay contractors, subcontractors or material suppliers in connection with the construction and management of the Project; (c) any misrepresentation or omission made by the Developer or any Agent; (d) the failure of the Developer to redress any misrepresentations or omissions in this Agreement or any other agreement relating hereto; and (e) any activity undertaken by the Developer or any Agent on the Project Site prior to or after the Closing. This indemnification shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 23. ENVIRONMENTAL MATTERS.

23.1 "AS IS" SALE. THE DEVELOPER ACKNOWLEDGES THAT IT HAS HAD ADEQUATE OPPORTUNITY TO INSPECT AND EVALUATE THE STRUCTURAL, PHYSICAL AND ENVIRONMENTAL CONDITION AND RISKS OF THE CITY PROPERTY AND ACCEPTS THE RISK THAT ANY INSPECTION MAY NOT DISCLOSE ALL MATERIAL MATTERS AFFECTING THE CITY PROPERTY (AND ANY IMPROVEMENTS THEREON). THE DEVELOPER AGREES TO ACCEPT THE CITY PROPERTY IN ITS "AS IS," "WHERE IS" AND "WITH ALL FAULTS" CONDITION AT CLOSING WITHOUT ANY COVENANT, REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND, AS TO THE STRUCTURAL, PHYSICAL OR ENVIRONMENTAL CONDITION OF THE CITY PROPERTY OR THE SUITABILITY OF THE CITY PROPERTY FOR ANY PURPOSE WHATSOEVER. THE

DEVELOPER ACKNOWLEDGES THAT IT IS RELYING SOLELY UPON ITS OWN INSPECTION AND OTHER DUE DILIGENCE ACTIVITIES AND NOT UPON ANY INFORMATION (INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL STUDIES OR REPORTS OF ANY KIND) PROVIDED BY OR ON BEHALF OF THE CITY OR ITS AGENTS OR EMPLOYEES WITH RESPECT THERETO. THE DEVELOPER AGREES THAT IT IS THE DEVELOPER'S SOLE RESPONSIBILITY AND OBLIGATION TO PERFORM ANY ENVIRONMENTAL REMEDIATION WORK AND TAKE SUCH OTHER ACTION AS IS NECESSARY TO PUT THE CITY PROPERTY IN A CONDITION WHICH IS SUITABLE FOR ITS INTENDED USE.

23.2 Right of Entry. The Developer's obligation to purchase the City Property is conditioned upon the Developer being satisfied with the condition of the City Property for the construction, development and operation of the Project. Upon the Developer's request, the City shall grant the Developer the right, at its sole cost and expense, to enter the City Property to inspect the same, perform surveys, environmental assessments, soil tests and any other due diligence it deems necessary or desirable to satisfy itself as to the condition of the City Property. If the Developer determines that it is not satisfied, in its sole discretion, with the condition of the City Property, the Developer may terminate this Agreement by written notice to the City any time prior to the Closing Date, whereupon the City shall return the Performance Deposit to the Developer and this Agreement shall be null and void and, except as otherwise specifically provided, neither party shall have any further right, duty or obligation hereunder. If the Developer elects not to terminate this Agreement pursuant to this Section 23.2, the Developer shall be deemed satisfied with the condition of the City Property.

23.3 Release and Indemnification. The Developer, on behalf of itself and the other Developer Parties, or anyone claiming by, through, or under the Developer Parties, hereby releases, relinquishes and forever discharges the City Parties from and against any and all Losses which the Developer or any of the Developer Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, arising out of or in any way connected with, directly or indirectly (a) any environmental contamination, pollution or hazards associated with the City Property or any improvements, facilities or operations located or formerly located thereon, including, without limitation, any release, emission, discharge, generation, transportation, treatment, storage or disposal of Hazardous Substances, or threatened release, emission or discharge of Hazardous Substances; (b) the structural, physical or environmental condition of the City Property, including, without limitation, the presence or suspected presence of Hazardous Substances in, on, under or about the City Property or the migration of Hazardous Substances from or to other property; (c) any violation of, compliance with, enforcement of or liability under any Environmental Laws, including, without limitation, any Losses arising under CERCLA, and (d) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Property or any improvements, facilities or operations located or formerly located thereon (collectively, "Released Claims"). Furthermore, the Developer shall defend, indemnify, and hold the City Parties harmless from and against any and all Losses which may be made or asserted by any third parties arising out of or in any way connected with, directly or indirectly, any of the Released Claims.

23.4 Release Runs with the Land. The covenant of release in Section 23.3 shall run with the City Property, and shall be binding upon all successors and assigns of the Developer with respect to the City Property, including, without limitation, each and every person, firm, corporation, limited liability company, trust or other entity owning, leasing, occupying, using or possessing any portion of the City Property under or through the Developer following the date of the Deed. The Developer acknowledges and agrees that the foregoing covenant of release constitutes a material inducement to the City to enter into this Agreement, and that, but for such release, the City would not have agreed to convey the City Property to the Developer. It is expressly agreed and understood by and between the Developer and the City that, should any future obligation of the Developer, or any of the Developer Parties, arise or be alleged to arise in connection with any environmental, soil or other condition of the City Property, neither the Developer, nor any of the Developer Parties, will assert that those obligations must be satisfied in whole or in part by the City because Section 23.5 contains a full, complete and final release of all such claims.

23.5 Survival. This Section 23 shall survive the Closing or any termination of this Agreement (regardless of the reason for such termination).

SECTION 24. DEVELOPER'S EMPLOYMENT OBLIGATIONS.

24.1 Employment Opportunity. The Developer agrees, and shall contractually obligate its various contractors, subcontractors and any Affiliate of the Developer operating on the Project Site (collectively, the "Employers" and individually, an "Employer") to agree, that with respect to the provision of services in connection with the construction of the Project:

(a) Neither the Developer nor any Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Section 2-160-010 et seq. of the Municipal Code, as amended from time to time (the "Human Rights Ordinance"). The Developer and each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon the foregoing grounds, and are treated in a non-discriminatory manner with regard to all job-related matters, including, without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer and each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Developer and each Employer, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon the foregoing grounds.

(b) To the greatest extent feasible, the Developer and each Employer shall (i) present opportunities for training and employment of low and moderate income residents of the City, and (ii) provide that contracts for work in connection with the construction of the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in, the City.

(c) The Developer and each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including, without limitation, the Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), both as amended from time to time, and any regulations promulgated thereunder.

(d) The Developer, in order to demonstrate compliance with the terms of this Section 24.1, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) The Developer and each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the construction of the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any affiliate operating on the Project Site, so that each such provision shall be binding upon each contractor, subcontractor or affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 24.1 shall be a basis for the City to pursue remedies under the provisions of Section 20.

24.2 City Resident Employment Requirement.

(a) The Developer agrees, and shall contractually obligate each Employer to agree, that during the construction of the Project, the Developer and each Employer shall comply with the minimum percentage of total worker hours performed by actual residents of the City of Chicago as specified in Section 2-92-330 of the Municipal Code (at least fifty percent); provided, however, that in addition to complying with this percentage, the Developer and each Employer shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

(b) The Developer and the Employers may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code in accordance with standards and procedures developed by the chief procurement officer of the City of Chicago.

(c) "Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) The Developer and the Employers shall provide for the maintenance of adequate employee residency records to ensure that actual Chicago residents are employed on the construction of the Project. The Developer and the Employers shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) The Developer and the Employers shall submit weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) to DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Developer or Employer hired the employee should be written in after the employee's name.

(f) The Developer and the Employers shall provide full access to their employment records to the chief procurement officer, DPD, the Superintendent of the Chicago Police Department, the inspector general, or any duly authorized representative thereof. The Developer and the Employers shall maintain all relevant personnel data and records for a period of at least three (3) years after the issuance of the Certificate of Completion.

(g) At the direction of DPD, the Developer and the Employers shall provide affidavits and other supporting documentation to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of the Developer and the Employers to provide work for actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the chief procurement officer) shall not suffice to replace the actual, verified achievement of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents.

(i) If the City determines that the Developer or an Employer failed to ensure the fulfillment of the requirements of this Section 24.2 concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section 24.2. If such non-compliance is not remedied in accordance with the breach and cure provisions of Section 20.3, the parties agree that 1/20 of 1 percent (.05%) of the aggregate hard construction costs set forth in the Budget shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer and/or the other Employers or employees to prosecution.

(j) Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement.

(k) The Developer shall cause or require the provisions of this Section 24.2 to be included in all construction contracts and subcontracts related to the construction of the Project.

24.3 Developer's MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the general contractor to agree, that during the construction of the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this Section 24.3, during the course of construction of the Project, at least 24% of the aggregate hard construction costs shall be expended for contract participation by minority-owned businesses and at least 4% of the aggregate hard construction costs shall be expended for contract participation by women-owned businesses.

(b) For purposes of this Section 24.3 only:

(i) The Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture, or (ii) the amount of any actual work performed on the Project by the MBE or WBE); by the Developer utilizing a MBE or a WBE as the general contractor (but only to the extent of any actual work performed on the Project by the general contractor); by subcontracting or causing the general contractor to subcontract a portion of the construction of the Project to one or more MBEs or WBEs; by the purchase of materials or services used in

the construction of the Project from one or more MBEs or WBEs; or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this Section 24.3. In accordance with Section 2-92-730, Municipal Code, the Developer shall not substitute any MBE or WBE general contractor or subcontractor without the prior written approval of DPD.

(d) The Developer shall deliver quarterly reports to the City's monitoring staff during the construction of the Project describing its efforts to achieve compliance with this MBE/WBE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by the Developer or the general contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the construction of the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining the Developer's compliance with this MBE/WBE commitment. The Developer shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the construction of the Project for at least five (5) years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by the Developer, on prior notice of at least five (5) business days, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the construction of the Project.

(e) Upon the disqualification of any MBE or WBE general contractor or subcontractor, if the disqualified party misrepresented such status, the Developer shall be obligated to discharge or cause to be discharged the disqualified general contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code, as applicable.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this Section 24.3 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code, as applicable.

24.4 Pre-Construction Conference and Post-Closing Compliance Requirements. Not less than fourteen (14) days prior to the Closing Date, the Developer and the Developer's general contractor and all major subcontractors shall meet with DPD monitoring staff regarding compliance with all Section 24 requirements. During this pre-construction meeting, the Developer shall present its plan to achieve its obligations under this Section 24, the sufficiency of which the City's monitoring staff shall approve as a precondition to the Closing. During the construction of the Project, the Developer shall submit all documentation required by this Section 24 to the City's monitoring staff, including, without limitation, the following: (a) subcontractor's activity report; (b) contractor's certification concerning labor standards and prevailing wage requirements; (c) contractor letter of understanding; (d) monthly utilization report; (e) authorization for payroll agent; (f) certified payroll; (g) evidence that MBE/WBE contractor associations have been informed of the Project via written notice and hearings; and (h) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis

of the documentation, that the Developer is not complying with its obligations under this Section 24, shall, upon the delivery of written notice to the Developer, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (x) issue a written demand to the Developer to halt construction of the Project, (y) withhold any further payment of any City funds to the Developer or the general contractor, or (z) seek any other remedies against the Developer available at law or in equity.

SECTION 25. REPRESENTATIONS AND WARRANTIES.

25.1 Representations and Warranties of the Developer. To induce the City to execute this Agreement and perform its obligations hereunder, the Developer represents, warrants and covenants to the City that as of the Effective Date and as of the Closing Date the following shall be true, accurate and complete in all respects:

(a) The Developer is a corporation duly organized, validly existing and in good standing under the laws of the State of Illinois with full power and authority to acquire, own and redevelop the Project Site, and the person signing this Agreement on behalf of the Developer has the authority to do so.

(b) All certifications and statements contained in the Economic Disclosure Statements submitted to the City by the Developer (and any legal entity holding an interest in the Developer) are true, accurate and complete.

(c) The Developer's execution, delivery and performance of this Agreement and all instruments and agreements contemplated hereby will not, upon the giving of notice or lapse of time, or both, result in a breach or violation of, or constitute a default under, any other agreement to which the Developer, or any party affiliated with the Developer, is a party or by which the Developer or the Project Site is bound.

(d) No action, litigation, investigation or proceeding of any kind is pending or threatened against the Developer, or any party affiliated with the Developer, by or before any court, governmental commission, board, bureau or any other administrative agency, and the Developer knows of no facts which could give rise to any such action, litigation, investigation or proceeding, which could: (i) affect the ability of the Developer to perform its obligations hereunder; or (ii) materially affect the operation or financial condition of the Developer.

(e) The Developer is now and for the term of the Agreement shall remain solvent and able to pay its debts as they mature.

(f) The Developer has and shall maintain all Governmental Approvals (including, without limitation, appropriate environmental approvals) necessary to conduct its business and to construct, complete and operate the Project.

(g) The Developer is not in default with respect to any indenture, loan agreement, mortgage, note or any other agreement or instrument related to the borrowing of money to which the Developer is a party or by which the Developer is bound.

(h) The Project will not violate: (i) any applicable Laws, including, without limitation, any zoning and building codes and Environmental Laws; or (ii) any building permit, restriction of record or other agreement affecting the Project Site.

25.2 Representations and Warranties of the City. To induce the Developer to execute this Agreement and perform its obligations hereunder, the City hereby represents and warrants to the Developer that the City has authority under its home rule powers to execute and deliver this Agreement and perform the terms and obligations contained herein.

25.3 Survival of Representations and Warranties. SECTION 27. BUSINESS RELATIONSHIPS.

The Developer acknowledges (a) receipt of a copy of Section 2-156-030 (b) of the Municipal Code, (b) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship, and (c) notwithstanding anything to the contrary contained in this Agreement, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Agreement shall be grounds for termination of this Agreement and the transactions contemplated hereby. The Developer hereby represents and warrants that no violation of Section 2-145-030 (b) has occurred with respect to this Agreement or the transactions contemplated hereby.

SECTION 28. PATRIOT ACT CERTIFICATION.

The Developer represents and warrants that neither the Developer nor any Affiliate (as hereafter defined) thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable Laws: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

SECTION 29. PROHIBITION ON CERTAIN CONTRIBUTIONS PURSUANT TO MAYORAL EXECUTIVE ORDER NO. 2011-4.

29.1 The Developer agrees that the Developer, any person or entity who directly or indirectly has an ownership or beneficial interest in the Developer of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, the Developer's contractors (i.e., any person or entity in direct contractual privity with the Developer regarding the subject matter of this Agreement) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (the Developer and all the other preceding classes of persons and entities are together the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (a) after execution of this Agreement by the Developer, (b) while this Agreement or any Other Contract (as hereinafter defined) is executory, (c) during the term of this Agreement or any Other Contract, or (d) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the effective date of Executive Order 2011-4.

29.2 The Developer represents and warrants that from the later of (a) May 16, 2011, or (b) the date the City approached the Developer, or the date the Developer approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

29.3 The Developer agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor=s political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor=s political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

29.4 The Developer agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

29.5 Notwithstanding anything to the contrary contained herein, the Developer agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this Section 29 or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Agreement, and under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

29.6 If the Developer intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the Closing, the City may elect to decline to close the transaction contemplated by this Agreement.

29.7 For purposes of this provision:

(a) "Bundle" means to collect contributions from more than one source, which contributions are then delivered by one person to the Mayor or to his political fundraising committee.

(b) "Other Contract" means any other agreement with the City to which the Developer is a party that is (i) formed under the authority of Chapter 2-92 of the Municipal Code; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council.

(c) "Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code, as amended.

(d) Individuals are "domestic partners" if they satisfy the following criteria:

- (i) they are each other's sole domestic partner, responsible for each other's common welfare; and
- (ii) neither party is married; and
- (iii) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (iv) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
- (v) two of the following four conditions exist for the partners:
 - (1) The partners have been residing together for at least 12 months.
 - (2) The partners have common or joint ownership of a residence.
 - (3) The partners have at least two of the following arrangements:
 - (A) joint ownership of a motor vehicle;
 - (B) joint credit account;
 - (C) a joint checking account;
 - (D) a lease for a residence identifying both domestic partners as tenants.
 - (4) Each partner identifies the other partner as a primary beneficiary in a will.

(e) "Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal Code, as amended.

SECTION 30. INSPECTOR GENERAL AND LEGISLATIVE INSPECTOR GENERAL.

It is the duty of every officer, employee, department, agency, contractor, subcontractor, Developer and licensee of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55 and 2-56, respectively, of the Municipal Code. The Developer understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code.

SECTION 31. WASTE ORDINANCE PROVISIONS.

In accordance with Section 11-4-1600(e) of the Municipal Code, Developer warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the "Waste Sections"). During the period while this Agreement is executory, Developer's, any general contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be

granted only at the sole designation of the Commissioner of DPD. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity. This section does not limit the Developer's, general contractor's and its subcontractors' duty to comply with all applicable Laws, in effect now or later, and whether or not they appear in this Agreement. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Developer's eligibility for future contract awards.

SECTION 32. SHAKMAN.

32.1 The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the August 16, 2007 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

32.2 Developer is aware that City policy prohibits City employees from directing any individual to apply for a position with Developer, either as an employee or as a subcontractor, and from directing Developer to hire an individual as an employee or as a subcontractor. Accordingly, Developer must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Developer under this Agreement are employees or subcontractors of Developer, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Developer.

32.3 Developer will not condition, base, or knowingly prejudice or affect any term or aspect to the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

32.4 In the event of any communication to Developer by a City employee or City official in violation of Section 32.2 above, or advocating a violation of Section 32.3 above, Developer will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the relevant City Department utilizing services provided under this Agreement. Developer will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to the contract.

SECTION 33. FAILURE TO MAINTAIN ELIGIBILITY TO DO BUSINESS WITH THE CITY.

Failure by Developer or any controlling person (as defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code shall be grounds for termination of the Agreement and the transactions contemplated thereby. Developer shall at all times comply with Section 2-154-020 of the Municipal Code.

SECTION 34. MISCELLANEOUS.

The following general provisions govern this Agreement:

34.1 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute a single, integrated instrument.

34.2 Cumulative Remedies. The remedies of any party hereunder are cumulative and the exercise of any one or more of such remedies shall not be construed as a waiver of any other remedy herein conferred upon such party or hereafter existing at law or in equity, unless specifically so provided herein.

34.3 Date for Performance. If the final date of any time period set forth herein falls on a Saturday, Sunday or legal holiday under the laws of Illinois or the United States of America, then such time period shall be automatically extended to the next business day.

34.4 Entire Agreement; Modification. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations and discussions. This Agreement may not be modified or amended in any manner without the prior written consent of the parties hereto. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the party benefited by such term.

34.5 Exhibits. All exhibits referred to herein and attached hereto shall be deemed part of this Agreement.

34.6 Force Majeure. Neither the City nor the Developer shall be considered in breach of its obligations under this Agreement in the event of a delay due to unforeseeable events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder, including, without limitation, fires, floods, strikes, shortages of material and unusually severe weather or delays of subcontractors due to such causes. The time for the performance of the obligations shall be extended only for the period of the delay and only if the party relying on this section requests an extension in writing within twenty (20) days after the beginning of any such delay.

34.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.

34.8 Headings. The headings of the various sections and subsections of this Agreement have been inserted for convenience of reference only and shall not in any manner be construed as modifying, amending or affecting in any way the express terms and provisions hereof.

34.9 No Merger. The terms of this Agreement shall not be merged with the Deed, and the delivery of the Deed shall not be deemed to affect or impair the terms of this Agreement.

34.10 No Waiver. No waiver by the City with respect to any specific default by the Developer shall be deemed to be a waiver of the rights of the City with respect to any other defaults of the Developer, nor shall any forbearance by the City to seek a remedy for any breach or default be deemed a waiver of its rights and remedies with respect to such breach or default, nor shall the City be deemed to have waived any of its rights and remedies unless such waiver is in writing.

34.11 Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

34.12 Successors and Assigns. Except as otherwise provided in this Agreement, the terms and conditions of this Agreement shall apply to and bind the successors and assigns of the parties.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on or as of the date first above written.

(b) The District agrees that provisions required to be inserted in this Lease by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Lease and that in no event will the failure to insert such provisions prevent the enforcement of this Lease.

(c) Signing, delivery and performance by the District of this Lease does not violate its resolutions, including but not limited to the District resolution, or any applicable provision of law, or constitute a material breach of, default under or require any consent under, any

agreement, instrument or document, including any related to borrowing monies, to which the District is party or by which it is bound.

(d) There are no actions or proceedings by or before any court, governmental commission, board, bureau or any other administrative agency pending, threatened or affecting the District that would materially impair its ability to perform under this Lease.

Such programming may include, but is not limited to, the use of the Premises by public high schools, soccer leagues, summer sport camps, and similar privately run programs. If the District does not remove the District's property, equipment, and trade fixtures and all other items of property from the Premises upon termination, the City may, at its option, remove the same and deliver them to any other place of business of the District or warehouse the same. In such event, the District shall pay to the City the cost of removal, including the repair for such removal, delivery and warehousing. In the alternative, the City may treat such property as being conveyed to the City with this Lease acting as a bill of sale, without further payment or credit by the City to the District.

10.15 No Other Rights. This Lease does not give the District any other right with respect to the Premises. Any rights not specifically granted to the District by and through this Lease are reserved exclusively to the City. Landlord shall have the right of access to the Premises for the purpose of inspecting and making repairs to the Premises. ASSIGNMENT, SUBLEASE, AND LIENS.

5.1 Assignment And Sublease. Tenant may not sublease or license the Premises in whole or in part without the prior written consent of the Commissioner of the Department of Fleet and Facility Management. Tenant agrees that any subleases or licenses shall require that all sub-lessees and licensees indemnify and hold harmless Landlord with respect to all liabilities and that Landlord shall be listed as an additional insured on any certificates of insurance.

5.2 Tenant's Covenant Against Liens. Tenant shall not cause or permit any lien or encumbrance, whether created by act of Tenant, operation of law or otherwise, to attach to or be placed upon Landlord's title or interest in the Premises. All liens and encumbrances created by Tenant shall attach to Tenant's interest only. In case of any such lien attaching, Tenant shall immediately pay and remove such lien or furnish security or indemnify Landlord in a manner satisfactory to Landlord in its sole discretion to protect Landlord against any defense or expense arising from such lien. Except during any period in which Tenant appeals any judgment or obtains a rehearing of any such lien, or in the event judgment is stayed, Tenant shall immediately pay any judgment rendered against Tenant, with all proper costs and charges, and shall have the lien released and any judgment satisfied. If Tenant fails to pay and remove any lien or contest such lien in accordance herewith, Landlord, at its election, may, but is not obligated to, pay and satisfy same. Tenant shall reimburse Landlord all sums so paid by Landlord with interest from the date of payment at the rate set at 12% per annum.

SECTION 6.

INSURANCE AND INDEMNIFICATION.

6.1 Insurance. Tenant shall procure and maintain at all times, at Tenant's own expense, during the Term of this Lease and during any Holding Over (as defined hereunder), the insurance coverages and requirements specified below, insuring all operations related to this Lease.

The kinds and amounts of insurance required are as follows:

a) Workers Compensation and Employers Liability Insurance. Workers Compensation and Employers Liability Insurance, in accordance with the laws of the State of Illinois, or any other applicable jurisdiction, covering all employees and Employer's Liability coverage with limits of not less than \$100,000 per accident or illness.

b) Commercial Liability Insurance. (Primary and Umbrella). Commercial Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage extensions shall include the following:

All premises and operations, products/completed operations, defense, separation of insureds, and contractual liability (with no limitation endorsement). The City of Chicago, its employees, elected officials, agents, and representatives are to be named as additional insureds on a primary, non-contributory basis for any liability arising directly or indirectly from the Lease.

c) Automobile Liability Insurance. (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, Tenant shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence, for bodily injury and property damage.

d) All Risk Property Insurance. All risk property insurance coverage shall be maintained by Tenant for full replacement value to protect against loss, damage to or destruction of property. The policy shall list the City of Chicago as an additional insured and loss payee. Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Tenant.

e) All Risk Builders Risk Insurance. When Tenant undertakes any construction, including improvements, betterments, and/or repairs, Tenant shall provide All Risk Builders Risk Insurance, at replacement cost, for materials, supplies, equipment, machinery and fixtures that are or will be part of the permanent facility. Coverage shall include but not limited to the following: right to partial occupancy, earth movement, flood including surface water backup and sewer backup and seepage. The City of Chicago shall be named as an additional insured and loss payee.

Tenant shall be responsible for all loss or damage to personal property (including but not limited to materials, equipment, tools and supplies), owned or rented, by Tenant.

6.2 Other Terms Of Insurance. Tenant will furnish the City of Chicago, Department of Fleet and Facility Management, Office of Real Estate Management, 30 North LaSalle Street, Room 300, Chicago, Illinois 60602, original Certificates of Insurance evidencing the required coverage to be in force on the date of this Lease, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the Term of this Lease. Tenant shall submit evidence of insurance prior to Lease award. The receipt of any certificates does not constitute agreement by the City that the insurance requirements in the Lease have been fully met or that the insurance policies indicated on the certificate are in compliance with all Lease requirements. The failure of the City to obtain certificates or other insurance evidence from Tenant shall not be deemed to be a waiver by the City. Tenant shall advise all insurers of the Lease provisions regarding insurance. Non-conforming insurance shall not relieve Tenant of its obligation to provide Insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Lease, and the City retains the right to terminate the Lease until proper evidence of insurance is provided.

The insurance shall provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any and all deductibles or self-insured retentions on referenced insurance coverages shall be borne by Tenant.

Tenant agrees that insurers shall waive their rights of subrogation against the City of Chicago its employees, elected officials, agents or representatives.

Tenant expressly understands and agrees that any coverages and limits furnished by Tenant shall in no way limit Tenant's liabilities and responsibilities specified within the Lease documents or by law.

Tenant expressly understands and agrees that any insurance or self-insurance programs maintained by the City of Chicago shall apply in excess of and not contribute with insurance provided by Tenant under this Lease.

The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

The City of Chicago, Department of Finance, Office of Risk Management, maintains the right to reasonably modify, delete, alter, or change these requirements.

6.3 Tenant's Indemnification. Tenant shall indemnify, defend, and hold Landlord harmless against all liabilities, judgments, amounts paid in settlement, arbitration or mediation awards, costs, damages, and expenses (including reasonable attorney's fees, expenses, and court costs), and loss or damage to personal property as set forth in Section 6.1, whether such claim is related to or arises from personal injury, property damage, or property loss which may be expended by or accrue against, be charged to, or be recovered from Landlord or Tenant by reason of Tenant's performance of or failure to perform any of Tenant's obligations under this Lease, or Tenant's negligent acts or failure to act, or resulting from the acts or failure to act by Tenant's or any of Tenant's contractors, respective officers, directors, agents, employees, licensees or invitees. Tenant shall indemnify, defend and hold Landlord harmless against any and all claims, including but not limited to, claims that may arise in relation to the use of the Premises by the general public.

SECTION 7.

DAMAGE OR DESTRUCTION.

7.1 Damage Or Destruction. If the Premises are damaged or destroyed or sustain a casualty to such extent that Tenant cannot continue to occupy or conduct its normal business therein, or if, in Tenant's or City of Chicago's Department of Buildings' opinion, the Premises are rendered unusable, either Landlord or Tenant shall have the option to declare this Lease terminated as of the date of such damage or destruction by giving the other party written notice to such effect.

SECTION 8.**CONFLICT OF INTEREST AND GOVERNMENTAL ETHICS.**

8.1 Conflict Of Interest. No official or employee of the City of Chicago, nor any member of any board, commission or agency of the City of Chicago, shall have any financial interest (as defined in Chapter 2-156 of the Municipal Code), either direct or indirect, in the Premises. Nor shall any such official, employee, or member participate in making or in any way attempt to use his or her position to influence any City governmental decision or action with respect to this Lease.

8.2 Duty To Comply With Governmental Ethics Ordinance. Landlord and Tenant Shall comply with Chapter 2-156 of the Municipal Code of Chicago, "Governmental Ethics," including but not limited to section 2-156-120, which states that no payment, gratuity, or offer of employment shall be made in connection with any City of Chicago contract as an inducement for the award of that contract or order. Any contract negotiated, entered into, or performed in violation of any of the provisions of Chapter 2-156 shall be voidable as to the City of Chicago.

SECTION 9.**HOLDING OVER.**

9.1 Holding Over. Any holding over by Tenant shall be construed to be a tenancy from month to month only beginning on January 1, 2035 (the "**Holding Over**") and the rent shall be the same as listed in Section 3.1 of this Lease. During any Holding Over all other provisions of this Lease shall remain in full force and effect.

SECTION 10.**MISCELLANEOUS.**

10.1 Notice. All notices, demands and requests which may be or are required to be given, demanded or requested by either party to the other shall be in writing. All notices, demands and requests by Tenant to Landlord shall be delivered by national overnight courier or shall be sent by United States registered or certified mail, return receipt requested, postage prepaid addressed to Landlord as follows:

Any notice, demand or request which shall be served upon Tenant by Landlord, or upon Landlord by Tenant, in the manner aforesaid, shall be deemed to be sufficiently served or given for all purposes hereunder at the time such notice, demand or request shall be mailed.

10.2 Partial Invalidity. If any covenant, condition, provision, term or agreement of this Lease shall, to any extent, be held invalid or unenforceable, the remaining covenants, conditions, provisions, terms and agreements of this Lease shall not be affected thereby, but each covenant, condition, provision, term or agreement of this Lease shall be valid and in force to the fullest extent permitted by law.

10.3 Governing Law. This Lease shall be construed and be enforceable in accordance with the laws of the State of Illinois.

10.4 Entire Agreement. All preliminary and contemporaneous negotiations are merged into and incorporated in this Lease. This Lease contains the entire agreement between the parties and shall not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

10.5 Captions And Section Numbers. The captions and section numbers appearing in this Lease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections of this Lease nor in any way affect this Lease.

10.6 Binding Effect Of Lease. The covenants, agreements, and obligations contained in this Lease shall extend to, bind, and inure to the benefit of the parties hereto and their legal representatives, heirs, successors, and assigns.

10.7 Time Is Of The Essence. Time is of the essence of this Lease and of each and every provision hereof.

10.8 No Principal/Agent Or Partnership Relationship. Nothing contained in this Lease shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto.

10.9 Authorization To Execute Lease. The parties executing this Lease hereby represent and warrant that they are duly authorized and acting representatives of Landlord and Tenant respectively and that by their execution of this Lease, it became the binding obligation of Landlord and Tenant respectively, subject to no contingencies or conditions except as specifically provided herein.

10.10 Termination Of Lease For Material Breach Of Critical Provisions. Landlord may terminate this Lease for cause at any time with one-hundred eighty (180) days' notice delivered to Tenant where Tenant has caused a material breach of a "**Critical Provision**" (as defined hereunder) of this Lease leading to default and Tenant has failed to timely cure such Critical Provision. A Critical Provision of this Lease for purposes of this Section 10.10 shall mean a failure to comply with Section 6 (Insurance and Indemnification), Section 11.4 (Illegal Activity), and Section 11.5 (Use Restrictions). In the event of such default, Landlord shall provide Tenant with written notice of the nature of the default (the "**Default Communication**"). Within thirty (30) days from receipt of the Default Communication, Tenant shall provide Landlord with a written response outlining the methods and timeline by which Tenant will cure the issues noted in the Default Communication (the "**Default Response**"). If Tenant does not provide a Default Response as required above, Landlord may send Tenant one-hundred eighty (180) days' termination notice at any time within 180 days from the due date of Tenant's required Default Response. Notwithstanding the foregoing, any applicable government enforcement agency, including, but not limited to the City of Chicago's Department of Buildings or the State Fire Marshall, may temporarily suspend Tenant's use or access to the Premises for any violations of any applicable codes, rules, or laws.

10.11 Termination In The Event Of Conveyance. This Lease shall terminate in the event that Landlord conveys the subject Premises to Tenant pursuant to a redevelopment or other agreement satisfactory to both parties. In such event, this Lease shall terminate as outlined pursuant to said redevelopment or other agreement or on the date that the parties execute a document of conveyance of ownership from Landlord to Tenant.

10.12 Force Majeure. When a period of time is provided in this Lease for either party to do or perform any act or thing, the party shall not be liable or responsible for any delays due to strikes, lockouts, casualties, acts of God, wars, governmental regulation or control, and other causes beyond the reasonable control of the party, and in any such event the time period shall be extended for the amount of time the party is so delayed.

10.14 Landlord's Reservation For Antennae Placement. Landlord reserves the right to install and maintain antennae or other communications equipment on the roof of the Premises whether for public or private use.

10.15 Amendments. From time to time, the parties hereto may administratively amend this Lease with respect to any provisions reasonably related to Tenant's use of the Premises and/or Landlord's administration of this Lease. Provided, however, that such amendment(s) shall not serve to extend the Term hereof nor serve to otherwise materially alter the essential

provisions contained herein. Such amendment(s) shall be in writing, shall establish the factual background necessitating such alteration, shall set forth the terms and conditions of such modification, and shall be duly executed by both Landlord and Tenant. Such amendment(s) shall only take effect upon execution by both parties. Upon execution, such amendment(s) shall become a part of this Lease and all other provisions of this Lease shall otherwise remain in full force and effect.

10.16 No Construction Against Preparer. This Lease shall not be interpreted in favor of either Landlord or Tenant. Landlord and Tenant each acknowledge that both parties participated fully in the mutual drafting of this Lease.

The Department of Fleet and Facility Management must be notified of any such license or permit. Failure to obtain a required license or permit shall constitute a breach of the terms of this Lease. Tenant understands that this Lease shall not act as a substitute for any other permitting or approvals that may be required to undertake any activities on the Premises.

11.14 No Alcohol Or Drugs. Alcoholic beverages or illegal drugs of any kind or nature shall not be sold, given away, or consumed on the Premises.

11.15 Scavenger Service. Tenant shall provide its own scavenger service if necessary.

Tenant shall pay the cost of such removal, including the repair for such removal, delivery and warehousing, to Landlord on demand. In the alternative, Landlord may treat such property as being conveyed to Landlord with this Lease as a bill of sale, without further payment or credit by Landlord to Tenant.

11.20 Repairs For Tenant Negligence, Vandalism, Or Misuse. Tenant shall assume all responsibility for any repairs to the Premises necessitated by the negligence, vandalism, or misuse of the Premises or equipment therein by Tenant's employees, invitees, agents, contractors, or sub-contractors.

11.21 No Other Rights. This Lease does not give Tenant any other right with respect to the Premises. SECTION 12.

TENANT DISCLOSURES AND REPRESENTATIONS.

12.1 Business Relationships. Tenant acknowledges (A) receipt of a copy of Section 2-156-030 (b) of the Municipal Code of Chicago, (B) that it has read such provision and understands that pursuant to such Section 2-156-030 (b) it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected City official or employee has a "Business Relationship" (as defined in Section 2-156-080 of the Municipal Code of Chicago), or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the

person with whom an elected official has a Business Relationship, and (C) notwithstanding anything to the contrary contained in this Lease, that a violation of Section 2-156-030 (b) by an elected official, or any person acting at the direction of such official, with respect to any transaction contemplated by this Lease shall be grounds for termination of this Lease and the transactions contemplated hereby. Tenant hereby represents and warrants that no violation of Section 2-156-030 (b) has occurred with respect to this Lease or the transactions contemplated hereby.

12.2 Patriot Act Certification. Tenant represents and warrants that neither Tenant nor any Affiliate thereof (as defined in the next paragraph) is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment, the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List.

As used in the above paragraph, an "Affiliate" shall be deemed to be a person or entity related to Tenant that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with Tenant, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

12.3 Prohibition On Certain Contributions-Mayoral Executive Order No. 2011-4. Tenant agrees that Tenant, any person or entity who directly or indirectly has an ownership or beneficial interest in Tenant of more than 7.5 percent ("Owners"), spouses and domestic partners of such Owners, Tenant's contractors (i.e., any person or entity in direct contractual privity with Tenant regarding the subject matter of this Lease) ("Contractors"), any person or entity who directly or indirectly has an ownership or beneficial interest in any Contractor of more than 7.5 percent ("Sub-owners") and spouses and domestic partners of such Sub-owners (Tenant and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall not make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee (i) after execution of this Lease by Tenant, (ii) while this Lease or any Other Contract is executory, (iii) during the Term of this Lease or any Other Contract between Tenant and the City, or (iv) during any period while an extension of this Lease or any Other Contract is being sought or negotiated. This provision shall not apply to contributions made prior to May 16, 2011, the Commencement Date of Executive Order 2011-4.

Tenant represents and warrants that from the date the City approached Tenant or the date Tenant approached the City, as applicable, regarding the formulation of this Lease, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Tenant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b)

reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Tenant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Notwithstanding anything to the contrary contained herein, Tenant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Lease, and under any Other Contract for which no opportunity to cure will be granted, unless the City, in its sole discretion, elects to grant such an opportunity to cure. Such breach and default entitles the City to all remedies (including, without limitation, termination for default) under this Lease, under any Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Tenant intentionally violates this provision or Mayoral Executive Order No. 2011-4 prior to the execution of this Lease, the City may elect to decline to close the transaction contemplated by this Lease.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Tenant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the City Council of the City of Chicago.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:

- (A) they are each other's sole domestic partner, responsible for each
- (B) other's common welfare; and
- (B) neither party is married; and
- (C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
- (D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and

- (E) two of the following four conditions exist for the partners:
1. The partners have been residing together for at least 12 months.
 2. The partners have common or joint ownership of a residence.
 3. The partners have at least two of the following arrangements:
 - a. joint ownership of a motor vehicle;
 - b. a joint credit account;
 - c. a joint checking account;
 - d. a lease for a residence identifying both domestic partners as tenants.
 4. Each partner identifies the other partner as a primary beneficiary in a will.

“Political fundraising committee” means a “political fundraising committee” as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

12.4 Waste Ordinance Provisions. In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Tenant warrants and represents that it, and to the best of its knowledge, its contractors and subcontractors, have not violated and are not in violation of any provisions of Section 7-28 or Section 11-4 of the Municipal Code (the “Waste Sections”). During the period while this Lease is executory, Tenant’s, any general contractor’s or any subcontractor’s violation of the Waste Sections, whether or not relating to the performance of this Lease, constitutes a breach of and an event of default under this Lease, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Lease, at law or in equity. This section does not limit Tenant’s, general contractor’s and its subcontractor’s duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Lease. Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Lease, and may further affect Tenant’s eligibility for future contract awards.

12.5 Failure To Maintain Eligibility To Do Business With City. Failure by Tenant or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be grounds for termination of this Lease and the transactions contemplated thereby. Tenant shall at all times comply with Section 2-154-020 of the Municipal Code of Chicago.

12.6 Cooperation With Inspector General And Legislative Inspector General. It is the duty of every officer, employee, department, agency, contractor, subcontractor, user of real property and Tenant of the City, and every applicant for certification of eligibility for a City contract or program, to cooperate with the City's Legislative Inspector General and with the City's Inspector General in any investigation or hearing undertaken pursuant to Chapters 2-55

and 2-56, respectively, of the Municipal Code of Chicago. The Foundation understands and will abide by all provisions of Chapters 2-55 and 2-56 of the Municipal Code of Chicago.

12.7 Shakman Prohibitions.

(i) The City is subject to the May 31, 2007 Order entitled “Agreed Settlement Order and Accord” (the “Shakman Accord”) and the August 16, 2007 “City of Chicago Hiring Plan” (the “City Hiring Plan”) entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(ii) Tenant is aware that City policy prohibits City employees from directing any individual to apply for a position with Tenant, either as an employee or as a subcontractor, and from directing Tenant to hire an individual as an employee or as a subcontractor. Accordingly, Tenant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Tenant under this Lease are employees or subcontractors of Tenant, not employees of the City of Chicago. This Lease is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Tenant.

(iii) Tenant will not condition, base, or knowingly prejudice or affect any term or terms or aspect to the employment of any personnel provided under this Lease, or offer employment to any individual to provide services under this Lease, based upon or because of any political reason or factor, including, without limitation, any individual’s political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual’s political sponsorship or recommendation. For purposes of this Lease, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(iv) In the event of any communication to Tenant by a City employee or City official in violation of Section 12.7(ii) above, or advocating a violation of Section 12.7(iii) above, Tenant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City’s Office of the Inspector General (“IGO Hiring Oversight”), and also to the head of the relevant City Department utilizing services provided under this Lease. Tenant will also cooperate with any inquiries by IGO Hiring Oversight or the *Shakman* Monitor’s Office related to the contract.

IN WITNESS WHEREOF, The parties have executed this Lease as of the Effective Date.

Type 1 Narrative Rezoning Analysis attached to this ordinance reads as follows:

Rezoning Narrative.

820 S. Canal St./815 S. Clinton St.
Chicago, Illinois.

The applicant, SF CH1 LLC, owns the subject property located at 820 South Canal Street and 815 South Clinton Street, Chicago, Illinois, and seeks to rezone the subject property from Airport Planned Development Number 221 to DS5 Downtown Service District. The subject property is approximately 1.47 acres and is proposed for the use of minor utilities and services for the placement of emergency generators within manufactured enclosures on the western portion of the property to service the neighboring data center at 840 South Canal Street with back-up power, as more specifically depicted in the Site Plan submitted with the zoning amendment application. A portion of the property will be used for accessory off-street parking to support the adjacent data center. The remainder of the property is proposed to be used for non-accessory off-street parking.

The addition of the enclosed emergency generators will occur in phases. Two generators will be added to the property initially. Phase I of the project contemplates a total of nine generators aligned along the west portion of the property. Phase II of the project contemplates the addition of nine more generators stacked above the nine generators at surface level for a total of 18 enclosed emergency generators.

The floor area ratio at full build out of all 18 generators is approximately 1.50. The lot area per unit density restriction is not applicable as no dwelling units are proposed for the project. The number of off-street parking spaces at commencement of the project is 120 spaces and upon full build out of the generators there will be 94 accessory and non-accessory parking spaces. The initial height of the enclosed generators will be approximately 15 feet. At full build out of the enclosed generators the height will be approximately 30 feet. The setback for the property at full build out of the generators will be as follows:

North -- 3 feet

South -- 15 feet

East -- 20 feet

West -- 10 feet

The terms of the Affordable Housing Agreement and any amendments thereto are incorporated herein by this reference. The

Applicant acknowledges and agrees that the Affordable Housing Agreement will be recorded against the Residential Project and will constitute a lien against each Affordable Unit. The City shall execute partial releases of the Affordable Housing Agreement prior to or at the time of the sale of each Affordable Unit to an income-eligible buyer at an affordable price, subject to the simultaneous execution and recording of a mortgage, restrictive covenant or similar instrument against such Affordable Unit. The Commissioner of DPD may enforce remedies for breach of the Affordable Housing Agreement, and enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.

Rezoning Application.

Project Description:

Located at 2651 West Washington Boulevard in the City's East Garfield Park neighborhood,

the former Mary Mapes Dodge School property encompasses an entire city block and is bounded by West Washington Boulevard on the north, West Warren Boulevard on the south, South Talman Avenue on the east and South Washtenaw Avenue on the west. The 2.37 acre site is located in the 27th Ward and is surrounded by residential and manufacturing uses. Single-family, two-flat and three-flat residential buildings are located north, south and west of the site. To the east and north are manufacturing and railroad uses.

Currently zoned RT4, that designation only allows for single- or multi-family residential, a school or a house of religious worship. The applicant, The Board of Education on behalf of Chicago Public Schools, is proposing to rezone the site to a C1-2.

Ideally situated in the approximate geographic center of the city, its nearness to Western Avenue, Sacramento Boulevard, the Eisenhower Expressway and the ADA accessible California Avenue Green Line station one block to the west, coupled with its overall excellent physical condition, made the property the leading candidate for CPS office use.

The applicant proposes to adaptively reuse the building for CPS staff offices. The "L" shape school was built in 1959, is three stories in height at its northern wing and drops to two stories at its eastern wing. Constructed of reinforced concrete, the total building footprint of approximately 70,000 square feet will not change and no changes will be made to the existing facade.

There are nine doorways to the existing building. Five of those will become emergency exits only. The main entrance is located on Washington and all entrances will be handicapped accessible. A striped automobile pick-up and drop-off zone on Washington will be provided on the public right-of-way and identified through street signage.

Most non-bearing interior partitions will be removed and an open free-flowing floor plan will be created to accommodate 400 employees with a projected number of visitors at 150 daily, on average. The gymnasium will be preserved for CPS conference/meeting use during regular business hours and will be available to the community on selected evenings and weekends as determined by a community benefits agreement currently being negotiated. The remodeled building will be fully accessible for people with disabilities, air conditioned, and will include a new three-stop elevator to all floors.

The parking lot, which will be located on site will contain a minimum of 111 parking spaces, five of which will be handicapped accessible. Plans also call for parking for 52 bikes. Efforts will also be made to secure a Divvy bike station at or near the location as well as to provide Zipcar rentals on site to be used by CPS staff as well as the local community residents. Either a play lot or an artificial turf field will be included in the parking lot build out, which will feature storm water detention, ornamental fencing, a multitude of new trees both on site as well as on the public parkway and the minimum landscaping as prescribed by the ordinance.

The Board of Education is looking forward to establishing its newest satellite office in the East Garfield Park neighborhood. Not only will it provide a new home for some of CPS's most vital departments, it will also bring hundreds of workers into the community on a daily basis, providing a much needed economic spark to this area.

Address/Location: 2633 -- 2673 West Washington Boulevard; 36 -- 58 North Talman Avenue; 2632 -- 2672 West Warren Boulevard; 35 -- 55 North Washtenaw Avenue.

5. The following uses are allowed in the area delineated herein as the Residential-Business Planned Development Number _____: residential units, permitted uses in the Commercial Use Group in the B3 Community Shopping District, with related and accessory uses and off-street parking and loading. The following uses are excluded from the allowed uses: building material sales, pawn shops, automated teller machine facility, non-accessory parking, auto supply/accessory sales, and motor vehicular repair shops.
6. On-premises signs and temporary signs such as construction and marketing signs shall be permitted within the Planned Development subject to the review and approval of the Department of Planning and Development ("DPD"). Off-premises signs are prohibited within the boundary of this Planned Development.
7. Off-street parking and loading facilities shall be provided in compliance with this Planned Development, subject to the review of the Chicago Department of Transportation ("CDOT") and the approval of the Department of Planning and Development ("DPD").

8. Ingress or egress shall be subject to the review and approval by the Chicago Department of Transportation ("CDOT") and the Department of Planning and Development ("DPD"). Closure of all or any public street or alley during demolition or construction shall be subject to the review and approval of the Chicago Department of Transportation ("CDOT"). All work proposed in the public way must be designed and constructed in accordance with the Chicago Department of Transportation Construction Standards for Work in the Public Way and in compliance with the Municipal Code of the City of Chicago.
9. For purposes of height measurement, the definitions in the Zoning Ordinance shall apply. The height of any building shall also be subject to height limitations, if any, established by the Federal Aviation Administration.
10. The maximum permitted floor area ratio ("FAR") for the parcel(s) shall be in accordance with the attached Bulk Regulations and Data Table. For the purposes of floor area ratio calculations and floor area measurements, the definitions in the Chicago Zoning Ordinance shall apply.
11. The City of Chicago established a Part II Review fee in the amount of \$ 0.25 per square feet for the total buildable square feet (FAR). The Part II Review fee is assessed by the Department of Planning and Development ("DPD") during the actual Part II Review. The fee as determined by DPD staff at that time, is final and binding on the applicant, and must be paid to the Department of Revenue prior to the issuance of any Part II Approval.
12. The improvements on the Property, including the on-site exterior landscaping and the landscaping along the adjacent rights-of-way and all entrances and exits to and from the parking and loading areas, shall be designed, constructed and maintained in substantial conformance with the Site Plan and Landscape Plan. In addition, parkway trees shall be installed and maintained in accordance with the parkway tree planting provisions of the Chicago Zoning Ordinance and corresponding regulations and guidelines.
13. The terms, conditions and exhibits in this Planned Development ordinance may be modified administratively by the Commissioner of the Department of Planning and Development ("DPD") upon the application for such a modification by the applicant or its successors or assigns and a determination by the Commissioner of the Department of Planning and Development that such modification is minor, appropriate and consistent with the nature of the improvements contemplated by this Planned Development and the purposes underlying the provisions hereof. Any modification of the requirements of the Planned Development by the Commissioner of the Department of Planning and Development shall be deemed to be a minor change in the Planned Development as contemplated by Section 17-13-0611-A of the Chicago Zoning Ordinance.
14. The applicant acknowledges that it is in the public interest to design, construct and maintain the project in a manner which promotes, enables and maximizes universal access throughout the Property. Plans for all buildings and improvements on the Property shall be reviewed and approved by the Mayor's Office for Persons with

Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

15. The applicant will comply with Rules and Regulations for the Maintenance of Stockpiles promulgated by the Commissioner of Streets and Sanitation, the Commissioner of the Environment and the Commissioner of Buildings pursuant to Section 13-32-125 of the Municipal Code of Chicago or any other provision of that Code.
16. The applicant acknowledges that it is in the public interest to design, construct and maintain all buildings in a manner that provides healthier indoor environments, reduces operating costs and conserves energy and natural resources. All development shall be in substantial compliance with the current City of Chicago Sustainable Development policy set forth by the Department of Planning and Development. The proposed multi-story building shall provide a vegetated ("green") roof totaling a minimum of 50 percent of the net roof area (10,270 square feet) and obtain LEED's certification.
17. The applicant acknowledges and agrees that the rezoning of the Property from a B3-3 Community Shopping District to a B3-5 Community Shopping District for construction of this Planned Development triggers the requirements of Section 2-45-110 of the Municipal Code (the "Affordable Housing Ordinance"). Any developer of a "residential housing project" within the meaning of the Affordable Housing Ordinance ("Residential Project") must: (i) develop affordable housing units as part of the Residential Project; (ii) pay a fee in lieu of the development of affordable housing units; or (iii) any combination of (i) and (ii). In accordance with these requirements and the Affordable Housing Profile Form attached hereto as an exhibit, the applicant has agreed to make a cash payment to the Affordable Housing Opportunity Fund in the amount of \$100,000.00 per unit ("Cash Payment"). At the time of each Part II Review for the Residential Project, the applicant may update and resubmit the Affordable Housing Profile Form to the Department of Planning and Development for review and approval. If the applicant subsequently reduces the number of dwelling units in the Residential Project, DPD may adjust the requirements of this statement Number 17 (i.e. amount of Cash Payment) accordingly, without amending the Planned Development. Prior to the issuance of any building permits for the Residential Project, including without limitation, excavation or foundation permits, the applicant must make the required Cash Payment. The Commissioner of the Department of Planning and Development may enforce remedies with respect to any breach of this statement 17, and may enter into settlement agreements with respect to any such breach, subject to the approval of the Corporation Counsel, without amending the Planned Development.
18. Unless substantial construction of any improvements as contemplated by this Planned Development amendment has commenced within six years following adoption of this Planned Development and unless completion thereof is diligently pursued, then this Planned Development shall expire and the zoning of the Property shall automatically revert to its prior B3-3 Community Shopping District. This six-year period may be extended for up to one additional year if, before expiration of the six-year period, the

Commissioner of the Department of Planning and Development determines that good cause for an extension is shown.

ILLINOIS GENERAL ASSEMBLY URGED TO ENACT MORATORIA ON ALL IVORY SALES.

[R2014-436]

WHEREAS, Increasing demand for ivory is fueling the brutal slaughter of African elephants; and

WHEREAS, Illegal trade in elephant ivory is the most significant threat to Africa's elephant populations and is driving the mass slaughter of elephants, especially across Central and Eastern Africa; and

WHEREAS, Approximately 35,000 wild African elephants were poached in 2012 because of the demand for their tusks, which contain ivory; and

WHEREAS, The wild African elephant population has declined from 1.2 million in 1980 to just 420,000 in 2012, and Central Africa's forest elephant populations have declined by 75 percent in the last decade due to illegal poaching for ivory; and

WHEREAS, Elephant ivory currently sells for about \$3,000 per kilogram, representing a value of \$20,000 per elephant; and

WHEREAS, With an estimated value between \$10 Billion and \$20 Billion per year, the illegal wildlife trade is a major transnational crime run by professional criminal networks and is strongly linked to other transnational organized criminal activities such as narcotics, weapons, and human trafficking; and

WHEREAS, There is significant evidence that illegal trade in high-value wildlife parts, including elephant ivory, is being used as a source for financing criminal organizations and armed groups that pose a threat to U.S. economic and security interests in Africa and elsewhere, including the Lord's Resistance Army, al-Shabaab, al-Qaeda, Sudanese militias, and other groups with potential terrorist ties; and

WHEREAS, The State Department of the United States has provided that criminal organizations' involvement in wildlife trafficking "perpetuates corruption, threatens the rule of law and border security in fragile regions, and destabilizes communities that depend on wildlife for biodiversity and ecotourism"; and

WHEREAS, In 1989, the Convention on the International Trade in Endangered Species (CITES) banned the international commercial trade in ivory; and

WHEREAS, In the United States, the import, export, interstate trade, and commercial sale of ivory removed from the wild after the CITES ban (and in some cases even earlier) is illegal, with a few exceptions; and

WHEREAS, In many cases, documented ivory predating the 1989 ban (called "pre-convention" ivory) can be traded. However, laws vary by state and by species; and

WHEREAS, A major challenge to effective enforcement is that parallel legal ivory markets serve as a cover for illegal ivory from recently killed elephants as it is extremely difficult to distinguish between legal ivory, including antiques and illegal ivory, once it is within our borders, therefore parallel legal ivory markets are contributing to the elephant poaching across Africa; and

WHEREAS, With limited enforcement, minimum penalties in addition to elaborate forgery schemes, traffickers are able to get illegal ivory into the U.S. market; and

WHEREAS, As long as demand for ivory remains high and enforcement effort is low, the legal trade will continue to serve as a front and criminal syndicates will continue to drive elephant poaching across Africa, which will lead to the extinction of wild elephants in Africa; and

WHEREAS, The United States is the second largest market in the world after China for ivory sales, and because current laws allow for the legal trade in certain ivory products, and include broad loopholes and exemptions, there is significant illegal trade in ivory in the United States; and

WHEREAS, As the United States reaches out to China, the world's largest ivory consumer nation, and other countries to crack down on the illegal ivory trade it is important for the United States and for the State of Illinois to stop the trade within our own borders and lead by example; and

WHEREAS, States have an opportunity to lead the way during this critical time for Africa's elephants by establishing moratoria on the sale of all elephant ivory and ivory products; and

WHEREAS, States can eliminate the significant enforcement challenge posed by the legal ivory trade, raise consumer awareness, reduce poaching pressures on elephants, and set a critical example for other state and federal lawmakers as well as other countries; and

WHEREAS, Lincoln Park Zoo and Shedd Aquarium are two Illinois-based organizations accredited by the Association of Zoos and Aquariums that operate significant wildlife conservation programs locally and around the world; and

WHEREAS, Lincoln Park Zoo and Shedd Aquarium are partnering with the Wildlife Conservation Society, an international conservation organization that has launched "96 Elephants" a campaign named for the number of elephants killed each day in 2012 by poachers to raise awareness about the alarming rate at which wild African elephants are being poached because of the demand for ivory; to generate action in support of elephants and raise consumer awareness; and to encourage state and federal lawmakers to eliminate the significant enforcement challenge posed by the legal ivory trade; now, therefore,

Be It Resolved, That I, Rahm Emanuel, along with the members of the Chicago City Council and on behalf of all citizens of the City of Chicago, do hereby urge the Illinois General Assembly to enact moratoria on all ivory sales and applaud the Lincoln Park Zoo and Shedd Aquarium for raising awareness of the plight of African elephants; and

Be It Further Resolved, That a suitable copy of this resolution be tendered to Dr. Kevin Bell, President and CEO of Lincoln Park Zoo; and to Ted A. Beattie, President and CEO of Shedd Aquarium in recognition of their support of a U.S. moratorium on illegal ivory, bolstering protection of African elephants, and educating the public about the link between ivory consumption and the elephant poaching crisis.

APPROVAL OF JOURNAL OF PROCEEDINGS.

JOURNAL (April 30, 2014)

The Honorable Susana A. Mendoza, City Clerk, submitted the printed official *Journal of the Proceedings of the City Council of the City of Chicago*, for the regular meeting held on Wednesday, April 30, 2014 at 10:00 A.M., signed by her as such City Clerk.

Alderman Burke moved to *Approve* said printed official *Journal* and to dispense with the reading thereof. The question being put, the motion *Prevailed*.

UNFINISHED BUSINESS.

AMENDMENT OF TITLES 2, 3 AND 9 OF MUNICIPAL CODE CONCERNING ESTABLISHMENT OF TRANSPORTATION NETWORK PROVIDER LICENSE.

[SO2014-1367]

On motion of Alderman Mitts, the City Council took up for consideration the report of the Committee on License and Consumer Protection, deferred and published in the *Journal of the Proceedings of the City Council of the City of Chicago*, of April 30, 2014, page 79766, recommending that the City Council *Pass* the proposed substitute ordinance printed on pages 79767 through 79794 amending Titles 2, 3 and 9 of the Municipal Code concerning the establishment of a transportation network provider license.

Alderman Arena stated that a motion was previously made to defer consideration of the ordinance until June 26, 2014 and therefore consideration of the ordinance at this time was out of order and not appropriately before the body.

The Chair stated that a motion to defer consideration of a matter to a date certain requires a majority vote in the affirmative as was previously clarified at the April 30, 2014 City Council meeting. In the absence of a vote requested or taken on the motion at that time, the Chair then stated that the motion had been construed as being made pursuant to Illinois State Statute, and accordingly had been deferred for consideration until the next regular meeting of the City Council scheduled for May 28, 2014.

Alderman Beale moved to *Re-Refer* the ordinance to the Committee on License and Consumer Protection.

Alderman Mitts moved to *Lay on the Table* the motion to re-refer. The motion to lay on the table *Prevailed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Sawyer, Holmes, Harris, Pope, Balcer, Cárdenas, Quinn, Burke, Foulkes, Thompson, O'Shea, Cochran, Brookins, Zalewski, Chandler, Solis, Maldonado, Burnett, Graham, Reboyras, Suarez, Mell, Austin, Colón, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Smith, Tunney, Cappleman, Pawar, Osterman, Moore -- 36.

Nays -- Aldermen Fioretti, Dowell, Beale, Lane, Muñoz, Ervin, Waguespack, Sposato, Arena -- 9.

Alderman Fioretti moved that the City Council adopt a proposed amendment presented by Aldermen Arena, Fioretti, Beale, Muñoz and Waguespack.

Alderman Mitts moved to *Lay on the Table* the said proposed amendment. The motion to lay on the table *Prevailed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Sawyer, Holmes, Harris, Pope, Balcer, Cárdenas, Quinn, Burke, Foulkes, Thompson, O'Shea, Cochran, Brookins, Zalewski, Chandler, Solis, Maldonado, Burnett, Graham, Reboyras, Suarez, Mell, Austin, Colón, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Smith, Tunney, Cappleman, Pawar, Osterman, Moore -- 36.

Nays -- Aldermen Fioretti, Dowell, Beale, Lane, Muñoz, Ervin, Waguespack, Sposato, Arena -- 9.

Alderman Mitts then moved for passage of the substitute ordinance amending Titles 2, 3 and 4 of the Municipal Code concerning the establishment of transportation network provider license. The motion *Prevailed* and said substitute ordinance was *Passed* by yeas and nays as follows:

Yeas -- Aldermen Moreno, Holmes, Harris, Pope, Balcer, Cárdenas, Quinn, Foulkes, Thompson, O'Shea, Cochran, Brookins, Chandler, Solis, Maldonado, Burnett, Graham, Reboyras, Suarez, Mell, Austin, Colón, Mitts, Cullerton, Laurino, P. O'Connor, M. O'Connor, Reilly, Smith, Tunney, Cappleman, Pawar, Osterman, Moore -- 34.

Nays -- Aldermen Fioretti, Dowell, Sawyer, Beale, Lane, Muñoz, Zalewski, Waguespack, Sposato, Arena -- 10.

Alderman Pope moved to reconsider the foregoing vote. The motion was lost.

Alderman Thomas abstained from voting pursuant to Rule 14 of the City Council's Rules of Order and Procedure, disclosing that she is of counsel for the law firm representing some of the parties involved in this ordinance.

The following is said ordinance as passed:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION I. Title 9 of the Municipal Code of Chicago is hereby amended by adding a new Chapter 9-115, as follows:

"Prearranged transportation service" means a transportation service that is offered and accepted through a licensee's Internet-enabled application or digital platform before the transportation commences.

"Place of business in the City of Chicago" means a location where (1) the city may send, and the licensee shall accept, notices of hearing or other notices from the city; and (2) the licensee maintains its business and financial records relating to its license.

"Transportation network vehicle" means any vehicle used to provide a transportation network service.

"Vehicle Age" means the age of a vehicle computed by totaling the number of the years from the model year to the calendar year, including both. For example, a vehicle with a model year of 2009 has a vehicle age of 4 years in the 2012 calendar year (2009 + 2010 + 2011 + 2012).

(b) The commissioner may, from time to time, require licensees to provide data, as the commissioner prescribes, to audit their compliance with this chapter. After conducting such audit, if the commissioner determines that any licensee is operating in violation of this chapter, the commissioner may require such licensee to comply with this chapter. Nothing provided in this subsection shall be construed to prohibit the commissioner from taking other enforcement actions, as provided in this chapter, against any person that violates this chapter.

(b) Any person who knowingly makes a false zero-tolerance complaint shall be in violation of Chapter 1-21 of this Code.

(c) A licensee that does not immediately suspend a driver after a zero-tolerance complaint shall be in violation of this section.
