The following is said proposed resolution:

WHEREAS, In 1869, Lloyd G. Wheeler became the first Black man licensed to practice law in the State of Illinois, and, in 1894, Ida Platt became the first Black woman attorney licensed in Illinois. By 1896, 32 African Americans had been admitted to the Illinois bar, and they began meeting informally to devise a legal strategy to protest against discrimination in hotels, theaters, restaurants, schools and the judiciary; and

WHEREAS, This informal collaboration among African American attorneys lasted until 1914, when a younger generation of Black lawyers decided to form the Cook County Bar Association ("CCBA") to improve, protect, and defend the lives and rights of all citizens in the Greater Chicago area. The CCBA is the oldest association of Black lawyers in the country; and

WHEREAS, Since the CCBA's inception, its members have served as advocates, judges and legal educators, and as elected and appointed representatives, participating at every level of government to fight injustice, to advocate on behalf of underserved communities, and to promote the interests of African-American lawyers and judges; and

WHEREAS, Throughout its distinguished history, the CCBA has provided leadership, service and advocacy for African-American attorneys and to people residing in underserved communities; and

WHEREAS, The CCBA's myriad accomplishments include the work of its outstanding members, such as C. Francis Stradford, who co-founded the National Bar Association in 1925; Earl B. Dickerson, who represented the plaintiffs in *Hansberry v. Lee*, the seminal 1940 case protesting restrictive covenants in Chicago's housing markets; and William R. Ming, who served on the NAACP team litigating *Brown v. Board of Education* in 1954; and

WHEREAS, Since its founding, the CCBA has celebrated many firsts with its members, including Jewel Stradford LaFontant's appointment as the first Black female Deputy Solicitor General; Edith Sampson's election as Illinois' first Black female Municipal Court Judge; James Parson's appointment to the U. S. District Court; John Stroger's election as Cook County Board President; and Harold Washington's election as Mayor of the City of Chicago. The CCBA's membership roster includes many members of the judiciary; members of the Chicago City Council, both past and present; and President Barack Obama, to name just a few; and

WHEREAS, The CCBA continues its tradition of service by providing a variety of legal programs to advance the legal profession and its members, such as sponsoring the largest job fair for law students in the Midwest, a Law Day for high school students, a free monthly legal clinic for Chicago residents, scholarships and awards, an expanded In Court Bar Program for CCBA members, various neighborhood legal forums, and Call A Lawyer Day. The CCBA has also worked to develop an organized system for fair and impartial evaluations of judicial candidates, an effort which has led to a joint alliance with other minority bar associations; and

WHEREAS, The CCBA celebrates its centennial anniversary in 2014 with a vision for the future that honors its storied past, celebrates its present successes, and eagerly invites innovations that a rapidly-changing society and the legal community require; and

WHEREAS, It is in keeping with this spirit that the Cook County Bar Association has adopted "CCBA 100: Service-Struggle-Success" as the theme for its centennial celebration; now, therefore,

Be It Resolved, That we, the Mayor and members of the City Council of the City of Chicago, assembled this 28th day of May 2014, do hereby commend the Cook County Bar Association for its unsurpassed contributions to the legal profession, for its sustained efforts to advance the cause of racial equality, and for its decades of service to the residents of Cook County, Illinois; and do hereby extend to the Cook County Bar Association our best wishes for continued success on this special occasion of its 100th anniversary; and

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE ONE: INCORPORATION OF RECITALS

The recitals set forth above are incorporated herein by reference and made a part hereof.

ARTICLE TWO: THE PROJECT

1. The plans and specifications for the Project shall: (a) at a minimum meet the general requirements for the Facility as set forth in Exhibit B hereof, (b) be provided to the City by the Board, and (c) approved by the City in the City's discretion. The Board shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto. The Board shall include a certification of such compliance with each request for City Funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Board shall provide evidence satisfactory to the City of such compliance.

2. In all contracts relating to the Project, the Board agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

ARTICLE THREE: FUNDING

1. (a) Upon completion of the Project (or, subject to the availability of City Funds and in the City's discretion, at intervals during the Project acceptable to the City), the Board shall provide the Department with a Requisition Form, in the form of Exhibit E hereto, along with: (i) a cost itemization of the applicable portions of the budget attached as Exhibit G hereto; (ii) evidence of the expenditures upon TIF-Funded Improvements which the Board has paid; and (iii) all other documentation described in Exhibit E. The City shall review and, in the City's discretion, approve the Requisition Form and make the requested and approved disbursement of City Funds. The availability of the City Funds is subject to the City's compliance with all applicable requirements regarding the use of such funds and the timing of such use.

(b) Delivery by the Board to the Department of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such Requisition Form, that:

- (i) the total amount of the City Funds previously disbursed (if any) represents the actual amount paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;
- (ii) all amounts shown as previous payments on the current Requisition Form have been paid to the parties entitled to such payment;
- (iii) the Board has approved all work and materials for the Requisition Form, and such work and materials conform to the plans and specifications for the Project; and
- (iv) the Board is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Board, all as may be in effect from time to time, pertaining to or affecting the Project or the Board as related thereto.

The City shall have the right, in its discretion, to require the Board to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and the approval of the Requisition Form by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Board.

(c) [intentionally omitted]

(d) Payments of City Increment Funds will be subject to the availability of Redevelopment Area Increment in the Tax Increment Financing Redevelopment Project Area Special Tax Allocation Fund created pursuant to the Adoption Ordinance (the "Special Tax Allocation Fund"), subject to all applicable restrictions on and obligations of the City contained in all City ordinances relating to the Redevelopment Area Increment and all agreements and other documents entered into by the City pursuant thereto.

(e) (i) The Board's right to receive payments hereunder shall be subordinate to the obligations of the City to be paid from Redevelopment Area Increment and the commitments by the City to pay Redevelopment Area Increment pursuant to: (1) that certain North Center Redevelopment Agreement made as of the 1st day of June, 2004, by and between the City and North Center Senior Housing L.P., an Illinois limited partnership; and (2) that certain North Center Associates LLC Redevelopment Agreement dated on or about August 31, 2007, by and between the City and North Center Associates LLC, an Illinois limited liability company.

(ii) The City, subject to the terms of this subsection 1(e)(ii), may, until the earlier to occur of (1) the expiration of the Term of this Agreement or (2) the date that the City has paid directly or the Board has been reimbursed in the full amount of the City Funds under this Agreement, exclude up to 90% of the Increment generated from the construction value of

a new assisted development project and pledge that Increment to a developer on a basis superior to that of the Board. For purposes of this subsection, "a new assisted development project" shall not include any development project that is or will be exempt from the payment of ad valorem property taxes. Further, for purposes of this subsection, "Increment generated from the construction value of a new assisted development project" shall be the amount of Increment generated by the equalized assessed value ("EAV") of such affected parcels over and above the EAV of such affected parcels for the year immediately preceding the year in which the new assisted development project commences (the "Base Year"). Except for the foregoing, the Board shall retain its initial lien status relative to Redevelopment Area Increment.

In the event that the City elects to avail itself of the provisions of this subsection, it shall, at least seven (7) days prior to executing a binding commitment pledging the Increment described above, certify, in a letter to the Board, the affected parcels and the EAV thereof for the Base Year.

(f) [intentionally omitted]

(g) The availability of City Increment Funds is subject to the City's compliance with all applicable requirements regarding the use of the Redevelopment Area Increment deposited annually into the Special Tax Allocation Fund and the timing of such use.

(h) The Board shall, at the request of the City, agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole discretion) any bonds in connection with the Redevelopment Area, the proceeds of which may be used to reimburse the City for expenditures made in connection with, or provide a source of funds for the payment for, the TIF-Funded Improvements ("Bonds"); provided, however, that any such amendments shall not have a material adverse effect on the Board or the Project. The Board shall, at the Board's expense, cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition and assisting the City in preparing an offering statement with respect thereto. The City may, in its sole discretion, use all or a portion of the proceeds of such Bonds if issued to pay for all or a portion of the TIF-Funded Improvements.

2. The current estimate of the cost of the Project is \$8,500,000. The Board has delivered to the Commissioner, and the Commissioner hereby approves, a detailed project budget for the Project, attached hereto and incorporated herein as Exhibit G. The Board certifies that it has identified sources of funds (including the City Funds) sufficient to complete the Project. The Board agrees that the City will only contribute the City Funds to the Project and that all costs of completing the Project over the City Funds shall be the sole responsibility of the Board. If the Board at any point does not have sufficient funds to complete the Project, the Board shall so notify the City in writing, and the Board may narrow the scope of the Project as agreed with the City in order to construct and rehabilitate the Facility with the available funds.

3. Attached as Exhibit H and incorporated herein is a preliminary list of capital improvements, land assembly costs, relocation costs and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of City Funds ("TIF-Funded Improvements"); and to the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Board acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Redevelopment Plan. Prior to the expenditure of City Funds on the Project, the Commissioner, based upon the detailed project budget, shall make such modifications to Exhibit H as he or she wishes in his or her discretion to account for all of the City Funds to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Redevelopment Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of City Funds, subject to the terms of this Agreement.

4. If the aggregate cost of the Project is less than the amount of the City Funds contemplated by this Agreement, the Board shall have no claim to the difference between the amount of the City Funds contemplated by this Agreement and the amount of the City Funds actually paid by the City to the Board and expended by the Board on the Project.

5. If requested by the City, the Board shall provide to the City quarterly reports on the progress of the Project and reasonable access to its books and records relating to the Project.

ARTICLE FOUR: TERM

The Term of the Agreement shall be deemed to have commenced as of the Agreement Date set forth above and shall expire on the date on which the Redevelopment Area is no longer in effect (through and including December 31, 2024).

ARTICLE FIVE: INDEMNITY; DEFAULT

1. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with (i) the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement, or (ii) the Board's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project.

2. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement or any related agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may terminate this Agreement and all related agreements, and may suspend disbursement of the City Funds. The City may, in any court of competent jurisdiction by any action

or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the Board shall fail to perform a covenant which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement or any other agreement directly related to this Agreement shall constitute an "Event of Default" by the City hereunder. Upon the occurrence of an Event of Default, the Board may terminate this Agreement and any other agreement directly related to this Agreement. The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

B. The Park District is a unit of local government under Article VII, Section 1 of the 1970 Constitution of the State of Illinois, and as such, has the authority to exercise control over and supervise the operation of all parks within the corporate limits of the City.

K. NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the above recitals which are made a contractual part of this Agreement, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

TERMS AND CONDITIONS

SECTION 1. THE PROJECT

1.1. No later than 18 months from the Closing date, or later as the Commissioner of DPD (the "Commissioner") may agree in writing, the Park District shall let one or more contracts for the construction of the Project in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.2. The Project shall at a minimum meet or shall have met the general requirements set forth in the Project Description in Exhibit B hereof and comply with plans and specifications to be provided to and approved by DPD prior to the commencement of the Project ("Plans and Specifications") in order for the Park District to qualify for the disbursement of Portage Park Increment funds. No material deviation from the Plans and Specifications may be made without the prior written approval of the City. The Park District shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

1.3. The Park District shall provide the City with copies, if any shall apply, of all governmental licenses and permits required to construct the Project and to use, occupy and operate the Property as a public park from all appropriate governmental authorities, including evidence that the Property is appropriately zoned to be used, occupied and operated as a public park.

1.4. The Park District shall include a certification of compliance with the requirements of Sections 1.1, 1.2. and 1.3 hereof with each request for Portage Park Increment funds hereunder and at the time the Project is completed. The City shall be entitled to rely on this certification without further inquiry. Upon the City's request, the Park District shall provide evidence satisfactory to the City of such compliance.

SECTION 2. FUNDING

2.1. The City shall, subject to the Park District's satisfaction of the conditions precedent for disbursement described in this Section 2 and such other conditions contained in this Agreement, disburse the Project Assistance to the Park District.

2.2. Within 15 days after the Closing Date or such longer period of time as may be agreed to by the Commissioner, but in no event later than 90 days after the execution of this Agreement (the "Satisfaction Period"), the Park District must satisfy to the reasonable satisfaction of the Commissioner, the following conditions precedent for the City's disbursement of the Project Assistance to the Park District:

2.2.1. the Park District has satisfactory title to the Property (which may be evidenced by an acceptable title insurance policy), subject only to those title exceptions acceptable to the City and the Park District; and

2.2.2. the Park District has provided or has caused to be provided to the City:

(a) copies of all easements and encumbrances of record (other than those arising from the Purchase);

(b) two copies of a Class A plat survey in the most recently revised form of ALTA/ACSM land title survey, acceptable in form and content to the City, prepared by a surveyor registered in the State of Illinois, certified to the Park District, and certifying as to whether the Property is in an area identified by the Federal Emergency Management Agency as having special flood hazards;

(c) evidence of searches of current financing statement, judgments, pending litigation, bankruptcy proceedings and federal and state tax liens showing no security interests, judgments, pending litigation, bankruptcy proceedings or federal or state tax liens on the Property or affecting the Owner;

(d) a copy of the most recent real estate tax bill with respect to the Property, to the extent available;

(e) a copy of the most recent water bill with respect to the Property, to the extent available; and

(f) copies of a phase I environmental audit completed with respect to the Property. Based on the City's review thereof, the City may, in its sole discretion, require the completion of a phase II environmental audit with respect to the Property prior to the Closing Date. The City reserves the right to terminate this Agreement if, in the City's view, such audits reveal the existence of material environmental problems. Prior to the Closing Date, the Park District shall provide or cause to be provided a letter from the environmental engineer(s) who completed such audit(s), authorizing the City to rely on such audits.

2.2.3. If the Park District is unable to satisfy the conditions stated in this Section 2.2 within the Satisfaction Period, either Party may terminate this Agreement by providing written notice to the other Party.

2.3. The Park District may request that a certificate(s) of expenditure in the form of Exhibit C hereto ("Certificates of Expenditure") be processed and executed periodically. The City shall not execute Certificates of Expenditure in the aggregate in excess of the actual costs of the Project that

are TIF-Funded Improvements. Prior to each execution of a Certificate of Expenditure by the City, the Park District shall submit documentation regarding the applicable expenditures to DPD. Delivery by the Park District to DPD of any request for execution by the City of a Certificate of Expenditure hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for execution of a Certificate of Expenditure, that:

2.3.1. the total amount of the request for the Certificate of Expenditure represents the actual amount payable to (or paid to) the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Project, and/or their payees;

2.3.2. all amounts shown as previous payments on the current request for a Certificate of Expenditure have been paid to the parties entitled to such payment;

2.3.3 the Park District has approved all work and materials for the current request for a Certificate of Expenditure, and such work and materials conform to the Plans and Specifications; and

2.3.4. the Park District is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, all as may be in effect from time to time, pertaining to or affecting the Project or the Park District as related thereto.

2.4. The City shall have the right, in its discretion, to require the Park District to submit further documentation as the City may require in order to verify that the matters certified to in Section 2.3 are true and correct, and any execution of a Certificate of Expenditure by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Park District.

2.5. The current estimate of the cost of the Project is \$350,000. The Park District has delivered to the Commissioner a project budget for the Project attached as Exhibit D. The Park District certifies that it has identified sources of funds (including the Project Assistance) sufficient to complete the Project. The Park District agrees that the City will only contribute the Project Assistance to the Project and that all costs of completing the Project over the Project Assistance shall be the sole responsibility of the Park District. If the Park District at any point does not have sufficient funds to complete the Project, the Park District shall so notify the City in writing, and the Park District may narrow the scope of the Project (the "Revised Project") as agreed with the City in order to complete the Revised Project with the available funds.

2.6. Exhibit D contains a preliminary list of capital improvements and other costs, if any, recognized by the City as being eligible redevelopment project costs under the Act with respect to the Project, to be paid for out of the Project Assistance. To the extent the TIF-Funded Improvements are included as taxing district capital costs under the Act, the Park District acknowledges that the TIF-Funded Improvements are costs for capital improvements and the City acknowledges it has determined that these TIF-Funded Improvements are necessary and directly result from the Plan. Prior to the expenditure of Project Assistance on the Project, the Commissioner, based upon the project budget, may make such modifications to Exhibit D as he or she wishes in his or her discretion to account for all of the Project Assistance to be expended under this Agreement; provided, however, that all TIF-Funded Improvements shall (i) qualify as redevelopment project costs under the Act, (ii) qualify as eligible costs under the Plan; and (iii) be improvements that the Commissioner has agreed to pay for out of Project Assistance, subject to the terms of this Agreement.

2.7. The Park District hereby acknowledges and agrees that the City's obligations hereunder with respect to the Project Assistance are subject on every respect to the availability of funds as described in and limited by this Section 2.7 and Section 2.2. If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for disbursements of the Project Assistance, then the City will notify the Park District in writing of that occurrence, and the City may terminate this Agreement on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for disbursement under this Agreement are exhausted.

2.8. If the aggregate cost of the Project is less than the amount of the Project Assistance contemplated by this Agreement, the Park District shall have no claim to the difference between the amount of the Project Assistance contemplated by this Agreement and the amount of the Project Assistance actually paid by the City to the Park District and expended by the Park District on the Project.

SECTION 3. TERM

The term of this Agreement shall commence on the Closing Date and shall expire on the date on which the Portage Park Redevelopment Area is no longer in effect, or on the date of termination of this Agreement according to its terms, whichever occurs first.

SECTION 4. ENVIRONMENTAL MATTERS

4.1. The Park District shall, in its sole discretion, determine if any environmental remediation is necessary, and any such work that the Park District determines is necessary shall be performed using the Project Assistance funding provided herein or any applicable funding provided by the Park District. The City's financial obligation shall be limited to an amount not to exceed \$350,000

with respect to the matters contained in this Agreement, including this Section 4. The City makes no covenant, representation or warranty as to the environmental condition of the Property or the suitability of the Property as a park or for any use whatsoever.

4.2. The Park District agrees to carefully inspect the Property prior to commencement of any activity on the Property to ensure that such activity shall not damage surrounding property, structures, utility lines or any subsurface lines or cables. The Park District shall be solely responsible for the safety and protection of the public. The City reserves the right to inspect the work being done on the Property. The Park District agrees to keep the Property free from all liens and encumbrances arising out of any work performed, materials supplied or obligations incurred by or for the Park District.

4.3. The Park District or its contractor must obtain all necessary permits, and applicable insurance as described in Section 5 hereof.

SECTION 5. INSURANCE

5.1. The Park District shall provide and maintain at the Park District's own expense, or cause to be provided during the term of this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

5.1.1. Workers Compensation and Employers Liability. Workers Compensation as prescribed by applicable law covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than \$100,000 each accident or illness.

5.1.2. Commercial General Liability (Primary and Umbrella). Commercial General Liability Insurance or equivalent with limits of not less than \$1,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages shall include the following: All premises and operations, products/completed operations, explosion, collapse, underground, separation of insureds, defense, and contractual liability (with no limitation endorsement). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

5.1.3. Automobile Liability (Primary and Umbrella). When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, The Park District shall provide or cause to be provided, Automobile Liability Insurance with limits of not less than \$1,000,000 per occurrence for bodily injury and property damage.

5.1.4. Professional Liability. When any architects, engineers or professional consultants perform work in connection with this Agreement, The Park District shall cause to be provided, Professional Liability Insurance covering acts, errors, or omissions shall be maintained with limits of not less than \$1,000,000.

5.1.5 Self Insurance. To the extent permitted by law, the Park District may self insure for the insurance requirements specified above, it being expressly understood and agreed that, if the Park District does self insure for the above insurance requirements, the Park District shall bear all risk of loss for any loss which would otherwise be covered by insurance policies, and the self insurance program shall comply with at least the insurance requirements as stipulated above.

5.2. The Park District will furnish the City at the address stated in Section 8.12. original Certificates of Insurance evidencing the required coverage to be in force on the Closing Date, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Park District shall submit evidence of insurance on the City's Insurance Certificate Form or equivalent prior to the Closing Date. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence shall not be deemed to be a waiver by the City.

5.3. The Park District shall advise all insurers of the provisions of this Agreement regarding insurance. Non-conforming insurance shall not relieve The Park District of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or this Agreement may be terminated.

5.4. The required insurance shall provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

5.5. Any and all deductibles or self insured retentions on referenced insurance coverages shall be borne by The Park District and its contractors.

5.6. The Park District agrees that insurers shall waive their rights of subrogation against the City, its employees, elected officials, agents, or representatives.

5.7. The Park District expressly understands and agrees that any coverage and limits furnished by The Park District shall in no way limit The Park District's liabilities and responsibilities specified by this Agreement or by law.

5.8. The Park District expressly understands and agrees that any insurance or self insurance programs maintained by the City shall not contribute with insurance provided by The Park District under this Agreement.

5.9. The required insurance shall not be limited by any limitations expressed in the indemnification language herein or any limitation placed on the indemnity therein given as a matter of law.

5.10. The Park District shall require all subcontractors to provide the insurance required herein or The Park District may provide the coverages for subcontractors. All subcontractors shall be subject to the same insurance requirements of The Park District unless otherwise specified herein. In all contracts relating to the Project, the Park District agrees to require the contractor to name the City as an additional insured on insurance coverages and to require the contractor to indemnify the City from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Project by the contractor or contractor's suppliers, employees, or agents.

5.11. The City's Risk Management Department maintains the right to modify, delete, alter or change these requirements.

SECTION 6. INDEMNITY/NO PERSONAL LIABILITY.

6.1. To the extent of liability of a municipal corporation, as such is precluded by the Local and Governmental Tort Immunity Act or the common law of the state of Illinois, the Park District agrees to indemnify and hold the City, its officers and employees, harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses, including, without limitation, reasonable attorney's fees and court costs suffered or incurred by the City arising from or in connection with (i) the Park District's failure to comply with any of the terms, covenants and conditions contained in this Agreement; or (ii) the Park District's or any contractor's failure to pay general contractors, subcontractors or materialmen in connection with the Project. The defense and indemnification obligations in this Section 6.1 shall survive any termination or expiration of this Agreement.

6.2. No elected or appointed official or member or employee or agent of the City or the Park District shall be individually or personally liable in connection with this Agreement.

SECTION 7. DEFAULT

7.1. If the Park District, without the City's written consent fails to complete the Project within twelve (12) months after the date of execution of this Agreement, then the City may terminate this Agreement by providing written notice to the Park District.

7.2. In the event the Park District fails to perform, keep or observe any of its covenants, conditions, promises, agreements or obligations under this Agreement not identified in Sections 7.1 and such default is not cured as described in Section 7.3 hereof, the City may terminate this Agreement.

7.3. Prior to termination, the City shall give its 30-day prior notice of intent to terminate at the address specified in Section 8.12 hereof, and shall state the nature of the default. In the event Park District does not cure such default within the 30-day notice period, such termination shall become

effective at the end of such period; provided, however, with respect to those defaults which are not capable of being cured within such 30-day period, the Park District shall not be deemed to have committed such default and no termination shall occur if the Park District has commenced to cure the alleged default within such 30-day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

7.4. The City may, in any court of competent jurisdiction, by any proceeding at law or in equity, secure the specific performance of the agreements contained herein, or may be awarded damages for failure of performance, or both.

Project Description.

The three greenhouses at Kilbourn Park provide programming to connect youth and adults to nature by teaching sustainable gardening practices and promoting healthy eating through garden-based educational programs.

The three current rigid plastic translucent roofs, which total approximately 8,000 square feet in area, are over 40 years old; the discoloration of the roof panels blocks 80 percent of the sunlight and impairs plant growth.

The \$350,000 in TIF funding will be used to replace the roofs with new thermo-clear, multiwall polycarbonate roof and sidewalls. The new roofing will provide a weather-tight enclosure and improve the light penetration and environmental control within the greenhouses.

(b) CIC agrees that the total amount of funds available for the Program in the Eligible TIF Area shall be up to a maximum of \$1,000,000 and that there have been no representations, assurances or agreements that any other assistance shall be forthcoming from the City. CIC shall provide written notice to the City when the aggregate amount of Program Funds committed or paid, including Grants and administrative costs paid to or for the account of CIC pursuant to Section 6.5, equals 80% of the Program Funds authorized for the Eligible TIF Area and thereafter when the aggregate amount of Program Funds committed or paid, including Grants and administrative costs paid to or for the account of CIC pursuant to Section 6.5, equals 100% of the Program Funds authorized for the Eligible TIF Area. Program Funds are deemed committed for purposes of this Section when CIC has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an eligible Developer. No Grants shall be made or committed to be made by CIC hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to CIC pursuant to Section 6.5, exceeding the amounts authorized for the Eligible TIF Area. No Grants shall be made or committed to be made by CIC hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(c) The amount of Program Funds authorized for the Eligible TIF Area may be changed from time to time upon written notice by DPD to CIC, provided that the aggregate amount shall not exceed \$1,000,000 (or such other amount as the City may determine from time to time).

4.3 CIC shall manage the Program in the following manner (or as otherwise agreed to by DPD and CIC):

(a) CIC will work with DPD to provide information to potential Developers about the availability of the Program, including explaining what the Program offers and the income, property and residency requirements. Program Funds shall be available on a first-come, first-served basis.

(b) CIC shall inform potential Developers of the process and documentation that is required in order for them to both obtain a Reservation of Program Funds and to receive final approval for the Grant.

(c) Before potential Developers can be declared eligible to receive a Reservation of Program Funds, the potential Developer must complete an Application. CIC shall accept and process Applications in the following manner (or as otherwise agreed to by DPD and CIC):

(i) CIC shall make Application forms available at its main office. CIC shall make employees available in person or over the phone to answer inquiries;

(ii) Applications shall also be available by calling CIC, which will mail applications to potential applicants;

(iii) Applications must include a sworn statement of contractor and a narrative of the construction work. Attached to every application shall be a copy of an inspection report for the proposed property prepared by a licensed and bonded contractor, and any other information deemed necessary by CIC or DPD; and

(iv) All Applications shall be returned directly to CIC; the City will not accept Applications.

(v) When Applications are received by CIC, they will be time-stamped and reviewed in the order received. Applications must be complete to be reviewed. CIC shall review all Applications for eligibility, completeness and compliance with the Agreement.

(vi) For each potential Developer, CIC shall obtain title information regarding the Developer and the Multi-Family Residential Development, respectively, and shall verify that rent being charged in the building is, or will be, an Affordable Rent. CIC shall forward the name, address and Social Security number of every applicant to DPD for a scofflaw check. CIC shall perform an initial site visit to verify that the property will qualify. CIC shall approve a scope of work and shall order an appraisal for the property. CIC shall not approve any Application unless a commitment for matching funds required hereunder has been obtained by the Developer.

(vii) CIC will notify applicants if their Application has been approved or rejected. Within 10 days of approving or rejecting an Application, CIC shall notify the applicant in writing of such approval or rejection and shall provide the City with a copy of each such notice. All notices of rejection shall include the reasons for such rejection.

(viii) While Applications will be reviewed in the order of receipt, funds will be provided to Developers in the order in which the Developers meet all the requirements for funding a Grant hereunder.

(ix) If all Program funds in an Eligible TIF Area are fully reserved, CIC will establish a wait list for additional Reservations of Program Funds on a first-come, first-served basis. If a Developer does not use its reserved funds within the required time period, CIC will notify the Developer that the funds are no longer reserved and contact the next Developer on the wait list.

(d) Upon determination by CIC that a Developer is eligible to participate in the Program, CIC may provide the Developer Purchase Price Assistance and Substantial Rehabilitation Assistance, consistent with the provisions of this Agreement, in the applicable amount as set forth in subsection 4.3(e). As a condition of receiving such assistance, the Developer shall be required to establish at least 50% of the Housing Units in the Multi-Family Residential Development as Affordable Rental Housing. If the Development meets one or more of the following criteria, then CIC may provide, if approved by DPD, an amount of assistance greater than the Maximum Program Assistance:

(i) Will provide Housing Units for Households earning up to 30 percent of the PMSA Median Income;

(ii) Will provide Supportive Housing;

(iii) Is located within 500 feet of a school, park, library, or church;

(iv) Has been designated as a National or City of Chicago Historic Landmark, is listed on the National Register of Historic Places, or is orange- or red-rated in the Chicago Historic Resources Survey; or

(v) Is located on a block where fifty percent or more of the properties are vacant or foreclosed.

(e) The amount of the Purchase Price Assistance and Substantial Rehabilitation Assistance granted to any Developer for an Eligible Multi-Family Residential Development shall be limited to no greater than 50% of the sum of the Base Purchase Price plus the cost to Substantially Rehabilitate the Eligible Multi-Family Residential Development. Grant funds awarded under this Program shall be provided on a pro-rata basis with the amount of funds required from the Developer to complete the Development.

(f) The Affordable Rental Housing required by this subsection shall continue to be affordable for a period of 15 years after the time of the issuance of the certificate of occupancy (or after the first day of the initial lease, if no such certificate is issued); provided that if a longer term is required by any other applicable law, the longer term shall apply.

(g) The rental of such Affordable Rental Housing created pursuant to this Agreement shall be made only to Households meeting the eligibility criteria.

(h) Prior to the issuance of a building permit to a Developer for any Eligible Multi-Family Residential Development, CIC shall cause a lien, regulatory agreement or similar instrument ("Recapture Mortgage") to be recorded to secure the requirements of this Agreement and the Recapture of the following amounts:

(i) Upon the rental of any Housing Unit required to be Affordable Rental Housing under this Agreement at a rental price that renders the Housing Unit not Affordable Rental Housing, or to a Household that does not meet the eligibility criteria, the Developer shall pay a fee of \$500.00 per unit per day for each day that the Developer is in noncompliance; provided that prior to the assessment of the penalty, the Developer shall have 90 days, after written notice from DPD, to cure the noncompliance. If after 90 days the Developer fails to cure the noncompliance, the fees shall be assessed from the first day of noncompliance. The 90-day time period to cure the noncompliance may be extended by DPD, for good cause.

4.4 CIC shall provide the following services:

(a) Technical/Rehabilitation Services. CIC shall assist the Developer in the preparation of detailed plans and specifications for the renovation work. CIC must approve the contractor selected, which must be licensed and properly insured; in its approval, CIC shall consider the financial strength and the technical capability of the contractor. CIC shall review the contract(s) between the Developer and the contractor(s) for the renovation work. While the Developer is not required to use Minority Business Enterprises or Women Business Enterprises for the renovation work, the City shall supply to CIC, and CIC shall make available to each Developer, a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, CIC shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the Eligible TIF Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Eligible Multi-Family Residential Developments. After approving an Application, CIC shall promptly prepare and execute Grant Documents for each Grant. The Grant Documents shall require that:

(i) Program Funds finance only TIF-eligible costs; and

(ii) the Grant Funds shall not be provided unless loan proceeds or other funds from the Developer (which loans may, but shall not be required to, be made by CIC) are available to fully finance the purchase and/or rehabilitation of the Multi-Family Residential Development.

(c) Closing. CIC shall promptly close each Grant. Prior to disbursement of any Program Funds by CIC, CIC shall require each Developer to enter into the Grant Documents. The Grant Documents shall require that the renovation of the Multi-Family Residential Development commences within six months of the date on which a Grant closes. CIC shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. CIC shall not close each Grant, or provide any Program Funds unless the matching funds described in subsection (b) above are available to the Developer. CIC shall not provide Program Funds to any Developer in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be increased with the approval of DPD in accordance with Section 4.3(d).

(d) Disbursement of Grant Funds. The City will place the Grant funds for each Eligible TIF Area into an interest-bearing segregated or escrow account established by CIC for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. CIC shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. CIC shall make any such disbursement within 30 days of its receipt of the City's request. CIC agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by CIC. Pursuant to the Grant Documents, CIC will draw funds from the segregated account as needed to pay for approved TIF-eligible costs to Developers. Prior to disbursing any funds from this account, CIC shall obtain evidence that the costs being paid for are TIF-eligible costs. Each Grant shall be accounted for separately in the records maintained by CIC.

(e) Monitoring.

(1) CIC shall specify an employee directly responsible for working on each Grant. CIC shall provide DPD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If a Developer breaches any covenant or agreement under the applicable Grant Documents, CIC shall mail notice of such breach to the Developer as provided in the Grant Documents (with a copy to DPD) and shall take such further action consistent with the terms of this Agreement.

(3) CIC shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. CIC shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents. j

(f) Reporting. On a quarterly basis during the term hereof, CIC shall submit to the City a report in a form approved by DPD and containing the following information for each Grant

closed during the previous quarter, and for each Developer whose Application has been approved: (i) the address of the Multi-Family Residential Development; (ii) the name and address of each Developer for such Multi-Family Residential Development; (iii) the amount of the applicable Grant and the date of the Grant; (iv) the status of the renovation work on such Multi-Family Residential Development; and (v) evidence that the maximum rental rates charged in any Multi-Family Residential Development do not exceed the maximum amount permitted under this Agreement. In addition, CIC shall also include the following in such report regarding the Program as of the end of the preceding quarter: (i) total number of matching loans approved by CIC; (ii) number of renovations in process; (iii) number of renovations completed; (iv) total amount of Grant funds disbursed hereunder, with a description to include how much was disbursed for each Multi-Family Residential Development; (v) the total amount of interest earned on Grant funds held by CIC; (vi) evidence that no disbursement would result in the funds disbursed by CIC hereunder for any Multi-Family Residential Development exceeding the applicable Maximum Program Assistance; and (vii) the total amount of fees paid to CIC pursuant to Section 6.5. At the end of every quarter, CIC shall deliver a report to the City regarding the application process and listing (A) the total number of Applications, and (B) the total dollar amount of Grants requested, along with any other information requested by the City.

(g) Marketing. CIC shall make information about the Program, including Applications, readily available to persons applying to become Developers. In connection therewith, CIC shall prepare and distribute brochures and other written materials describing the Program. CIC shall also make appropriate personnel available to speak at seminars to promote and explain the Program and shall conduct other affirmative outreach efforts (including organizing or participating in seminars, conferences and public meetings) to disseminate information about the Program to the public. CIC shall cooperate (and shall bind its contractors to cooperate) with DPD in any event which DPD may undertake to promote and explain the Program. CIC shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 The Grant Documents shall require that each rental unit in a Eligible Multi-Family Residential Development bear rents not greater than the Affordable Rent for such unit at any time during the Affordability Period.

4.6 The Grant Documents shall require that each Developer who renovates housing assisted with Program Funds maintain the premises in compliance with all State and City code requirements.

4.7 CIC shall be responsible for all actions of any agents, employees, officers of CIC performing any duties or obligations of CIC hereunder.

4.8 (a) The Program Funds to be provided to CIC hereunder by the City are a conditional grant, and the use of such funds by CIC and Developers is subject to the compliance by CIC and Developers with certain provisions of this Agreement. The Grant Documents shall

provide that Program Funds provided for a Eligible Multi-Family Residential Development shall be subject to Recapture if, at any time during the Affordability Period, the requirements of Section 4.5 are not met (subject to any applicable cure periods in the Grant Documents) with respect to such unit. The amount subject to Recapture shall be calculated as follows, based on when the requirements of Section 4.5 are not met (subject to cure periods as indicated above): if the event of noncompliance takes place within the first year after the applicable Grant has been fully disbursed, then the full amount of the Grant will be subject to Recapture; on the first anniversary of the date that the applicable Grant was fully disbursed, the amount so subject to Recapture will be reduced by 1/15 of the amount of the applicable Grant; and the amount subject to Recapture will be reduced by a like amount each succeeding anniversary, so that on the fifteenth anniversary the amount subject to Recapture will be zero.

(b) Upon the occurrence of any event set forth in paragraph (a) of this Section, QIC shall immediately notify DPD of the occurrence of such event and shall take any or all necessary action to Recapture the aggregate amount of Program Funds provided to each Developer with respect to the Eligible Multi-Family Residential Development, including any late payment penalties due under any of the Grant Documents.

(c) Any monies Recaptured by CIC shall be returned to the City. Funds so recaptured with respect to any Eligible Multi-Family Residential Development may be used only with respect to costs in the tax increment financing redevelopment area in which the Eligible Multi-Family Residential Development is located.

(d) CIC shall include the provisions of this Section in the Grant Documents.

(e) The Recapture right of the City will be secured by a lien, recorded at the time the Grant Documents are signed against the real property on which each Eligible Multi-Family Residential Development is located ("Recapture Mortgage"). The lien shall be in a form acceptable to the City and will be recorded by CIC at no expense to the City. The lien will reflect that the amount subject to Recapture will decline over time.

4.9 The City authorizes CIC to act, subject to the limitations contained herein and in accordance with the provisions of this Agreement: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.10 In its marketing efforts regarding the Program, the City shall notify potential Program applicants that there will be a matching funds requirement (as set forth in Section 4.4(b) hereof).

4.11 Insurance.

(a) CIC must provide and maintain at its own expense, except as may be otherwise provided herein, during the term of this Agreement and during the time period following expiration if CIC is required to return and perform any of the work or services under the agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

Coverages must include the following: All premises and operations, products/completed operations and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

A claim-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Valuable Papers.

CIC must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements. The failure of the City to obtain certificates or other insurance evidence from CIC is not a waiver by the City of any requirements for CIC to obtain and maintain the specified coverages. CIC must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve CIC of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by CIC.

CIC hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by CIC in no way limit CIC's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by CIC under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If CIC is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

CIC must require all subcontractors to provide the insurance required herein, or CIC may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of CIC unless otherwise specified in this Agreement.

If CIC or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

- (c) any change in ownership or control of CIC without prior written notification to the City;

(d) the dissolution of CIC or the entry of a decree or order for relief by a court having jurisdiction with respect to CIC in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of CIC or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of CIC and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(e) the commencement by CIC of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or the consent by CIC to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of CIC or of any substantial part of the property of CIC or of any royalties, revenues, rents, issues or profits therefrom, or the making by CIC of any assignment for the benefit of creditors or the failure of CIC generally to pay its respective debts as such debts become due or the taking of action by CIC in furtherance of any of the foregoing;

(f) a final judgment for the payment of money in excess of \$100,000 shall be rendered by a court of competent jurisdiction against CIC, and CIC shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by CIC under any other agreement which CIC may currently have or may enter into with the City during the term of this Agreement; or

If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement,; or if CIC has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to CIC and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure within the stated applicable cure period. If the City considers it to be in its best interests, it may elect not to declare an Event of Default hereunder or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits CIC to continue to provide the services despite one or more Events of Default, CIC shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights thereby.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

Re: Vacant Building TIF Purchase and Rehabilitation Program Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as Corporate General Counsel for Community Investment Corporation, an Illinois not-for-profit corporation ("CIC"), in connection with the execution and delivery of the Agreement by and among CIC and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). CIC has requested that this opinion be furnished to the City.

In so acting as Corporate General Counsel for CIC I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of CIC as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of CIC, as certified by the Secretary of CIC as of the date hereof; and
- (iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of CIC.

In my capacity as Corporate General Counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than CIC which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. CIC is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, CIC has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of CIC, and constitutes a legal, valid and binding obligation of CIC, enforceable against CIC in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. To my knowledge, there is no action, suit or proceeding at law or in equity pending, nor threatened, against or affecting CIC, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of CIC to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the Articles of Incorporation of CIC, (ii) the Bylaws of CIC, (iii) any provision of any contract or other instrument to which CIC is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on CIC; or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either CIC pursuant to, any agreement or other instrument to which CIC is a party or by which CIC is bound.
6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

City Of Chicago

(l) this Agreement has been executed and delivered by authorized officers of CIC and constitutes a legal, valid and binding obligation of CIC, enforceable in accordance with its terms.

3.2 Covenants. In connection with the execution and delivery of this Agreement, CIC covenants to the City that:

(a) except for its own employees (and except for appraisers and construction inspectors serving as independent contractors), CIC will not use any individual, organization, partnership or corporation to carry out any of the duties or obligations of CIC hereunder, unless (1) CIC first obtains a certification of such individual, organization, partnership or

corporation substantially the same as the representations, warranties and covenants contained in this Article III and in Article IV hereof, (2) such certifications shall be addressed and delivered to the City and (3) the City approves, in writing, the use of such individual, organization, partnership or corporation;

(b) all warranties and representations of CIC contained in this Agreement will be true, accurate and complete at the time of each Grant made pursuant to this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto for the length of this Agreement;

(c) CIC shall be subject to, obey and adhere to any and all federal, State and local laws, statutes, ordinances, rules, regulations and executive orders as are now or may be in effect during the term of this Agreement which may be applicable to CIC;

(d) CIC shall remain solvent and able to pay its debts as they mature;

(e) no member of the governing body of the City and no other elected official, appointed official, officer, agent, consultant or employee of the City shall have any personal interest, direct or indirect, in the business of CIC or shall participate in any decision relating to the business of CIC which affects his/her personal interests or the interests of any corporation, partnership or association in which he/she is directly interested;

(f) no former member of the governing body of the City and no former other elected official, appointed official, officer, agent, consultant or employee of the City shall, for a period of one year after the termination of such person's term of office or employment, assist or represent CIC in any business transaction involving the City or any of its agencies, if the person participated personally and substantially in the subject matter of the transaction during his/her term of office or employment, provided that if the person exercised contract management authority with respect to this Agreement (including any Grant), this prohibition shall be permanent as to this Agreement;

(g) CIC shall immediately notify the City of any and all events or actions which may materially adversely affect the ability of CIC to carry on its operations or perform any or all of its obligations under this Agreement at any time while this Agreement is in effect;

(h) CIC shall not enter into any other agreement or transaction which would conflict with the performance of the duties of CIC hereunder or under any of the Grant Documents;

(i) during the term of this Agreement, CIC shall continue as an Illinois not-for-profit corporation in good standing under the laws of the State; and

(j) CIC shall enforce all provisions of the Grant Documents in accordance with the terms thereof and shall provide to the City all notices required hereunder or thereunder.

ARTICLE IV - Duties and Obligations

4.1 CIC shall execute and deliver to DPD such documents as may be required by the Corporation Counsel to evidence CIC's participation in the Program, including, but not limited to, the City's current form of Economic Disclosure Statement and an opinion of counsel in substantially the form of Exhibit A attached hereto and incorporated herein.

4.2 (a) In the Eligible TIF Area, CIC shall use Program Funds authorized by the City for the Eligible TIF Area to provide Purchase Price Assistance and Substantial Rehabilitation Assistance to a Developer for the purchase and Substantial Rehabilitation of an Eligible Multi-Family Residential Development, consistent with the provisions of this Agreement.

(b) CIC agrees that the total amount of funds available for the Program in the Eligible TIF Area shall be up to a maximum of \$1,000,000 and that there have been no representations, assurances or agreements that any other assistance shall be forthcoming from the City. CIC shall provide written notice to the City when the aggregate amount of Program Funds committed or paid, including Grants and administrative costs paid to or for the account of CIC pursuant to Section 6.5, equals 80% of the Program Funds authorized for the Eligible TIF Area and thereafter when the aggregate amount of Program Funds committed or paid, including Grants and administrative costs paid to or for the account of CIC pursuant to Section 6.5, equals 100% of the Program Funds authorized for the Eligible TIF Area. Program Funds are deemed committed for purposes of this Section when CIC has determined the amount of Program Funds to be the subject of a Grant and sent notice of final approval of an Application pursuant to Section 4.3(e) to an eligible Developer. No Grants shall be made or committed to be made by CIC hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to CIC pursuant to Section 6.5, exceeding the amounts authorized for the Eligible TIF Area. No Grants shall be made or committed to be made by CIC hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(c) The amount of Program Funds authorized for the Eligible TIF Area may be changed from time to time upon written notice by DPD to CIC, provided that the aggregate amount shall not exceed \$1,000,000 (or such other amount as the City may determine from time to time).

4.3 CIC shall manage the Program in the following manner (or as otherwise agreed to by DPD and CIC):

(a) CIC will work with DPD to provide information to potential Developers about the availability of the Program, including explaining what the Program offers and the income, property and residency requirements. Program Funds shall be available on a first-come, first-served basis.

(b) CIC shall inform potential Developers of the process and documentation that is required in order for them to both obtain a Reservation of Program Funds and to receive final approval for the Grant.

(c) Before potential Developers can be declared eligible to receive a Reservation of Program Funds, the potential Developer must complete an Application. CIC shall accept and process Applications in the following manner (or as otherwise agreed to by DPD and CIC):

(i) CIC shall make Application forms available at its main office. CIC shall make employees available in person or over the phone to answer inquiries;

(ii) Applications shall also be available by calling CIC, which will mail applications to potential applicants;

(iii) Applications must include a sworn statement of contractor and a narrative of the construction work. Attached to every application shall be a copy of an inspection report for the proposed property prepared by a licensed and bonded contractor, and any other information deemed necessary by CIC or DPD; and

(iv) All Applications shall be returned directly to CIC; the City will not accept Applications.

(v) When Applications are received by CIC, they will be time-stamped and reviewed in the order received. Applications must be complete to be reviewed. CIC shall review all Applications for eligibility, completeness and compliance with the Agreement.

(vi) For each potential Developer, CIC shall obtain title information regarding the Developer and the Multi-Family Residential Development, respectively, and shall verify that rent being charged in the building is, or will be, an Affordable Rent. CIC shall forward the name, address and Social Security number of every applicant to DPD for a scofflaw check. CIC shall perform an initial site visit to verify that the property will qualify. CIC shall approve a scope of work and shall order an appraisal for the property. CIC shall not approve any Application unless a commitment for matching funds required hereunder has been obtained by the Developer.

(vii) CIC will notify applicants if their Application has been approved or rejected. Within 10 days of approving or rejecting an Application, CIC shall notify the applicant in writing of such approval or rejection and shall provide the City with a copy of each such notice. All notices of rejection shall include the reasons for such rejection.

(viii) While Applications will be reviewed in the order of receipt, funds will be provided to Developers in the order in which the Developers meet all the requirements for funding a Grant hereunder.

(ix) If all Program funds in an Eligible TIF Area are fully reserved, CIC will establish a wait list for additional Reservations of Program Funds on a first-come, first-served basis. If a Developer does not use its reserved funds within the required time period, CIC will notify the Developer that the funds are no longer reserved and contact the next Developer on the wait list.

(d) Upon determination by CIC that a Developer is eligible to participate in the Program, CIC may provide the Developer Purchase Price Assistance and Substantial Rehabilitation Assistance, consistent with the provisions of this Agreement, in the applicable amount as set forth in subsection 4.3(e). As a condition of receiving such assistance, the Developer shall be required to establish at least 50% of the Housing Units in the Multi-Family Residential Development as Affordable Rental Housing. If the Development meets one or more of the following criteria, then CIC may provide, if approved by DPD, an amount of assistance greater than the Maximum Program Assistance:

(i) Will provide Housing Units for Households earning up to 30 percent of the PMSA Median Income;

(ii) Will provide Supportive Housing;

(iii) Is located within 500 feet of a school, park, library, or church;

(iv) Has been designated as a National or City of Chicago Historic Landmark, is listed on the National Register of Historic Places, or is orange- or red-rated in the Chicago Historic Resources Survey; or

(v) Is located on a block where fifty percent or more of the properties are vacant or foreclosed.

(e) The amount of the Purchase Price Assistance and Substantial Rehabilitation Assistance granted to any Developer for an Eligible Multi-Family Residential Development shall be limited to no greater than 50% of the sum of the Base Purchase Price plus the cost to Substantially Rehabilitate the Eligible Multi-Family Residential Development. Grant funds awarded under this Program shall be provided on a pro-rata basis with the amount of funds required from the Developer to complete the Development.

(f) The Affordable Rental Housing required by this subsection shall continue to be affordable for a period of 15 years after the time of the issuance of the certificate of occupancy (or after the first day of the initial lease, if no such certificate is issued); provided that if a longer term is required by any other applicable law, the longer term shall apply.

(g) The rental of such Affordable Rental Housing created pursuant to this Agreement shall be made only to Households meeting the eligibility criteria.

(h) Prior to the issuance of a building permit to a Developer for any Eligible Multi-Family Residential Development, CIC shall cause a lien, regulatory agreement or similar instrument ("Recapture Mortgage") to be recorded to secure the requirements of this Agreement and the Recapture of the following amounts:

(i) Upon the rental of any Housing Unit required to be Affordable Rental Housing under this Agreement at a rental price that renders the Housing Unit not Affordable Rental Housing, or to a Household that does not meet the eligibility criteria, the Developer shall pay a fee of \$500.00 per unit per day for each day that the Developer is in noncompliance; provided that prior to the assessment of the penalty, the Developer shall have 90 days, after written notice from DPD, to cure the noncompliance. If after 90 days the Developer fails to cure the noncompliance, the fees shall be assessed from the first day of noncompliance. The 90-day time period to cure the noncompliance may be extended by DPD, for good cause.

4.4 CIC shall provide the following services:

(a) Technical/Rehabilitation Services. CIC shall assist the Developer in the preparation of detailed plans and specifications for the renovation work. CIC must approve the contractor selected, which must be licensed and properly insured; in its approval, CIC shall consider the financial strength and the technical capability of the contractor. CIC shall review the contract(s) between the Developer and the contractor(s) for the renovation work. While the Developer is not required to use Minority Business Enterprises or Women Business Enterprises for the renovation work, the City shall supply to CIC, and CIC shall make available to each Developer, a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, CIC shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the Eligible TIF Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Eligible Multi-Family Residential Developments. After approving an Application, CIC shall promptly prepare and execute Grant Documents for each Grant. The Grant Documents shall require that:

(i) Program Funds finance only TIF-eligible costs; and

(ii) the Grant Funds shall not be provided unless loan proceeds or other funds from the Developer (which loans may, but shall not be required to, be made by CIC) are available to fully finance the purchase and/or rehabilitation of the Multi-Family Residential Development.

(c) Closing. CIC shall promptly close each Grant. Prior to disbursement of any Program Funds by CIC, CIC shall require each Developer to enter into the Grant Documents. The Grant Documents shall require that the renovation of the Multi-Family Residential Development commences within six months of the date on which a Grant closes. CIC shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. CIC shall not close each Grant, or provide any Program Funds unless the matching funds described in subsection (b) above are available to the Developer. CIC shall not provide Program Funds to any Developer in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be increased with the approval of DPD in accordance with Section 4.3(d).

(d) Disbursement of Grant Funds. The City will place the Grant funds for each Eligible TIF Area into an interest-bearing segregated or escrow account established by CIC for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. CIC shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. CIC shall make any such disbursement within 30 days of its receipt of the City's request. CIC agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by CIC. Pursuant to the Grant Documents, CIC will draw funds from the segregated account as needed to pay for approved TIF-eligible costs to Developers. Prior to disbursing any funds from this account, CIC shall obtain evidence that the costs being paid for are TIF-eligible costs. Each Grant shall be accounted for separately in the records maintained by CIC.

(e) Monitoring.

(1) CIC shall specify an employee directly responsible for working on each Grant. CIC shall provide DPD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If a Developer breaches any covenant or agreement under the applicable Grant Documents, CIC shall mail notice of such breach to the Developer as provided in the Grant Documents (with a copy to DPD) and shall take such further action consistent with the terms of this Agreement.

(3) CIC shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. CIC shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents.

(f) Reporting. On a quarterly basis during the term hereof, CIC shall submit to the City a report in a form approved by DPD and containing the following information for each Grant closed during the previous quarter, and for each Developer whose Application has been approved: (i) the address of the Multi-Family Residential Development; (ii) the name and address of each Developer for such Multi-Family Residential Development; (iii) the amount of the applicable Grant and the date of the Grant; (iv) the status of the renovation work on such Multi-Family Residential Development; and (v) evidence that the maximum rental rates charged in any Multi-Family Residential Development do not exceed the maximum amount permitted under this Agreement. In addition, CIC shall also include the following in such report regarding the Program as of the end of the preceding quarter: (i) total number of matching loans approved by CIC; (ii) number of renovations in process; (iii) number of renovations completed; (iv) total amount of Grant funds disbursed hereunder, with a description to include how much was disbursed for each Multi-Family Residential Development; (v) the total amount of interest earned on Grant funds held by CIC; (vi) evidence that no disbursement would result in the funds disbursed by CIC hereunder for any Multi-Family Residential Development exceeding the applicable Maximum Program Assistance; and (vii) the total amount of fees paid to CIC pursuant to Section 6.5. At the end of every quarter, CIC shall deliver a report to the City regarding the application process and listing (A) the total number of Applications, and (B) the total dollar amount of Grants requested, along with any other information requested by the City.

(g) Marketing. CIC shall make information about the Program, including Applications, readily available to persons applying to become Developers. In connection therewith, CIC shall prepare and distribute brochures and other written materials describing the Program. CIC shall also make appropriate personnel available to speak at seminars to promote and explain the Program and shall conduct other affirmative outreach efforts (including organizing or participating in seminars, conferences and public meetings) to disseminate information about the Program to the public. CIC shall cooperate (and shall bind its contractors to cooperate) with DPD in any event which DPD may undertake to promote and explain the Program. CIC shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 The Grant Documents shall require that each rental unit in a Eligible Multi-Family Residential Development bear rents not greater than the Affordable Rent for such unit at any time during the Affordability Period.

4.6 The Grant Documents shall require that each Developer who renovates housing assisted with Program Funds maintain the premises in compliance with all State and City code requirements.

4.7 CIC shall be responsible for all actions of any agents, employees, officers of CIC performing any duties or obligations of CIC hereunder.

4.8 (a) The Program Funds to be provided to CIC hereunder by the City are a conditional grant, and the use of such funds by CIC and Developers is subject to the compliance by CIC and Developers with certain provisions of this Agreement. The Grant Documents shall provide that Program Funds provided for a Eligible Multi-Family Residential Development shall be subject to Recapture if, at any time during the Affordability Period, the requirements of Section 4.5 are not met (subject to any applicable cure periods in the Grant Documents) with respect to such unit. The amount subject to Recapture shall be calculated as follows, based on when the requirements of Section 4.5 are not met (subject to cure periods as indicated above): if the event of noncompliance takes place within the first year after the applicable Grant has been fully disbursed, then the full amount of the Grant will be subject to Recapture; on the first anniversary of the date that the applicable Grant was fully disbursed, the amount so subject to Recapture will be reduced by 1/15 of the amount of the applicable Grant; and the amount subject to Recapture will be reduced by a like amount each succeeding anniversary, so that on the fifteenth anniversary the amount subject to Recapture will be zero.

(b) Upon the occurrence of any event set forth in paragraph (a) of this Section, CIC shall immediately notify DPD of the occurrence of such event and shall take any or all necessary action to Recapture the aggregate amount of Program Funds provided to each Developer with respect to the Eligible Multi-Family Residential Development, including any late payment penalties due under any of the Grant Documents.

(c) Any monies Recaptured by CIC shall be returned to the City. Funds so recaptured with respect to any Eligible Multi-Family Residential Development may be used only with respect to costs in the tax increment financing redevelopment area in which the Eligible Multi-Family Residential Development is located.

(d) CIC shall include the provisions of this Section in the Grant Documents.

(e) The Recapture right of the City will be secured by a lien, recorded at the time the Grant Documents are signed against the real property on which each Eligible Multi-Family Residential Development is located ("Recapture Mortgage"). The lien shall be in a form acceptable to the City and will be recorded by CIC at no expense to the City. The lien will reflect that the amount subject to Recapture will decline over time.

4.9 The City authorizes CIC to act, subject to the limitations contained herein and in accordance with the provisions of this Agreement: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.10 In its marketing efforts regarding the Program, the City shall notify potential Program applicants that there will be a matching funds requirement (as set forth in Section 4.4(b) hereof).

4.11 Insurance.

(a) CIC must provide and maintain at its own expense, except as may be otherwise provided herein, during the term of this Agreement and during the time period following expiration if CIC is required to return and perform any of the work or services under the agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

1) Workers Compensation and Employers Liability.

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work under this Contract and Employers Liability coverage with limits of not less than \$500,000 each accident, illness or disease.

2) Commercial General Liability (Primary and Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than \$2,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work for CIC must maintain limits of not less than \$1,000,000 with the same terms herein.

3) Automobile Liability (Primary and Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, CIC must provide Automobile Liability Insurance with limits of not less than \$1,000,000 occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

4) Errors & Omissions/Professional Liability.

When any Program Managers/Administrators or any other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claim-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Valuable Papers.

When any media, data, records, reports, application and other documents are produced or used under this Contract, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

6) Blanket Crime.

CIC must provide Blanket Crime coverage covering all persons handling funds under this Agreement against loss by dishonesty, robbery, burglary, theft, destruction, or disappearance, computer fraud, credit card forgery, and other related crime risks. The policy limit must be written to cover losses in the amount of maximum monies/funds collected, received and in the possession of CIC at any given time.

7) Property.

CIC is responsible for all loss or damage to City property at full replacement cost that results from this Agreement.

CIC is responsible for all loss or damage to personal property (including materials, equipment, tools and supplies) owned, rented or used by CIC.

b) CIC must furnish the City of Chicago, Department of Planning and Development, City Hall, Room 1006, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. CIC must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements. The failure of the City to obtain certificates or other insurance evidence from CIC is not a waiver by the City of any requirements for CIC to obtain and maintain the specified coverages. CIC must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve CIC of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by CIC.

CIC hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by CIC in no way limit CIC's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by CIC under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If CIC is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

CIC must require all subcontractors to provide the insurance required herein, or CIC may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of CIC unless otherwise specified in this Agreement.

If CIC or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, and the City shall promptly notify CIC of any such changes.

ARTICLE V - Events of Default; Remedies

5.1 Events of Default Defined. The following, subject to the notice and cure provisions of Section 5.2 hereof, shall each constitute an Event of Default hereunder:

- (a) any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance of this Agreement, made by CIC to the City;
- (b) failure by CIC to perform any of its duties or obligations under this Agreement;
- (c) any change in ownership or control of CIC without prior written notification to the City;

(d) the dissolution of CIC or the entry of a decree or order for relief by a court having jurisdiction with respect to CIC in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of CIC or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of CIC and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(e) the commencement by CIC of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or the consent by CIC to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of CIC or of any substantial part of the property of CIC or of any royalties, revenues, rents, issues or profits therefrom, or the making by CIC of any assignment for the benefit of creditors or the failure of CIC generally to pay its respective debts as such debts become due or the taking of action by CIC in furtherance of any of the foregoing;

(f) a final judgment for the payment of money in excess of \$100,000 shall be rendered by a court of competent jurisdiction against CIC, and CIC shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by CIC under any other agreement which CIC may currently have or may enter into with the City during the term of this Agreement; or

(h) a failure by CIC to fulfill its obligations under any Grant Documents.

5.2 Remedies. If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement, or if CIC has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to CIC and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure within the stated applicable cure period. Upon the giving of such notice, the City may invoke any or all of the following remedies:

(a) the right to terminate this Agreement as to any or all of the services yet to be performed effective at a time specified by the City;

- (b) the right of specific performance, an injunction or any other appropriate equitable remedy;
- (c) the right to money damages;
- (d) the right to withhold all or any part of the compensation of CIC hereunder; and
- (e) the right to deem CIC non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interests, it may elect not to declare an Event of Default hereunder or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits CIC to continue to provide the services despite one or more Events of Default, CIC shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights thereby.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VI - General Provisions

6.1 Duration of the Agreement. This Agreement shall commence on the date of execution and delivery hereof and, unless earlier terminated pursuant to this Agreement, shall terminate when the last Grant payment is made by CIC hereunder.

6.2 Termination. The City may terminate this Agreement for convenience upon thirty (30) days written notice from the City. In such event, all rights and obligations running to and from each party shall be terminated and of no further force and effect; provided that CIC shall be obligated to maintain all records and monitoring obligations with respect to any Grant made in accordance with the terms of this Agreement for a period of five years after the date of the Grant and provided that the City pays for all grant commitments properly made up to the point of termination pursuant to this Agreement.

6.3 Indemnification. CIC shall pay, indemnify and save the City and the City's officers, employees and agents harmless of, from and against, any and all losses incurred by any such party under this Agreement and any claim brought by reason of any such loss due to CIC's negligence, bad faith or willful misconduct. In the event that any claim is brought against the City or any of the City's officers, employees or agents, by reason of any such loss, CIC, upon notice from the City, covenants to resist and defend such claim on behalf of the City and the City's officers, employees and agents.

6.4 Non-Liability of Public Officials. No official, employee or agent of the City shall be charged personally by CIC or by any assignee or subcontractor of CIC with any liability or expenses of defense or shall be held personally liable to CIC, or any assignee or subcontractor of CIC under any terms or provisions of this Agreement because of the City's execution or attempted execution hereof or because of any breach hereof.

6.5 Compensation. CIC shall not charge any Eligible Homebuyer any fees or charges for a Grant hereunder. The only compensation received by CIC for performance under this Agreement shall be in accordance with this Section 6.5, as follows:

(a) CIC shall be entitled to compensation hereunder in an amount equal to 3 percent (3%) of the aggregate Program Funds paid by the City for each Eligible Property if CIC is the senior lender or an amount equal to 5 percent (5%) if CIC is not the senior lender.

(b) The City shall not be responsible for the payment of any fees other than as set forth in this Section.

6.6 Documentation of Costs and Income: Records and Availability. All TIF-eligible costs paid from the proceeds of a Grant shall be supported by properly executed invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of the TIF-eligible costs. All checks, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be maintained by CIC and shall be clearly identified and readily accessible to the City upon written request.

CIC shall maintain records evidencing compliance with the all requirements of the Program for each Eligible Property which is the subject of a Grant, including the provisions of Section 4.5. Such records shall be maintained for a period of five years after the date of the Grant. All Grant Documents shall be held by CIC for the benefit of the City during the term of this Agreement and for five years thereafter. Upon the written request of the City, CIC shall provide the City with access to and copies of such records.

At any time during normal business hours and as often as the City may deem necessary, CIC shall make available to the City (i) all of its records with respect to matters covered by this Agreement and (ii) access to its employees who have knowledge about the matters covered by this Agreement. CIC shall permit the City to audit, examine and make excerpts or transcripts from such records, and to make copies of records relating to personnel, conditions of employment and other data covered by this Agreement.

At any time during normal business hours and as often as the City may deem necessary, each Eligible Homebuyer shall make available to the City the Eligible Property and records relating to tenants of the unit, if any, in order for the City to verify compliance with this Agreement, including Section 4.5. CIC shall include this requirement in the Grant Documents.

6.7 Non-discrimination. Re: Vacant Building TIF Purchase and Rehabilitation Program Agreement (the "Agreement").

Ladies and Gentlemen:

I have acted as Corporate General Counsel for Community Investment Corporation, an Illinois not-for-profit corporation ("CIC"), in connection with the execution and delivery of the Agreement by and among CIC and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). CIC has requested that this opinion be furnished to the City.

In so acting as Corporate General Counsel for CIC, I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of CIC as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of CIC, as certified by the Secretary of CIC as of the date hereof; and
- (iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of CIC.

In my capacity as Corporate General Counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than CIC which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. CIC is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, CIC has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of CIC, and constitutes a legal, valid and binding obligation of CIC, enforceable against CIC in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. To my knowledge, there is no action, suit or proceeding at law or in equity pending, nor threatened, against or affecting CIC, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of CIC to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the Articles of Incorporation of CIC, (ii) the Bylaws of CIC, (iii) any provision of any contract or other instrument to which CIC is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on CIC; or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either CIC pursuant to, any agreement or other instrument to which CIC is a party or by which CIC is bound.
6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

City Of Chicago

No Grants shall be made or committed to be made by CIC hereunder when such commitment would result in the aggregate amount of Grants, together with all administrative costs related to such Grants paid to CIC pursuant to Section 6.5, exceeding the amounts authorized for the Eligible TIF Area. No Grants shall be made or committed to be made by CIC hereunder when such commitment occurs after the date of receipt of the notice from the City described in Section 6.2 hereof regarding the termination of this Agreement.

(b) CIC shall inform potential Developers of the process and documentation that is required in order for them to both obtain a Reservation of Program Funds and to receive final approval for the Grant.

(c) Before potential Developers can be declared eligible to receive a Reservation of Program Funds, the potential Developer must complete an Application. CIC shall accept and process Applications in the following manner (or as otherwise agreed to by DPD and CIC):

Within 10 days of approving or rejecting an Application, CIC shall notify the applicant in writing of such approval or rejection and shall provide the City with a copy of each such notice. All notices of rejection shall include the reasons for such rejection.

(viii) While Applications will be reviewed in the order of receipt, funds will be provided to Developers in the order in which the Developers meet all the requirements for funding a Grant hereunder.

(ix) If all Program funds in an Eligible TIF Area are fully reserved, CIC will establish a wait list for additional Reservations of Program Funds on a first-come, first-served basis. If a Developer does not use its reserved funds within the required time period, CIC will notify the Developer that the funds are no longer reserved and contact the next Developer on the wait list.

(d) Upon determination by CIC that a Developer is eligible to participate in the Program, CIC may provide the Developer Purchase Price Assistance and Substantial Rehabilitation Assistance, consistent with the provisions of this Agreement, in the applicable amount as set forth in subsection 4.3(e). As a condition of receiving such assistance, the Developer shall be required to establish at least 50% of the Housing Units in the Multi-Family Residential Development as Affordable Rental Housing. If the Development meets one or more of the following criteria, then CIC may provide, if approved by DPD, an amount of assistance greater than the Maximum Program Assistance:

(i) Will provide Housing Units for Households earning up to 30 percent of the PMSA Median Income;

(ii) Will provide Supportive Housing;

(iii) Is located within 500 feet of a school, park, library, or church;

(iv) Has been designated as a National or City of Chicago Historic Landmark, is listed on the National Register of Historic Places, or is orange- or red-rated in the Chicago Historic Resources Survey; or

(v) Is located on a block where fifty percent or more of the properties are vacant or foreclosed.

(e) The amount of the Purchase Price Assistance and Substantial Rehabilitation Assistance granted to any Developer for an Eligible Multi-Family Residential Development shall be limited to no greater than 50% of the sum of the Base Purchase Price plus the cost to Substantially Rehabilitate the Eligible Multi-Family Residential Development. Grant funds awarded under this Program shall be provided on a pro-rata basis with the amount of funds required from the Developer to complete the Development.

(f) The Affordable Rental Housing required by this subsection shall continue to be affordable for a period of 15 years after the time of the issuance of the certificate of occupancy (or after the first day of the initial lease, if no such certificate is issued); provided that if a longer term is required by any other applicable law, the longer term shall apply.

(g) The rental of such Affordable Rental Housing created pursuant to this Agreement shall be made only to Households meeting the eligibility criteria.

(h) Prior to the issuance of a building permit to a Developer for any Eligible Multi-Family Residential Development, CIC shall cause a lien, regulatory agreement or similar instrument ("Recapture Mortgage") to be recorded to secure the requirements of this Agreement and the Recapture of the following amounts:

(i) Upon the rental of any Housing Unit required to be Affordable Rental Housing under this Agreement at a rental price that renders the Housing Unit not Affordable Rental Housing, or to a Household that does not meet the eligibility criteria, the Developer shall pay a fee of \$500.00 per unit per day for each day that the Developer is in noncompliance; provided that prior to the assessment of the penalty, the Developer shall have 90 days, after written notice from DPD, to cure the noncompliance. If after 90 days the Developer fails to cure the noncompliance, the fees shall be assessed from the first day of noncompliance. The 90-day time period to cure the noncompliance may be extended by DPD, for good cause.

4.4 CIC shall provide the following services:

(a) Technical/Rehabilitation Services. CIC shall assist the Developer in the preparation of detailed plans and specifications for the renovation work. CIC must approve the contractor selected, which must be licensed and properly insured; in its approval, CIC shall consider the financial strength and the technical capability of the contractor. CIC shall review the contract(s) between the Developer and the contractor(s) for the renovation work. While the Developer is not required to use Minority Business Enterprises or Women Business Enterprises for the renovation work, the City shall supply to CIC, and CIC shall make available to each Developer, a current list of contractors and subcontractors which are certified by the City as Minority Business Enterprises or Women Business Enterprises. While the requirements of Section 2-92-330 of the Municipal Code of the City of Chicago (City Resident Employment Requirement) will not apply to the renovation work done pursuant to the Program, CIC shall use its best efforts to recruit and encourage the use of qualified contractors based in Chicago (particularly in the Eligible TIF Area) for the renovation work being funded pursuant to this Agreement.

(b) Requirements for Grants for Eligible Multi-Family Residential Developments. After approving an Application, CIC shall promptly prepare and execute Grant Documents for each Grant. The Grant Documents shall require that:

(i) Program Funds finance only TIF-eligible costs; and

(ii) the Grant Funds shall not be provided unless loan proceeds or other funds from the Developer (which loans may, but shall not be required to, be made by CIC) are available to fully finance the purchase and/or rehabilitation of the Multi-Family Residential Development.

(c) Closing. CIC shall promptly close each Grant. Prior to disbursement of any Program Funds by CIC, CIC shall require each Developer to enter into the Grant Documents. The Grant Documents shall require that the renovation of the Multi-Family Residential Development commences within six months of the date on which a Grant closes. CIC shall provide in all Grant Documents that the City is a third-party beneficiary of the Grant Documents. CIC shall not close each Grant, or provide any Program Funds unless the matching funds described in subsection (b) above are available to the Developer. CIC shall not provide Program Funds to any Developer in an amount in excess of the applicable Maximum Program Assistance; provided, that the maximum amount so provided may be increased with the approval of DPD in accordance with Section 4.3(d).

(d) Disbursement of Grant Funds. The City will place the Grant funds for each Eligible TIF Area into an interest-bearing segregated or escrow account established by CIC for this purpose. Any income earned on amounts held in the account shall be used at the sole discretion of the City: (i) to make Grants hereunder, or (ii) in such other manner as the City determines. CIC shall disburse funds from this account to the City at the written request of the City if income is earned on amounts held in the account. CIC shall make any such disbursement within 30 days of its receipt of the City's request. CIC agrees that any disbursements from this account which are later determined to have been made in violation of this Agreement will be repaid to this account by CIC. Pursuant to the Grant Documents, CIC will draw funds from the segregated account as needed to pay for approved TIF-eligible costs to Developers. Prior to disbursing any funds from this account, CIC shall obtain evidence that the costs being paid for are TIF-eligible costs. Each Grant shall be accounted for separately in the records maintained by CIC.

(e) Monitoring.

(1) CIC shall specify an employee directly responsible for working on each Grant. CIC shall provide DPD with notice of the person(s) responsible for these duties and the respective Grants.

(2) If a Developer breaches any covenant or agreement under the applicable Grant Documents, CIC shall mail notice of such breach to the Developer as provided in the Grant Documents (with a copy to DPD) and shall take such further action consistent with the terms of this Agreement.

(3) CIC shall monitor the progress of the renovation work to confirm compliance with this Agreement and the Grant Documents. CIC shall make a final inspection of the renovation work at its completion to confirm compliance with this Agreement and the Grant Documents.

(f) Reporting. On a quarterly basis during the term hereof, CIC shall submit to the City a report in a form approved by DPD and containing the following information for each Grant closed during the previous quarter, and for each Developer whose Application has been approved: (i) the address of the Multi-Family Residential Development; (ii) the name and address of each Developer for such Multi-Family Residential Development; (iii) the amount of the applicable Grant and the date of the Grant; (iv) the status of the renovation work on such Multi-Family Residential Development; and (v) evidence that the maximum rental rates charged in any Multi-Family Residential Development do not exceed the maximum amount permitted under this Agreement. In addition, CIC shall also include the following in such report regarding the Program as of the end of the preceding quarter: (i) total number of matching loans approved by CIC; (ii) number of renovations in process; (iii) number of renovations completed; (iv) total amount of Grant funds disbursed hereunder, with a description to include how much was disbursed for each Multi-Family Residential Development; (v) the total amount of interest earned on Grant funds held by CIC; (vi) evidence that no disbursement would result in the funds disbursed by CIC hereunder for any Multi-Family Residential Development exceeding the applicable Maximum Program Assistance; and (vii) the total amount of fees paid to CIC pursuant to Section 6.5. At the end of every quarter, CIC shall deliver a report to the City regarding the application process and listing (A) the total number of Applications, and (B) the total dollar amount of Grants requested, along with any other information requested by the City.

(g) Marketing. CIC shall make information about the Program, including Applications, readily available to persons applying to become Developers. In connection therewith, CIC shall prepare and distribute brochures and other written materials describing the Program. CIC shall also make appropriate personnel available to speak at seminars to promote and explain the Program and shall conduct other affirmative outreach efforts (including organizing or participating in seminars, conferences and public meetings) to disseminate information about the Program to the public. CIC shall cooperate (and shall bind its contractors to cooperate) with DPD in any event which DPD may undertake to promote and explain the Program. CIC shall dedicate sufficient employee time and resources to respond promptly to inquiries from potential applicants.

4.5 The Grant Documents shall require that each rental unit in a Eligible Multi-Family Residential Development bear rents not greater than the Affordable Rent for such unit at any time during the Affordability Period.

4.6 The Grant Documents shall require that each Developer who renovates housing assisted with Program Funds maintain the premises in compliance with all State and City code requirements.

4.7 CIC shall be responsible for all actions of any agents, employees, officers of CIC performing any duties or obligations of CIC hereunder.

- 4.8 (a) The Program Funds to be provided to CIC hereunder by the City are a conditional grant, and the use of such funds by CIC and Developers is subject to the compliance by CIC and Developers with certain provisions of this Agreement. The Grant Documents shall provide that Program Funds provided for a Eligible Multi-Family Residential Development shall be subject to Recapture if, at any time during the Affordability Period, the requirements of Section 4.5 are not met (subject to any applicable cure periods in the Grant Documents) with respect to such unit. The amount subject to Recapture shall be calculated as follows, based on when the requirements of Section 4.5 are not met (subject to cure periods as indicated above): if the event of noncompliance takes place within the first year after the applicable Grant has been fully disbursed, then the full amount of the Grant will be subject to Recapture; on the first anniversary of the date that the applicable Grant was fully disbursed, the amount so subject to Recapture will be reduced by 1/15 of the amount of the applicable Grant; and the amount subject to Recapture will be reduced by a like amount each succeeding anniversary, so that on the fifteenth anniversary the amount subject to Recapture will be zero.
- (b) Upon the occurrence of any event set forth in paragraph (a) of this Section, CIC shall immediately notify DPD of the occurrence of such event and shall take any or all necessary action to Recapture the aggregate amount of Program Funds provided to each Developer with respect to the Eligible Multi-Family Residential Development, including any late payment penalties due under any of the Grant Documents.
- (c) Any monies Recaptured by CIC shall be returned to the City. Funds so recaptured with respect to any Eligible Multi-Family Residential Development may be used only with respect to costs in the tax increment financing redevelopment area in which the Eligible Multi-Family Residential Development is located.
- (d) CIC shall include the provisions of this Section in the Grant Documents.
- (e) The Recapture right of the City will be secured by a lien, recorded at the time the Grant Documents are signed against the real property on which each Eligible Multi-Family Residential Development is located ("Recapture Mortgage"). The lien shall be in a form acceptable to the City and will be recorded by CIC at no expense to the City. The lien will reflect that the amount subject to Recapture will decline over time.
- 4.9 The City authorizes CIC to act, subject to the limitations contained herein and in accordance with the provisions of this Agreement: (i) to manage and service the Grants; (ii) to enforce or to refrain from enforcing the Grant Documents for each Grant; (iii) to give consents or approvals in connection with the Grant Documents for each Grant; (iv) to take or refrain from taking any action and make any determination provided for herein or in the Grant Documents; and (v) to exercise all such powers as are incidental thereto.

4.10 In its marketing efforts regarding the Program, the City shall notify potential Program applicants that there will be a matching funds requirement (as set forth in Section 4.4(b) hereof).

4.11 Insurance.

(a) CIC must provide and maintain at its own expense, except as may be otherwise provided herein, during the term of this Agreement and during the time period following expiration if CIC is required to return and perform any of the work or services under the agreement, the insurance coverages and requirements specified below, insuring all operations related to the Agreement.

Workers Compensation and Employers Liability.

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide work under this Contract and Employers Liability coverage with limits of not less than \$500,000 each accident, illness or disease.

2) Commercial General Liability (Primary and Umbrella).

Commercial General Liability Insurance or equivalent with limits of not less than \$2,000,000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations and contractual liability (not to include Endorsement CG 21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work or services.

Subcontractors performing work for CIC must maintain limits of not less than \$1,000,000 with the same terms herein.

3) Automobile Liability (Primary and Umbrella).

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, CIC must provide Automobile Liability Insurance with limits of not less than \$1,000,000 occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

4) Errors & Omissions/Professional Liability.

When any Program Managers/Administrators or any other professional consultants perform work in connection with this Agreement, Professional Liability Insurance covering acts, errors, or omissions must be maintained with limits of not less than \$1,000,000. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on the Agreement. A claim-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

5) Valuable Papers.

When any media, data, records, reports, application and other documents are produced or used under this Contract, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

6) Blanket Crime.

CIC must provide Blanket Crime coverage covering all persons handling funds under this Agreement against loss by dishonesty, robbery, burglary, theft, destruction, or disappearance, computer fraud, credit card forgery, and other related crime risks. The policy limit must be written to cover losses in the amount of maximum monies/funds collected, received and in the possession of CIC at any given time.

7) Property.

CIC is responsible for all loss or damage to City property at full replacement cost that results from this Agreement.

CIC is responsible for all loss or damage to personal property (including materials, equipment, tools and supplies) owned, rented or used by CIC.

b) CIC must furnish the City of Chicago, Department of Planning and Development, City Hall, Room 1006, 121 North LaSalle Street 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. CIC must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of the Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements. The failure of the City to obtain certificates or other insurance evidence from CIC is not a waiver by the City of any requirements for CIC to obtain and maintain the specified coverages. CIC must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve CIC of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by CIC.

CIC hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by CIC in no way limit CIC's liabilities and responsibilities specified within this Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by CIC under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If CIC is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

CIC must require all subcontractors to provide the insurance required herein, or CIC may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of CIC unless otherwise specified in this Agreement.

If CIC or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements, and the City shall promptly notify CIC of any such changes.

ARTICLE V - Events of Default; Remedies

5.1 Events of Default Defined. The following, subject to the notice and cure provisions of Section 5.2 hereof, shall each constitute an Event of Default hereunder:

- (a) any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance of this Agreement, made by CIC to the City;
- (b) failure by CIC to perform any of its duties or obligations under this Agreement;
- (c) any change in ownership or control of CIC without prior written notification to the City;

(d) the dissolution of CIC or the entry of a decree or order for relief by a court having jurisdiction with respect to CIC in an involuntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or other similar official) of CIC or for any substantial part of the property thereof or ordering the winding-up or liquidation of the affairs of CIC and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days;

(e) the commencement by CIC of a voluntary case under the federal bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law, or the consent by CIC to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian or sequestrator (or other similar official) of CIC or of any substantial part of the property of CIC or of any royalties, revenues, rents, issues or profits therefrom, or the making by CIC of any assignment for the benefit of creditors or the failure of CIC generally to pay its respective debts as such debts become due or the taking of action by CIC in furtherance of any of the foregoing;

(f) a final judgment for the payment of money in excess of \$100,000 shall be rendered by a court of competent jurisdiction against CIC, and CIC shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, within 60 days from the date of entry thereof, or such longer period during which execution of such judgment shall have been stayed;

(g) default by CIC under any other agreement which CIC may currently have or may enter into with the City during the term of this Agreement; or

(h) a failure by CIC to fulfill its obligations under any Grant Documents.

5.2 Remedies. If any event referred to in Section 5.1 hereof cannot reasonably be cured within 30 days after receipt of notice given in accordance with the terms of this Agreement, or if CIC has failed, in the sole opinion of the City, to commence and continue diligent efforts to cure such event, the City may, at its sole option, declare an Event of Default hereunder. Whether to declare an Event of Default hereunder is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under this Agreement. Written notification of, or that results in, an Event of Default, and any intention of the City to terminate this Agreement, shall be provided to CIC and such decision shall be final and effective upon receipt of such notice pursuant to Section 6.14 hereof and failure to cure within the stated applicable cure period. Upon the giving of such notice, the City may invoke any or all of the following remedies:

(a) the right to terminate this Agreement as to any or all of the services yet to be performed effective at a time specified by the City;

- (b) the right of specific performance, an injunction or any other appropriate equitable remedy;
- (c) the right to money damages;
- (d) the right to withhold all or any part of the compensation of CIC hereunder; and
- (e) the right to deem CIC non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interests, it may elect not to declare an Event of Default hereunder or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits CIC to continue to provide the services despite one or more Events of Default, CIC shall in no way be relieved of any of its responsibilities, duties or obligations under this Agreement nor shall the City waive or relinquish any of its rights thereby.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy shall be cumulative and shall be in addition to any other remedies, existing now or hereafter, at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon any Event of Default shall impair any such right or power nor shall it be construed as a waiver of any Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VI - General Provisions

6.1 Duration of the Agreement. This Agreement shall commence on the date of execution and delivery hereof and, unless earlier terminated pursuant to this Agreement, shall terminate when the last Grant payment is made by CIC hereunder.

6.2 Termination. The City may terminate this Agreement for convenience upon thirty (30) days written notice from the City. In such event, all rights and obligations running to and from each party shall be terminated and of no further force and effect; provided that CIC shall be obligated to maintain all records and monitoring obligations with respect to any Grant made in accordance with the terms of this Agreement for a period of five years after the date of the Grant and provided that the City pays for all grant commitments properly made up to the point of termination pursuant to this Agreement.

6.3 Indemnification. CIC shall pay, indemnify and save the City and the City's officers, employees and agents harmless of, from and against, any and all losses incurred by any such party under this Agreement and any claim brought by reason of any such loss due to CIC's negligence, bad faith or willful misconduct. In the event that any claim is brought against the City or any of the

City's officers, employees or agents, by reason of any such loss, CIC, upon notice from the City, covenants to resist and defend such claim on behalf of the City and the City's officers, employees and agents.

6.4 Non-Liability of Public Officials. No official, employee or agent of the City shall be charged personally by CIC or by any assignee or subcontractor of CIC with any liability or expenses of defense or shall be held personally liable to CIC, or any assignee or subcontractor of CIC under any terms or provisions of this Agreement because of the City's execution or attempted execution hereof or because of any breach hereof.

6.5 Compensation. CIC shall not charge any Eligible Homebuyer any fees or charges for a Grant hereunder. The only compensation received by CIC for performance under this Agreement shall be in accordance with this Section 6.5, as follows:

(a) CIC shall be entitled to compensation hereunder in an amount equal to 3 percent (3%) of the aggregate Program Funds paid by the City for each Eligible Property if CIC is the senior lender or an amount equal to 5 percent (5%) if CIC is not the senior lender.

(b) The City shall not be responsible for the payment of any fees other than as set forth in this Section.

6.6 Documentation of Costs and Income: Records and Availability. All TIF-eligible costs paid from the proceeds of a Grant shall be supported by properly executed invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of the TIF-eligible costs. All checks, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to this Agreement shall be maintained by CIC and shall be clearly identified and readily accessible to the City upon written request.

CIC shall maintain records evidencing compliance with the all requirements of the Program for each Eligible Property which is the subject of a Grant, including the provisions of Section 4.5. Such records shall be maintained for a period of five years after the date of the Grant. All Grant Documents shall be held by CIC for the benefit of the City during the term of this Agreement and for five years thereafter. Upon the written request of the City, CIC shall provide the City with access to and copies of such records.

At any time during normal business hours and as often as the City may deem necessary, CIC shall make available to the City (i) all of its records with respect to matters covered by this Agreement and (ii) access to its employees who have knowledge about the matters covered by this Agreement. CIC shall permit the City to audit, examine and make excerpts or transcripts from such records, and to make copies of records relating to personnel, conditions of employment and other data covered by this Agreement.

At any time during normal business hours and as often as the City may deem necessary, each Eligible Homebuyer shall make available to the City the Eligible Property and records relating to tenants of the unit, if any, in order for the City to verify compliance with this Agreement, including Section 4.5. CIC shall include this requirement in the Grant Documents.

6.7 Non-discrimination. CIC agrees it shall be an unlawful employment practice for CIC (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individual's race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify its employees or applicants for employment in any way which would deprive or tend to deprive any individual in any way of employment opportunities or otherwise adversely affect his status as an employee, because of such individual's race, color religion, sex, age, handicap or national origin.

CIC shall comply with the Illinois Human Rights Act, 775 ILCS 5/1 -101, et seq. and any rules and regulations promulgated in accordance therewith, including, but not limited to the Equal Employment Opportunity clause, 56 Ill. Admin. Code 2520 Appendix G. Furthermore, CIC shall comply with and shall cause any contractor utilized under this Agreement to comply with the Discrimination in Public Contracts Act, 775 ILCS 10/0.01, et seq.

6.8 City Requirements. CIC shall comply with the Chicago Human Rights Ordinance, ch. 2.160, Section 2-160-010 et seq. of the Chicago Municipal Code (1990); and the Chicago Fair Housing Regulations ch. 5-8, Section 5-8-010 et seq. of the Chicago Municipal Code (1990).

CIC agrees to furnish and to cause each of its subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

6.9 Assignment. CIC may not assign, sell, transfer or delegate any of its duties or obligations under this Agreement without the prior written consent of the City. The City may assign, sell, transfer or otherwise dispose of any of its rights hereunder, in whole or in part, without the permission of CIC.

6.10 Savings Clause. In case any provision of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not be affected.

6.11 Entire Agreement. This Agreement and the incorporated Exhibits constitute the entire Agreement and may not be modified, altered or amended unless agreed to by both parties in writing. Any waiver or any provision of this Agreement must be executed in writing by the party granting the waiver and such waiver shall not affect any other rights of the party granting the waiver or act to affect any other duty or obligation of the party receiving the waiver.

6.12 Counterparts. This Agreement is composed of several identical counterparts, each to be fully executed by the parties and each to be deemed an original having identical legal effect.

6.13 Headings. The headings and titles of this Agreement are for convenience only and shall not influence the construction or interpretation of this Agreement.

IN WITNESS WHEREOF, The City and CIC have executed this Agreement as of the date first set forth above.

Re: Vacant Building TIF Purchase and Rehabilitation Program Agreement (the "Agreement")

Ladies and Gentlemen:

I have acted as Corporate General Counsel for Community Investment Corporation, an Illinois not-for-profit corporation ("CIC"), in connection with the execution and delivery of the Agreement by and among CIC and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). CIC has requested that this opinion be furnished to the City.

In so acting as Corporate General Counsel for CIC I have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of CIC as furnished and certified by the Secretary of State of the State of Illinois;
- (iii) the Bylaws of the CIC, as certified by the Secretary of CIC as of the date hereof; and
- (iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of CIC.

In my capacity as Corporation General Counsel, I have also examined such other documents or instruments as I have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

I have also assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than CIC which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by me.

I express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; and (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state.

Based upon and subject to the assumptions and qualifications herein stated, it is my opinion that:

1. CIC is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, CIC has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. The Agreement has been duly executed and delivered on behalf of CIC, and constitutes a legal, valid and binding obligation of CIC, enforceable against CIC in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. To my knowledge, there is no action, suit or proceeding at law or in equity pending, nor threatened, against or affecting CIC, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of CIC to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:
 - A. a violation or breach of (i) the Articles of Incorporation of CIC, (ii) the Bylaws of CIC, (iii) any provision of any contract or other instrument to which CIC is bound, or (iv) any order, writ, injunction, decree, statute, rule or regulation binding on CIC; or
 - B. a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of either CIC pursuant to, any agreement or other instrument to which CIC is a party or by which CIC is bound.
6. No action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

This opinion is furnished for your benefit and may be relied upon by you and any such other party in connection with the Agreement, but may not be delivered to or relied upon by any other person or entity without written consent from the undersigned.

Very truly yours,

City Of Chicago

ARTICLE II TERMS; GOVERNMENTAL LENDER NOTE

Section 2.1. Terms.

(a) **Principal Amount.** The total aggregate principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount.

(b) **Draw-Down Funding.** The Funding Loan is originated on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Funding Lender directly to the Borrower for the account of the Governmental Lender as and when needed to make each advance in accordance with the disbursement provisions of the Borrower Loan Agreement and the Construction Funding Agreement. Upon each advance of principal under the Borrower Loan Agreement and the Construction Funding Agreement, a like amount of the Funding Loan shall be deemed concurrently and simultaneously advanced under this Funding Loan Agreement, including the initial advance of \$_____. Borrower Loan advances and Funding Loan advances shall be allocated to the Borrower Construction/Permanent Note and the related Governmental Lender Construction/Permanent Note and to the Borrower Construction Note and the related Governmental Lender Construction Note as specified by the Borrower and approved by the Funding Lender. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and funded hereunder after December 31, 2017; provided, however, that upon the delivery of a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender such date may be changed to a later date as specified in such Tax Counsel No Adverse Effect Opinion. The Governmental Lender has reviewed and approved the form of Contingency Draw-Down Agreement and consents to the terms thereof and agrees to take all actions reasonably required of the Governmental Lender in connection with the conversion of the Funding Loan to a fully drawn loan pursuant to the provisions of the Contingency Draw-Down Agreement in the event a Draw-Down Notice is filed by the Funding Lender or the Borrower.

(c) **Origination Date; Maturity.** The Funding Loan shall be originated, and the related Notes shall be issued, on the Closing Date and shall mature on the applicable Maturity Date at which time the entire principal amount, to the extent not previously paid, and all accrued and unpaid interest, shall be due and payable.

(d) Principal. The outstanding principal amount of each Governmental Lender Note and of the Funding Loan as of any given date shall be the total amount advanced by the Funding Lender to or for the account of the Governmental Lender to fund corresponding advances with respect to the related Borrower Note under the Borrower Loan Agreement and the Construction Funding Agreement as proceeds of the Borrower Loan, less any payments of principal of the Governmental Lender Note previously received upon payment of corresponding principal amounts under the related Borrower Note, including regularly scheduled principal payments and voluntary and mandatory prepayments. The principal amount of each Governmental Lender Note and interest thereon shall be payable on the basis specified in this paragraph (d) and in paragraphs (e) and (f) of this Section 2.1.

The Funding Lender shall keep a record of all principal advances and principal repayments made under each Governmental Lender Note and shall upon written request provide the Governmental Lender with a statement of the outstanding principal balance of the Governmental Lender Note and the Funding Loan.

(e) Interest. Interest shall be paid on the outstanding principal amount of each Governmental Lender Note at the rate or rates set forth in the related Borrower Note and otherwise as set forth in the Borrower Loan Agreement.

(f) Corresponding Payments. The payment or prepayment of principal, interest and premium, if any, due on each Governmental Lender Note shall be identical with and shall be made on the same dates, terms and conditions, as the principal, interest, premiums, late payment fees and other amounts due on the related Borrower Note. The Governmental Lender Construction/Permanent Note shall be payable from payments on the related Borrower Construction/Permanent Note, and the Governmental Lender Construction Note shall be payable from payments on the related Borrower Construction Note. Any payment or prepayment made by the Borrower of principal, interest, premium, if any, due on a Borrower Note shall be deemed to be like payments or prepayments of principal, interest and premium, if any, due on the related Governmental Lender Note.

(g) Usury. The Governmental Lender intends to conform strictly to the usury laws applicable to this Funding Loan Agreement and the Governmental Lender Notes and all agreements made in the Governmental Lender Notes, this Funding Loan Agreement and the Funding Loan Documents are expressly limited so that in no event whatsoever shall the amount paid or agreed to be paid as interest or the amounts paid for the use of money advanced or to be advanced hereunder exceed the highest lawful rate prescribed under any law which a court of competent jurisdiction may deem applicable hereto. If, from any circumstances whatsoever, the fulfillment of any provision of the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents shall involve the payment of interest in excess of the limit prescribed by any law which a court of competent jurisdiction may deem applicable hereto, then the obligation to pay interest hereunder shall be reduced to the maximum limit prescribed by law. If from any circumstances whatsoever, the Funding Lender shall ever receive anything of value deemed interest, the amount of which would exceed the highest lawful rate, such amount as would be excessive interest shall be deemed to have been applied, as of the date of receipt by the Funding Lender, to the reduction of the principal remaining unpaid hereunder and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance, such excess shall be refunded to the Borrower. This paragraph shall control every other provision of the Governmental Lender Notes, this Funding Loan Agreement and all other Funding Loan Documents.

In determining whether the amount of interest charged and paid might otherwise exceed the limit prescribed by law, the Governmental Lender intends and agrees that (i) interest shall be computed upon the assumption that payments under the Borrower Loan Agreement and other Funding Loan Documents

will be paid according to the agreed terms, and (ii) any sums of money that are taken into account in the calculation of interest, even though paid at one time, shall be spread over the actual term of the Funding Loan.

Section 2.2. Form of Governmental Lender Notes. As evidence of its obligation to repay the Funding Loan, simultaneously with the delivery of this Funding Loan Agreement to the Funding Lender, the Governmental Lender hereby agrees to execute and deliver the Governmental Lender Notes. The Governmental Lender Notes shall be substantially in the respective form set forth in Exhibit A attached hereto, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Funding Loan Agreement and the Ordinance.

Section 2.3. Execution and Delivery of Governmental Lender Notes. The Governmental Lender Notes shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of its Chief Financial Officer, and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of its City Clerk or Deputy City Clerk. In case any officer of the Governmental Lender whose signature or facsimile signature shall appear on the Governmental Lender Notes shall cease to be such officer before the Governmental Lender Notes so signed and sealed shall have been actually delivered, such Governmental Lender Notes may, nevertheless, be delivered as herein provided, and may be executed and delivered as if the persons who signed or sealed such Governmental Lender Notes had not ceased to hold such offices or be so employed. Any Governmental Lender Note may be signed and sealed on behalf of the Governmental Lender by such persons as, at the actual time of the execution of such Governmental Lender Note, shall be duly authorized or hold the proper office in or employment by the Governmental Lender, although at the date of the Governmental Lender Note such persons may not have been so authorized nor have held such office or employment.

Section 2.4. Required Transferee Representations; Participations; Sale and Assignment.

(a) The Funding Lender shall deliver to the Governmental Lender the Required Transferee Representations in substantially the form attached hereto as Exhibit B on the Closing Date.

(b) The Funding Lender shall have the right to sell (i) the Governmental Lender Notes and the Funding Loan or (ii) participation interests, in whole or in part, to the extent permitted by Section 2.4(c) below, in the Governmental Lender Notes and the Funding Loan, provided that (A) such sale shall be only to Approved Institutional Buyers that execute and deliver to the Funding Lender, with a copy to the Governmental Lender, the Required Transferee Representations and (B) if any amendment is to be made to this Funding Loan Agreement or any other Funding Loan Document in conjunction with such transfer, a Tax Counsel No Adverse Effect Opinion.

(c) Notwithstanding the other provisions of this Section 2.4, no participation in the Governmental Lender Notes and Funding Loan shall be sold in an amount that is less than the Minimum Participation Percentage.

(d) The Governmental Lender Notes or any interest therein, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Funding Lender for such purpose and which shall be open to inspection by the Governmental Lender. The Governmental Lender Notes shall not be transferred through the services of the Depository Trust Company or any other third party registrar.

(e) No service charge shall be made for any sale or assignment of the Governmental Lender Notes or a participation therein, but the Governmental Lender may require payment of a sum sufficient to cover any tax or other charge that may be imposed in connection with any such sale or assignment and payment of any fees and expenses incurred by the Governmental Lender in connection therewith. Such sums shall be paid in every instance by the purchaser or assignee of the Governmental Lender Notes or a participation therein.

**ARTICLE III
PREPAYMENT**

Section 3.1. Prepayment of a Governmental Lender Note from Prepayment under the Related Borrower Note. Each Governmental Lender Note is subject to voluntary and mandatory prepayment as follows:

(a) Each Governmental Lender Note shall be subject to voluntary prepayment in full or in part by the Governmental Lender, from funds of the Governmental Lender received by the Governmental Lender to the extent and in the manner and on any date that the related Borrower Note is subject to voluntary prepayment as set forth therein, at a prepayment price equal to the principal balance of the related Borrower Note to be prepaid, plus interest thereon to the date of prepayment and the amount of any Prepayment Premium payable under such Borrower Note, plus any Additional Borrower Payments due and payable under the Borrower Loan Agreement through the date of prepayment.

The Borrower shall not have the right to voluntarily prepay all or any portion of any Borrower Note, thereby causing the related Governmental Lender Note to be prepaid, except as specifically permitted in the Borrower Note, without the prior Written Consent of Funding Lender, which may be withheld in Funding Lender's sole and absolute discretion.

(b) Each Governmental Lender Note shall be subject to mandatory prepayment in whole or in part upon prepayment of the related Borrower Note at the direction of the Funding Lender in accordance with the terms of such related Borrower Note at a prepayment price equal to the outstanding principal balance of the related Borrower Note prepaid, plus accrued interest plus any other amounts payable under the related Borrower Note or the Borrower Loan Agreement.

Section 3.2. Notice of Prepayment. Notice of prepayment of a Governmental Lender Note shall be deemed given to the extent that notice of prepayment of the related Borrower Note is timely and properly given to Funding Lender in accordance with the terms of the related Borrower Note and the Borrower Loan Agreement, and no separate notice of prepayment of the Governmental Lender Note is required to be given.

**ARTICLE IV
SECURITY**

Section 4.1. Security for the Funding Loan. To secure the payment of the Funding Loan and each Governmental Lender Note, to declare the terms and conditions on which the Funding Loan and each Governmental Lender Note are secured, and in consideration of the premises and of the funding of the Funding Loan by the Funding Lender, the Governmental Lender by these presents does grant, bargain, sell, remise, release, convey, assign, transfer, mortgage, hypothecate, pledge, set over and confirm to the Funding Lender (except as limited herein), a lien on and security interest in the following described property (excepting, however, in each case, the Unassigned Rights) (said property, rights and privileges being herein collectively called, the "Security"):

(a) All right, title and interest of the Governmental Lender in, to and under the Borrower Loan Agreement and the related Borrower Note, including, without limitation, all rents, revenues and receipts derived by the Governmental Lender from the Borrower relating to the Project and including, without limitation, all Pledged Revenues, Borrower Loan Payments and Additional Borrower Payments derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Borrower Loan Agreement; provided that the pledge and assignment made under this Funding Loan Agreement shall not impair or diminish the obligations of the Governmental Lender under the provisions of the Borrower Loan Agreement;

(b) All right, title and interest of the Governmental Lender in, to and under, together with all rights, remedies, privileges and options pertaining to, the Funding Loan Documents, and all other payments, revenues and receipts derived by the Governmental Lender under and pursuant to, and subject to the provisions of, the Funding Loan Documents;

(c) Any and all moneys and investments from time to time on deposit in, or forming a part of, all funds and accounts created and held under this Funding Loan Agreement and any amounts held at any time in the Remaining Funding Loan Proceeds Account and the Remaining Funding Loan Proceeds Account Earnings Subaccount, any Negative Arbitrage Deposit and any other amounts held under the Contingency Draw-Down Agreement, subject to the provisions of this Funding Loan Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein; and

(d) Any and all other real or personal property of every kind and nature or description, which may from time to time hereafter, by delivery or by writing of any kind, be subjected to the lien of this Funding Loan Agreement as additional security by the Governmental Lender or anyone on its part or with its consent, or which pursuant to any of the provisions hereof or of the Borrower Loan Agreement may come into the possession or control of the Funding Lender or a receiver appointed pursuant to this Funding Loan Agreement; and the Funding Lender is hereby authorized to receive any and all such property as and for additional security for the Funding Loan and each Governmental Lender Note and to hold and apply all such property subject to the terms hereof.

The pledge and assignment of and the security interest granted in the Security pursuant to this Section 4.1 for the payment of the principal of, premium, if any, and interest on each Governmental Lender Note, in accordance with its terms and provisions, and for the payment of all other amounts due hereunder, shall attach and be valid and binding from and after the time of the delivery of the Governmental Lender Notes by the Governmental Lender. The Security so pledged and then or thereafter received by the Funding Lender shall immediately be subject to the lien of such pledge and security interest without any physical delivery or recording thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

Section 4.2. Delivery of Security. To provide security for the payment of the Funding Loan and each Governmental Lender Note, the Governmental Lender has pledged and assigned to secure payment of the Funding Loan and the Governmental Lender Notes its right, title and interest in the Security to the Funding Lender. In connection with such pledge, assignment, transfer and conveyance, the Governmental Lender shall deliver to the Funding Lender the following documents or instruments promptly following their execution and, to the extent applicable, their recording or filing:

(a) Each Borrower Note endorsed without recourse to the Funding Lender by the Governmental Lender;

The Governmental Lender shall deliver and deposit with the Funding Lender such additional documents, financing statements, and instruments as the Funding Lender may reasonably require from time to time for the better perfecting and assuring to the Funding Lender of its lien and security interest in and to the Security including, at the request of the Funding Lender, any amounts held under the Contingency Draw-Down Agreement, at the expense of the Borrower.

ARTICLE V LIMITED LIABILITY

Section 5.1. Source of Payment of Governmental Lender Notes and Other Obligations; Disclaimer of General Liability. The Governmental Lender Notes, together with premium, if any, and interest thereon, are special, limited obligations of the Governmental Lender, payable solely from the security pledged hereunder. The Governmental Lender Notes are not a general obligation of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal of and, premium, if any, and interest on the Governmental Lender Notes, and the Governmental Lender Notes are payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement. Section 5.2. Exempt from Individual Liability. No recourse shall be had for the payment of the principal of, premium, if any, or the interest on the Governmental Lender Notes or for any claim based thereon or any obligation, covenant or agreement in this Funding Loan Agreement against any official, officer, agent, employee or independent contractor of the Governmental Lender or any person executing the Governmental Lender Notes in his or her personal capacity. No covenant, stipulation, promise, agreement or obligation contained in the Governmental Lender Notes, this Funding Loan Agreement or any other document executed in connection herewith shall be deemed to be the covenant, stipulation, promise, agreement or obligation of any present or future official, officer, agent or employee of the Governmental Lender in his or her individual capacity and neither any official of the Governmental Lender nor any officers executing the Governmental Lender Notes shall be liable personally on the Governmental Lender Notes or under this Funding Loan Agreement or be subject to any personal liability or accountability by reason of the execution and delivery of the Governmental Lender Notes or the execution of this Funding Loan Agreement.

**ARTICLE VI

Section 7.1. Authorization to Create Funds and Accounts. No funds or accounts shall be established in connection with the Funding Loan at the time of closing and origination of the Funding Loan. The Funding Lender and the Servicer, if any, are authorized to establish and create from time to time such other funds and accounts or subaccounts as may be necessary for the deposit of moneys (including, without limitation, insurance proceeds and/or condemnation awards), if any, received by the

Governmental Lender, the Funding Lender or the Servicer pursuant to the terms hereof or any of the other Funding Loan Documents and not immediately transferred or disbursed pursuant to the terms of the Funding Loan Documents and/or the Borrower Loan Documents.

Section 8.1. General Representations. The Governmental Lender makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Governmental Lender is a municipality and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State. The Governmental Lender has power and lawful authority to adopt the Ordinance, to execute and deliver the Funding Loan Documents to which it is a party (the "Governmental Lender Documents"), to execute and deliver the Governmental Lender Notes and receive the proceeds of the Funding Loan, to apply the proceeds of the Funding Loan to make the Borrower Loan, to assign the revenues derived and to be derived by the Governmental Lender from the Borrower Loan to the Funding Lender, and to perform and observe the provisions of the Governmental Lender Documents and the Governmental Lender Notes on its part to be performed and observed.

(b) The City Council of the Governmental Lender has approved the Ordinance and the Ordinance has not been amended, modified or rescinded and is in full force and effect as of the date hereof.

(c) The Governmental Lender has duly authorized the execution and delivery of each of the Funding Loan Agreement and the Governmental Lender Notes and the performance of the obligations of the Governmental Lender thereunder.

(d) The Governmental Lender makes no representation or warranty, express or implied, that the proceeds of the Funding Loan will be sufficient to finance the acquisition, construction and equipping of the Project or that the Project will be adequate or sufficient for the Borrower's intended purposes.

(e) The revenues and receipts to be derived from the Borrower Loan Agreement, the Borrower Notes and this Funding Loan Agreement have not been pledged previously by the Governmental Lender to secure any of its notes or bonds other than the repayment of the Funding Loan.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR THE BORROWER LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

Section 8.2. Further Assurances. The Governmental Lender will do, execute, acknowledge, when appropriate, and deliver from time to time at the request of the Funding Lender, to the extent permitted by the Ordinance, such further acts, instruments, financing statements and other documents as

are necessary or desirable to better assure, transfer, pledge or assign to the Funding Lender or holders of interest in the Funding Loan, and grant a security interest unto the Funding Lender or holders of interests in the Funding Loan in and to the Security and the other properties and revenues herein described and otherwise to carry out the intent and purpose of the Funding Loan Documents and the Funding Loan.

Section 8.3. Payment of Funding Loan Obligations. The Governmental Lender will pay or cause to be paid the principal of, prepayment premium, if any, and the interest on the Funding Loan as the same become due, but solely from the Security, as described in Section 5.1 of this Funding Loan Agreement.

Section 8.4. Funding Loan Agreement Performance. The Funding Lender, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may (but shall not be required or obligated) perform and observe any such agreement or covenant of the Governmental Lender under the Funding Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

Section 8.5. Servicer. The Funding Lender may appoint a Servicer to service and administer the Governmental Loan and the Borrower Loan on behalf of the Funding Lender, including without limitation the fulfillment of rights and responsibilities granted by Governmental Lender to Funding Lender pursuant to Section 2.1 of the Borrower Loan Agreement; provided, however, that no appointment of a Servicer shall release the Funding Lender from ultimate responsibility for any obligation hereunder.

Section 8.6. Tax Covenants. The Governmental Lender covenants to and for the benefit of the Funding Lender and any other holders of an interest in the Governmental Lender Notes that, notwithstanding any other provisions of this Funding Loan Agreement or of any other instrument, it will:

(i) At all times do and perform all acts and things permitted by law and this Funding Loan Agreement which are necessary or desirable in order to assure, and will not knowingly take any action which will adversely affect, the tax-exempt status of the Governmental Lender Notes; and

(ii) Not use or knowingly permit the use of any proceeds of the Funding Loan or other funds of the Governmental Lender, directly or indirectly, in any manner, and will not take or permit to be taken any other action or actions, which would result in any of the Governmental Lender Notes being treated as an obligation not described in Section 142(a)(7) of the Code by reason of the Governmental Lender Notes or interest thereon not meeting the requirements of Section 142(d) of the Code;

In furtherance of the covenants in this Section 8.6, the Governmental Lender and the Borrower shall execute, deliver and comply with the provisions of the Tax Compliance Agreement, which are by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full, and by its acceptance of this Funding Loan Agreement the Funding Lender acknowledges receipt of the Tax Compliance Agreement and acknowledges its incorporation in this Funding Loan Agreement by this reference. The Funding Lender agrees it will invest funds held under this Funding Loan Agreement in Permitted Investments in accordance with the direction of the Borrower and the terms of this Funding Loan Agreement and the Tax Compliance Agreement (this covenant shall extend throughout the term of the Funding Loan, to all funds and accounts created under or in connection with this Funding Loan Agreement and all moneys on deposit to the credit of any Fund or Account); provided that the Funding Lender shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows directions

of the Borrower not inconsistent with the terms of this Funding Loan Agreement and the Tax Compliance Agreement or otherwise complies with the provisions of the Funding Loan Agreement relating to funds and accounts.

For purposes of this Section 8.6 the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's control and no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender.

In complying with the foregoing covenants, the Governmental Lender may rely from time to time on a Tax Counsel No Adverse Effect Opinion or other appropriate opinion of Tax Counsel.

Section 8.7. Performance by the Borrower. Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may perform any such agreement or covenant if no Borrower Loan Agreement Default or Potential Default under the Borrower Loan Agreement exists.

Section 8.8. Repayment of Funding Loan. Subject to the provisions of Article V hereof, the Governmental Lender will duly and punctually repay, or cause to be repaid, but solely from the Security set forth in Article IV hereof, the Funding Loan, as evidenced by the Governmental Lender Notes, as and when the same shall become due, all in accordance with the terms of the Governmental Lender Notes and this Funding Loan Agreement.

Section 8.9. Borrower Loan Agreement Performance.

(a) The Servicer and the Funding Lender, on behalf of the Governmental Lender and with the Written Consent of the Governmental Lender, may (but shall not be required or obligated to) perform and observe any such agreement or covenant of the Governmental Lender under the Borrower Loan Agreement, all to the end that the Governmental Lender's rights under the Borrower Loan Agreement may be unimpaired and free from default.

(b) The Governmental Lender will promptly notify the Borrower, the Servicer and the Funding Lender in writing of the occurrence of any Borrower Loan Agreement Default, provided that the Governmental Lender has received written notice or otherwise has actual knowledge of such event; and further provided that the Governmental Lender shall have no liability to any person for its failure to provide any such notice so long as it has made a good faith effort to comply with such provisions.

(c) The Funding Lender will promptly notify the Borrower, the Servicer, if any, and the Governmental Lender in writing of the occurrence of any Event of Default or any Borrower Loan Agreement Default known to the Funding Lender.

Section 8.10. Maintenance of Records; Inspection of Records.

(a) The Funding Lender shall keep and maintain adequate records pertaining to the funds and accounts, if any, established hereunder, including all deposits to and disbursements from said funds and accounts and shall keep and maintain the registration books for the Funding Loan and interests therein. The Funding Lender shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal, interest and prepayment premium, if any, paid on the Funding Loan, subject to the inspection of the Borrower, the Governmental Lender, the Servicer and their representatives at all reasonable times and upon reasonable prior notice.

(b) The Governmental Lender will at any and all times, upon the reasonable request of the Servicer, the Borrower or the Funding Lender, afford and procure a reasonable opportunity by their respective representatives to inspect the books, records, reports and other papers of the Governmental Lender relating to the Project and the Funding Loan, if any, and to make copies thereof.

Section 8.11. Representations and Warranties of the Funding Lender. The Funding Lender hereby represents to the Governmental Lender and the Borrower that it is duly authorized to enter into and perform this Funding Loan Agreement, and has full authority to take such action as it may deem advisable with respect to all matters pertaining to this Funding Loan Agreement.

Section 8.12. Funding Lender Limitations. Notwithstanding anything herein or in the Borrower Loan Agreement to the contrary, prior to the advancement by the Funding Lender of all advances of loan funds hereunder (and, by virtue hereof, under the Borrower Loan Agreement and the Construction Funding Agreement), and only prior to such final advancement of all loan funds hereunder, no notice to or consent of the Funding Lender shall be required under any provision of this Funding Loan Agreement or the Borrower Loan Agreement nor shall the Funding Lender have any right to receive notice of, consent to, direct or control any actions, restrictions, rights, remedies, waivers or acceleration pursuant to any provision of this Funding Loan Agreement or the Borrower Loan Agreement during any time that (a) any Material Funding Lender Event shall have occurred and be continuing; or (b) the Funding Loan Agreement and the Construction Funding Agreement are not in effect and all obligations of the Governmental Lender and the Borrower, including payment obligations, pursuant to the Funding Loan Agreement, Governmental Lender Notes, Borrower Loan Agreement and Borrower Notes have been fully satisfied.

ARTICLE IX DEFAULT; REMEDIES

Section 9.1. Events of Default. Any one or more of the following shall constitute an event of default (an “Event of Default”) under this Funding Loan Agreement (whatever the reason for such event and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) A default in the payment of any interest upon the Governmental Lender Notes when such interest becomes due and payable; or

(b) A default in the payment of principal of, or premium on, the Governmental Lender Notes when such principal or premium becomes due and payable, whether at its stated maturity, by declaration of acceleration or call for mandatory prepayment or otherwise; or

(c) Subject to Section 8.7 hereof, default in the performance or breach of any material covenant or warranty of the Governmental Lender in this Funding Loan Agreement (other than a covenant or warranty or default in the performance or breach of which is elsewhere in this Section specifically dealt with), and continuance of such default or breach for a period of 30 days after there has been given written notice, as provided in Section 11.1 hereof, to the Governmental Lender and the Borrower by the Funding Lender or the Servicer, specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under this Funding Loan Agreement; provided that, so long as the Governmental Lender has commenced to cure such failure to observe or perform within the thirty (30) day cure period and the subject matter of the default is not capable of cure within said thirty (30) day period and the Governmental Lender is diligently pursuing such cure to the

Funding Lender's satisfaction, with the Funding Lender's Written Direction or Written Consent, then the Governmental Lender shall have an additional period of time as reasonably necessary (not to exceed 30 days unless extended in writing by the Funding Lender) within which to cure such default; or

(d) A default in the payment of any Additional Borrower Payments; or

(e) Any other "Default" or "Event of Default" under any of the other Funding Loan Documents (taking into account any applicable grace periods therein).

Section 9.2. Acceleration of Maturity; Rescission and Annulment.

(a) Subject to the provisions of Section 9.9 hereof, upon the occurrence of an Event of Default under Section 9.1 hereof, then and in every such case, the Funding Lender may declare the principal of the Funding Loan and the Governmental Lender Notes and the interest accrued to be immediately due and payable, by notice to the Governmental Lender and the Borrower and upon any such declaration, all principal of and Prepayment Premium, if any, and interest on the Funding Loan and the Governmental Lender Notes shall become immediately due and payable.

(b) At any time after a declaration of acceleration has been made pursuant to subsection (a) of this Section, the Funding Lender may by Written Notice to the Governmental Lender, rescind and annul such declaration and its consequences if:

There has been deposited with the Funding Lender a sum sufficient to pay (1) all overdue installments of interest on the Governmental Lender Notes, (2) the principal of and Prepayment Premium on the Governmental Lender Notes that has become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in the Governmental Lender Notes, (3) to the extent that payment of such interest is lawful, interest upon overdue installments of interest at the rate or rates prescribed therefor in the Governmental Lender Notes, and (4) all sums paid or advanced by the Funding Lender and the reasonable compensation, expenses, disbursements and advances of the Funding Lender, its agents and counsel (but only to the extent not duplicative with subclauses (1) and (3) above); and

All Events of Default, other than the non payment of the principal of the Government Lender Notes which have become due solely by such declaration of acceleration, have been cured or have been waived in writing as provided in Section 9.9 hereof.

No such rescission and annulment shall affect any subsequent default or impair any right consequent thereon.

Notwithstanding the occurrence and continuation of an Event of Default, it is understood that the Funding Lender shall pursue no remedies against the Borrower or the Project if no Borrower Loan Agreement Default has occurred and is continuing. An Event of Default hereunder shall not in and of itself constitute a Borrower Loan Agreement Default or a default under any other Funding Loan Document.

Section 9.3. Additional Remedies; Funding Lender Enforcement.

(a) Upon the occurrence of an Event of Default, the Funding Lender may, subject to the provisions of this Section 9.3 and Section 9.9 hereof, proceed to protect and enforce its rights by mandamus or other suit, action or proceeding at law or in equity. No remedy conferred by this Funding Loan Agreement upon or remedy reserved to the Funding Lender is intended to be exclusive of any other

remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the *Funding Lender hereunder or now or hereafter existing at law or in equity or by statute.*

(b) Upon the occurrence and continuation of any Event of Default, the Funding Lender may proceed forthwith to protect and enforce its rights and this Funding Loan Agreement by such suits, actions or proceedings as the Funding Lender, in its sole discretion, shall deem expedient. Funding Lender shall have upon the occurrence and continuation of any Event of Default all rights, powers, and remedies with respect to the Security as are available under the Uniform Commercial Code applicable thereto or as are available under any other applicable law at the time in effect and, without limiting the generality of the foregoing, the Funding Lender may proceed at law or in equity or otherwise, to the extent permitted by applicable law:

(i) to take possession of the Security or any part thereof, with or without legal process, and to hold, service, administer and enforce any rights thereunder or thereto, and otherwise exercise all rights of ownership thereof, including (but not limited to) the sale of all or part of the Security;

(ii) to become mortgagee of record for the Borrower Loan including, without limitation, completing the assignment of the Security Instrument by the Governmental Lender to the Funding Lender as anticipated by this Funding Loan Agreement, and recording the same in the real estate records of the jurisdiction in which the Project is located, without further act or consent of the Governmental Lender, and to service and administer the same for its own account;

(iii) to service and administer the Funding Loan as agent and on behalf of the Governmental Lender or otherwise, and, if applicable, to take such actions necessary to enforce the Borrower Loan Documents and the Funding Loan Documents on its own behalf, and to take such alternative courses of action, as it may deem appropriate; or

(iv) to take such steps to protect and enforce its rights whether by action, suit or proceeding in equity or at law for the specific performance of any covenant, condition or agreement in the Governmental Lender Notes, this Funding Loan Agreement or the other Funding Loan Documents, or the Borrower Loan Documents, or in and of the execution of any power herein granted, or for foreclosure hereunder, or for enforcement of any other appropriate legal or equitable remedy or otherwise as the Funding Lender may elect.

Whether or not an Event of Default has occurred, and except as provided in Section 9.15, the Funding Lender, in its sole discretion, shall have the sole right to waive or forbear any term, condition, covenant or agreement of the Security Instrument, the Borrower Loan Agreement, the Borrower Notes or any other Borrower Loan Documents or Funding Loan Documents applicable to the Borrower, or any breach thereof, other than a covenant that would adversely impact the tax-exempt status of the interest on the Governmental Lender Notes, and provided that the Governmental Lender may enforce specific performance with respect to the Unassigned Rights; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in the Regulatory Agreement, and if such default remains uncured for a period of 60 days after the Borrower and the Funding Lender receive Written Notice stating that a default under the Regulatory Agreement has occurred and specifying the nature of the default, the Funding Lender shall have the right to seek specific performance of the provisions of the Regulatory

Agreement or to exercise its other rights or remedies thereunder; provided, however, that any such forbearance by the Funding Lender in the exercise of its remedies under the Funding Loan Documents shall not be construed as a waiver by the Funding Lender of any Conditions to Conversion.

If the Borrower defaults in the performance of its obligations under the Borrower Loan Agreement to make rebate payments, to comply with any applicable continuing disclosure requirements, or to make payments owed pursuant to Sections 2.5, 5.14 or 5.15 of the Borrower Loan Agreement for fees, expenses or indemnification, the Funding Lender shall have the right to exercise all its rights and remedies thereunder (subject to the last paragraph of Section 9.14 hereof).

Section 9.4. Application of Money Collected. Any money collected by the Funding Lender pursuant to this Article and any other sums then held by the Funding Lender as part of the Security, shall be applied in the following order, at the date or dates fixed by the Funding Lender:

(a) First: To the payment of any and all fees due the Governmental Lender, the Servicer or the Rebate Analyst under the Borrower Loan Documents;

(b) Second: To the payment of any and all amounts due under the Funding Loan Documents other than with respect to principal and interest accrued on the Funding Loan;

(c) Third: To the payment of the whole amount of the Funding Loan, as evidenced by the Governmental Lender Notes, then due and unpaid in respect of which or for the benefit of which such money has been collected, with interest (to the extent that such interest has been collected or a sum sufficient therefor has been so collected and payment thereof is legally enforceable at the respective rate or rates prescribed therefor in the Governmental Lender Notes) on overdue principal of, and Prepayment Premium and overdue installments of interest on the Governmental Lender Notes; provided, however, that partial interests in any portion of the Governmental Lender Notes shall be paid in such order of priority as may be prescribed by Written Direction of the Funding Lender in its sole and absolute discretion; and

(d) Fourth: The payment of the remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(e) If and to the extent this Section 9.4 conflicts with the provisions of the Servicing Agreement, the provisions of the Servicing Agreement shall control. Capitalized terms used in this Section 9.4 but not otherwise defined in this Funding Loan Agreement shall have the meanings given such terms in the Servicing Agreement.

Section 9.5. Remedies Vested in Funding Lender. All rights of action and claims under this Funding Loan Agreement or the Governmental Lender Notes may be prosecuted and enforced by the Funding Lender without the possession of the Governmental Lender Notes or the production thereof in any proceeding relating thereto.

Section 9.6. Restoration of Positions. If Funding Lender shall have instituted any proceeding to enforce any right or remedy under this Funding Loan Agreement and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Funding Lender, then and in every such case the Governmental Lender and the Funding Lender shall, subject to any determination in such proceeding, be restored to their former positions hereunder, and thereafter all rights and remedies of the Governmental Lender and the Funding Lender shall continue as though no such proceeding had been instituted.

Section 9.7. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Funding Lender is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 9.8. Delay or Omission Not Waiver. No delay or omission of the Funding Lender to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Funding Lender may be exercised from time to time, and as often as may be deemed expedient, by Funding Lender. No waiver of any default or Event of Default pursuant to Section 9.9 hereof shall extend to or shall affect any subsequent default or Event of Default hereunder or shall impair any rights or remedies consequent thereon.

Section 9.9. Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by the Funding Lender, the Funding Lender may, subject to Section 9.6 hereof, by Written Notice to the Governmental Lender and the Borrower, waive any past default hereunder or under the Borrower Loan Agreement and its consequences except for default in obligations due the Governmental Lender pursuant to or under the Unassigned Rights. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Funding Loan Agreement and the Borrower Loan Agreement; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 9.10. Remedies Under Borrower Loan Agreement or Borrower Notes. As set forth in this Section 9.10 but subject to Section 9.9 hereof, the Funding Lender shall have the right, in its own name or on behalf of the Governmental Lender, to declare any default and exercise any remedies under the Borrower Loan Agreement or the Borrower Notes, whether or not the Governmental Lender Notes have been accelerated or declared due and payable by reason of an Event of Default.

Section 9.11. Waiver of Appraisal and Other Laws.

(a) To the extent permitted by law, the Governmental Lender will not at any time insist upon, plead, claim or take the benefit or advantage of, any appraisal, valuation, stay, extension or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim under it, so far as it or they now or hereafter may lawfully do so, hereby waives the benefit of all such laws. The Governmental Lender, for itself and all who may claim under it, waives, to the extent that it may lawfully do so, all right to have the property in the Security marshaled upon any enforcement hereof.

(b) If any law now in effect prohibiting the waiver referred to in Section 9.11(a) shall hereafter be repealed or cease to be in force, such law shall not thereafter be deemed to constitute any part of the contract herein contained or to preclude the application of this Section 9.11.

Section 9.12. Suits to Protect the Security. The Funding Lender shall have power to institute and to maintain such proceedings as it may deem expedient to prevent any impairment of the Security by any acts that may be unlawful or in violation of this Funding Loan Agreement and to protect its interests in the Security and in the rents, issues, profits, revenues and other income arising therefrom, including power to institute and maintain proceedings to restrain the enforcement of or compliance with any Governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the

enforcement of or compliance with such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the Funding Lender.

Section 9.13. Remedies Subject to Applicable Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Funding Loan Agreement invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 9.14. Assumption of Obligations. In the event that the Funding Lender or its permitted assignee or designee in accordance with Section 2.4 hereof shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under the Borrower Loan Agreement, the Borrower Note, the Regulatory Agreement and any other Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default hereunder, rights and remedies may be pursued pursuant to the terms of the Funding Loan Documents, subject to the last paragraph of Section 9.2.

Section 9.15. Remedies upon Unremedied Material Funding Lender Event. Upon the occurrence of a Material Funding Lender Event which shall continue unremedied for a period of 60 days (a "Funding Lender Event of Default"), (i) the Governmental Lender may direct that the Governmental Lender Note be transferred to and obligations and liabilities thereunder be assumed by another lender approved to act as Funding Lender by the Governmental Lender pursuant to Section 2.4(b) hereof and acceptable to the Borrower; provided, however, that no such transfer shall become effective until the Funding Lender has been fully reimbursed for all advances made and all expenses incurred and all other amounts owed to Funding Lender with respect to the Governmental Lender Note through the date of transfer, and shall be fully released in writing by the Governmental Lender, the Borrower and the successor Funding Lender from any and all continuing obligations and liabilities with respect to the Funding Loan and, unless the loss has not in any material respect been caused by the action or inaction of the Borrower, be indemnified by the Borrower for any losses incurred by Funding Lender with respect thereto (except for losses resulting from remedies awarded at law or equity pursuant to clause (ii) below, as to which no indemnity shall be provided), and (ii) the Governmental Lender (or the Borrower pursuant to the Borrower Loan Agreement or the Construction Funding Agreement) may pursue any other remedy available at law or in equity.

**ARTICLE X
AMENDMENT; AMENDMENT OF BORROWER LOAN AGREEMENT
AND OTHER DOCUMENTS**

Section 10.1. Amendment of Funding Loan Agreement. Any of the terms of this Funding Loan Agreement and the Governmental Lender Notes may be amended or waived only by an instrument signed by the Funding Lender and the Governmental Lender, provided, however, no such amendment which materially affects the rights, duties, obligations or other interests of the Borrower shall be made without the consent of the Borrower, and, provided further, that if the Borrower is in default under any

Funding Loan Document, no Borrower consent shall be required unless such amendment has a material adverse effect on the rights, duties, obligations or other interests of the Borrower. All of the terms of this Funding Loan Agreement shall be binding upon the successors and assigns of and all persons claiming under or through the Governmental Lender or any such successor or assign, and shall inure to the benefit of and be enforceable by the successors and assigns of the Funding Lender.

Section 10.2. Amendments Requiring Funding Lender Consent. The Governmental Lender shall not consent to any amendment, change or modification of the Borrower Loan Agreement or any other Borrower Loan Document or Funding Loan Document without the prior Written Consent of the Funding Lender; provided, however, that such prior Written Consent shall not be required with respect to any such amendment, change or modification undertaken by the Governmental Lender in order to preserve one or more of its Unassigned Rights. Governmental Lender agrees to provide the Funding Lender with prompt notification of any such amendments, modifications or changes not requiring the prior Written Consent of the Funding Lender.

Section 10.3. Consents and Opinions. No amendment to this Funding Loan Agreement or any other Funding Loan Document entered into under this Article X or any amendment, change or modification otherwise permitted under this Article X shall become effective unless and until (i) the Funding Lender shall have approved the same in writing in its sole discretion and (ii) the Funding Lender and the Governmental Lender shall have received, at the expense of the Borrower, a Tax Counsel No Adverse Effect Opinion and an Opinion of Counsel to the effect that any such proposed amendment is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations. No modification or amendment of the terms of the Borrower Loan Agreement or the Borrower Notes may be undertaken without the prior Written Consent of the Governmental Lender and the Funding Lender and the provision to the Funding Lender and the Governmental Lender, at the expense of the Borrower, of a Tax Counsel No Adverse Affect Opinion with regard to such proposed modification.

Any consents required pursuant to this Article X from, or on behalf of, the Governmental Lender may be executed by an Authorized City Representative.

Any such notice, demand, request or communication shall be deemed to have been given and received for all purposes under this Funding Loan Agreement: (i) three Business Days after the same is deposited in any official depository or receptacle of the United States Postal Service first class, or, if applicable, certified mail, return receipt requested, postage prepaid; (ii) on the date of transmission when

delivered by telecopier or facsimile transmission, telex, telegraph or other telecommunication device, provided any telecopy or other electronic transmission received by any party after 4:00 p.m., local time, as evidenced by the time shown on such transmission, shall be deemed to have been received the following Business Day; (iii) on the next Business Day after the same is deposited with a nationally recognized overnight delivery service that guarantees overnight delivery; and (iv) on the date of actual delivery to such party by any other means; provided, however, if the day such notice, demand, request or communication shall be deemed to have been given and received as aforesaid is not a Business Day, such notice, demand, request or communication shall be deemed to have been given and received on the next Business Day; and provided further that notice to the Governmental Lender shall not be deemed to have been given until actually received by the Governmental Lender. Any facsimile signature by a Person on a document, notice, demand, request or communication required or permitted by this Funding Loan Agreement shall constitute a legal, valid and binding execution thereof by such Person.

Any party to this Funding Loan Agreement may change such party's address for the purpose of notice, demands, requests and communications required or permitted under this Funding Loan Agreement by providing written notice of such change of address to all of the parties by written notice as provided herein.

Section 11.2. Term of Funding Loan Agreement. This Funding Loan Agreement shall be in full force and effect until all payment obligations of the Governmental Lender hereunder have been paid in full and the Funding Loan has been retired or the payment thereof has been provided for (such payment or provision to be solely from the Security set forth in Article IV hereof as further provided in Section 8.8 hereof); except that on and after payment in full of the Governmental Lender Notes, this Funding Loan Agreement shall be terminated, without further action by the parties hereto.

Section 11.3. Successors and Assigns. All covenants and agreements in this Funding Loan Agreement by the Governmental Lender shall bind its successors and assigns, whether so expressed or not.

Section 11.4. Legal Holidays. In any case in which the date of payment of any amount due hereunder or the date on which any other act is to be performed pursuant to this Funding Loan Agreement shall be a day that is not a Business Day, then payment of such amount or such act need not be made on such date but may be made on the next succeeding Business Day, and such later payment or such act shall have the same force and effect as if made on the date of payment or the date fixed for prepayment or the date fixed for such act, and no additional interest shall accrue for the period after such date and prior to the date of payment.

In case any covenant, stipulation, obligation or agreement contained in the Governmental Lender Notes or in this Funding Loan Agreement shall for any reason be held to be usurious or in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the Governmental Lender or the Funding Lender only to the full extent permitted by law.

Section 11.7. Execution in Several Counterparts. This Funding Loan Agreement may be contemporaneously executed in several counterparts, all of which shall constitute one and the same instrument and each of which shall be, and shall be deemed to be, an original.

Section 11.8. Nonrecourse Obligation of the Borrower. Except as otherwise provided in the Borrower Loan Agreement, any obligations of the Borrower under this Funding Loan Agreement are without recourse to the Borrower or to the Borrower's partners or members, as the case may be, and the provisions of Section 11.1 of the Borrower Loan Agreement are by this reference incorporated herein.

\$_____ Multi-family Mortgage Revenue
[Construction/Permanent] [Construction] Note
Series 2014 [A][B]

Parkside Of Old Town Phase IIB.

Dated _____, 2014 not to exceed \$[Funding Loan Amount]

For Value Received, The undersigned City of Chicago ("Obligor") promises to pay to the order of Citibank, N.A. ("Holder") the maximum principal sum of _____ Thousand and no/100 Dollars \$_____, on June __, 20__, or earlier as provided herein, together with interest thereon at the rates, at the times and in the amounts provided below.

Obligor shall pay to the Holder on or before each date on which payment is due under that certain Funding Loan Agreement, dated as of June 1, 2014 (the "Funding Loan Agreement"), between Obligor and Holder, an amount in immediately available funds sufficient to pay the principal amount of and Prepayment Premium, if any, on the Funding Loan then due and payable, whether by maturity, acceleration, prepayment or otherwise. In the event that amounts held derived from proceeds of the Borrower Loan, condemnation awards or insurance proceeds or investment earnings thereon are applied to the payment of principal due on the Funding Loan in accordance with the Funding Loan Agreement, the principal amount due hereunder shall be reduced to the extent of the principal amount of the Funding Loan so paid. Capitalized terms not otherwise defined herein shall have the meaning assigned in the Funding Loan Agreement.

Obligor shall pay to the Holder on or before each date on which interest on the Funding Loan is payable interest on the unpaid balance hereof in an amount in immediately available funds sufficient to pay the interest on the Funding Loan then due and payable in the amounts and at the rate or rates set forth in the Funding Loan Agreement.

The Funding Loan and this Governmental Lender Note are pass-through obligations relating to a construction loan (the "Borrower Loan") made by Obligor from proceeds of the Funding Loan to Parkside Phase IIB, L.P., an Illinois limited partnership, as borrower (the "Borrower"), under that certain Borrower Loan Agreement, dated as of June 1, 2014 (as the same may be modified, amended or supplemented from time to time, the "Borrower Loan Agreement"), between the Obligor and the Borrower, evidenced by the Borrower Note (as defined in the Borrower Loan Agreement). Reference is made to the Borrower Loan Agreement and to the Borrower Note for complete payment and prepayment terms of the Borrower Note, payments on which are passed-through under the Governmental Lender Note.

This Governmental Lender Note is a limited obligation of the Obligor, payable solely from the Pledged Revenues and other funds and moneys and Security pledged and assigned under the Funding Loan Agreement. This Governmental Lender Note is not a general obligation of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal of and, premium, if any, and interest on this Governmental Lender Note, and the Governmental Lender Note is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement. No holder of this Governmental Lender Note or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Governmental Lender Note or the interest or premium, if any, thereon.

All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Funding Loan Agreement or in the Borrower Loan Agreement.

This Governmental Lender Note is subject to the express condition that at no time shall interest be payable on this Governmental Lender Note or the Funding Loan at a rate in excess of the Maximum Rate provided in the Funding Loan Agreement; and Obligor shall not be obligated or required to pay, nor shall the Holder be permitted to charge or collect, interest at a rate in excess of such Maximum Rate. If by the terms of this Governmental Lender Note or of the Funding Loan Agreement, Obligor is required to pay interest at a rate in excess of such Maximum Rate, the rate of interest hereunder or thereunder shall be deemed to be reduced immediately and automatically to such Maximum Rate, and any such excess

payment previously made shall be immediately and automatically applied to the unpaid balance of the principal sum hereof and not to the payment of interest.

Amounts payable hereunder representing late payments, penalty payments or the like shall be payable to the extent allowed by law.

This Governmental Lender Note is subject to all of the terms, conditions, and provisions of the Funding Loan Agreement, including those respecting prepayment and the acceleration of maturity.

If there is an Event of Default under the Funding Loan Documents, then in any such event and subject to the requirements set forth in the Funding Loan Agreement, the Holder may declare the entire unpaid principal balance of this Governmental Lender Note and accrued interest, if any, due and payable at once. All of the covenants, conditions and agreements contained in the Funding Loan Documents are hereby made part of this Governmental Lender Note.

Section 2.9. Marshalling; Payments Set Aside. The Governmental Lender and Funding Lender shall be under no obligation to marshal any assets in favor of Borrower or any other Person or against or in payment of any or all of the proceeds. To the extent that Borrower makes a payment or payments or transfers any assets to the Governmental Lender or Funding Lender, or the Governmental Lender or Funding Lender enforces its liens, and such payment or payments or transfers, or the proceeds of such enforcement or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party in connection with any insolvency proceeding, or otherwise, then: (i) any and all obligations owed to the Governmental Lender or Funding Lender and any and all remedies available to the Governmental Lender or Funding Lender under the terms of the Borrower Loan Documents and the Funding Loan Documents or in law or equity against Borrower, General Partner or Guarantors and/or any of their properties shall be automatically revived and reinstated to the extent (and only to the extent) of any recovery permitted under clause (ii) below; and (ii) the Governmental Lender and Funding Lender shall be entitled to recover (and shall be entitled to file a proof of claim to obtain such recovery in any applicable bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding) either: (x) the amount of payments or the value of the transfer or (y) if the transfer has been undone and the assets returned in whole or in part, the value of the consideration paid to or received by Borrower for the initial asset transfer, plus in each case any deferred interest from the date of the disgorgement to the date of distribution to the Governmental Lender or Funding Lender in any bankruptcy, insolvency, receivership or fraudulent conveyance or fraudulent transfer proceeding, and any costs and expenses due and owing, including, without limitation, any reasonable attorneys' fees incurred by the Governmental Lender or Funding Lender in connection with the exercise by the Governmental Lender or Funding Lender of its rights under this Section 2.9.

Section 2.10. Borrower Loan Disbursements. The Borrower Loan shall be disbursed by the Funding Lender, as agent for the Governmental Lender, pursuant to the Construction Funding Agreement.

ARTICLE III

CONVERSION

Section 3.1. Conversion Date and Extension of Outside Conversion Date. Borrower shall satisfy each of the Conditions to Conversion to occur and cause the Conversion Date to occur on or before the Outside Conversion Date (including the Extended Outside Conversion Date, if any), as further provided in the Construction Funding Agreement. The failure to satisfy each of the Conditions to Conversion on or before the Outside Conversion Date shall constitute an Event of Default under the Borrower Loan Documents.

Section 3.2. Notice From Funding Lender; Funding Lender's Calculation Final.

(a) Following satisfaction of all of the Conditions to Conversion, Funding Lender shall deliver Written Notice to Borrower of: (i) the Conversion Date, (ii) the amount of the Permanent Period Amount, (iii) any required prepayment of the Borrower Notes (as described below in Section 3.3) and (iv) any amendments to the amortization schedule, as applicable.

(b) Funding Lender's calculation of the Permanent Period Amount and any amendments to the amortization of the Borrower Loan shall be, in the absence of manifest error, conclusive and binding on all parties.

Section 3.3. Mandatory Prepayment of the Borrower Loan.

(a) As further provided in the Construction Funding Agreement, if and to the extent the Permanent Period Amount is less than the Interim Phase Amount, Funding Lender may in its sole discretion require Borrower to make a partial prepayment of the Borrower Loan in an amount equal to the difference between the Interim Phase Amount and the Permanent Period Amount (a "Pre-Conversion Loan Equalization Payment"), provided, however, that if the Permanent Period Amount is less than the Minimum Permanent Period Amount (as defined in the Construction Funding Agreement), then Funding Lender may in its sole discretion require Borrower to prepay the Borrower Loan in full.

(b) Any prepayment in full or in part of the Borrower Loan required pursuant to Section 3.3(a) above shall be subject to a prepayment premium under certain circumstances as more particularly set forth in the related Borrower Note.

Section 3.4. Release of Remaining Loan Proceeds. If and to the extent that the Permanent Period Amount is greater than the principal amount of the Borrower Loan which has previously been disbursed to Borrower, Funding Lender shall deliver Written Notice thereof to Borrower on or before the Conversion Date. Within ten (10) business days after delivery of such notice, but in no event later than the Outside Conversion Date, Funding Lender shall disburse Borrower Loan proceeds to Borrower so that the aggregate principal amount of the Borrower Loan disbursed equals the Permanent Period Amount. Any Borrower Loan proceeds previously disbursed to the Borrower in excess of the Permanent Period Amount shall be paid by Borrower to Funding Lender.

Section 3.5. No Amendment. Nothing contained in this Article III shall be construed to amend, modify, alter, change or supersede the terms and provisions of the Borrower Notes, Security Instrument, the Construction Funding Agreement or any other Borrower Loan Document and, if there shall exist a conflict between the terms and provisions of this Article III and those of the Borrower Notes, Security Instrument, the Construction Funding Agreement or other Borrower Loan Documents, then the terms and provisions of the Borrower Notes, Security Instrument, the Construction Funding Agreement and other Borrower Loan Documents shall control, provided, however, that in the event of a conflict between the terms and provisions of this Article III and those of the Borrower's loan application with the Funding Lender, the terms and provisions of this Article III shall control.

Section 3.6. Determinations by Funding Lender. In any instance where the consent or approval of Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by Funding Lender under this Article III, including in connection with the Construction Funding Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Funding Lender (or its designated representative), at its sole and exclusive option and in its sole and absolute discretion.

**ARTICLE IV
REPRESENTATIONS AND WARRANTIES**

Section 4.1. Borrower Representations. To induce the Governmental Lender to execute this Borrower Loan Agreement and to induce Funding Lender to make Disbursements, Borrower represents and warrants for the benefit of the Governmental Lender, Funding Lender and the Servicer, that the representations and warranties set forth in this Section 4.1 are complete and accurate as of the Closing Date and will be complete and accurate, and deemed remade, as of the date of each Disbursement, as of the original Outside Conversion Date, as of the date of any extension thereof and as of the Maturity Date in accordance with the terms and conditions of the Borrower Notes. Subject to Section 4.2 hereof, the representations, warranties and agreements set forth in this Section 4.1 shall survive the making of the Borrower Loan, and shall remain in effect and true and correct in all material respects until the Borrower Loan and all other Payment Obligations have been repaid in full.

Section 4.1.1 Organization; Special Purpose. The Borrower is in good standing under the laws of the State (and under the laws of the state in which the Borrower was formed if the Borrower was not formed under the laws of the State), has full legal right, power and authority to enter into the Borrower Loan Documents to which it is a party, and to carry out and consummate all transactions contemplated by the Borrower Loan Documents to which it is a party, and by proper corporate limited partnership or limited liability company action, as appropriate has duly authorized the execution, delivery and performance of the Borrower Loan Documents to which it is a party. The Person(s) of the Borrower executing the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are fully authorized to execute the same. The Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party have been duly authorized, executed and delivered by the Borrower. The sole business of the Borrower is the ownership, management and operation of the Project.

Section 4.1.2 Proceedings; Enforceability. Assuming due execution and delivery by the other parties thereto, the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party will constitute the legal, valid and binding agreements of the Borrower enforceable against the Borrower in accordance with their terms; except in each case as enforcement may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles regardless of whether enforcement is sought in a proceeding at law or in equity and by public policy.

Section 4.1.3 No Conflicts. The execution and delivery of the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof and thereof, will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under the Partnership Agreement of the Borrower, or to the best knowledge of the Borrower and with respect to the Borrower, any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any mortgage, deed of trust, loan agreement, lease, contract or other agreement or instrument to which the Borrower is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Borrower, which conflict, violation, breach, default, lien, charge or encumbrance might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, or the financial condition, assets, properties or operations of the Borrower.

Section 4.1.4 Litigation; Adverse Facts. There is no Legal Action, nor is there a basis known to Borrower for any Legal Action, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower, the General Partner or the Guarantors, or their respective assets, properties or operations which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, the Borrower Loan Documents or the Funding Loan Documents, upon the ability of each of Borrower, General Partner and Guarantors to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or upon the financial condition, assets (including the Project), properties or operations of the Borrower, the General Partner or the Guarantors, none of the Borrower, General Partner or Guarantors is in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the ability of each of Borrower, General Partner and Guarantors to perform their respective obligations under the Borrower Loan Documents, the Funding Loan Documents and the Related Documents to which it is a party, or the financial condition, assets, properties or operations of the Borrower, General Partner or Guarantors. None of Borrower, General Partner or Guarantors are (a) in violation of any applicable law, which violation materially and adversely affects or may materially and adversely affect the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantors, as applicable; (b) subject to, or in default with respect to, any other Legal Requirement that would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantors, as applicable; or (c) in default with respect to any agreement to which Borrower, General Partner or Guarantors, as applicable, are a party or by which they are bound, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantors, as applicable; and (d) there is no Legal Action pending or, to the knowledge of Borrower, threatened against or affecting Borrower, General Partner or Guarantors questioning the validity or the enforceability of this Borrower Loan Agreement or any of the other Borrower Loan Documents or the Funding Loan Documents or of any of the Related Documents. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

Section 4.1.5 Agreements; Consents; Approvals. Except as contemplated by the Borrower Loan Documents and the Funding Loan Documents, the Borrower is not a party to any agreement or instrument or subject to any restriction that would materially adversely affect the Borrower, the Project, or the Borrower's business, properties, operations or financial condition or business prospects, except the Permitted Encumbrances. The Borrower is not in default in any material respect in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any Permitted Encumbrance or any other agreement or instrument to which it is a party or by which it or the Project is bound.

No consent or approval of any trustee or holder of any indebtedness of the Borrower, and to the best knowledge of the Borrower and only with respect to the Borrower, no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority (except no

representation is made with respect to any state securities or "blue sky" laws) is necessary in connection with the execution and delivery of the Borrower Loan Documents or the Funding Loan Documents, or the consummation of any transaction herein or therein contemplated, or the fulfillment of or compliance with the terms and conditions hereof or thereof, except as have been obtained or made and as are in full force and effect.

Section 4.1.6 Title. The Borrower shall have marketable title to the Project, free and clear of all Liens except the Permitted Encumbrances. The Security Instrument, when properly recorded in the appropriate records, together with any UCC financing statements required to be filed in connection therewith, will create (i) a valid, perfected first priority lien on the fee (or leasehold, if applicable) interest in the Project and (ii) perfected security interests in and to, and perfected collateral assignments of, all personalty included in the Project (including the Leases), all in accordance with the terms thereof, in each case subject only to any applicable Permitted Encumbrances. To the Borrower's knowledge, there are no delinquent real property taxes or assessments, including water and sewer charges, with respect to the Project, nor are there any claims for payment for work, labor or materials affecting the Project which are or may become a Lien prior to, or of equal priority with, the Liens created by the Borrower Loan Documents and the Funding Loan Documents.

Section 4.1.7 Survey. To the best knowledge of the Borrower, the survey for the Project delivered to the Governmental Lender and the Funding Lender does not fail to reflect any material matter affecting the Project or the title thereto.

Section 4.1.8 No Bankruptcy Filing. The Borrower is not contemplating either the filing of a petition by it under any state or federal bankruptcy or insolvency law or the liquidation of all or a major portion of its property (a "Bankruptcy Proceeding"), and the Borrower has no knowledge of any Person contemplating the filing of any such petition against it. As of the Closing Date, the Borrower has the ability to pay its debts as they become due.

Section 4.1.9 Full and Accurate Disclosure. No statement of fact made by the Borrower in any Borrower Loan Document or any Funding Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make statements contained therein in light of the circumstances in which they were made, not misleading. There is no material fact or circumstance presently known to the Borrower that has not been disclosed to the Governmental Lender and the Funding Lender which materially and adversely affects the Project or the business, operations or financial condition or business prospects of the Borrower or the Borrower's ability to meet its obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and Funding Loan Documents to which it is a party in a timely manner.

Section 4.1.10 No Plan Assets. The Borrower is not an "employee benefit plan," as defined in Section 3(3) of ERISA, subject to Title I of ERISA, and none of the assets of the Borrower constitutes or will constitute "plan assets" of one or more such plans within the meaning of 29 C.F.R. Section 2510.3 101.

Section 4.1.11 Compliance. The Borrower, the Project and the use thereof will comply, to the extent required, in all material respects with all applicable Legal Requirements. The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which would materially adversely affect the financial condition or business prospects or the business of the Borrower. There has not been committed by the Borrower or any Affiliate involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof or any moneys

paid in performance of the Borrower's obligations under any Borrower Loan Document or any Funding Loan Documents.

Section 4.1.12 Contracts. All service, maintenance or repair contracts affecting the Project have been entered into at arm's length (except for such contracts between the Borrower and its affiliates or the affiliates of the Borrower Controlling Entity of the Borrower) in the ordinary course of the Borrower's business and provide for the payment of fees in amounts and upon terms comparable to existing market rates.

Section 4.1.13 Financial Information. All financial data, including any statements of cash flow and income and operating expense, that have been delivered to the Governmental Lender or the Funding Lender in respect of the Project by or on behalf of the Borrower, to the best knowledge of the Borrower, (i) are accurate and complete in all material respects, (ii) accurately represent the financial condition of the Project as of the date of such reports, and (iii) to the extent prepared by an independent certified public accounting firm, have been prepared in accordance with GAAP consistently applied throughout the periods covered, except as disclosed therein. Other than pursuant to or permitted by the Borrower Loan Documents or the Funding Loan Documents or the Borrower organizational documents, the Borrower has no contingent liabilities, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments. Since the date of such financial statements, there has been no materially adverse change in the financial condition, operations or business of the Borrower from that set forth in said financial statements.

Section 4.1.14 Condemnation. No Condemnation or other proceeding has been commenced or, to the Borrower's knowledge, is contemplated, threatened or pending with respect to all or part of the Project or for the relocation of roadways providing access to the Project.

Section 4.1.15 Federal Reserve Regulations. No part of the proceeds of the Borrower Loan will be used for the purpose of purchasing or acquiring any "margin stock" within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose that would be inconsistent with such Regulation U or any other regulation of such Board of Governors, or for any purpose prohibited by Legal Requirements or any Borrower Loan Document or Funding Loan Document.

Section 4.1.16 Utilities and Public Access. To the best of the Borrower's knowledge, the Project is or will be served by water, sewer, sanitary sewer and storm drain facilities adequate to service it for its intended uses. All public utilities necessary or convenient to the full use and enjoyment of the Project are or will be located in the public right-of-way abutting the Project, and all such utilities are or will be connected so as to serve the Project without passing over other property absent a valid easement. All roads necessary for the use of the Project for its current purpose have been or will be completed and dedicated to public use and accepted by all Governmental Authorities. Except for Permitted Encumbrances, the Project does not share ingress and egress through an easement or private road or share on-site or off-site recreational facilities and amenities that are not located on the Project and under the exclusive control of the Borrower, or where there is shared ingress and egress or amenities, there exists an easement or joint use and maintenance agreement under which (i) access to and use and enjoyment of the easement or private road and/or recreational facilities and amenities is perpetual, (ii) the number of parties sharing such easement and/or recreational facilities and amenities must be specified, (iii) the Borrower's responsibilities and share of expenses are specified, and (iv) the failure to pay any maintenance fee with respect to an easement will not result in a loss of usage of the easement.

Section 4.1.17 Not a Foreign Person. The Borrower is not a "foreign person" within the meaning of §1445(f)(3) of the Code.

Section 4.1.18 Separate Lots. Each parcel comprising the Land is a separate tax lot and is not a portion of any other tax lot that is not a part of the Land.

Section 4.1.19 Assessments. There are no pending or, to the Borrower's best knowledge, proposed special or other assessments for public improvements or otherwise affecting the Project, or any contemplated improvements to the Project that may result in such special or other assessments.

Section 4.1.20 Enforceability. The Borrower Loan Documents and the Funding Loan Documents are not subject to, and the Borrower has not asserted, any right of rescission, set-off, counterclaim or defense, including the defense of usury.

Section 4.1.21 Insurance. The Borrower has obtained the insurance required by this Borrower Loan Agreement, if applicable, and the Security Instrument and has delivered to the Servicer copies of insurance policies or certificates of insurance reflecting the insurance coverages, amounts and other requirements set forth in this Borrower Loan Agreement, if applicable, and the Security Instrument.

Section 4.1.22 Use of Property; Licenses. The Project will be used as a multifamily residential rental project and other appurtenant and related uses, which use is consistent with the zoning classification for the Project. All certifications, permits, licenses and approvals, including certificates of completion and occupancy permits required for the legal use or legal, nonconforming use, as applicable, occupancy and operation of the Project (collectively, the "Licenses") required at this time for the construction or rehabilitation, as appropriate, and equipping of the Project have been obtained. To the Borrower's knowledge, all Licenses obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Licenses required for the future use and occupancy of the Project and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course following the Completion Date. No Licenses will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure sale under the Security Instrument or deed in lieu of foreclosure thereunder. The Project does not violate any density or building setback requirements of the applicable zoning law except to the extent, if any, shown on the survey. No proceedings are, to the best of the Borrower's knowledge, pending or threatened that would result in a change of the zoning of the Project.

Section 4.1.23 Flood Zone. Either all Improvements will be constructed above the flood grade or the Borrower will obtain appropriate flood insurance as directed by the Servicer.

Section 4.1.24 Physical Condition. The Project, including all Improvements, parking facilities, systems, fixtures, Equipment and landscaping, are or, after completion of the construction, rehabilitation and/or repairs, as appropriate, will be in good and habitable condition in all material respects and in good order and repair in all material respects (reasonable wear and tear excepted). The Borrower has not received notice from any insurance company or bonding company of any defect or inadequacy in the Project, or any part thereof, which would adversely affect its insurability or cause the imposition of extraordinary premiums or charges thereon or any termination of any policy of insurance or bond. The physical configuration of the Project is not in material violation of the ADA, if required under applicable law.

Section 4.1.25 Encroachments. All of the Improvements included in determining the appraised value of the Project will lie wholly within the boundaries and building restriction lines of the Project, and no improvement on an adjoining property encroaches upon the Project, and no easement or other encumbrance upon the Project encroaches upon any of the Improvements, so as to affect the value

or marketability of the Project, except those insured against by the Title Insurance Policy or disclosed in the survey of the Project as approved by the Funding Lender.

Section 4.1.26 State Law Requirements. The Borrower hereby represents, covenants and agrees to comply with the provisions of all applicable State laws relating to the Borrower Loan, the Funding Loan and the Project.

Section 4.1.27 Filing and Recording Taxes. All transfer taxes, deed stamps, intangible taxes or other amounts in the nature of transfer taxes required to be paid by any Person under applicable Legal Requirements in connection with the transfer of the Project to the Borrower have been paid. All mortgage, mortgage recording, stamp, intangible or other similar taxes required to be paid by any Person under applicable Legal Requirements in connection with the execution, delivery, recordation, filing, registration, perfection or enforcement of any of the Borrower Loan Documents and the Funding Loan Documents have been or will be paid.

Section 4.1.28 Investment Company Act. The Borrower is not (i) an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended; or (ii) a "holding company" or a "subsidiary company" of a "holding company" or an "affiliate" of either a "holding company" or a "subsidiary company" within the meaning of the Public Utility Holding Company Act of 1935, as amended.

Section 4.1.29 Fraudulent Transfer. The Borrower has not accepted the Borrower Loan or entered into any Borrower Loan Document or Funding Loan Document with the actual intent to hinder, delay or defraud any creditor, and the Borrower has received reasonably equivalent value in exchange for its obligations under the Borrower Loan Documents and the Funding Loan Documents. Giving effect to the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents, the fair saleable value of the Borrower's assets exceeds and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, exceed the Borrower's total liabilities, including subordinated, unliquidated, disputed or contingent liabilities. The fair saleable value of the Borrower's assets is and will, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents, be greater than the Borrower's probable liabilities, including the maximum amount of its contingent liabilities or its debts as such debts become absolute and matured. The Borrower's assets do not and, immediately following the execution and delivery of the Borrower Loan Documents and the Funding Loan Documents will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. The Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

Section 4.1.30 Ownership of the Borrower. Except as set forth in the Partnership Agreement of the Borrower, the Borrower has no obligation to any Person to purchase, repurchase or issue any ownership interest in it.

Section 4.1.31 Environmental Matters. To the best of Borrower's knowledge and except as disclosed in environmental reports previously delivered to the Funding Lender and the Governmental Lender and in the no further remediation letter (the "Prior Environmental Disclosures"), the Project is not in violation of any Legal Requirement pertaining to or imposing liability or standards of conduct concerning environmental regulation, contamination or clean-up, and will comply with covenants and requirements relating to environmental hazards as set forth in the Security Instrument. The Borrower will execute and deliver the Agreement of Environmental Indemnification.

Section 4.1.32 Name; Principal Place of Business. Unless prior Written Notice is given to the Funding Lender, the Borrower does not use and will not use any trade name, and has not done and will not do business under any name other than its actual name set forth herein. The principal place of business of the Borrower is its primary address for notices as set forth in Section 10.1 hereof, and the Borrower has no other place of business, other than the Project and such principal place of business.

Section 4.1.33 Subordinated Debt. There is no secured or unsecured indebtedness with respect to the Project or any residual interest therein, other than Permitted Encumbrances and the permitted secured indebtedness described in Section 6.7 hereof, except an unsecured deferred developer fee not to exceed the amount permitted by Funding Lender as determined on the Closing Date.

Section 4.1.34 Filing of Taxes. The Borrower has filed (or has obtained effective extensions for filing) all federal, state and local tax returns required to be filed and has paid or made adequate provision for the payment of all federal, state and local taxes, charges and assessments, if any, payable by the Borrower.

Section 4.1.35 General Tax. All representations, warranties and certifications of the Borrower set forth in the Regulatory Agreement and the Tax Compliance Agreement are incorporated by reference herein and the Borrower will comply with such as if set forth herein.

Section 4.1.36 Approval of the Borrower Loan Documents and Funding Loan Documents. By its execution and delivery of this Borrower Loan Agreement, the Borrower approves the form and substance of the Borrower Loan Documents and the Funding Loan Documents, and agrees to carry out the responsibilities and duties specified in the Borrower Loan Documents and the Funding Loan Documents to be carried out by the Borrower. The Borrower acknowledges that (a) it understands the nature and structure of the transactions relating to the financing of the Project, (b) it is familiar with the provisions of all of the Borrower Loan Documents and the Funding Loan Documents and other documents and instruments relating to the financing, (c) it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project, and (d) it has not relied on the Governmental Lender, the Funding Lender or the Servicer for any guidance or expertise in analyzing the financial or other consequences of the transactions contemplated by the Borrower Loan Documents and the Funding Loan Documents or otherwise relied on the Governmental Lender, the Funding Lender or the Servicer in any manner.

Section 4.1.37 Funding Loan Agreement. The Borrower has read and accepts and agrees that it is bound by the Funding Loan Agreement and the Funding Loan Documents.

Section 4.1.38 Americans with Disabilities Act. The Project, as designed, will conform in all material respects with all applicable zoning, planning, building and environmental laws, ordinances and regulations of governmental authorities having jurisdiction over the Project, including, but not limited to, the Americans with Disabilities Act of 1990 ("ADA"), to the extent required (as evidenced by an architect's certificate to such effect).

Section 4.1.39 Requirements of Code and Regulations. The Project satisfies all requirements of the Code and the Regulations applicable to the Project.

Section 4.1.40 Regulatory Agreement. The Project is, as of the date of origination of the Funding Loan, in compliance with all requirements of the Regulatory Agreement to the extent such requirements are applicable; and the Borrower intends to cause the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Regulatory Agreement,

including all applicable requirements of the Code and the Regulations, and pursuant to leases which comply with all applicable laws.

Section 4.1.41 Intention to Hold Project. The Borrower intends to hold the Project for its own account and has no current plans, and has not entered into any agreement, to sell the Project or any part of it; and the Borrower intends to occupy the Project or cause the Project to be occupied and to operate it or cause it to be operated at all times during the term of this Borrower Loan Agreement in compliance with the terms of this Borrower Loan Agreement and the Regulatory Agreement and does not know of any reason why the Project will not be so used by it in the absence of circumstances not now anticipated by it or totally beyond its control.

Section 4.1.42 Concerning General Partner.

(a) The General Partner of Borrower is a limited liability company, duly organized and validly existing under the laws of the State. The General Partner has all requisite power and authority, rights and franchises to enter into and perform its obligations under the Borrower Loan Documents and the Funding Loan Documents to be executed by such General Partner for its own account and on behalf of Borrower, as General Partner of Borrower, under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents.

(b) General Partner has made all filings (including, without limitation, all required filings related to the use of fictitious business names) and is in good standing in the State and in each other jurisdiction in which the character of the property it owns or the nature of the business it transacts makes such filings necessary or where the failure to make such filings could have a material adverse effect on the business, operations, assets, condition (financial or otherwise) or prospects of General Partner.

(c) General Partner is duly authorized to do business in the State.

(d) The execution, delivery and performance by Borrower of the Borrower Loan Documents and the Funding Loan Documents have been duly authorized by all necessary action of General Partner on behalf of Borrower, and by all necessary action on behalf of General Partner.

(e) The execution, delivery and performance by General Partner, on behalf of Borrower, of the Borrower Loan Documents and the Funding Loan Documents will not violate (i) General Partner's organizational documents; (ii) any other Legal Requirement affecting General Partner or any of its properties; or (iii) any agreement to which General Partner is bound or to which it is a party; and will not result in or require the creation (except as provided in or contemplated by this Borrower Loan Agreement) of any Lien upon any of such properties, any of the Collateral or any of the property or funds pledged or delivered to Funding Lender pursuant to the Security Documents.

Section 4.1.43 Government and Private Approvals. All governmental or regulatory orders, consents, permits, authorizations and approvals required for the construction, rehabilitation, use, occupancy and operation of the Improvements, that may be granted or denied in the discretion of any Governmental Authority, have been obtained and are in full force and effect (or, in the case of any of the foregoing that Borrower is not required to have as of the Closing Date, will be obtained), and will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. All such orders, consents, permits, authorizations and approvals that may not be denied in the discretion of any Governmental Authority shall be obtained prior to the commencement of any work

for which such orders, consents, permits, authorizations or approvals are required, and, once obtained, such orders, consents, permits, authorizations and approvals will be maintained in full force and effect at all times during the construction or rehabilitation of the Improvements. Except as set forth in the preceding two sentences, no additional governmental or regulatory actions, filings or registrations with respect to the Improvements, and no approvals, authorizations or consents of any trustee or holder of any indebtedness or obligation of Borrower, are required for the due execution, delivery and performance by Borrower or General Partner of any of the Borrower Loan Documents or the Funding Loan Documents or the Related Documents executed by Borrower or General Partner, as applicable. All required zoning approvals have been obtained, and the zoning of the Land for the Project is not conditional upon the happening of any further event.

Section 4.1.44 Concerning Guarantors. The Borrower Loan Documents and the Funding Loan Documents to which the Guarantors are a party or a signatory executed simultaneously with this Borrower Loan Agreement have been duly executed and delivered by the Guarantors and are legally valid and binding obligations of the Guarantors, enforceable against the Guarantors in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity.

Section 4.1.45 No Material Defaults. Except as previously disclosed to Funding Lender in writing, there exists no material violation of or material default by Borrower under, and, to the best knowledge of Borrower, no event has occurred which, upon the giving of notice or the passage of time, or both, would constitute a material default with respect to: (i) the terms of any instrument evidencing, securing or guaranteeing any indebtedness secured by the Project or any portion or interest thereof or therein; (ii) any lease or other agreement affecting the Project or to which Borrower is a party; (iii) any license, permit, statute, ordinance, law, judgment, order, writ, injunction, decree, rule or regulation of any Governmental Authority, or any determination or award of any arbitrator to which Borrower or the Project may be bound; or (iv) any mortgage, instrument, agreement or document by which Borrower or any of its respective properties is bound; in the case of any of the foregoing: (1) which involves any Borrower Loan Document or Funding Loan Document; (2) which involves the Project and is not adequately covered by insurance; (3) that might materially and adversely affect the ability of Borrower, General Partner or Guarantors or to perform any of its respective obligations under any of the Borrower Loan Documents or the Funding Loan Documents or any other material instrument, agreement or document to which it is a party; or (4) which might adversely affect the priority of the Liens created by this Borrower Loan Agreement or any of the Borrower Loan Documents or the Funding Loan Documents.

Except as previously disclosed to Funding Lender in writing: (i) all tax returns and reports of Borrower, General Partner and Guarantors required to be filed have been timely filed, and all taxes, assessments, fees and other governmental charges upon Borrower, General Partner and Guarantors, and upon their respective properties, assets, income and franchises, which are due and payable have been paid when due and payable; and (ii) Borrower knows of no proposed tax assessment against it or against General Partner or Guarantors that would be material to the condition (financial or otherwise) of Borrower, General Partner or Guarantors, and neither Borrower nor General Partner have contracted with any Government Authority in connection with such taxes.

Section 4.1.47 Rights to Project Agreements and Licenses. Borrower is the legal and beneficial owner of all rights in and to the Plans and Specifications and all existing Project Agreements and Licenses, and will be the legal and beneficial owner of all rights in and to all future Project Agreements and Licenses. Borrower's interest in the Plans and Specifications and all Project Agreements and Licenses is not subject to any present claim (other than under the Borrower Loan Documents and the

Funding Loan Documents or as otherwise approved by Funding Lender in its sole discretion), set-off or deduction other than in the ordinary course of business.

Section 4.1.48 Patriot Act Compliance. Borrower is not now, nor has ever been (i) listed on any Government Lists (as defined below), (ii) a person who has been determined by a Governmental Authority to be subject to the prohibitions contained in Presidential Executive Order No. 13224 (Sept. 23, 2001) or any other similar prohibitions contained in the rules and regulations of OFAC or in any enabling legislation or other Presidential Executive Orders in respect thereof, (iii) indicted for or convicted of any felony involving a crime or crimes of moral turpitude or for any Patriot Act Offense, or (iv) under investigation by any Governmental Authority for alleged criminal activity. For purposes hereof, the term "Government Lists" shall mean (1) the Specially Designated Nationals and Blocked Persons Lists maintained by the Office of Foreign Assets Control ("OFAC"), (2) any other list of terrorists, terrorist organizations or narcotics traffickers maintained pursuant to any of the Rules and Regulations of OFAC that Funding Lender notified Borrower in writing is now included in "Government Lists", or (3) any similar lists maintained by the United States Department of State, the United States Department of Commerce or any other Government Authority or pursuant to any Executive Order of the President of the United States of America that Funding Lender notified Borrower in writing is now included in "Government Lists".

Section 4.1.49 Rent Schedule. Borrower has prepared, or has had prepared on its behalf, a prospective Unit absorption and rent collection schedule with respect to the Project substantially in the form attached as an exhibit to the Construction Funding Agreement, which schedule takes into account, among other relevant factors (i) a schedule of minimum monthly rentals for the Units, and (ii) any and all concessions including free rent periods, and on the basis of such schedule, Borrower believes it will collect rents with respect to the Project in amounts greater than or equal to debt service on the Borrower Loan.

Section 4.1.50 Other Documents. Each of the representations and warranties of Borrower or General Partner contained in any of the other Borrower Loan Documents or the Funding Loan Documents or Related Documents is true and correct in all material respects (or, in the case of representations or warranties contained in any of the other Borrower Loan Documents or Funding Loan Documents or Related Documents that speak as of a particular date, were true and correct in all material respects as of such date). All of such representations and warranties are incorporated herein for the benefit of Funding Lender.

Section 4.1.51 Subordinate Loan Documents. Section 4.2. Survival of Representations and Covenants. All of the representations and warranties in Section 4.1 hereof and elsewhere in the Borrower Loan Documents (i) shall survive for so long as any portion of the Borrower Payment Obligations remains due and owing and (ii) shall be deemed to have been relied upon by the Governmental Lender and the Servicer notwithstanding any investigation heretofore or hereafter made by the Governmental Lender or the Servicer or on its or their behalf, provided, however, that the representations, warranties and covenants set forth in Section 4.1.31 hereof shall survive in perpetuity and shall not be subject to the exculpation provisions of Section 11.1 hereof.

The Borrower covenants to pay all taxes and Other Charges of any type or character charged to the Funding Lender affecting the amount available to the Funding Lender from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and Other Charges assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Funding Lender and taxes based upon or measured by the net income of the Funding Lender; provided, however, that the Borrower shall have the right to protest any such taxes or Other Charges and to require the Funding Lender, at the Borrower's expense, to protest and contest any such taxes or Other Charges levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or Other Charges pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Funding Lender. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.3. Repairs; Maintenance and Compliance; Physical Condition. The Borrower shall cause the Project to be maintained in a good, habitable and safe (so as to not threaten the health or safety of the Project's tenants or their invited guests) condition and repair (reasonable wear and tear excepted) as set forth in the Security Instrument and shall not remove, demolish or materially alter the Improvements or Equipment (except for removal of aging or obsolete equipment or furnishings in the normal course of business), except as provided in the Security Instrument.

Section 5.4. Litigation. The Borrower shall give prompt Written Notice to the Governmental Lender, the Funding Lender and the Servicer of any litigation, governmental proceedings or claims or investigations regarding an alleged actual violation of a Legal Requirement pending or, to the Borrower's

If the Borrower becomes subject to federal or state securities law filing requirements, the Borrower shall cause to be delivered to the Governmental Lender, the Funding Lender and the Servicer any Securities and Exchange Commission or other public filings, if any, of the Borrower within two (2) Business Days of such filing.

Section 5.7. Cooperate in Legal Proceedings. The Borrower shall cooperate fully with the Governmental Lender, the Funding Lender and the Servicer with respect to, and permit the Governmental Lender, the Funding Lender and the Servicer at their option, to participate in, any proceedings before any Governmental Authority that may in any way affect the rights of the Governmental Lender, the Funding Lender and/or the Servicer under any Borrower Loan Document or Funding Loan Document.

Section 5.8. Further Assurances. The Borrower shall, at the Borrower's sole cost and expense (except as provided in Section 9.1 hereof), (i) furnish to the Servicer and the Funding Lender all instruments, documents, boundary surveys, footing or foundation surveys (to the extent that Borrower's construction or renovation of the Project alters any existing building foundations or footprints), certificates, plans and specifications, appraisals, title and other insurance reports and agreements, reasonably requested by the Servicer or the Funding Lender for the better and more efficient carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents; (ii) execute and deliver to the Servicer and the Funding Lender such documents, instruments, certificates, assignments and other writings, and do such other acts necessary or desirable, to evidence, preserve and/or protect the collateral at any time securing or intended to secure the Borrower Loan, as the Servicer and the Funding Lender may reasonably require from time to time; (iii) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of the Borrower Loan Documents and the Funding Loan Documents, as the Servicer or the Funding Lender shall reasonably require from time to time; provided, however, with respect to clauses (i)-(iii) above, the Borrower shall not be required to do anything that has the effect of (A) changing the essential economic terms of the Borrower Loan or (B) imposing upon the Borrower greater personal liability under the Borrower Loan Documents and the Funding Loan Documents; and (iv) upon the Servicer's or the Funding Lender's request therefor given from time to time after the occurrence of any Potential Default or Event of Default for so long as such Potential Default or Event of Default, as applicable, is continuing pay for (a) reports of UCC, federal tax lien, state tax lien, judgment and pending litigation searches with respect to the Borrower and (b) searches of title to the Project, each such search to be conducted by search firms reasonably designated by the Servicer or the Funding Lender in each of the locations reasonably designated by the Servicer or the Funding Lender.

Section 5.9. Delivery of Financial Information. After notice to the Borrower of a Secondary Market Disclosure Document, the Borrower shall, concurrently with any delivery to the Funding Lender or the Servicer, deliver copies of all financial information required under Article IX.

Section 5.10. Environmental Matters. So long as the Borrower owns or is in possession of the Project, the Borrower shall (a) keep the Project in compliance with all Hazardous Materials Laws (as defined in the Security Instrument), (b) promptly notify the Funding Lender and the Servicer if the Borrower shall become aware that any Hazardous Materials (as defined in the Security Instrument) are on or near the Project in violation of Hazardous Materials Laws, and (c) commence and thereafter diligently prosecute to completion all remedial work necessary with respect to the Project required under any Hazardous Material Laws, in each case as set forth in the Security Instrument or the Agreement of Environmental Indemnification.

Section 5.11. Governmental Lender's and Funding Lender's Fees. The Borrower covenants to pay the reasonable fees and expenses of the Governmental Lender (including the Ongoing Governmental Lender Fee) and the Funding Lender or any agents, attorneys, accountants, consultants selected by the Governmental Lender or the Funding Lender to act on its behalf in connection with this Borrower Loan Agreement and the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents, including, without limitation, any and all reasonable expenses incurred in connection with the making of the Borrower Loan or in connection with any litigation which may at any time be instituted involving the Borrower Loan, this Borrower Loan Agreement, the other Borrower Loan Documents, the Regulatory Agreement and the Funding Loan Documents or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing. This obligation shall remain valid and in effect notwithstanding repayment of the Borrower Loan hereunder or termination of this Borrower Loan Agreement.

Section 5.12. Estoppel Statement. The Borrower shall furnish to the Funding Lender or the Servicer for the benefit of the Funding Lender or the Servicer within ten (10) days after request by the Funding Lender and the Servicer, with a statement, duly acknowledged and certified, setting forth, as applicable, with respect to each Borrower Note, (i) the unpaid principal of such Borrower Note, (ii) the applicable Interest Rate, (iii) the date installments of interest and/or principal were last paid, (iv) any offsets or defenses to the payment of the Borrower Payment Obligations, and (v) that the Borrower Loan Documents and the Funding Loan Documents to which the Borrower is a party are valid, legal and binding obligations of the Borrower and have not been modified or, if modified, giving particulars of such modification, and no Event of Default exists thereunder or specify any Event of Default that does exist thereunder. The Borrower shall use commercially reasonable efforts to furnish to the Funding Lender or the Servicer, within 30 days of a request by the Funding Lender or Servicer, tenant estoppel certificates from each commercial tenant at the Project, if any, in form and substance reasonably satisfactory to the Funding Lender and the Servicer; provided that the Funding Lender and the Servicer shall not make such requests more frequently than twice in any year.

Section 5.13. Defense of Actions. The Borrower shall appear in and defend any action or proceeding purporting to affect the security for this Borrower Loan Agreement hereunder or under the Borrower Loan Documents and the Funding Loan Documents, and shall pay, in the manner required by Section 2.4 hereof, all costs and expenses, including the cost of evidence of title and attorneys' fees, in any such action or proceeding in which Funding Lender may appear. If the Borrower fails to perform any of the covenants or agreements contained in this Borrower Loan Agreement or any other Borrower Loan Document, or if any action or proceeding is commenced that is not diligently defended by the Borrower which affects the Funding Lender's interest in the Project or any part thereof, including eminent domain, code enforcement or proceedings of any nature whatsoever under any Federal or state law, whether now existing or hereafter enacted or amended, then the Funding Lender may make such appearances, disburse such sums and take such action as the Funding Lender deems necessary or appropriate to protect its interests. Such actions include disbursement of attorneys' fees, entry upon the Project to make repairs or take other action to protect the security of the Project, and payment, purchase, contest or compromise of

any encumbrance, charge or lien which in the judgment of Funding Lender appears to be prior or superior to the Borrower Loan Documents or the Funding Loan Documents. The Funding Lender shall have no obligation to do any of the above. The Funding Lender may take any such action without notice to or demand upon the Borrower. No such action shall release the Borrower from any obligation under this Borrower Loan Agreement or any of the other Borrower Loan Documents or Funding Loan Documents. In the event (i) that the Security Instrument is foreclosed in whole or in part or that any Borrower Loan Document is put into the hands of an attorney for collection, suit, action or foreclosure, or (ii) of the foreclosure of any mortgage, deed of trust or deed to secure debt prior to or subsequent to the Security Instrument or any Borrower Loan Document in which proceeding the Funding Lender is made a party or (iii) of the bankruptcy of the Borrower or an assignment by the Borrower for the benefit of its creditors, the Borrower shall be chargeable with and agrees to pay all costs of collection and defense, including actual attorneys' fees in connection therewith and in connection with any appellate proceeding or post-judgment action involved therein, which shall be due and payable together with all required service or use taxes.

Section 5.14. Expenses. The Borrower shall pay all reasonable expenses incurred by the Governmental Lender, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the Borrower Loan and the Funding Loan, including reasonable fees and expenses of the Governmental Lender's, the Funding Lender's and the Servicer's attorneys, environmental, engineering and other consultants, and fees, charges or taxes for the recording or filing of Borrower Loan Documents and the Funding Loan Documents. The Borrower shall pay or cause to be paid all reasonable expenses of the Governmental Lender, the Funding Lender and the Servicer (except as provided in Section 9.1 hereof) in connection with the issuance or administration of the Borrower Loan and the Funding Loan, including audit costs, inspection fees, settlement of condemnation and casualty awards, and premiums for title insurance and endorsements thereto. The Borrower shall, upon request, promptly reimburse the Governmental Lender, the Funding Lender and the Servicer for all reasonable amounts expended, advanced or incurred by the Governmental Lender, the Funding Lender and the Servicer to collect the Borrower Notes, or to enforce the rights of the Governmental Lender, the Funding Lender and the Servicer under this Borrower Loan Agreement or any other Borrower Loan Document, or to defend or assert the rights and claims of the Governmental Lender, the Funding Lender and the Servicer under the Borrower Loan Documents and the Funding Loan Documents arising out of an Event of Default or with respect to the Project (by litigation or other proceedings) arising out of an Event of Default, which amounts will include all court costs, attorneys' fees and expenses, fees of auditors and accountants, and investigation expenses as may be reasonably incurred by the Governmental Lender, the Funding Lender and the Servicer in connection with any such matters (whether or not litigation is instituted), together with interest at the Default Rate on each such amount from the Date of Disbursement until the date of reimbursement to the Governmental Lender, the Funding Lender and the Servicer, all of which shall constitute part of the Borrower Loan and the Funding Loan and shall be secured by the Borrower Loan Documents and the Funding Loan Documents. The obligations and liabilities of the Borrower under this Section 5.14 shall survive the Term of this Borrower Loan Agreement and the exercise by the Governmental Lender, the Funding Lender or the Servicer, as the case may be, of any of its rights or remedies under the Borrower Loan Documents and the Funding Loan Documents, including the acquisition of the Project by foreclosure or a conveyance in lieu of foreclosure. Notwithstanding the foregoing, the Borrower shall not be obligated to pay amounts incurred as a result of the gross negligence or willful misconduct of any other party, and any obligations of the Borrower to pay for environmental inspections or audits will be governed by Sections [18(i) and 43(i)] of the Security Instrument.

Section 5.15. Indemnity. In addition to its other obligations hereunder, and in addition to any and all rights of reimbursement, indemnification, subrogation and other rights of Governmental Lender or Funding Lender pursuant hereto and under law or equity, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Funding Lender,

the Servicer, the Beneficiary Parties, Citigroup, Inc., Citicorp Funding, Inc., and each of their respective officers, directors, employees, attorneys and agents (each an “**Indemnified Party**”), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (hereinafter, the “**Liabilities**”) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(a) The Borrower Loan Documents and the Funding Loan Documents or the execution or amendment thereof or in connection with transactions contemplated thereby, including the sale, transfer or resale of the Borrower Loan or the Funding Loan, except with respect to any Secondary Market Disclosure Document (other than any Borrower's obligations under Article IX);

(b) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Borrower Loan, the Funding Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, construction, installation or rehabilitation of, the Project or any part thereof;

(c) Any lien (other than a Permitted Lien) or charge upon payments by the Borrower to the Governmental Lender or the Funding Lender hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and Other Charges imposed on the Governmental Lender or the Funding Lender in respect of any portion of the Project;

(d) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof during the period in which the Borrower is in possession or control of the Project, except as disclosed in the Prior Environmental Disclosures;

(e) The enforcement of, or any action taken by the Governmental Lender or the Funding Lender related to remedies under, this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents;

(f) [Reserved];

(g) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower applying for the Borrower Loan or the Funding Loan or contained in any of the Borrower Loan Documents or Funding Loan Documents to which the Borrower is a party;

(h) Any Determination of Taxability;

(i) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Borrower Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner Guarantors or their Affiliates to Governmental Lender, the Funding Lender, Servicer or any other Person in connection with Borrower's application for the Borrower

Loan and the Funding Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement);

(j) any failure (or alleged failure) by Borrower, the Funding Lender or Governmental Lender to comply with applicable federal and state laws and regulations pertaining to the making of the Borrower Loan and the Funding Loan;

(k) the Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation, construction or rehabilitation of, the Project or any part thereof; or

(l) the use of the proceeds of the Borrower Loan and the Funding Loan,

except in the case of the foregoing indemnification of the Governmental Lender, the Funding Lender or the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party.

Without limiting the foregoing, to the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, and each of its officers, officials, directors, employees, attorneys and agents ("City Indemnified Parties") against any Liability to which the City Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to any declaration of taxability of interest on the Funding Loan or allegations (or regulatory inquiry) that interest on the Funding Loan is taxable for federal income tax purposes, except to the extent such damages are caused by the gross negligence or willful misconduct of a City Indemnified Party.

Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the parties specified in Section 9.1.4 hereof with respect to any securitization or Secondary Market Transaction described in Article IX hereof shall be limited to the indemnity set forth in Section 9.1.4 hereof. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; provided, however, the Governmental Lender shall have the absolute right to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may only employ separate counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation, except that the Borrower shall always pay the reasonable fees and expenses of the Governmental Lender's separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Borrower Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.15 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Governmental Lender and the

Funding Lender have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

The rights of any persons to indemnity and the right to payment of fees and reimbursement of expenses hereunder shall survive the final payment or defeasance of the Borrower Loan and the Funding Loan and in the case of the Servicer, any resignation or removal. The provisions of this Section 5.15 shall survive the termination of this Borrower Loan Agreement.

Nothing in this Section 5.15 shall in any way limit the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement.

Section 5.16. No Warranty of Condition or Suitability by the Governmental Funding Lender. Neither the Governmental Lender nor the Funding Lender makes any warranty, either express or implied, as to the condition of the Project or that it will be suitable for the Borrower's purposes or needs.

Section 5.17. Right of Access to the Project. The Borrower agrees that the Governmental Lender, the Funding Lender, the Servicer and the Construction Consultant, and their duly authorized agents, attorneys, experts, engineers, accountants and representatives shall have the right, but no obligation at all reasonable times during business hours and upon reasonable notice, to enter onto the Land (a) to examine, test and inspect the Project without material interference or prejudice to the Borrower's operations and (b) to perform such work in and about the Project made necessary by reason of the Borrower's default under any of the provisions of this Borrower Loan Agreement. The Governmental Lender, the Funding Lender, the Servicer, and their duly authorized agents, attorneys, accountants and representatives shall also be permitted, without any obligation to do so, at all reasonable times and upon reasonable notice during business hours, to examine the books and records of the Borrower with respect to the Project.

Section 5.18. Notice of Default. The Borrower will advise the Governmental Lender, the Funding Lender, and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

Section 5.19. Covenant with Governmental Lender and Funding Lender. The Borrower agrees that this Borrower Loan Agreement is executed and delivered in part to induce the purchase by others of the Governmental Lender Notes and, accordingly, all covenants and agreements of the Borrower contained in this Borrower Loan Agreement are hereby declared to be for the benefit of the Governmental Lender, the Funding Lender and any lawful owner, holder or pledgee of the Borrower Notes or the *Governmental Lender Notes from time to time*.

Section 5.20. Obligation of the Borrower to Construct or Rehabilitate the Project. The Borrower shall proceed with reasonable dispatch to construct or rehabilitate, as appropriate, and equip the Project. If the proceeds of the Borrower Loan, together with the Other Borrower Moneys, available to be disbursed to the Borrower are not sufficient to pay the costs of such construction or rehabilitation, as appropriate, and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Funding Lender or the Servicer in respect of any such costs or to any diminution or abatement in the repayment of the Borrower Loan. The Governmental Lender and the Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed or if the proceeds of the Borrower Loan are insufficient to pay all costs of the Project. The Governmental Lender and the Funding Lender do not make any representation or warranty, either express or implied, that moneys, if any, which will be made available to the Borrower will be sufficient to complete the Project, and the Governmental Lender and the

Funding Lender shall not be liable to the Borrower or any other person if for any reason the Project is not completed.

Section 5.21. Maintenance of Insurance. Borrower will maintain the insurance required by the Security Instrument.

Section 5.22. Information; Statements and Reports. Borrower shall furnish or cause to be furnished to Governmental Lender and Funding Lender:

(a) Notice of Default. As soon as possible, and in any event not later than five (5) Business Days after the occurrence of any Event of Default or Potential Default, a statement of an Authorized Representative of Borrower describing the details of such Event of Default or Potential Default and any curative action Borrower proposes to take;

(b) Financial Statements; Rent Rolls. In the manner and to the extent required under the Security Instrument, such financial statements, expenses statements, rent rolls, reports and other financial documents and information as required by the Security Instrument and the other Borrower Loan Documents and Funding Loan Documents, in the form and within the time periods required therein;

(c) General Partner. As soon as available and in any event within one hundred twenty (120) days after the end of each fiscal year of General Partner, copies of the financial statements of General Partner as of such date, prepared in substantially the form previously delivered to the Governmental Lender and Funding Lender and in a manner consistent therewith, or in such form (which may include a form prepared in accordance with GAAP) as Funding Lender may reasonably request;

(d) Leasing Reports. Prior to the Conversion Date, on a monthly basis (and in any event within fifteen (15) days after the end of each Calendar Month), a report of all efforts made by Borrower, if any, to lease all or any portion of the Project during such Calendar Month and on a cumulative basis since Project inception, which report shall be prepared and delivered by Borrower, shall be in form and substance satisfactory to Funding Lender, and shall, if requested by Funding Lender, be supported by copies of letters of intent, leases or occupancy agreements, as applicable;

(e) Audit Reports. Promptly upon receipt thereof, copies of all reports, if any, submitted to Borrower by independent public accountants in connection with each annual, interim or special audit of the financial statements of Borrower made by such accountants, including the comment letter submitted by such accountants to management in connection with their annual audit;

(f) Notices; Certificates or Communications. Immediately upon giving or receipt thereof, copies of any notices, certificates or other communications delivered at the Project or to Borrower or General Partner naming Governmental Lender or Funding Lender as addressee or which could reasonably be deemed to affect the structural integrity of the Project or the ability of Borrower to perform its obligations under the Borrower Loan Documents and the Funding Loan Documents;

(g) Certification of Non-Foreign Status. Promptly upon request of Funding Lender from time to time, a Certification of Non-Foreign Status, executed on or after the date of such request by Funding Lender;

(h) Compliance Certificates. Together with each of the documents required pursuant to Section 5.22(b) hereof submitted by or on behalf of Borrower, a statement, in form and substance satisfactory to Funding Lender and certified by an Authorized Borrower Representative, to the effect that Borrower is in compliance with all covenants, terms and conditions applicable to Borrower, under or pursuant to the Borrower Loan Documents and the Funding Loan Documents and under or pursuant to any other Debt owing by Borrower to any Person, and disclosing any noncompliance therewith, and any Event of Default or Potential Default, and describing the status of Borrower's actions to correct such noncompliance, Event of Default or Potential Default, as applicable; and

(i) Other Items and Information. Such other information concerning the assets, business, financial condition, operations, property, prospects and results of operations of Borrower, General Partner, Guarantors or the Project, as Funding Lender or Governmental Lender reasonably requests from time to time.

Section 5.23. Additional Notices. Borrower will, promptly after becoming aware thereof, give notice to Funding Lender and the Governmental Lender of:

(a) any Lien affecting the Project, or any part thereof, other than Liens expressly permitted under this Borrower Loan Agreement;

(b) any Legal Action which is instituted by or against Borrower, General Partner or Guarantors, or any Legal Action which is threatened against Borrower, General Partner or Guarantors which, in any case, if adversely determined, could have a material adverse effect upon the business, operations, properties, prospects, assets, management, ownership or condition (financial or otherwise) of Borrower, General Partner, Guarantors or the Project;

(c) any Legal Action which constitutes an Event of Default or a Potential Default or a default under any other Contractual Obligation to which Borrower, General Partner or Guarantors is a party or by or to which Borrower, General Partner or Guarantors, or any of their respective properties or assets, may be bound or subject, which default would have a material adverse effect on the business, operations, assets (including the Project), condition (financial or otherwise) or prospects of Borrower, General Partner or Guarantors, as applicable;

(d) any default, alleged default or potential default on the part of Borrower under any of the CC&R's (together with a copy of each notice of default, alleged default or potential default received from any other party thereto);

(e) any notice of default, alleged default or potential default on the part of Borrower received from any tenant or occupant of the Project under or relating to its lease or occupancy agreement (together with a copy of any such notice), if, in the aggregate, notices from at least fifteen percent (15%) of the tenants at the Project have been received by Borrower with respect to, or alleging, the same default, alleged default or potential default;

(f) any change or contemplated change in (i) the location of Borrower's or General Partner's executive headquarters or principal place of business; (ii) the legal, trade, or fictitious business names used by Borrower or General Partner; or (iii) the nature of the trade or business of Borrower; and

(g) any default, alleged default or potential default on the part of any general or limited partner (including, without limitation, General Partner and the Equity Investor) under the Partnership Agreement.

Section 5.24. Compliance with Other Agreements; Legal Requirements.

(a) Borrower shall timely perform and comply with, and shall cause General Partner to timely perform and comply with the covenants, agreements, obligations and restrictions imposed on them under the Partnership Agreement, and Borrower shall not do or permit to be done anything to impair any such party's rights or interests under any of the foregoing.

(b) Borrower will comply and, to the extent it is able, will require others to comply with, all Legal Requirements of all Governmental Authorities having jurisdiction over the Project or construction and/or rehabilitation of the Improvements, and will furnish Funding Lender with reports of any official searches for or notices of violation of any requirements established by such Governmental Authorities. Borrower will comply and, to the extent it is able, will require others to comply, with applicable CC&R's and all restrictive covenants and all obligations created by private contracts and leases which affect ownership, construction, rehabilitation, equipping, fixturing, use or operation of the Project, and all other agreements requiring a certain percentage of the Units to be rented to persons of low or moderate income. The Improvements, when completed, shall comply with all applicable building, zoning and other Legal Requirements, and will not violate any restrictions of record against the Project or the terms of any other lease of all or any portion of the Project. Funding Lender shall at all times have the right to audit, at Borrower's expense, Borrower's compliance with any agreement requiring a certain percentage of the Units to be rented to persons of low or moderate income, and Borrower shall supply all such information with respect thereto as Funding Lender may request and otherwise cooperate with Funding Lender in any such audit. Without limiting the generality of the foregoing, Borrower shall properly obtain, comply with and keep in effect (and promptly deliver copies to Funding Lender of) all permits, licenses and approvals which are required to be obtained from Governmental Authorities in order to construct, occupy, operate, market and lease the Project.

Section 5.25. Completion and Maintenance of Project. Borrower shall cause the construction or rehabilitation, as the case may be, of the Improvements, to be prosecuted with diligence and continuity and completed substantially in accordance with the Plans and Specifications, and in accordance with the Construction Funding Agreement, free and clear of any liens or claims for liens (but without prejudice to Borrower's rights of contest under Section 10.16 hereof) ("**Completion**") on or before the Completion Date. Borrower shall thereafter maintain the Project and the related and appurtenant uses as a residential apartment complex in good order and condition, ordinary wear and tear excepted. A maintenance program shall be in place at all times to assure the continuation of first class maintenance, which shall mean and be no less than the highest quality of maintenance provided by the Manager for similarly situated properties managed by the Manager.

Section 5.26. Fixtures. Borrower shall deliver to Funding Lender, on demand, any contracts, bills of sale, statements, receipted vouchers or agreements under which Borrower or any other Person claims title to any materials, fixtures or articles incorporated into the Improvements.

Section 5.27. Income from Project. Borrower shall first apply all Gross Income to Expenses of the Project, including all amounts then required to be paid under the Borrower Loan Documents and the Funding Loan Documents and the funding of all sums necessary to meet the Replacement Reserve Fund Requirement before using or applying such Gross Income for any other purpose. Prior to the Conversion Date, Borrower shall not make or permit any distributions or other payments of Net

Operating Income to its partners, shareholders or members, as applicable, in each case, without the prior Written Consent of Funding Lender.

Section 5.28. Leases and Occupancy Agreements.

(a) Lease Approval.

(i) Borrower has submitted to Funding Lender, and Funding Lender has approved, Borrower's standard form of tenant lease (the "**Tenant Lease Form**") for use in the Project. Borrower shall not materially modify the Tenant Lease Form without Funding Lender's prior Written Consent in each instance, which consent shall not be unreasonably withheld or delayed. Borrower may enter into leases of space within the Improvements (and amendments to such leases) in the ordinary course of business with bona fide third party tenants without Funding Lender's prior Written Consent if:

(A) The Tenant Lease Form is a Permitted Lease, and is executed in the form attached as an exhibit to the Construction Funding Agreement without material modification;

(B) Borrower, acting in good faith following the exercise of due diligence, has determined that the tenant meets requirements imposed under any applicable CC&R and is financially capable of performing all of its obligations under the Tenant Lease Form; and

(C) The Tenant Lease Form conforms to the Rent Schedule attached as an exhibit to the Construction Funding Agreement and reflects an arm's-length transaction, subject to the requirement that the Borrower comply with any applicable CC&R.

(ii) If any Event of Default has occurred and is continuing, Funding Lender may make written demand on Borrower to submit all future leases for Funding Lender's approval prior to execution. Borrower shall comply with any such demand by Funding Lender.

(iii) No approval of any lease by Funding Lender shall be for any purpose other than to protect Funding Lender's security for the Borrower Loan and to preserve Funding Lender's rights under the Borrower Loan Documents and the Funding Loan Documents. No approval by Funding Lender shall result in a waiver of any default of Borrower. In no event shall any approval by Funding Lender of a lease be a representation of any kind with regard to the lease or its enforceability, or the financial capacity of any tenant or Guarantors.

(b) Obligations. Borrower shall perform all obligations required to be performed by it as landlord under any lease affecting any part of the Project or any space within the Improvements.

(c) Leasing and Marketing Agreements. Except as may be contemplated in the Management Agreement with Borrower's Manager, Borrower shall not without the approval of Funding Lender enter into any leasing or marketing agreement and Funding Lender reserves the right to approve the qualifications of any marketing or leasing agent.

Section 5.29. Project Agreements and Licenses. To the extent not heretofore delivered to Funding Lender, Borrower will furnish to Funding Lender, as soon as available, true and correct copies of all Project Agreements and Licenses and the Plans and Specifications, together with assignments thereof to Funding Lender and consents to such assignments where required by Funding Lender, all in form and substance acceptable to Funding Lender. Neither Borrower nor General Partner has assigned or granted, or will assign or grant, a security interest in any of the Project Agreements and Licenses, other than to Funding Lender.

Section 5.30. Payment of Debt Payments. In addition to its obligations under the Borrower Notes, Borrower will (i) duly and punctually pay or cause to be paid all principal of and interest on any Debt of Borrower as and when the same become due on or before the due date; (ii) comply with and perform all conditions, terms and obligations of other instruments or agreements evidencing or securing such Debt; (iii) promptly inform Funding Lender of any default, or anticipated default, under any such note, agreement, instrument; and (iv) forward to Funding Lender a copy of any notice of default or notice of any event that might result in default under any such note, agreement, instrument, including Liens encumbering the Project, or any portion thereof, which have been subordinated to the Security Instrument (regardless of whether or not permitted under this Borrower Loan Agreement).

Section 5.31. ERISA. Borrower will comply, and will cause each of its ERISA Affiliates to comply, in all respects with the provisions of ERISA.

Section 5.32. Patriot Act Compliance. Borrower shall use its good faith and commercially reasonable efforts to comply with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. Funding Lender shall have the right to audit Borrower's compliance with the Patriot Act and all applicable requirements of Governmental Authorities having jurisdiction over Borrower and/or the Project, including those relating to money laundering and terrorism. In the event that Borrower fails to comply with the Patriot Act or any such requirements of Governmental Authorities, then Funding Lender may, at its option, cause Borrower to comply therewith and any and all costs and expenses incurred by Funding Lender in connection therewith shall be secured by the Security Instrument and shall be immediately due and payable.

Section 5.33. Funds from Equity Investor. Borrower shall cause the Equity Investor to fund all installments of the Equity Contributions in the amounts and at the times subject and according to the terms of the Partnership Agreement.

Section 5.34. Tax Covenants. The Borrower further represents, warrants and covenants as follows:

(a) General. The Borrower shall not take any action or omit to take any action which, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Governmental Lender Notes from gross income (as defined in Section 61 of the Code), for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Borrower Loan Agreement, the Security Instrument and the Regulatory Agreement, as may be necessary, in the opinion of Tax Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Governmental Lender Notes, the Funding Loan or affecting the Project. Capitalized terms used in this Section 5.34 shall have the respective meanings assigned to them in the Regulatory Agreement or, if not defined therein, in

the Funding Loan Agreement. With the intent not to limit the generality of the foregoing, the Borrower covenants and agrees that, prior to the final maturity of the Governmental Lender Notes, unless it has received and filed with the Governmental Lender and the Funding Lender a Tax Counsel No Adverse Effect Opinion (other than with respect to interest on any portion of the Governmental Lender Notes for a period during which such portion of the Governmental Lender Notes is held by a "substantial user" of any facility financed with the proceeds of the Governmental Lender Notes or a "related person," as such terms are used in Section 147(a) of the Code), the Borrower will comply with this Section 5.34.

(b) Use of Proceeds. The use of the net proceeds of the Funding Loan at all times will satisfy the following requirements:

(i) Limitation on Net Proceeds. At least 95% of the net proceeds of the Funding Loan (within the meaning of the Code) actually expended shall be used to pay Qualified Project Costs that are costs of a "qualified residential rental project" (within the meaning of Sections 142(a)(7) and 142(d) of the Code) and property that is "functionally related and subordinate" thereto (within the meaning of Sections 1.103-8(a)(3) and 1.103-8(b)(4)(iii) of the Regulations).

(ii) Limit on Costs of Funding. The proceeds of the Funding Loan will be expended for the purposes set forth in this Borrower Loan Agreement and in the Funding Loan Agreement and no portion thereof in excess of two percent of the proceeds of the Funding Loan, within the meaning of Section 147(g) of the Code, will be expended to pay Costs of Funding of the Funding Loan.

(iii) Prohibited Facilities. The Borrower shall not use or permit the use of any proceeds of the Funding Loan or any income from the investment thereof to provide any airplane, skybox, or other private luxury box, health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(iv) Limitation on Land. Less than 25 percent of the net proceeds of the Funding Loan actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein, nor will any portion of the net proceeds of the Funding Loan be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(v) Limitation on Existing Facilities. No portion of the net proceeds of the Funding Loan will be used for the acquisition of any existing property or an interest therein unless (A) the first use of such property is pursuant to such acquisition or (B) the rehabilitation expenditures with respect to any building and the equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Funding Loan (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term "rehabilitation expenditures" shall have the meaning set forth in Section 147(d)(3) of the Code.

(vi) Accuracy of Information. The information furnished by the Borrower and used by the Governmental Lender in preparing its certifications with respect to Section 148 of the Code and the Borrower's information statement pursuant to Section

149(e) of the Code is accurate and complete as of the date of origination of the Funding Loan.

(vii) Limitation of Project Expenditures. The acquisition, construction and equipping of the Project were not commenced (within the meaning of Section 144(a) of the Code) prior to the 60th day preceding the adoption of the resolution of the Governmental Lender with respect to the Project on December __, 2013, and no obligation for which reimbursement will be sought from proceeds of the Funding Loan relating to the acquisition, construction or equipping of the Project was paid or incurred prior to 60 days prior to such date, except for permissible "preliminary expenditures", which include architectural, engineering surveying, soil testing, reimbursement bond issuance and similar costs incurred prior to the commencement of construction, rehabilitation or acquisition of the Project, and which do not exceed 20% of the aggregate issue price of the Governmental Lender Notes.

(viii) Qualified Costs. The Borrower hereby represents, covenants and warrants that the proceeds of the Funding Loan shall be used or deemed used exclusively to pay costs which are (A) capital expenditures (as defined in Section 1.150-1(b) of the Code's regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code and that for the greatest number of buildings the proceeds of the Governmental Lender Notes shall be deemed allocated on a pro rata basis to each building in the Project and the land on which it is located so that each building and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Governmental Lender Notes for the purpose of complying with Section 42(h)(4)(B) of the Code; provided however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners and neither the Funding Lender nor the Governmental Lender shall have any obligation to enforce this statement nor shall they incur any liability to any person, including without limitation, the Borrower, the partners of the Borrower, any other affiliate of the Borrower or the holders or payees of the Governmental Lender Notes and the Borrower Notes for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, failure to comply with this representation, covenant and warranty shall not constitute a default or event of default under this Borrower Loan Agreement or the Funding Loan Agreement.

(c) Limitation on Maturity. The average maturity of the Governmental Lender Notes does not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Funding Loan, weighted in proportion to the respective cost of each item comprising the property the cost of which has been or will be financed, directly or indirectly, with the Net Proceeds of the Funding Loan. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (A) the Closing Date for the Funding Loan or (B) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property.

(d) No Arbitrage. The Borrower shall not take any action or omit to take any action with respect to the Gross Proceeds of the Governmental Lender Notes or of any amounts expected to be used to pay the principal thereof or the interest thereon which, if taken or omitted, respectively, would cause the Governmental Lender Notes to be classified as an "arbitrage bond" within the meaning of Section 148 of the Code. Except as provided in the Funding Loan Agreement and this Borrower Loan Agreement, the Borrower shall not pledge or otherwise

encumber, or permit the pledge or encumbrance of, any money, investment, or investment property as security for payment of any amounts due under this Agreement or the Borrower Notes relating to the Governmental Lender Notes, shall not establish any segregated reserve or similar fund for such purpose and shall not prepay any such amounts in advance of the redemption date of an equal principal amount of the Governmental Lender Notes, unless the Borrower has obtained in each case a Tax Counsel No Adverse Effect Opinion with respect to such action, a copy of which shall be provided to the Governmental Lender and the Funding Lender. The Borrower shall not, at any time prior to the final maturity of the Governmental Lender Notes, invest or cause any Gross Proceeds to be invested in any investment (or to use Gross Proceeds to replace money so invested), if, as a result of such investment the Yield of all investments acquired with Gross Proceeds (or with money replaced thereby) on or prior to the date of such investment exceeds the Yield of the Governmental Lender Notes to the Maturity Date, except as permitted by Section 148 of the Code and Regulations thereunder or as provided in the Regulatory Agreement. The Borrower further covenants and agrees that it will comply with all applicable requirements of said Section 148 and the rules and Regulations thereunder relating to the Governmental Lender Notes and the interest thereon, including the employment of a Rebate Analyst acceptable to the Governmental Lender and Funding Lender at all times from and after the Closing Date for the calculation of rebatable amounts to the United States Treasury Department. The Borrower agrees that it will cause the Rebate Analyst to calculate the rebatable amounts prior to the Computation Date, annually not later than forty-five days after the anniversary of the Closing Date and subsequent to the Computation Date, not later than forty-five days after the fifth anniversary of the Closing Date and each five years thereafter and agrees that the Borrower will pay all costs associated therewith. The Borrower agrees to provide evidence of the employment of the Rebate Analyst satisfactory to the Governmental Lender and Funding Lender.

(e) No Federal Guarantee. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Borrower shall not take or omit to take any action which would cause the Governmental Lender Notes to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(f) Representations. The Borrower has supplied or caused to be supplied to Tax Counsel all documents, instruments and written information requested by Tax Counsel, and all such documents, instruments and written information supplied by or on behalf of the Borrower at the request of Tax Counsel, which have been reasonably relied upon by Tax Counsel in rendering its opinion with respect to the exclusion from gross income of the interest on the Governmental Lender Notes for federal income tax purposes, are true and correct in all material respects, do not contain any untrue statement of a material fact and do not omit to state any material fact necessary to be stated therein in order to make the information provided therein, in light of the circumstances under which such information was provided, not misleading, and the Borrower is not aware of any other pertinent information which Tax Counsel has not requested.

(g) Qualified Residential Rental Project. The Borrower hereby covenants and agrees that the Project will be operated as a “qualified residential rental project” within the meaning of Section 142(d) of the Code, on a continuous basis during the longer of the Qualified Project Period (as defined in the Regulatory Agreement) or any period during which any portion of the Governmental Lender Notes remains outstanding, to the end that the interest on the Governmental Lender Notes shall be excluded from gross income for federal income tax purposes. The Borrower hereby covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(h) Information Reporting Requirements. The Borrower will comply with the information reporting requirements of Section 149(e)(2) of the Code requiring certain information regarding the Governmental Lender Notes to be filed with the Internal Revenue Service within prescribed time limits.

(i) Governmental Lender Notes Not Hedge Bonds. The Borrower covenants and agrees that not more than 50% of the proceeds of the Governmental Lender Notes will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of Section 149(f)(3)(A)(ii) of the Code, and the Borrower reasonably expects that at least 85% of the spendable proceeds of the Governmental Lender Notes will be used to carry out the governmental purposes of the Governmental Lender Notes within the three-year period beginning on the Closing Date.

(j) Termination of Restrictions. Although the parties hereto recognize that, subject to the provisions of the Regulatory Agreement, the provisions of this Borrower Loan Agreement shall terminate in accordance with Section 10.14 hereof, the parties hereto recognize that pursuant to the Regulatory Agreement, certain requirements, including the requirements incorporated by reference in this Section, may continue in effect beyond the term hereof.

(k) Public Approval. The Borrower covenants and agrees that the proceeds of the Governmental Lender Notes will not be used in a manner that deviates in any substantial degree from the Project described in the written notice of a public hearing regarding the Governmental Lender Notes.

(l) 40/60 Test Election. The Borrower and the Governmental Lender hereby elect to apply the requirements of Section 142(d)(1)(B) to the Project. The Borrower hereby represents, covenants and agrees, continuously during the Qualified Project Period, to comply with all the provisions of the Regulatory Agreement.

(m) Modification of Tax Covenants. Subsequent to the origination of the Funding Loan and prior to its payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Funding Loan Agreement), this Section 5.34 hereof may not be amended, changed, modified, altered or terminated except as permitted herein and by the Funding Loan Agreement and with the Written Consent of the Governmental Lender and the Funding Lender. Anything contained in this Agreement or the Funding Loan Agreement to the contrary notwithstanding, the Governmental Lender, the Funding Lender and the Borrower hereby agree to amend this Borrower Loan Agreement and, if appropriate, the Funding Loan Agreement and the Regulatory Agreement, to the extent required, in the opinion of Tax Counsel, in order for interest on the Governmental Lender Notes to remain excludable from gross income for federal income tax purposes. The party requesting such amendment, which may include the Funding Lender, shall notify the other parties to this Borrower Loan Agreement of the proposed amendment and send a copy of such requested amendment to Tax Counsel. After review of such proposed amendment, Tax Counsel shall render to the Funding Lender and the Governmental Lender an opinion as to the effect of such proposed amendment upon the includability of interest on the Governmental Lender Notes in the gross income of the recipient thereof for federal income tax purposes. The Borrower shall pay all necessary fees and expenses incurred with respect to such amendment. The Borrower, the Governmental Lender and, where applicable, the Funding Lender per written instructions from the Governmental Lender shall execute, deliver and, if applicable, the Borrower shall file of record, any and all documents and instruments, including without limitation, an amendment to the Regulatory Agreement, with a file-stamped copy to the Funding Lender, necessary to effectuate the intent of this Section 5.34, and the Borrower and the

Governmental Lender hereby appoint the Funding Lender as their true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Governmental Lender, as is applicable, any such document or instrument (in such form as may be approved by and upon instruction of Tax Counsel) if either the Borrower or the Governmental Lender defaults in the performance of its obligation under this Section 5.34; provided, however, that the Funding Lender shall take no action under this Section 5.34 without first notifying the Borrower or the Governmental Lender, as is applicable, of its intention to take such action and providing the Borrower or the Governmental Lender, as is applicable, a reasonable opportunity to comply with the requirements of this Section 5.34.

The Borrower irrevocably authorizes and directs the Funding Lender and any other agent designated by the Governmental Lender to make payment of such amounts from funds of the Borrower, if any, held by the Funding Lender, or any agent of the Governmental Lender or the Funding Lender. The Borrower further covenants and agrees that, pursuant to the requirements of Treasury Regulation Section 1.148-1(b), it (or any related person contemplated by such regulations) will not purchase interests in the Governmental Lender Notes in an amount related to the amount of the Borrower Loan.

Section 5.35. Payment of Rebate.

(a) Arbitrage Rebate. The Borrower agrees to take all steps necessary to compute and pay any rebatable arbitrage relating to the Funding Loan or the Governmental Lender Notes in accordance with Section 148(f) of the Code including:

(i) Delivery of Documents and Money on Computation Dates. The Borrower will deliver to the Servicer, within 55 days after each Computation Date:

(A) a statement, signed by the Borrower, stating the Rebate Amount as of such Computation Date;

(B) if such Computation Date is an Installment Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90% of the Rebate Amount as of such Installment Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations), or (2) if such Computation Date is the final Computation Date, an amount that, together with any amount then held for the credit of the Rebate Fund, is equal to the Rebate Amount as of such final Computation Date, less any "previous rebate payments" made to the United States (as that term is used in Section 1.148-3(f)(1) of the Regulations); and

(C) an Internal Revenue Service Form 8038-T properly signed and completed as of such Computation Date.

(ii) Correction of Underpayments. If the Borrower shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to this Section 5.35 of an amount described in Section 5.35(a)(i)(A) or (B) above shall have failed to satisfy any requirement of Section 1.148-3 of the Regulations (whether or not such failure shall be due to any default by the Borrower, the Governmental Lender or the Funding Lender), the Borrower shall (1) pay to the Servicer (for deposit to the Rebate Fund) and cause the Servicer to pay to the United States Treasury from the Rebate Fund

the underpayment of the Rebate Amount, together with any penalty and/or interest due, as specified in Section 1.148-3(h) of the Regulations, within 175 days after any discovery or notice and (2) deliver to the Servicer an Internal Revenue Service Form 8038-T completed as of such date. If such underpayment of the Rebate Amount, together with any penalty and/or interest due, is not paid to the United States Treasury in the amount and manner and by the time specified in the Regulations, the Borrower shall take such steps as are necessary to prevent the Governmental Lender Notes from becoming an arbitrage bond within the meaning of Section 148 of the Code.

(iii) Records. The Borrower shall retain all of its accounting records relating to the funds established under this Borrower Loan Agreement and all calculations made in preparing the statements described in this Section 5.35 for at least six years after the later of the final maturity of the Governmental Lender Notes or the date the Funding Loan is retired in full.

(iv) Costs. The Borrower agrees to pay all of the fees and expenses of a nationally recognized Tax Counsel, the Rebate Analyst, a certified public accountant and any other necessary consultant employed by the Borrower or the Funding Lender in connection with computing the Rebate Amount.

(v) No Diversion of Rebatable Arbitrage. The Borrower will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the Gross Proceeds of the Funding Loan which is not purchased at Fair Market Value or includes terms that the Borrower would not have included if the Funding Loan were not subject to Section 148(f) of the Code.

(vi) Modification of Requirements. If at any time during the term of this Agreement, the Governmental Lender, the Funding Lender or the Borrower desires to take any action which would otherwise be prohibited by the terms of this Section 5.35, such Person shall be permitted to take such action if it shall first obtain and provide to the other Persons named herein a Tax Counsel No Adverse Effect Opinion with respect to such action.

(b) Rebate Fund. The Servicer shall establish and hold a separate fund designated as the "Rebate Fund." The Servicer shall deposit or transfer to the credit of the Rebate Fund each amount delivered to the Servicer by the Borrower for deposit thereto and each amount directed by the Borrower to be transferred thereto.

(c) Within 15 days after each receipt or transfer of funds to the Rebate Fund, the Servicer shall withdraw from the Rebate Fund and pay to the United States of America the entire balance of the Rebate Fund.

(d) All payments to the United States of America pursuant to this Section 5.35 shall be made by the Servicer for the account and in the name of the Governmental Lender and shall be paid through the United States Mail (return receipt requested or overnight delivery), addressed to the appropriate Internal Revenue Service Center and accompanied by the appropriate Internal Revenue Service forms (such forms to be provided to the Servicer by the Borrower or the Rebate Analyst as set forth in this Section 5.35).

(e) The Borrower shall preserve all statements, forms and explanations received delivered pursuant this Section 5.35 and all records of transactions in the Rebate Fund until six years after the retirement of the Funding Loan.

(f) Moneys and securities held in the Rebate Fund shall not be deemed funds of the Funding Lender or of the Governmental Lender and are not pledged or otherwise subject to any security interest in favor of the Funding Lender to secure the Funding Loan or any other obligations.

(g) Notwithstanding anything to the contrary in this Borrower Loan Agreement, no payment shall be made to the United States if the Borrower shall furnish to the Governmental Lender and the Funding Lender an opinion of Tax Counsel to the effect that such payment is not required under Section 148(d) and (f) of the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Governmental Lender Notes. In such event, the Borrower shall be entitled to withdraw funds from the Rebate Fund to the extent the Borrower shall provide a Tax Counsel No Adverse Effect Opinion to the Governmental Lender and the Funding Lender with respect to such withdrawal.

(h) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.35 need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on a Tax Counsel No Adverse Effect Opinion, a copy of which shall be provided to the Funding Lender.

Section 5.36. Covenants under Funding Loan Agreement. The Borrower will fully and faithfully perform all the duties and obligations which the Governmental Lender has covenanted and agreed in the Funding Loan Agreement to cause the Borrower to perform and any duties and obligations which the Borrower is required in the Funding Loan Agreement to perform. The foregoing will not apply to any duty or undertaking of the Governmental Lender which by its nature cannot be delegated or assigned.

Section 5.37. Notice of Default. The Borrower will advise the Governmental Lender, the Funding Lender, and the Servicer promptly in writing of the occurrence of any Potential Default or Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto.

(p) the construction or rehabilitation of the Improvements is abandoned or halted prior to completion for any period of thirty (30) consecutive days;

(w) any failure by the Borrower to perform or comply with any of its obligations under this Borrower Loan Agreement (other than those specified in this Section 8.1), as and when required, which continues for a period of thirty (30) days after written notice of such failure by Funding Lender or the Servicer on its behalf to the Borrower; provided, however, if such failure is susceptible of cure but cannot reasonably be cured within such thirty (30) day period, and the Borrower shall have commenced to cure such failure within such thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for an additional period of time as is reasonably necessary for the Borrower in the exercise of due diligence to cure such failure, such additional period not to exceed sixty (60) days. However, no such notice or grace period shall apply to the extent such failure could, in the Funding Lender's judgment, absent immediate exercise by the Funding Lender of a right or remedy under this Borrower Loan Agreement, result in harm to the Funding Lender, impairment of the Borrower Notes or this Borrower Loan Agreement or any security given under any other Borrower Loan Document.

Section 8.2. Remedies.

Section 8.2.1 Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in paragraph (e), (f) or (i) of Section 8.1) and at any time and from time to time thereafter, as long as such Event of Default continues to exist, in addition to any other rights or remedies available to the Governmental Lender pursuant to the Borrower Loan Documents or at law or in equity, the Funding Lender may, take such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Borrower Payment Obligations to be immediately due and payable (including, without limitation, the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Borrower Notes to be immediately due and payable), without notice or demand, and apply such payment of the Borrower Payment Obligations in any manner and in any order determined by Funding Lender, in Funding Lender's sole and absolute discretion; and upon any Event of Default described in paragraph (e),

(f) or (i) of Section 8.1, the Borrower Payment Obligations shall become immediately due and payable, without notice or demand, and the Borrower hereby expressly waives any such notice or demand, anything contained in any Borrower Loan Document to the contrary notwithstanding. Notwithstanding anything herein to the contrary, enforcement of remedies hereunder and under the Funding Loan Agreement shall be controlled by the Funding Lender.

Section 8.2.2 Remedies Cumulative. Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available to the Funding Lender against the Borrower under the Borrower Loan Documents or at law or in equity may be exercised by the Funding Lender, at any time and from time to time, whether or not all or any of the Borrower Payment Obligations shall be declared due and payable, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Borrower Loan Documents. Any such actions taken by the Funding Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as the Funding Lender may determine in its sole discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of the Funding Lender permitted by law, equity or contract or as set forth in the Borrower Loan Documents. Without limiting the generality of the foregoing, the Borrower agrees that if an Event of Default is continuing, all Liens and other rights, remedies or privileges provided to the Funding Lender shall remain in full force and effect until they have exhausted all of its remedies, the Security Instrument has been foreclosed, the Project has been sold and/or otherwise realized upon satisfaction of the Borrower Payment Obligations or the Borrower Payment Obligations has been paid in full. To the extent permitted by applicable law, nothing contained in any Borrower Loan Document shall be construed as requiring the Funding Lender to resort to any portion of the Project for the satisfaction of any of the Borrower Payment Obligations in preference or priority to any other portion, and the Funding Lender may seek satisfaction out of the entire Project or any part thereof, in its absolute discretion.

Notwithstanding any provision herein to the contrary, the Governmental Lender and the Funding Lender agrees that any cure of any default made or tendered by the Equity Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 8.2.3 Delay. No delay or omission to exercise any remedy, right, power accruing upon an Event of Default, or the granting of any indulgence or compromise by the Funding Lender shall impair any such remedy, right or power hereunder or be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of one Potential Default or Event of Default shall not be construed to be a waiver of any subsequent Potential Default or Event of Default or to impair any remedy, right or power consequent thereon. Notwithstanding any other provision of this Borrower Loan Agreement, the Funding Lender reserves the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Security Instrument to the extent necessary to foreclose on the Project, the Rents, the funds or any other collateral.

Section 8.2.4 Set Off; Waiver of Set Off. Upon the occurrence of an Event of Default, Funding Lender may, at any time and from time to time, without notice to Borrower or any other Person (any such notice being expressly waived), set off and appropriate and apply (against and on account of any obligations and liabilities of Borrower to Funding Lender arising under or connected with this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents, irrespective of whether or not Funding Lender shall have made any demand therefor, and although such obligations and liabilities may be contingent or unmatured), and Borrower hereby grants to Funding Lender, as security for the Payment Obligations, a security interest in, any and all deposits

(general or special, including but not limited to Debt evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Debt at any time held or owing by Funding Lender to or for the credit or the account of Borrower.

Section 8.2.5 Assumption of Obligations. In the event that the Funding Lender or its assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Borrower Loan Agreement, the Borrower Notes, the Regulatory Agreement, and any other Borrower Loan Documents and Funding Loan Documents to which the Borrower is a party. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

Section 8.2.6 Accounts Receivable. Upon the occurrence of an Event of Default, Funding Lender shall have the right, to the extent permitted by law, to impound and take possession of books, records, notes and other documents evidencing Borrower's accounts, accounts receivable and other claims for payment of money, arising in connection with the Project, and to make direct collections on such accounts, accounts receivable and claims for the benefit of Funding Lender.

Section 8.2.7 Defaults under Other Documents. Funding Lender shall have the right to cure any default under any of the Related Documents [and the Subordinate Loan Documents], but shall have no obligation to do so.

Section 8.2.8 Abatement of Disbursements. Notwithstanding any provision to the contrary herein or any of the other Borrower Loan Documents or the Funding Loan Documents, Funding Lender's obligation to make further Disbursements shall abate (i) during the continuance of any Potential Default, (ii) after any disclosure to Funding Lender of any fact or circumstance that, absent such disclosure, would cause any representation or warranty of Borrower to fail to be true and correct in all material respects, unless and until Funding Lender elects to permit further Disbursements notwithstanding such event or circumstance; and (iii) upon the occurrence of any Event of Default.

Section 8.2.9 Completion of Improvements. Upon the occurrence of any Event of Default, Funding Lender shall have the right to cause an independent contractor selected by Funding Lender to enter into possession of the Project and to perform any and all work and labor necessary for the completion of the Project substantially in accordance with the Plans and Specifications, if any, and to perform Borrower's obligations under this Borrower Loan Agreement. All sums expended by Funding Lender for such purposes shall be deemed to have been disbursed to and borrowed by Borrower and shall be secured by the Security Documents.

Section 8.2.10 Right to Directly Enforce. Notwithstanding any other provision hereof to the contrary, the Funding Lender shall have the right to directly enforce all rights and remedies hereunder with or without involvement of the Governmental Lender, provided that only the Governmental Lender may enforce the Unassigned Rights and Funding Lender shall not impair Governmental Lender's enforcement of Unassigned Rights. In the event that any of the provisions set forth in this Section 8.2.10 are inconsistent with the covenants, terms and conditions of the Security Instrument, the covenants, terms and conditions of the Security Instrument shall prevail.

Section 8.2.11 Power of Attorney. Effective upon the occurrence of an Event of Default, and continuing until and unless such Event of Default is cured or waived, Borrower hereby constitutes and appoints Funding Lender, or an independent contractor selected by Funding Lender, as its true and lawful attorney-in-fact with full power of substitution, for the purposes of completion of the Project and performance of Borrower's obligations under this Borrower Loan Agreement in the name of

Borrower, and hereby empowers said attorney-in-fact to do any or all of the following upon the occurrence and continuation of an Event of Default (it being understood and agreed that said power of attorney shall be deemed to be a power coupled with an interest which cannot be revoked until full payment and performance of all obligations under this Borrower Loan Agreement and the other Borrower Loan Documents and the Funding Loan Documents):

(a) to use any of the funds of Borrower or General Partner, including any balance of the Borrower Loan, as applicable, and any funds which may be held by Funding Lender for Borrower (including all funds in all deposit accounts in which Borrower has granted to Funding Lender a security interest), for the purpose of effecting completion of the construction or rehabilitation, as the case may be, of the Improvements, in the manner called for by the Plans and Specifications;

(b) to make such additions, changes and corrections in the Plans and Specifications as shall be necessary or desirable to complete the Project in substantially the manner contemplated by the Plans and Specifications;

(c) to employ any contractors, subcontractors, agents, architects and inspectors required for said purposes;

(d) to employ attorneys to defend against attempts to interfere with the exercise of power granted hereby;

(e) to pay, settle or compromise all existing bills and claims which are or may be liens against the Project, the Improvements or the Project, or may be necessary or desirable for the completion of the construction or rehabilitation, as the case may be, of the Improvements, or clearance of objections to or encumbrances on title;

(f) to execute all applications and certificates in the name of Borrower, which may be required by any other construction contract;

(g) to prosecute and defend all actions or proceedings in connection with the Project and to take such action, require such performance and do any and every other act as is deemed necessary with respect to the completion of the construction or rehabilitation, as the case may be, of the Improvements, which Borrower might do on its own behalf;

(h) to let new or additional contracts to the extent not prohibited by their existing contracts;

(i) to employ watchmen and erect security fences to protect the Project from injury; and

(j) to take such action and require such performance as it deems necessary under any of the bonds or insurance policies to be furnished hereunder, to make settlements and compromises with the sureties or insurers thereunder, and in connection therewith to execute instruments of release and satisfaction.

It is the intention of the parties hereto that upon the occurrence and continuance of an Event of Default, rights and remedies may be pursued pursuant to the terms of the Borrower Loan Documents and the Funding Loan Documents. The parties hereto acknowledge that, among the possible outcomes to the pursuit of such remedies, is the situation where the Funding Lender assignees or designees become the

owner of the Project and assume the obligations identified above, and the Borrower Notes, the Borrower Loan and the other Borrower Loan Documents and Funding Loan Documents remain outstanding.

**ARTICLE IX
SPECIAL PROVISIONS**

Section 9.1. Sale of Notes and Secondary Market Transaction.

Section 9.1.1 Cooperation. Subject to the restrictions of Section 2.4(b) of the Funding Loan Agreement, at the Funding Lender's or the Servicer's request (to the extent not already required to be provided by the Borrower under this Borrower Loan Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Funding Lender or the Servicer customarily adheres or which may be reasonably required in the marketplace or by the Funding Lender or the Servicer in connection with one or more sales or assignments of all or a portion of the Governmental Lender Notes and the Funding Loan or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Governmental Lender Notes and the Funding Loan (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower nor the Governmental Lender shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs shall be paid by the Funding Lender or the Servicer, and shall not materially modify Borrower's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, so long as the Borrower Loan is still outstanding:

(a) (i) provide such financial and other information with respect to the Borrower Loan, and with respect to the Project, the Borrower, the Manager, the contractor of the Project or the Borrower Controlling Entity, (ii) provide financial statements, audited, if available, relating to the Project with customary disclaimers for any forward looking statements or lack of audit, and (iii), at the expense of the Funding Lender or the Servicer, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports and other due diligence investigations of the Project, as may be reasonably requested from time to time by the Funding Lender or the Servicer or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Funding Lender or the Servicer pursuant to this paragraph (a) being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Funding Lender or the Servicer and the Rating Agencies;

(b) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project, the Borrower, the Borrower Loan Documents and the Funding Loan Documents reasonably acceptable to the Funding Lender or the Servicer, consistent with the facts covered by such representations and warranties as they exist on the date thereof; and

(c) execute such amendments to the Borrower Loan Documents and the Funding Loan Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Borrower Loan Documents and the Funding Loan Documents and is not otherwise adverse to the Borrower in its reasonable discretion.

Section 9.1.2 Use of Information. The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “**Secondary Market Disclosure Document**”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 9.1.1(c) hereof, with the Funding Lender and the Servicer in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all reasonably requested current information pertaining to the Borrower and the Project necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

Section 9.1.3 Borrower Obligations Regarding Secondary Market Disclosure Documents. In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Funding Lender pertaining to the Borrower, the Project or such third party (and portions of any other sections reasonably requested by the Funding Lender pertaining to the Borrower, the Project or the third party). The Borrower shall, if requested by the Funding Lender and the Servicer, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the Project or the Manager, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project or the Manager) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such parties. Furthermore, the Borrower hereby indemnifies the Funding Lender, the Governmental Lender and the Servicer for any Liabilities to which any such parties may become subject to the extent such Liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.4 Borrower Indemnity Regarding Filings. In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) indemnify Funding Lender, the Governmental Lender and the underwriter group for any securities (the “**Underwriter Group**”) and all officials, employees and agents of any of them for any Liabilities to which Funding Lender, the Servicer or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading and (ii) reimburse the Funding Lender, the Servicer, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Funding Lender, the Servicer or the Underwriter Group in connection with defending or investigating such Liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties.

Section 9.1.5 Indemnification Procedure. Promptly after receipt by an indemnified party under Sections 9.1.3 and 9.1.4 hereof of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the

Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by *Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement*, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 9.1.5, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior *Written Consent of the Borrower*.

Section 9.1.6 Contribution. *In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 9.1.4 hereof is for any reason held to be unenforceable by an indemnified party in respect of any Liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Section 9.1.4 hereof, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such Liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 10(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.*

Any party may change such party's address for the notice or demands required under this Borrower Loan Agreement by providing written notice of such change of address to the other parties by written notice as provided herein.

Section 10.2. Brokers and Financial Advisors. The Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the Borrower Loan, other than those disclosed to the Funding Lender and whose fees shall be paid by the Borrower pursuant to separate agreements. The Borrower and the Funding Lender shall indemnify and hold the other harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of the indemnifying party in connection with the transactions contemplated herein. The provisions of this

Section 10.2 shall survive the expiration and termination of this Borrower Loan Agreement and the repayment of the Borrower Payment Obligations.

Section 10.3. Survival. This Borrower Loan Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the making by the Governmental Lender of the Borrower Loan and the execution and delivery to the Governmental Lender of the Borrower Notes and the assignment of the Borrower Notes to the Funding Lender, and shall continue in full force and effect so long as all or any of the Borrower Payment Obligations is unpaid. All the Borrower's covenants and agreements in this Borrower Loan Agreement shall inure to the benefit of the respective legal representatives, successors and assigns of the Governmental Lender, the Funding Lender and the Servicer.

Section 10.4. Preferences. The Governmental Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by the Borrower to any portion of the Borrower Payment Obligations. To the extent the Borrower makes a payment to the Governmental Lender or the Servicer, or the Governmental Lender or the Servicer receives proceeds of any collateral, which is in whole or part subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the Borrower Payment Obligations or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by the Governmental Lender or the Servicer.

Section 10.5. Waiver of Notice. The Borrower shall not be entitled to any notices of any nature whatsoever from the Funding Lender or the Servicer except with respect to matters for which this Borrower Loan Agreement or any other Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender or the Servicer, as the case may be, to the Borrower and except with respect to matters for which the Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. The Borrower hereby expressly waives the right to receive any notice from the Funding Lender or the Servicer, as the case may be, with respect to any matter for which no Borrower Loan Document specifically and expressly provides for the giving of notice by the Funding Lender or the Servicer to the Borrower.

Section 10.6. Offsets, Counterclaims and Defenses. The Borrower hereby waives the right to assert a counterclaim, other than a compulsory counterclaim, in any action or proceeding brought against it by the Funding Lender or the Servicer with respect to a Borrower Loan Payment. Any assignee of Funding Lender's interest in and to the Borrower Loan Documents or the Funding Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses that are unrelated to the Borrower Loan Documents or the Funding Loan Documents which the Borrower may otherwise have against any assignor of such documents, and no such unrelated offset, counterclaim or defense shall be interposed or asserted by the Borrower in any action or proceeding brought by any such assignee upon such documents, and any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by the Borrower.

Section 10.7. Publicity. The Funding Lender and the Servicer (and any Affiliates of either party) shall have the right to issue press releases, advertisements and other promotional materials describing the Funding Lender's or the Servicer's participation in the making of the Borrower Loan or the Borrower Loan's inclusion in any Secondary Market Transaction effectuated by the Funding Lender or the Servicer or one of its or their Affiliates. All news releases, publicity or advertising by the Borrower or its Affiliates through any media intended to reach the general public, which refers to the Borrower Loan Documents or the Funding Loan Documents, the Borrower Loan, the Funding Lender or the Servicer in a

Secondary Market Transaction, shall be subject to the prior Written Consent of the Funding Lender or the Servicer, as applicable.

Section 10.8. Construction of Documents. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Borrower Loan Documents and the Funding Loan Documents and that the Borrower Loan Documents and the Funding Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted them.

Section 10.9. No Third Party Beneficiaries. The Borrower Loan Documents and the Funding Loan Documents are solely for the benefit of the Governmental Lender, the Funding Lender, the Servicer and the Borrower and, with respect to Sections 9.1.3 and 9.1.4 hereof, the Underwriter Group, and nothing contained in any Borrower Loan Document shall be deemed to confer upon anyone other than the Governmental Lender, the Funding Lender, the Servicer, and the Borrower any right to insist upon or to enforce the performance or observance of any of the obligations contained therein.

Section 10.10. Assignment. The Borrower Loan, the Security Instrument, the Borrower Loan Documents and the Funding Loan Documents and all Funding Lender's rights, title, obligations and interests therein may be assigned by the Funding Lender, at any time in its sole discretion, whether by operation of law (pursuant to a merger or other successor in interest) or otherwise. Upon such assignment, all references to Funding Lender in this Borrower Loan Agreement and in any Borrower Loan Document shall be deemed to refer to such assignee or successor in interest and such assignee or successor in interest shall thereafter stand in the place of the Funding Lender. Borrower shall accord full recognition to any such assignment, and all rights and remedies of Funding Lender in connection with the interest so assigned shall be as fully enforceable by such assignee as they were by Funding Lender before such assignment. In connection with any proposed assignment, Funding Lender may disclose to the proposed assignee any information that Borrower has delivered, or caused to be delivered, to Funding Lender with reference to Borrower, General Partner Guarantors or any Affiliate, or the Project, including information that Borrower is required to deliver to Funding Lender pursuant to this Borrower Loan Agreement, provided that such proposed assignee agrees to treat such information as confidential. The Borrower may not assign its rights, interests or obligations under this Borrower Loan Agreement or under any of the Borrower Loan Documents or Funding Loan Documents, or Borrower's interest in any moneys to be disbursed or advanced hereunder, except only as may be expressly permitted hereby.

Section 10.11. [Intentionally Omitted].

Section 10.12. Governmental Lender, Funding Lender and Servicer Not in Control; No Partnership. None of the covenants or other provisions contained in this Borrower Loan Agreement shall, or shall be deemed to, give the Governmental Lender, the Funding Lender or the Servicer the right or power to exercise control over the affairs or management of the Borrower, the power of the Governmental Lender, the Funding Lender and the Servicer being limited to the rights to exercise the remedies referred to in the Borrower Loan Documents and the Funding Loan Documents. The relationship between the Borrower and the Governmental Lender, the Funding Lender and the Servicer is, and at all times shall remain, solely that of debtor and creditor. No covenant or provision of the Borrower Loan Documents or the Funding Loan Documents is intended, nor shall it be deemed or construed, to create a partnership, joint venture, agency or common interest in profits or income between the Borrower and the Governmental Lender, the Funding Lender or the Servicer or to create an equity in the Project in the Governmental Lender, the Funding Lender or the Servicer. Neither the Governmental Lender, the Funding Lender nor the Servicer undertakes or assumes any responsibility or duty to the Borrower or to any other person with respect to the Project or the Borrower Loan, except as expressly provided in the Borrower Loan Documents or the Funding Loan Documents; and notwithstanding any other provision of

the Borrower Loan Documents and the Funding Loan Documents: (1) the Governmental Lender, the Funding Lender and the Servicer are not, and shall not be construed as, a partner, joint venturer, alter ego, manager, controlling person or other business associate or participant of any kind of the Borrower or its stockholders, members, or partners and the Governmental Lender, the Funding Lender and the Servicer do not intend to ever assume such status; (2) the Governmental Lender, the Funding Lender and the Servicer shall in no event be liable for any the Borrower Payment Obligations, expenses or losses incurred or sustained by the Borrower; and (3) the Governmental Lender, the Funding Lender and the Servicer shall not be deemed responsible for or a participant in any acts, omissions or decisions of the Borrower, the Borrower Controlling Entities or its stockholders, members, or partners. The Governmental Lender, the Funding Lender and the Servicer and the Borrower disclaim any intention to create any partnership, joint venture, agency or common interest in profits or income between the Governmental Lender, the Funding Lender, the Servicer and the Borrower, or to create an equity in the Project in the Funding Lender or the Servicer, or any sharing of liabilities, losses, costs or expenses.

Section 10.13. Release. The Borrower hereby acknowledges that it is executing this Borrower Loan Agreement and each of the Borrower Loan Documents and the Funding Loan Documents to which it is a party as its own voluntary act free from duress and undue influence.

Section 10.14. Term of Borrower Loan Agreement. This Borrower Loan Agreement shall be in full force and effect until all payment obligations of the Borrower hereunder have been paid in full and the Borrower Loan and the Funding Loan have been retired or the payment thereof has been provided for; except that on and after payment in full of the Borrower Notes, this Borrower Loan Agreement shall be terminated, without further action by the parties hereto; provided, however, that the obligations of the Borrower under Sections 5.11 (Governmental Lender's Fees), 5.14 (Expenses), 5.15 (Indemnity), 9.1.3, 9.1.4, 9.1.5, 9.1.6 and 10.15 (Reimbursement of Expenses) hereof, as well as under Section 5.7 of the Construction Funding Agreement, shall survive the termination of this Borrower Loan Agreement.

Section 10.15. Reimbursement of Expenses. If, upon or after the occurrence of any Event of Default or Potential Default, the Governmental Lender, the Funding Lender or the Servicer shall employ attorneys or incur other expenses for the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained herein, the Borrower will on demand therefor reimburse the Governmental Lender, the Funding Lender and the Servicer for fees of such attorneys and such other expenses so incurred.

The Borrower's obligation to pay the amounts required to be paid under this Section 10.15 shall be subordinate to its obligations to make payments under the Borrower Notes.

Section 10.16. Permitted Contests. Notwithstanding anything to the contrary contained in this Borrower Loan Agreement, Borrower shall have the right to contest or object in good faith to any claim, demand, levy or assessment (other than in respect of Debt or Contractual Obligations of Borrower under any Borrower Loan Document or Related Document) by appropriate legal proceedings that are not prejudicial to Funding Lender's rights, but this shall not be deemed or construed as in any way relieving, modifying or providing any extension of time with respect to Borrower's covenant to pay and comply with any such claim, demand, levy or assessment, unless Borrower shall have given prior Written Notice to the Governmental Lender and the Funding Lender of Borrower's intent to so contest or object thereto, and unless (i) Borrower has, in the Governmental Lender's and the Funding Lender's judgment, a reasonable basis for such contest, (ii) Borrower pays when due any portion of the claim, demand, levy or assessment to which Borrower does not object, (iii) Borrower demonstrates to Funding Lender's satisfaction that such legal proceedings shall conclusively operate to prevent enforcement prior to final determination of such proceedings, (iv) Borrower furnishes such bond, surety, undertaking or other security in connection therewith as required by law, or as requested by and satisfactory to Funding

Lender, to stay such proceeding, which bond, surety, undertaking or other security shall be issued by a bonding company, insurer or surety company reasonably satisfactory to Funding Lender and shall be sufficient to cause the claim, demand, levy or assessment to be insured against by the Title Company or removed as a lien against the Project, (v) Borrower at all times prosecutes the contest with due diligence, and (vi) Borrower pays, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, the amount so determined to be due and owing by Borrower. In the event that Borrower does not make, promptly following a determination of the amount of such claim, demand, levy or assessment due and owing by Borrower, any payment required to be made pursuant to clause (vi) of the preceding sentence, an Event of Default shall have occurred, and Funding Lender may draw or realize upon any bond or other security delivered to Funding Lender in connection with the contest by Borrower, in order to make such payment.

Section 10.17. Funding Lender Approval of Instruments and Parties. All proceedings taken in accordance with transactions provided for herein, and all surveys, appraisals and documents required or contemplated by this Borrower Loan Agreement and the persons responsible for the execution and preparation thereof, shall be satisfactory to and subject to approval by Funding Lender. Funding Lender's approval of any matter in connection with the Project shall be for the sole purpose of protecting the security and rights of Funding Lender. No such approval shall result in a waiver of any default of Borrower. In no event shall Funding Lender's approval be a representation of any kind with regard to the matter being approved.

Section 10.18. Funding Lender Determination of Facts. Funding Lender shall at all times be free to establish independently, to its reasonable satisfaction, the existence or nonexistence of any fact or facts, the existence or nonexistence of which is a condition of this Borrower Loan Agreement.

Section 10.19. Calendar Months. With respect to any payment or obligation that is due or required to be performed within a specified number of Calendar Months after a specified date, such payment or obligation shall become due on the day in the last of such specified number of Calendar Months that corresponds numerically to the date so specified; provided, however, that with respect to any obligation as to which such specified date is the 29th, 30th or 31st day of any Calendar Month: if the Calendar Month in which such payment or obligation would otherwise become due does not have a numerically corresponding date, such obligation shall become due on the first day of the next succeeding Calendar Month.

Section 10.20. Determinations by Lender. Except to the extent expressly set forth in this Borrower Loan Agreement to the contrary, in any instance where the consent or approval of the Governmental Lender and the Funding Lender may be given or is required, or where any determination, judgment or decision is to be rendered by the Governmental Lender and the Funding Lender under this Borrower Loan Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Governmental Lender and the Funding Lender, as applicable (or its designated representative) at its sole and exclusive option and in its sole and absolute discretion.

Section 10.21. Governing Law. This Borrower Loan Agreement shall be governed by and enforced in accordance with the laws of the State, without giving effect to the choice of law principles of the State that would require the application of the laws of a jurisdiction other than the State.

Section 10.22. Consent to Jurisdiction and Venue. Borrower agrees that any controversy arising under or in relation to this Borrower Loan Agreement shall be litigated exclusively in the State. The state and federal courts and authorities with jurisdiction in the State shall have exclusive jurisdiction over all controversies which shall arise under or in relation to this Borrower Loan Agreement. Borrower

irrevocably consents to service, jurisdiction, and venue of such courts for any such litigation and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise. However, nothing herein is intended to limit Beneficiary Parties' right to bring any suit, action or proceeding relating to matters arising under this Borrower Loan Agreement against Borrower or any of Borrower's assets in any court of any other jurisdiction.

Section 10.23. Successors and Assigns. This Borrower Loan Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate. The terms used to designate any of the parties herein shall be deemed to include the heirs, legal representatives, successors, successors-in-interest and assigns, as appropriate, of such parties. References to a "person" or "persons" shall be deemed to include individuals and entities.

Section 10.24. Severability. The invalidity, illegality or unenforceability of any provision of this Borrower Loan Agreement shall not affect the validity, legality or enforceability of any other provision, and all other provisions shall remain in full force and effect.

Section 10.25. Entire Agreement; Amendment and Waiver. This Borrower Loan Agreement contains the complete and entire understanding of the parties with respect to the matters covered. This Borrower Loan Agreement may not be amended, modified or changed, nor shall any waiver of any provision hereof be effective, except by a written instrument signed by the party against whom enforcement of the waiver, amendment, change, or modification is sought, and then only to the extent set forth in that instrument. No specific waiver of any of the terms of this Borrower Loan Agreement shall be considered as a general waiver. Without limiting the generality of the foregoing, no Disbursement shall constitute a waiver of any conditions to the Governmental Lender's or the Funding Lender's obligation to make further Disbursements nor, in the event Borrower is unable to satisfy any such conditions, shall any such waiver have the effect of precluding the Governmental Lender or the Funding Lender from thereafter declaring such inability to constitute a Potential Default or Event of Default under this Borrower Loan Agreement.

Section 10.26. Counterparts. This Borrower Loan Agreement may be executed in multiple counterparts, each of which shall constitute an original document and all of which together shall constitute one agreement.

Section 10.27. Captions. The captions of the sections of this Borrower Loan Agreement are for convenience only and shall be disregarded in construing this Borrower Loan Agreement.

Section 10.28. Servicer. Borrower hereby acknowledges and agrees that, pursuant to the terms of Section 39 of the Security Instrument: (a) from time to time, the Governmental Lender or the Funding Lender may appoint a servicer to collect payments, escrows and deposits, to give and to receive notices under the Borrower Notes, this Borrower Loan Agreement or the other Borrower Loan Documents, and to otherwise service the Borrower Loan and (b) unless Borrower receives Written Notice from the Governmental Lender or the Funding Lender to the contrary, any action or right which shall or may be taken or exercised by the Governmental Lender or the Funding Lender may be taken or exercised by such servicer with the same force and effect.

Section 10.29. Beneficiary Parties as Third Party Beneficiary. Each of the Beneficiary Parties shall be a third party beneficiary of this Borrower Loan Agreement for all purposes.

Section 10.30. Waiver of Trial by Jury. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, EACH OF BORROWER AND THE BENEFICIARY PARTIES

(A) COVENANTS AND AGREES NOT TO ELECT A TRIAL BY JURY WITH RESPECT TO ANY ISSUE ARISING OUT OF THIS BORROWER LOAN AGREEMENT OR THE RELATIONSHIP BETWEEN THE PARTIES THAT IS TRIABLE OF RIGHT BY A JURY AND (B) WAIVES ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO SUCH ISSUE TO THE EXTENT THAT ANY SUCH RIGHT EXISTS NOW OR IN THE FUTURE. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS SEPARATELY GIVEN BY EACH PARTY, KNOWINGLY AND VOLUNTARILY WITH THE BENEFIT OF COMPETENT LEGAL COUNSEL.

Section 10.31. Time of the Essence. Time is of the essence with respect to this Borrower Loan Agreement.

Section 10.32. Modifications. Modifications (if any) to this Borrower Loan Agreement (“**Modifications**”) are set forth on Exhibit __ attached to this Borrower Loan Agreement. In the event of a Transfer under the terms of the Security Instrument, some or all of the Modifications to this Borrower Loan Agreement may be modified or rendered void by the Governmental Lender or the Funding Lender at its option by notice to Borrower or such transferee.

Section 10.33. Reference Date. This Borrower Loan Agreement is dated for reference purposes only as of the first day of June, 2014, and will not be effective and binding on the parties hereto unless and until the Closing Date (as defined herein) occurs.

ARTICLE XI LIMITATIONS ON LIABILITY

Section 11.1. Limitation on Liability. Notwithstanding anything to the contrary herein, the liability of the Borrower hereunder and under the other Borrower Loan Documents and the Funding Loan Documents shall be limited to the extent set forth in the Borrower Notes.

Section 11.2. Limitation on Liability of Governmental Lender. The Funding Loan, and interest thereon, are special, limited obligations of the Governmental Lender, payable solely from the Security pledged under the Funding Loan Agreement. The Funding Loan is not a general indebtedness of the Governmental Lender or a charge against its general credit or the general credit taxing powers of the State, the Governmental Lender, or any other political subdivision thereof, and shall never give rise to any pecuniary liability of the Governmental Lender, and neither the Governmental Lender, the State nor any other political subdivision thereof shall be liable for the payments of principal and interest on the Funding Loan, and the Funding Loan is payable from no other source, but are special, limited obligations of the Governmental Lender, payable solely out of the security pledged hereunder and receipts of the Governmental Lender derived pursuant to this Funding Loan Agreement (and not against any money due or to become due to the Governmental Lender pursuant to Unassigned Rights). No holder of the Funding Loan or any interest therein has the right to compel any exercise of the taxing power of the State, the Governmental Lender or any other political subdivision thereof to pay the Funding Loan or the interest thereon.

No recourse shall be had for the payment of the principal of, premium, if any, or the interest on the Funding Loan or for any claim based thereon or any obligation, covenant or agreement in this Funding Loan Agreement against any official of the Governmental Lender, or any official, officer, agent, employee or independent contractor of the Governmental Lender or any person executing this Borrower Loan Agreement. No covenant, stipulation, promise, agreement or obligation contained in this Borrower Loan Agreement or any other document executed in connection herewith shall be deemed to be the covenant, stipulation, promise, agreement or obligation of any present or future official, officer, agent or employee of the Governmental Lender in his or her individual capacity and neither any official of the

Governmental Lender nor any officers executing this Borrower Loan Agreement shall be liable personally or be subject to any personal liability or accountability by reason of this Borrower Loan Agreement.

Section 11.3. Waiver of Personal Liability. No member, officer, agent or employee of the Governmental Lender or any director, officer, agent or employee of the Governmental Lender shall be individually or personally liable for the payment of any principal (or prepayment price) of or interest on the Governmental Lender Notes or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Borrower Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Borrower Loan Agreement.

Section 11.4. Limitation on Liability of Funding Lender's Officers, Employees, Etc.

(a) Borrower assumes all risks of the acts or omissions of the Governmental Lender and the Funding Lender (except to the extent that such acts or omissions constitute gross negligence or wilful misconduct), provided, however, this assumption is not intended to, and shall not, preclude Borrower from pursuing such rights and remedies as it may have against the Governmental Lender and the Funding Lender at law or under any other agreement. None of Governmental Lender and the Funding Lender, nor the other Beneficiary Parties or their respective officers, directors, employees or agents shall be liable or responsible for (i) for any acts or omissions of the Governmental Lender and the Funding Lender; or (ii) the validity, sufficiency or genuineness of any documents, or endorsements, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged. In furtherance and not in limitation of the foregoing, the Governmental Lender and the Funding Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, unless acceptance in light of such notice or information constitutes gross negligence or willful misconduct on the part of the Governmental Lender and the Funding Lender.

(b) None of the Governmental Lender the Funding Lender, the other Beneficiary Parties or any of their respective officers, directors, employees or agents shall be liable to any contractor, subcontractor, supplier, laborer, architect, engineer or any other party for services performed or materials supplied in connection with the Project. The Governmental Lender and the Funding Lender shall not be liable for any debts or claims accruing in favor of any such parties against Borrower or others or against the Project. Borrower is not and shall not be an agent of the Governmental Lender and the Funding Lender for any purpose. Neither the Governmental Lender nor the Funding Lender is a joint venture partner with Borrower in any manner whatsoever. Prior to default by Borrower under this Borrower Loan Agreement and the exercise of remedies granted herein, the Governmental Lender and the Funding Lender shall not be deemed to be in privity of contract with any contractor or provider of services to the Project, nor shall any payment of funds directly to a contractor, subcontractor or provider of services be deemed to create any third party beneficiary status or recognition of same by the Governmental Lender and the Funding Lender. Approvals granted by the Governmental Lender and the Funding Lender for any matters covered under this Borrower Loan Agreement shall be narrowly construed to cover only the parties and facts identified in any written approval or, if not in writing, such approvals shall be solely for the benefit of Borrower.

(c) Any obligation or liability whatsoever of the Governmental Lender and the Funding Lender that may arise at any time under this Borrower Loan Agreement or any other Borrower Loan Document shall be satisfied, if at all, out of the Funding Lender's assets only. No such obligation or liability shall be personally binding upon, nor shall resort for the enforcement

thereof be had to, the Project or any of the Governmental Lender's or the Funding Lender's shareholders (if any), directors, officers, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort or otherwise.

Section 11.5. Delivery of Reports, Etc. The delivery of reports, information and documents to the Governmental Lender and the Funding Lender as provided herein is for informational purposes only and the Governmental Lender's and the Funding Lender's receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Governmental Lender and the Funding Lender shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Borrower Loan Agreement against the Governmental Lender and the Funding Lender.

IN WITNESS WHEREOF, the undersigned has duly executed and delivered this Borrower Loan Agreement or caused this Borrower Loan Agreement to be duly executed and delivered by its authorized representative as of the date first set forth above. The undersigned intends that this instrument shall be deemed to be signed and delivered as a sealed instrument.

Exhibit "D".
(To Ordinance)

Land Use Restriction Agreement
With Parkside Phase IIB, L.P.

This Land Use Restriction Agreement (this "Agreement"), entered into as of June 1, 2014, between the CITY OF CHICAGO, a municipal corporation and home rule unit of local government duly organized and validly existing under the Constitution and laws of the State of Illinois (the "Issuer"), and PARKSIDE PHASE IIB, LP an Illinois limited partnership (the "Owner"),

WITNESSETH:

WHEREAS, pursuant to a Funding Loan Agreement, dated as of June 1, 2014 (the "Funding Loan Agreement") between the Issuer and Citibank, N.A. (the "Funding Lender") and an ordinance adopted by the Issuer on May _____, 2014 (the "Ordinance"), the Funding Lender will advance funds (the "Funding Loan") in an aggregate principal amount not to exceed Twenty-Seven Million and 00/100 Dollars (\$27,000,000) and the Issuer will issue, sell and deliver its \$14,557,681 Multifamily Mortgage Revenue Construction/Payment Note, Series 2014A (Parkside of Old Town Phase IIB) (the "Series 2014A Note") and its \$12,442,319 Multifamily Mortgage Revenue Construction Note, Series 2014B (Parkside of Old Town Phase IIB) (the "Series 2014B Note" and, collectively with the Series 2014A Note, the "Notes") evidencing the obligation to repay the Funding Loan; and

WHEREAS, the proceeds derived from the issuance and sale of the Notes have been lent by the Issuer to the Owner pursuant to the a loan agreement of even date herewith (the "Borrower Loan Agreement"), between the Issuer and the Owner for the purpose of financing a portion of the costs of acquiring, rehabilitating, constructing and equipping approximately 106 rental units, including approximately 27 affordable units, 36 units which will be leased to public housing residents, approximately 43 unrestricted units and related common areas along with parking lot facilities (together with all rights and interests of the Owner in common areas in such buildings and on the related site, the "Units"), located on the site described in Exhibit A hereto (the " Site" and, together with the Units, the "Project"); and

WHEREAS, the Units will be leased primarily to low- and moderate-income tenants, with 43 Units expected to be unrestricted, market-rate Units; and

WHEREAS, the Site is currently owned by the Chicago Housing Authority (the "CHA"), and, upon issuance of the Notes, a leasehold interest will be assigned to the Owner; and

WHEREAS, the Owner will construct the Units on the Site and will own the Units; and

WHEREAS, in order to assure the Issuer and the Funding Lender that interest on the Notes will be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), and to further the public purposes of the Issuer, certain restrictions on the use and occupancy of the Project under the Code must be established;

NOW, THEREFORE, In consideration of the mutual promises and covenants hereinafter set forth, and of other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the Owner and the Issuer agree as follows:

Section 1. Term of Restrictions.

(a) Occupancy Restrictions. The term of the Occupancy Restrictions set forth in Section 3 hereof shall commence on the first day on which at least 10% of the Units are first occupied following completion of such Units and shall end on the latest of (i) the date which is 15 years after the date on which at least 50% of the Units in the Project are first occupied; (ii) the first date on which no tax-exempt note or bond (including any refunding note or bond) issued with respect to the Project is outstanding (treating, for such purpose, the Project as being financed in part by all Notes); or (iii) the date on which any housing assistance provided with respect to the Project under Section 8 of the United States Housing Act of 1937, as amended, terminates (which period is hereinafter referred with respect to the Project as the "Qualified Project Period").

(b) Rental Restrictions. The Rental Restrictions with respect to the Project set forth in Section 4 hereof shall remain in effect during the Qualified Project Period.

(c) Involuntary Loss or Substantial Destruction. The Occupancy Restrictions set forth in Section 3 hereof, and the Rental Restrictions set forth in Section 4 hereof, shall cease to apply to the Project in the event of involuntary noncompliance caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in federal law or an action of a federal agency (with respect to the Project) after the date of delivery of the Notes, which prevents the Issuer from enforcing the Occupancy Restrictions and the Rental Restrictions (with respect to the Project), or condemnation or similar event (with respect to the Project), but only if, within a reasonable time, (i) all of the Notes are promptly retired, or amounts received as a consequence of such event are used to provide a new project which meets all of the requirements of this Agreement, which new project is subject to new restrictions substantially equivalent to those contained in this Agreement, and which is substituted in place of the Project by amendment of this Agreement; and (ii) an opinion from nationally recognized bond counsel (selected by the Issuer) is received to the effect that noncompliance with the Occupancy Restrictions and the Rental Restrictions applicable to the Project as a result of such involuntary loss or substantial destruction resulting from an unforeseen event with respect to the Project will not adversely affect the exclusion of the interest on the Notes from the gross incomes of the owners thereof for purposes of federal income taxation; provided, however, that the preceding provisions of this paragraph shall cease to apply in the case of such involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or

similar event if at any time during the Qualified Project Period with respect to the Project subsequent to such event the Owner or any Affiliated Party (as hereinafter defined) obtains an ownership interest in the Project for federal income tax purposes. "Affiliated Party" means a person whose relationship to another person is such that (i) the relationship between such persons would result in a disallowance of losses under Section 267 or 707(b) of the Code; or (ii) such persons are members of the same controlled group of corporations (as defined in Section 1563(a) of the Code, except that "more than 50%" shall be substituted for "at least 80%" each place it appears therein).

(d) Termination. This Agreement shall terminate with respect to the Project upon the earliest of (i) termination of the Occupancy Restrictions and the Rental Restrictions with respect to the Project, as provided in paragraphs (a) and (b) of this Section 1; or (ii) delivery to the Issuer and the Owner of an opinion of nationally recognized bond counsel (selected by the Issuer) to the effect that continued compliance of the Project with the Rental Restrictions and the Occupancy Restrictions applicable to the Project is not required in order for interest on the Notes to remain excludible from gross income for federal income tax purposes.

(e) Certification. Upon termination of this Agreement, the Owner and the Issuer shall execute and cause to be recorded (at the Owner's expense), in all offices in which this Agreement was recorded, a certificate of termination, specifying which of the restrictions contained herein has terminated.

(f) Encumbrance of Fee. In furtherance of enforcing compliance with the provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations applicable to this Agreement, unless the provisions of paragraph (c) or (d) above apply to the Project resulting in a termination of the restrictions set forth herein, such restrictions shall continue to apply to the Project following the termination of the Owner's or any other party's leasehold estate therein, whether or not the Project is thereafter released by the Issuer.

Section 2. Project Restrictions.

The Owner represents, warrants and covenants that:

(a) The Owner has reviewed the provisions of the Code and the Treasury Regulations thereunder (the "Regulations") applicable to this Agreement (including, without limitation, Section 142(d) of the Code and Section 1.103-8(b) of the Regulations) with its counsel and understands said provisions.

(b) The Project is being acquired, constructed and equipped for the purpose of providing a "qualified residential rental project" (as such phrase is used in Section 142(d) of the Code) and will, during the term of the Rental Restrictions and Occupancy Restrictions hereunder applicable to the Project, continue to constitute a "qualified residential rental project" under Section 142(d) of the Code and any Regulations heretofore or hereafter promulgated thereunder and applicable thereto.

(c) Substantially all (not less than 95%) of the Project will consist of a "building or structure" (as defined in Section 1.103-8(b)(8)(iv) of the Regulations), or several proximate buildings or structures, of similar construction, each containing one or more similarly constructed residential units (as defined in Section 1.103-8(b)(8)(i) of the Regulations) located on a single tract of land or contiguous tracts of land (as defined in Section 1.103-8(b)(4)(ii)-(B) of the Regulations), which will be owned, for federal tax purposes, at all times by the same person, and financed pursuant to a common plan (within the meaning of Section 1.103-8(b)(4)(ii) of the Regulations), together with functionally related and subordinate facilities (within the meaning of Section 1.103-8(b)(4)(iii) of the Regulations). If any such building or structure contains fewer than five (5) units, no unit in such building or structure shall be Owner-occupied.

(d) None of the Units in the Project will at any time be used on a transient basis, nor will the Project itself be used as a hotel, motel, dormitory, fraternity or sorority house, rooming house, hospital, nursing home, sanitarium, rest home or trailer park or court for use on a transient basis; nor shall any portion, of the Project be operated as an assisted living facility which provides continual or frequent nursing, medical or psychiatric services; provided, however that nothing herein shall be understood to prohibit single room occupancy units occupied under month to month leases.

(e) All of the Units in the Project will be leased or rented, or available for lease or rental, on a continuous basis to members of the general public (other than (i) Units for resident managers or maintenance personnel, (ii) Units for Qualifying Tenants as provided for in Section 3 hereof, and (iii) Units which may be rented under the Section 8 assistance program, which units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section requirements), subject, however, to the requirements of Section 3(a) hereof. Each Qualifying Tenant (as hereinafter defined) occupying a Unit in the Project shall be required to execute a written lease with a stated term of not less than 30 days nor more than one year.

(f) Any functionally related and subordinate facilities (e.g., parking areas, swimming pools, tennis courts, etc.) which are included as part of the Project will be of a character and size commensurate with the character and size of the Project, and will be made available to all tenants in the Project on an equal basis; fees will only be charged with respect to the use thereof if the charging of fees is customary for the use of such facilities at similar residential rental properties in the surrounding area (i.e., within a one-mile radius), or, if none, then within comparable urban settings in the City of Chicago, and then only in amounts commensurate with the fees being charged at similar residential rental properties within such area. In any event, any fees charged will not be discriminatory or exclusionary as to the Qualifying Tenants (as defined in Section 3 hereof). No functionally related and subordinate facilities will be made available to persons other than tenants or their guests.

(g) Each residential unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or family.

(h) No portion of the Project will be used to provide any health club facility (except as provided in (0 above), any facility primarily used for gambling, or any store, the principal business of which is the sale of alcoholic beverages for consumption off premises, in violation of Section 147(e) of the Code.

Section 3. Occupancy Restrictions.

The Owner represents, warrants and covenants with respect to the Project that:

(a) Pursuant to the election of the Issuer in accordance with the provisions of Section 142(d)(1)(A) of the Code, at all times during the Qualified Project Period with respect to the Project at least 40% of the completed Units in the Project shall be continuously occupied (or treated as occupied as provided herein) or held available for occupancy by Qualifying Tenants as herein defined. For purposes of this Agreement, "Qualifying Tenants" means individuals or families whose aggregate adjusted incomes do not exceed 60% of the applicable median gross income (adjusted for family size) for the area in which the Project is located, as such income and area median gross income are determined by the Secretary of the United States Treasury in a manner consistent with determinations of income and area median gross income under Section 8 of the United States Housing Act of 1937, as amended (or, if such program is terminated, under such program as in effect immediately before such determination).

(b) Prior to the commencement of occupancy of any unit to be occupied by a Qualifying Tenant, the prospective tenant's eligibility shall be established by execution and delivery by such prospective tenant of an Income Computation and Certification in the form attached hereto as Exhibit B (the "Income Certification") evidencing that the aggregate adjusted income of such prospective tenant does not exceed the applicable income limit. In addition, such prospective tenant shall be required to provide whatever other information, documents or certifications are reasonably deemed necessary by the Owner or the Issuer to substantiate the Income Certification.

(c) Not less frequently than annually, the Owner shall determine whether the current aggregate adjusted income of each tenant occupying any unit being treated by the Owner as occupied by a Qualifying Tenant exceeds the applicable income limit. For such purpose the Owner shall require each such tenant to execute and deliver the Income Certification; provided, however, that for any calendar year during which no unit in the Project is occupied by a new resident who is not a qualifying tenant, no Income Computation and Certification for existing tenants shall be required.

(d) Any unit vacated by a Qualifying Tenant shall be treated as continuing to be occupied by such tenant until reoccupied, other than for a temporary period not to exceed 31 days, at which time the character of such unit as a unit occupied by a Qualifying Tenant shall be redetermined.

(e) If an individual's or family's income exceeds the applicable income limit as of any date of determination, the income of such individual or family shall be treated as continuing not to exceed the applicable limit, provided that the income of an individual or family did not exceed the applicable

income limit upon commencement of such tenant's occupancy or as of any prior income determination, and provided, further, that if any individual's or family's income as of the most recent income determination exceeds 140% of the applicable income limit, such individual or family shall cease to qualify as a Qualifying Tenant if, prior to the next income determination of such individual or family, any unit in the Project of comparable or smaller size to such individual's or family's unit is occupied by any tenant other than a Qualifying Tenant.

(f) The lease to be utilized by the Owner in renting any Unit in the Project to a prospective Qualifying Tenant shall provide for termination of the lease and consent by such person to eviction following 30 days' written notice, subject to applicable provisions of Illinois law (including for such purpose all applicable home rule ordinances), for any material misrepresentation made by such person with respect to the Income Certification with the effect that such tenant is not a Qualified Tenant.

(g) All Income Certifications will be maintained on file at the Project as long as any Notes are outstanding and for five years thereafter with respect to each Qualifying Tenant who occupied a Unit in the Project during the period the restrictions hereunder are applicable, and the Owner will, promptly upon receipt, file a copy thereof with the Issuer.

(h) On the first day of the Qualified Project Period with respect to the Project, on the fifteenth days of January, April, July and October of each year during the Qualified Project Period with respect to the Project, and within 30 days after the final day of each month in which there occurs any change in the occupancy of a Unit in the Project, the Owner will submit to the Issuer a "Certificate of Continuing Program Compliance," in the form attached hereto as Exhibit C executed by the Owner with respect to the Project.

(i) The Owner shall submit to the Secretary of the United States Treasury (at such time and in such manner as the Secretary shall prescribe) with respect to the Project an annual certification on Form 8703 as to whether the Project continues to meet the requirements of Section 142(d) of the Code. Failure to comply with such requirement may subject the Owner to the penalty provided in Section 6652(j) of the Code.

Section 4. Rental Restrictions.

The Owner represents, warrants and covenants with respect to the Project that once available for occupancy, each Unit in the Project will be rented or available for rental on a continuous basis to members of the general public (other than (a) Units for resident managers or maintenance personnel, (b) Units for Qualifying Tenants as provided for in Section 3 hereof, and (c) Units which may be rented under the Section 8 assistance program, which Units (subject to the Section 8 assistance program) shall be leased to eligible tenants in accordance with Section 8 requirements). If a Housing Assistance Payments Contract is subsequently entered into with respect to the Project under the Section 8 assistance program, in administering the restrictions hereunder with respect to the Project the Owner will comply with all Section 8 requirements.

Section 5. Transfer Restrictions.

The Owner covenants and agrees that no conveyance, transfer, assignment or any other disposition of title to any portion of the Project (a "Transfer") shall be made prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project, unless the transferee pursuant to the Transfer assumes in writing (the "Assumption Agreement"), in a form reasonably acceptable to the Issuer, all of the executory duties and obligations hereunder of the Owner with respect to such portion of the Project, including those contained in this Section 5, and agrees to cause any subsequent transferee to assume such duties and obligations in the event of a subsequent Transfer by the transferee prior to the termination of the Rental Restrictions and Occupancy Restrictions hereunder with respect to the Project. The Owner shall deliver the Assumption Agreement to the Issuer at least 30 days prior to a proposed Transfer. This Section 5 shall not apply to any involuntary transfer pursuant to Section 1(c) hereof. This Section shall not be deemed to restrict the transfer of any partnership interest in the Owner or a transfer by foreclosure or deed in lieu of foreclosure.

Section 6. Enforcement.

(a) The Owner shall permit all duly authorized representatives of the Issuer to inspect any books and records of the Owner regarding the Project and the incomes of Qualifying Tenants which pertain to compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(b) In addition to the information provided for in Section 3(i) hereof, the Owner shall submit any other information, documents or certifications reasonably requested by the Issuer, which the Issuer deems reasonably necessary to substantiate continuing compliance with the provisions of this Agreement and Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

(c) The Issuer and the Owner each covenants that it will not take or permit to be taken any action within its control that it knows would adversely affect the exclusion of interest on the Notes from the gross income of the owners thereof for purposes of federal income taxation pursuant to Section 103 of the Code. Moreover, each covenants to take any lawful action within its control (including amendment of this Agreement as may be necessary in the opinion of nationally recognized bond counsel selected by the Issuer) to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service from time to time pertaining to obligations issued under Section 142(d) of the Code and affecting the Project.

(d) The Owner covenants and agrees to inform the Issuer by written notice of any violation of its obligations hereunder within five days of first discovering any such violation. If any such violation is not corrected to the satisfaction of the Issuer within the period of time specified by either the Issuer, which shall be (i) the lesser of (A) 60 days after the effective date of any notice to or from

the Owner, or (B) 75 days from the date such violation would have been discovered by the Owner by the exercise of reasonable diligence, or (ii) such longer period as may be necessary to cure such violation, provided bond counsel (selected by the Issuer) of nationally recognized standing in matters pertaining to the exclusion of interest on municipal bonds from gross income for purposes of federal income taxation issues an opinion that such extension will not result in the loss of such exclusion of interest on the Notes, without further notice, the Issuer shall declare a default under this Agreement effective on the date of such declaration of default, and the Issuer shall apply to any court, state or federal, for specific performance of this Agreement or an injunction against any violation of this Agreement, or any other remedies at law or in equity or any such other actions as shall be necessary or desirable so as to correct noncompliance with this Agreement.

(e) The Owner and the Issuer each acknowledges that the primary purposes for requiring compliance with the restrictions provided in this Agreement are to preserve the exclusion of interest on the Notes from gross income for purposes of federal income taxation, and that the Issuer, on behalf of the owners of the Notes, who are declared to be third-party beneficiaries of this Agreement, shall be entitled for any breach of the provisions hereof, to all remedies both at law and in equity in the event of any default hereunder.

(f) In the enforcement of this Agreement, the Issuer may rely on any certificate delivered by or on behalf of the Owner or any tenant with respect to the Project.

(g) Nothing in this Section shall preclude the Issuer from exercising any remedies it might otherwise have, by contract, statute or otherwise, upon the occurrence of any violation hereunder.

(h) Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any cure of any default made or tendered by one or more of the Owner's partners shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

Section 7. Covenants to Run with the Land.

The Owner hereby subjects the Project, the Site and the Units to the covenants, reservations and restrictions set forth in this Agreement. The Issuer and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants, reservations and restrictions running with the land to the extent permitted by law, and shall pass to and be binding upon the Owner's successors in title to the Project, the Units, and the Site, throughout the term of this Agreement. Each and every contract, deed, mortgage, lease or other instrument hereafter executed covering or conveying the Project, the Units or the Site, or any portion thereof or interest therein (excluding any transferee of a partnership interest in the Owner), shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed, mortgage, lease or other instrument.

Section 8. Recording.

The Owner shall cause this Agreement and all amendments and supplements hereto to be recorded in the conveyance and real property records of Cook County, Illinois, and in such other places as the Issuer may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

Section 9. Agents of the Issuer.

The Issuer shall have the right to appoint agents to carry out any of its duties and obligations hereunder, and shall, upon written request, certify in writing to the other party hereto any such agency appointment.

Section 10. No Conflict with Other Documents.

The Owner warrants and covenants that it has not and will not execute any other agreement with provisions inconsistent or in conflict with the provisions hereof (except documents that are subordinate to the provisions hereof), and the Owner agrees that the requirements of this Agreement are paramount and controlling as to the rights and obligations herein set forth, which supersede any other requirements in conflict herewith.

Section 11. Interpretation.

Any capitalized terms not defined in this Agreement shall have the same meaning as terms defined in the Funding Loan Agreement, the Borrower Loan Agreement or Section 142(d) of the Code and the regulations heretofore or hereafter promulgated thereunder.

Section 12. Amendment.

Subject to any restrictions set forth in the Funding Loan Agreement, this Agreement may be amended by the parties hereto to reflect changes in Section 142(d) of the Code, the regulations hereafter promulgated thereunder and revenue rulings promulgated thereunder, or in the interpretation thereof.

Section 13. Severability.

The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

Section 14. Notices.

Any notice, demand or other communication required or permitted hereunder shall be in writing and shall be deemed to have been given if and when personally delivered and receipted for, or, if

sent by private courier service or sent by overnight mail service, shall be deemed to have been given if and when received (unless the addressee refuses to accept delivery, in which case it shall be deemed to have been given when first presented to the addressee for acceptance), or on the first day after being sent by telegram, or on the third day after being deposited in United States registered or certified mail, postage prepaid. Any such notice, demand or other communication shall be given as provided for in Section 11.1 of the Funding Loan Agreement.

Section 15. Governing Law.

This Agreement shall be construed in accordance with and governed by the laws of the State of Illinois, and where applicable, the laws of the United States of America.

Section 16. Limited Liability of Owner.

Notwithstanding any other provision or obligation stated in or implied by this Agreement to the contrary, any and all undertakings and agreements of the Owner contained herein shall not (other than as expressly provided hereinafter in this paragraph) be deemed, interpreted or construed as the personal undertaking or agreement of, or as creating any personal liability upon, any past, present or future partner of the Owner, and no recourse (other than as expressly provided hereinafter in this paragraph) shall be had against the property of the Owner or any past, present or future partner of the Owner, personally or individually for the performance of any undertaking, agreement or obligation, or the payment of any money, under this Agreement or any document executed or delivered by or on behalf of the Owner pursuant hereto or in connection herewith, or for any claim based thereon. It is expressly understood and agreed that the Issuer and the registered owners of the Notes, and their respective successors and assigns, shall have the right to sue for specific performance of this Agreement and to otherwise seek equitable relief for the enforcement of the obligations and undertakings of the Owner hereunder, including, without limitation, obtaining an injunction against any violation of this Agreement or the appointment of a receiver to take over and operate all or any portion of the Project in accordance with the terms of this Agreement. This Section shall survive termination of this Agreement.

IN WITNESS WHEREOF, The parties hereto have caused this Agreement to be signed and sealed by their respective, duly authorized representatives, as of the day and year first above written.

Parkside IIB Rental Project Redevelopment Agreement.

This Parkside IIB Rental Project Redevelopment Agreement (the "Agreement") is made as of this _____ day of _____, 2014, by and among the City of Chicago, an Illinois municipal corporation (the "City"), through its Department of Planning and Development ("DPD"), and Parkside Phase IIB, LP, an Illinois limited partnership ("Partnership"), and Holsten Real Estate Development Corporation, an Illinois corporation ("Holsten"), and Cabrini Green LAC Community Development Corporation, an Illinois not-for-profit corporation ("LAC").

RECITALS:

A. **Constitutional Authority:** As a home rule unit of government under Section 6(a), Section VII of the 1970 Constitution of the State of Illinois (the "State"), the City has the power to regulate for the protection of the public health, safety, morals, and welfare of its inhabitants and, pursuant thereto, has the power to encourage private development in order to enhance the local tax base and create employment opportunities, and to enter into contractual agreements with private parties in order to achieve these goals.

B. **Statutory Authority:** The City is authorized under the provisions of the Tax Increment Allocation Redevelopment Act. 65 ILCS 5/11-74.4-1 et seq. (2002 State Bar Edition), as amended from time-to-time (the "Act"), to finance projects that eradicate blighted conditions through the use of tax increment allocation financing for redevelopment projects.

C. **City Council Authority:** To induce redevelopment under the provisions of the Act, the City Council of the City (the "City Council") adopted the following ordinances on July 30, 1997: (1) "An Ordinance of the City of Chicago, Illinois Approving a Redevelopment Plan for the Near North Redevelopment Project Area"; (2) "An Ordinance of the City of Chicago, Illinois Designating the Near North Redevelopment Project Area as a Redevelopment Project Area Pursuant to Tax Increment Allocation Redevelopment Act"; and (3) "An Ordinance of the City of Chicago, Illinois Adopting Tax Increment Allocation Financing for the Near North Redevelopment Project Area" (the "TIF Adoption Ordinance"). Collectively the three ordinances are defined as the "TIF Ordinances". The Redevelopment Area (as defined below) is legally described on Exhibit A.

D. **The Project:** Parkside Associates, LLC, an Illinois limited liability company, ("Parkside") of which Holsten and LAC are members, previously entered into a Contract for Redevelopment of Cabrini-Green Extension North dated September 29, 2005 (as amended, the "CHA Redevelopment Agreement") with the Chicago Housing Authority ("CHA") and Daniel E. Levin and The Habitat Company LLC, not personally but in their former official capacity as Receiver for CHA, for the construction by Parkside and other entities formed by Parkside of approximately 718 housing units, including replacement public housing, on sites located within the Near North Tax Increment

Financing Redevelopment Project Area (the "Redevelopment Area"). The project contemplated by this Redevelopment Agreement is for the construction of approximately 106 of those units on sites located at 459 West Division Street and 1151 North Cleveland Avenue in the Redevelopment Area (the "Property"). CHA has leased the Property to Partnership pursuant to one 99-year ground lease. The Property is approximately 0.83 acre, and is located wholly within the Redevelopment Area. A legal description of the Property is stated in Exhibit B-1. The Property is currently undeveloped and subject to the zoning requirements stated in Residential-Business Planned District No. 1006 (including any approved amendment thereof, the "PD"). In accordance with this Agreement, the Developer Parties (as hereinafter defined) plan to construct 1 new 9-story multifamily rental building with 5 new townhome-style units and two walkup flats attached to the rear facade of the building, and 1 new 3-story multifamily rental building with twelve residential units. The buildings will collectively comprise approximately 106 residential units consisting of 36 rental units for public housing residents, 27 rental units for low-income families, 43 market rate rental units, one exercise room, one community room, and 66 parking spaces. The new construction work is collectively defined as the "Project". A site plan for the Project (the "Site Plan") is Exhibit B-2. The completion of the Project would not reasonably be anticipated to occur without the financing contemplated in this Agreement.

E. Redevelopment Plan: The Project will be carried out in accordance with this Agreement, the PD and the City of Chicago Near North Redevelopment Project Area Tax Increment Finance Program Redevelopment Plan and Project (the "Redevelopment Plan"), and as amended from time-to-time.

F. City Financing and Assistance: The City agrees to use, in the amounts set forth in Section 4.03 hereof, Incremental Taxes to pay or reimburse the Developer Parties for the costs of TIF-Funded Improvements pursuant to the terms and conditions of this Agreement. In addition, the City may, in its discretion, issue tax increment allocation bonds ("TIF Bonds") secured by Incremental Taxes (as defined below) pursuant to a TIF bond ordinance (the "TIF Bond Ordinance"), at a later date as described and conditioned in Section 4.07 hereof. The proceeds of the TIF Bonds (the "TIF Bond Proceeds") may be used to pay for the costs of the TIF-Funded Improvements not previously paid for from Available Incremental Taxes.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

3.02 Scope Drawings and Plans and Specifications. Partnership has delivered the Scope Drawings and Plans and Specifications to DPD and DPD has approved them. After such initial approval, subsequent proposed changes to the Scope Drawings or Plans and Specifications within the scope of Section 3.04 will be submitted to DPD as a Change Order under Section 3.04. The Scope Drawings and Plans and Specifications will at all times conform to the Redevelopment Plan as in effect on the date of this Agreement, and all applicable Federal, State and local laws, ordinances and regulations. Developer Parties will submit all necessary documents to the City's Department of Buildings, Department of Transportation, and to such other City departments or governmental authorities as may be necessary to acquire building permits and other required approvals for the Project.

3.03 Project Budget. Partnership has furnished to DPD, and DPD has approved, a Project Budget which is Exhibit C-1, showing total costs for the Project in an amount not less than \$41,351,529. Partnership hereby certifies to the City that: (a) in addition to City Funds, the Lender Financing and/or Equity described in Exhibit K shall be sufficient to pay for all Project costs; and (b) the Project Budget is true, correct and complete in all material respects. Partnership will promptly deliver to DPD copies of any Change Orders with respect to the Project Budget as provided in Section 3.04.

3.04 Change Orders. Except as provided in subparagraph (b) below, all Change Orders (and documentation substantiating the need and identifying the source of funding therefor) relating to material changes to the Project must be submitted by Partnership to DPD concurrently with the progress reports described in Section 3.07; provided, however, that any Change Orders relating to any of the following must be submitted by Partnership to DPD for DPD's prior written approval: (i) a reduction or increase by more than five percent (5%) in the square footage of the Project, or

The Construction Contract, and each contract between the General Contractor and any subcontractor, will contain a provision to this effect. An approved Change Order will not be deemed to imply any obligation on the part of the City to increase the amount of City Funds or to provide any other additional assistance to Partnership.

3.05 DPD Approval. Any approval granted by DPD under this Agreement of the Scope Drawings, Plans and Specifications and the Change Orders is for the purposes of this Agreement only, and any such approval does not affect or constitute any approval required by any other City department or under any City ordinance, code, regulation, or any other governmental approval, nor does any such approval by DPD under this Agreement constitute approval of the utility, quality, structural soundness, safety, habitability, or investment quality of the Project.

3.06 Other Approvals. Any DPD approval under this Agreement will have no effect upon, nor will it operate as a waiver of, Developer Parties' obligations to comply with the provisions of Section 5.03 (Other Governmental Approvals).

3.07 Progress Reports and Survey Updates. After the Closing Date, on or before the 15th day of each reporting month, Partnership will provide DPD with written quarterly construction progress reports detailing the status of the Project, including a revised completion date, if necessary (with any delay in completion date being considered a Change Order, requiring DPD's written approval under Section 3.04). by such independent agent or architect will be solely for Partnership's account and will be promptly paid by Partnership. The inspecting agent or architect will perform periodic inspections with respect to the Project, providing written certifications with respect thereto to DPD, prior to requests for disbursements for costs related to the Project.

3.09 Barricades. Partnership has installed (or shall install) a construction barricade of a type and appearance satisfactory to the City and which barricade was constructed in compliance with all applicable Federal, State or City laws, ordinances, rules and regulations. DPD retains the right to approve the maintenance, appearance, color scheme, painting, nature, type, content, and design of all barricades (other than the name and logo of the Project) installed after the date of this Agreement.

3.10 Signs and Public Relations. Partnership will erect in a conspicuous location on the Property during the Project a sign of commercially reasonable size and style, indicating that financing has been provided by the City. The City reserves the right to include the name, photograph, artistic rendering of the Project and any other pertinent, non-confidential information regarding Developer Parties and the Project in the City's promotional literature and communications.

3.11 Utility Connections. Partnership may connect all on-site water, sanitary, storm and sewer lines constructed as a part of the Project to City utility lines existing on or near the perimeter of the Property, provided Partnership first complies with all City requirements governing such connections, including the payment of customary fees and costs related thereto.

3.12 Permit Fees. In connection with the Project, Partnership is obligated to pay only those building, permit, engineering, tap on, and inspection fees that are assessed on a uniform basis throughout the City of Chicago and are of general applicability to other property within the City of Chicago.

3.13 Accessibility for Disabled Persons. Partnership acknowledges that it is in the public interest to design, construct and maintain the Project in a manner that promotes, enables, and maximizes universal access throughout the Project. Plans for all buildings on the Property and related improvements have been reviewed and approved by the Mayor's Office for People with Disabilities ("MOPD") to ensure compliance with all applicable laws and regulations related to access for persons with disabilities and to promote the highest standard of accessibility.

SECTION FOUR: FINANCING

4.01 Total Project Cost and Sources of Funds. The cost of the Project is estimated to be \$41,351,529 to be applied in the manner stated in the Project Budget and funded from the sources identified in Exhibit K.

4.02 Developer Parties Funds. Equity and Lender Financing will be used to pay the majority of Project costs, including but not limited to costs of TIF-Funded Improvements.

4.03 City Funds.

(a) **Uses of City Funds.** City Funds may only be used to pay directly or reimburse the Developer Parties for costs of TIF-Funded Improvements that constitute Redevelopment Project Costs. Exhibit D sets forth, by line item, the TIF-Funded Improvements for the Project, and the maximum amount of costs that may be paid by or reimbursed from City Funds for each line item therein (subject to Section 4.03(b)), contingent upon receipt by the City of documentation satisfactory in form and substance to DPD evidencing such cost and its eligibility as a Redevelopment Project Cost.

(b) **Sources of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03 and Section 5 hereof, the City hereby agrees to provide up to \$10,000,000 of City funds (the "City Funds") from Available Incremental Taxes to pay for or reimburse the Developer Parties for the costs of the TIF-Funded Improvements; provided, however, that the total amount of City Funds expended for TIF-Funded Improvements shall be an amount not to exceed the lesser of Ten Million Dollars (\$10,000,000) or twenty-four percent (24%) of the actual total Project costs; and provided further, that the \$10,000,000 to be derived from Available Incremental Taxes and/or TIF Bond proceeds, if any, shall be available to pay costs related to TIF-Funded Improvements and allocated by the City for that purpose only so long as the amount of the Available Incremental Taxes deposited into the Redevelopment Project Area Special Tax Allocation Fund shall be sufficient to pay for such costs.

The Developer Parties acknowledge and agree that the City's obligation to pay for TIF-Funded Improvements is contingent upon the fulfillment of the conditions set forth above. In the event that such conditions are not fulfilled, the amount of Equity to be contributed by the Developer Parties pursuant to Section 4.01 hereof shall increase proportionately until such City Funds are available.

(c) **Disbursement of City Funds.** Subject to the terms and conditions of this Agreement, including but not limited to this Section 4.03, Section 4.08 and Section 5 hereof, the City shall disburse the City Funds in three payments as follows: (i) \$5,000,000 upon the completion of 50% of the construction of the Project as certified to the City in a Requisition Form with required supporting documentation; (ii) \$2,500,000 upon the completion of 75% of the construction of the Project as certified to the City in a Requisition Form with required supporting documentation; and (iii) \$2,500,000 upon the issuance of the Certificate.

4.04 Construction Escrow. The City and the Developer Parties hereby agree to enter into the Escrow Agreement. All disbursements of Project funds shall be made through the funding of draw requests with respect thereto pursuant to the Escrow Agreement and this Agreement. In case of any conflict between the terms of this Agreement and the Escrow Agreement, the terms of this Agreement shall control.

4.05 Sale or Transfer of the Property or Project by Developer Parties.

(a) Prior to the Date of Issuance of the Certificate. Subject to Sections 4.05(b) and 16.01 below, Partnership must obtain the prior approval of the City for any sale or transfer to an entity that is not a Developer Party of any part of the Property or the Project prior to the issuance of the Certificate. Such approval by the City will be subject to the reasonable discretion requirement stated in Section 18.19.

(b) Sales of Assets or Equity. For purposes of this Section 4.05, the phrase: "sale or transfer of any part of the Property or Project" includes any sales or transfers which are a part of the sale or transfer of all or substantially all of Partnership's assets or equity. The foregoing restrictions of this Section 4.05 do not apply to: (i) transfers of the ground lease; (ii) transfers to any condominium association or community association; and (iii) any dedications or easements required by the subdivision, PD or applicable law.

4.06 Treatment of Prior Expenditures. Only those expenditures made by Developer Parties with respect to the Project prior to the Closing Date, evidenced by documentation satisfactory to DPD and approved by DPD as satisfying costs covered in the Project Budget, will be considered previously contributed Equity or Lender Financing, if any, hereunder (the "Prior Expenditure(s)"). DPD has the right, in its sole discretion, to disallow any such expenditure (not listed on Exhibit F) as a Prior Expenditure as of the date hereof. Exhibit F states the prior expenditures approved by DPD as Prior Expenditures. Prior Expenditures made for items other than TIF-Funded Improvements will not be reimbursed to Developer Parties, but will reduce the amount of Equity and/or Lender Financing, if any, required to be contributed by Developer Parties under Section 4.01.

4.07 Cost Overruns. If the aggregate cost of the TIF-Funded Improvements exceeds City Funds available under Section 4.03, Developer Parties will be solely responsible for such excess costs, and will hold the City harmless from any and all costs and expenses of completing the TIF-Funded Improvements in excess of City Funds and from any and all costs and expenses of completing the Project in excess of the Project Budget.

4.08 Preconditions of Disbursement. Prior to each disbursement of City Funds hereunder, the Developer Parties shall submit documentation regarding the applicable expenditures to DPD, which shall be satisfactory to DPD in its sole discretion. Delivery by the Developer Parties to DPD of any request for disbursement of City Funds hereunder shall, in addition to the items therein expressly set forth, constitute a certification to the City, as of the date of such request for disbursement, that:

(a) the total amount of the disbursement request represents the actual amount payable to (or paid to) the General Contractor and/or subcontractors who have performed work on the Project, and/or their payees;

(b) all amounts shown as previous payments on the current disbursement request have been paid to the parties entitled to such payment;

(c) the Developer Parties have approved all work and materials for the current disbursement request, and such work and materials conform to the Plans and Specifications;

(d) the representations and warranties contained in this Redevelopment Agreement are true and correct and the Developer Parties are in compliance with all covenants contained herein;

(e) the Developer Parties have received no notice and have no knowledge of any liens or claim of lien either filed or threatened against the Property except for the Permitted Liens;

(f) no Event of Default or condition or event which, with the giving of notice or passage of time or both, would constitute an Event of Default exists or has occurred; and

(g) the Project is In Balance. The Project shall be deemed to be in balance ("In Balance") only if the total of the available Project funds equals or exceeds the aggregate of the amount necessary to pay all unpaid Project costs incurred or to be incurred in the completion of the Project. "Available Project Funds" as used herein shall mean: (i) the undisbursed City Funds; (ii) the undisbursed Lender Financing, if any; (iii) the undisbursed Equity and (iv) any other amounts deposited by the Developer pursuant to this Agreement. The Developer Parties hereby agree that, if the Project is not In Balance, the Developer Parties shall, within 10 days after a written request by the City, deposit with the escrow agent or will make available (in a manner acceptable to the City), cash in an amount that will place the Project In Balance, which deposit shall first be exhausted before any further disbursement of the City Funds shall be made.

The City shall have the right, in its discretion, to require the Developer Parties to submit further documentation as the City may require in order to verify that the matters certified to above are true and correct, and any disbursement by the City shall be subject to the City's review and approval of such documentation and its satisfaction that such certifications are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the City from relying on such certifications by the Developer Parties. In addition, the Developer Parties shall have satisfied all other preconditions of disbursement of City Funds for each disbursement, including but not limited to requirements set forth in the Bond Ordinance, if any, TIF Bond Ordinance, if any, the Bonds, if any, the TIF Bonds, if any, the TIF Ordinances, this Agreement and/or the Escrow Agreement.

4.09 Conditional Grant. The City Funds being provided hereunder are being granted on a conditional basis, subject to the Developer Parties' compliance with the provisions of this Agreement. The City Funds are subject to being reimbursed as provided in Sections 7.03 and 15.02 hereof.

4.10 TIF Bonds. The Commissioner of DPD may, in his or her sole discretion, recommend that the City Council approve an ordinance or ordinances authorizing the issuance of TIF Bonds in an amount which, in the opinion of the City Comptroller, is marketable under the then current market conditions. The costs of issuance of the TIF Bonds would be borne solely by the City. Partnership will cooperate with the City in the issuance of the TIF Bonds, as provided in Section 8.05.

DPD will respond to Partnership's written request for a Certificate within 30 days by issuing either a Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed and the measures which must be taken by Developer Parties in order to obtain the Certificate. Partnership may resubmit a written request for a Certificate upon completion of such measures, and the City will respond within 30 days in the same way as the procedure for the initial request. Such process may repeat until the City issues a Certificate.

7.02 Effect of Issuance of Certificate; Continuing Obligations.

(a) The Certificate relates only to the construction of the Project, and upon its issuance, the City will certify that the terms of the Agreement specifically related to Developer Parties' obligation to complete such activities have been satisfied. After the issuance of the Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein will continue to remain in full force and effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate must not be construed as a waiver by the City of any of its rights and remedies under such executory terms.

The other executory terms of this Agreement that remain after the issuance of the Certificate will be binding only upon each Developer Party or a permitted assignee of such Developer Party who, as provided in Section 18.14 (Assignment) of this Agreement, has contracted to take an assignment of such Developer Party's rights under this Agreement and assume such Developer Party's liabilities hereunder.

(e) The execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate LAC's Articles of Incorporation as amended and supplemented, its bylaws, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which LAC is now a party or by which LAC or any of its assets is now or may become bound (LAC only); LAC has the right, power and authority to enter into, execute, deliver and perform this Agreement (LAC only);

(f) Partnership (i) is an Illinois limited partnership duly organized and validly existing in the State of Illinois, (ii) has the right, power and authority to enter into, execute, deliver and perform this Agreement, and (iii) has been duly authorized by all necessary limited partnership action to execute, deliver and perform its obligations under this Agreement, which execution, delivery and performance does not and will not violate its certificate of limited partnership or partnership agreement as amended and supplemented, any applicable provision of law, or constitute a breach of, default under or require any consent under any agreement, instrument or document to which the Partnership is now a party or by which it may become bound (Partnership only);

(g) Partnership has acquired and will maintain good and merchantable leasehold title, or fee simple title, as the case may be, to the Property (and improvements) free and clear of all liens except for the Permitted Liens or Lender Financing, if any, as disclosed in the Project Budget (Partnership only);

(a) the right to terminate this Agreement and cease all disbursement of City Funds not yet disbursed under this Agreement;

(b) the right (but not the obligation) to complete those TIF-Funded Improvements that are public improvements and to pay for the costs of such TIF-Funded Improvements (including interest costs) out of City Funds or other City monies. If the aggregate cost of completing the TIF-Funded Improvements exceeds the amount of City Funds available under Section 4.01. Partnership will reimburse the City for all reasonable costs and expenses incurred by the City in completing such TIF-Funded Improvements in excess of the available City Funds; and

(c) the right to seek reimbursement of the City Funds from the Developer Parties, provided that the City is entitled to rely on an opinion of counsel that such reimbursement will not jeopardize the tax-exempt status, if any, of any TIF Bonds.

7.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD will provide Developer Parties, at their written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

SECTION EIGHT: REPRESENTATIONS, WARRANTIES AND COVENANTS OF DEVELOPER PARTIES.

8.01 General. Each of Partnership, Holsten and LAC represent, warrant, and covenant, as of the date of this Agreement as follows. Representations, warranties and covenants denoted (Partnership only) or (Holsten only) or (LAC only) shall be deemed to have been made only by Partnership or Holsten or LAC, as applicable; otherwise, they shall be deemed to apply to all.

(a) Holsten is an Illinois corporation, duly organized, validly existing and in good standing (Holsten only);

(c) Holsten and LAC are the sole members of Parkside, which is the sole member of the general partner of Partnership.

(d) The execution, delivery and performance of this Agreement has been duly authorized by all necessary corporate action, and does not and will not violate Holsten's Articles of

(k) Partnership is not in default with respect to any indenture, loan agreement, mortgage, deed, note or any other agreement or instrument related to the borrowing of money to which Partnership is a party or by which Partnership or any of its assets is bound which would materially adversely affect its ability to comply with its obligations under this Agreement (Partnership only);

(l) the Financial Statements are, and when hereafter required to be submitted will be, complete, correct in all material respects and accurately present the assets, liabilities, results of operations and financial condition of Partnership; and there has been no material adverse change in the assets, liabilities, results of operations or financial condition of Partnership since the date of Partnership's most recent Financial Statements (Partnership only);

(m) prior to the issuance of the Certificate, if it would materially adversely affect Partnership's ability to perform its obligations under this Agreement, Partnership will not do any of the following without the prior written consent of DPD: (1) be a party to any merger, liquidation or consolidation; (2) sell, transfer, convey, lease or otherwise dispose (directly or indirectly) of all or substantially all of its assets or any portion of the Property or the Project (including but not limited to any fixtures or equipment now or hereafter attached thereto) except in the ordinary course of business or in accordance with Section 4.05; (3) enter into any transaction outside the ordinary course of Partnership's business; (4) assume, guarantee, endorse, or otherwise become liable in connection with the obligations of any other person or entity (except as required in connection with Lender Financing or tax credit equity investment for the Project); or (5) enter into any transaction that would cause a material and detrimental change to Partnership's financial condition; provided, however, this section shall not apply to any commercial leases entered into in the ordinary course of business, it being acknowledged that Partnership shall have the right to enter into commercial leases in the ordinary course of business for all or any portion of the Property on such terms as are determined by Partnership (Partnership only);

(n) Partnership has not incurred and, prior to the issuance of the Certificate, will not, without the prior written consent of the Commissioner of DPD, allow the existence of any liens against the Project other than the Permitted Liens; or incur any indebtedness secured or to be secured by the Project or any fixtures now or hereafter attached thereto, except Lender Financing disclosed in the Project Budget (Partnership only);

(o) None of the Developer Parties has made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or under City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with such Developer Party in violation of Chapter 2-156-120 of the Municipal Code of the City, as amended; and

(p) None of the Developer Parties or any affiliate thereof is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subsection only, "affiliate" means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

8.02 Covenant to Redevelop. Upon DPD's approval of the Scope Drawings and Plans and Specifications as provided in Section 3.02, and DPD's approval of the Project Budget as provided in Section 3.03, and Partnership's receipt of all required building permits and governmental approvals, Developer Parties will redevelop the Property in compliance with this Agreement, the TIF Ordinances, the PD, the CHA Redevelopment Agreement, the Scope Drawings, the Plans and Specifications, the Project Budget and all amendments thereto, and all Federal, State and local laws, ordinances, rules, regulations, executive orders and codes applicable to the Project and/or Partnership.

The covenants set forth in this Section 8.02 will run with the land and will be binding upon any transferee of the Property, or a portion thereof, unless terminated in whole or in part by the City, acting through DPD, pursuant to a written instrument executed pursuant to Section 7.02 and recorded against the Property, or any portion thereof.

8.03 Redevelopment Plan. Developer Parties represent that the Project is and will be in compliance with all applicable terms of the Redevelopment Plan, as in effect on the date of this Agreement.

8.04 Use of City Funds. City Funds disbursed to Developer Parties will be used by Developer Parties solely to pay for or reimburse Developer Parties for their payment for the TIF-Funded Improvements as provided in this Agreement.

8.05 Other Bonds. At the request of the City, Developer Parties will agree to any reasonable amendments to this Agreement that are necessary or desirable in order for the City to issue (in its sole and absolute discretion) TIF Bonds or other bonds ("Bonds") in connection with the Project or the Redevelopment Area, the proceeds of which are to be used to reimburse the City for expenditures made in connection with the TIF-Funded Improvements; provided, however, that any

such amendments will not have a material adverse effect on Developer Parties or the Project. Developer Parties will cooperate and provide reasonable assistance in connection with the marketing of any such Bonds, including but not limited to providing written descriptions of the Project, making representations, providing information regarding its financial condition, and assisting the City in its preparation of an offering statement with respect thereto. None of the Developer Parties will have any liability with respect to any disclosures made in connection with any such issuance that are actionable under applicable securities laws unless such disclosures are based on factual information provided by Developer Parties that is determined to be false and misleading.

8.06 Employment Opportunity.

(a) Partnership covenants and agrees to abide by, and contractually obligate and use reasonable efforts to cause the General Contractor and, as applicable, to cause the General Contractor to contractually obligate each subcontractor to abide by the terms set forth in Section 8.08 and Section 10; provided, however, that the contracting, hiring and testing requirements associated with the MBEA/BE and City resident obligations in Section 10 shall be applied on an aggregate basis and the failure of the General Contractor to require each subcontractor to satisfy, or the failure of any one subcontractor to satisfy, such obligations shall not result in a default or a termination of the Agreement or require payment of the City resident hiring shortfall amount so long as such Section 10 obligations are satisfied on an aggregate basis. Partnership will submit to DPD a plan describing their compliance program prior to the Closing Date.

(b) Partnership will deliver to the City written progress reports by draw, but not less than quarterly, detailing compliance with the requirements of Sections 8.08, 10.02 and 10.03 of this Agreement. If any such reports indicate a shortfall in compliance, Partnership will also deliver a plan to DPD which will outline, to DPD's satisfaction, the manner in which Developer Parties will correct any shortfall.

8.07 Employment Profile. Partnership will submit, and contractually obligate and cause the General Contractor to submit and contractually obligate any subcontractor to submit, to DPD, from time to time, statements of its employment profile upon DPD's request.

8.08 Prevailing Wage. The Partnership covenants and agrees to pay, and to contractually obligate and cause the General Contractor to pay and to contractually cause each subcontractor to pay, the prevailing wage rate as ascertained by the federal government pursuant to the Davis-Bacon Act, to all their respective employees working on constructing the Project or otherwise completing the TIF-Funded Improvements. All such contracts will list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If federal prevailing wage rates are revised, the revised rates will apply

to all such contracts. Upon the City's request, Partnership will provide the City with copies of all such contracts entered into by any Developer Party or the General Contractor to evidence compliance with this Section 8.08.

8.09 Arms-Length Transactions. Unless DPD has given its prior written consent with respect thereto, no Affiliate of a Developer Party may receive any portion of City Funds, directly or indirectly, in payment for work done, services provided or materials supplied in connection with any TIF-Funded Improvement. Developer Parties will provide information with respect to any entity to receive City Funds directly or indirectly (whether through payment to an Affiliate by a Developer Party and reimbursement to such Developer Party for such costs using City Funds, or otherwise), upon DPD's request, prior to any such disbursement.

8.10 No Conflict of Interest. Under Section 5/11-74.4-4(n) of the Act, each Developer Party represents, warrants and covenants that to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project, the Redevelopment Area or the Redevelopment Plan, or any consultant hired by the City or Developer Parties with respect thereto, (a "City Group Member") owns or controls, has owned or controlled or will own or control any interest, and no such City Group Member will represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in any Developer Party, the Property, the Project, or to any Developer Party's actual knowledge, any other property in the Redevelopment Area.

8.11 Disclosure of Interest. None of the Developer Parties' counsel has direct or indirect financial ownership interest in a Developer Party, the Property, or any other feature of the Project.

8.12 Financial Statements. Partnership will obtain and provide to DPD Financial Statements for Partnership's fiscal year ended 2013, and each yearly thereafter for the Term of the Agreement. In addition, if requested by DPD, Partnership will submit unaudited financial statements as soon as reasonably practical following the close of each fiscal year and for such other periods as DPD may request.

8.13 Insurance. Solely at their own expense, Developer Parties will comply with all provisions of Section 12 hereof.

8.14 Non-Governmental Charges.

(a) Payment of Non-Governmental Charges. Except for the Permitted Liens, and subject to subsection (b) below, Developer Parties agree to pay or cause to be paid when due any Non-Governmental Charges assessed or imposed upon the Project, or any fixtures that are or may become attached thereto and which are owned by a Developer Party, which create, may create, or appear to create a lien upon all or any portion of the Project; provided however, that if such Non-Governmental Charges may be paid in installments, Developer

Parties may pay the same together with any accrued interest thereon in installments as they become due and before any fine, penalty, interest, or cost may be added thereto for nonpayment. Developer Parties will furnish to DPD, within thirty (30) days of DPD's request, official receipts from the appropriate entity, or other evidence satisfactory to DPD, evidencing payment of the Non-Governmental Charges in question.

(b) Right to Contest. Developer Parties will have the right, before any delinquency occurs:

(i) to contest or object in good faith to the amount or validity of any Non-Governmental Charges by appropriate legal proceedings properly and diligently instituted and prosecuted, in such manner as shall stay the collection of the contested Non-Governmental Charges, prevent the imposition of a lien or remove such lien, or prevent the transfer or forfeiture of the Property (so long as no such contest or objection shall be deemed or construed to relieve, modify or extend Developer Parties' covenants to pay any such Non-Governmental Charges at the time and in the manner provided in this Section 8.14); or

(ii) at DPD's sole option, to furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD will require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such transfer or forfeiture of the Property or any portion thereof or any fixtures that are or may be attached thereto, during the pendency of such contest, adequate to pay fully any such contested Non-Governmental Charges and all interest and penalties upon the adverse determination of such contest.

8.15 Developer's Liabilities. No Developer Party will enter into any transaction that would materially and adversely affect its ability to perform its obligations under this Agreement. Each Developer Party will immediately notify DPD of any and all events or actions which may materially affect such party's ability to carry on its business operations or perform its obligations under this Agreement or any other documents and agreements related to this Agreement or the Project.

8.16 Compliance with Laws. To the best of each Developer Party's knowledge, after diligent inquiry, the Property and the Project are in compliance with all applicable Federal, State and local laws, statutes, ordinances, rules, regulations, executive orders and codes pertaining to or affecting the Property and the Project. Upon the City's request, Developer Parties will provide evidence satisfactory to the City of such current compliance.

8.17 Recording and Filing. Partnership will cause this Agreement, certain exhibits (as specified by Corporation Counsel) and all amendments and supplements hereto to be recorded and filed on the date hereof in the conveyance and real property records of Cook County, Illinois against the Property. Partnership will pay all fees and charges incurred in connection with any such recording. Upon recording, Partnership will immediately transmit to the City an executed original of this Agreement showing the date and recording number of record.

8.18 Real Estate Provisions.

(a) Governmental Charges.

(i) Payment of Governmental Charges. Subject to subsection (ii) below, Developer Parties agree to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer Parties, the Property or the Project, or become due and payable, and which create, may create, or appear to create a lien upon Developer Parties or all or any portion of the Property or the Project. "Governmental Charge" means all Federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer Parties, the Property, or the Project, including but not limited to real estate taxes.

(ii) Right to Contest. Developer Parties have the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or transfer or forfeiture of the Property. No such contest or objection will be deemed or construed in any way as relieving, modifying or extending Developer Parties' covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Partnership has given prior written notice to DPD of a Developer Party's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(x) Developer Parties will demonstrate to DPD's satisfaction that legal proceedings instituted by Developer Parties contesting or objecting to a Governmental Charge will conclusively operate to prevent or remove a lien against, or the sale or transfer or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings, and/or;

(y) Developer Parties will furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD may require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or transfer or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

(b) Developer Parties' Failure To Pay Or Discharge Lien. If Developer Parties fail to pay or contest any Governmental Charge or to obtain discharge of the same as required by this Section 8.18, Partnership will advise DPD thereof in writing, at which time DPD may, but will not be obligated to, and without waiving or releasing any obligation or liability of Developer Parties under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, will be promptly disbursed to DPD by Developer Parties. Notwithstanding anything contained herein to the contrary, this paragraph must not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer Parties fail to pay any Governmental Charge, the City, in its sole discretion, may require Developer Parties to submit to the City audited Financial Statements at Developer Parties' own expense.

8.19 Affordability Requirements.

(a) Affordable Units. Of the 106 units comprising the Project, 36 units (or 34% of the Project's units) shall be CHA Units affordable to households with incomes not greater than 60% AMI; 27 units (or 25% of the Project's units) shall be affordable to households with AMI not greater than 60%; and 43 units shall not have any affordability restrictions.

(b) CHA Units. The Developer Parties agree and covenant to the City that, prior to any foreclosure of the Property by a lender providing Lender Financing, the provisions of that certain Regulatory Agreement executed by the Partnership and DPD as of the date hereof shall govern the terms of the Developer Parties' obligation to provide affordable housing. Following foreclosure, if any, and from the date of such foreclosure through the Term of the Agreement, the following provisions shall govern the terms of the obligation to provide affordable housing under this Agreement:

(i) The CHA Units shall be operated and maintained solely as residential rental housing;

(ii) All of the CHA Units shall be available for occupancy to and be occupied solely by Low Income Families (as defined below) upon initial occupancy; and

(iii) All of the CHA Units have monthly rents not in excess of thirty percent (30%) of the maximum allowable income for a Low Income Family (with the applicable Family size for such units determined in accordance with the rules specified in Section 42(g)(2) of the Internal Revenue Code of 1986, as amended); provided, however, that for any unit occupied by a Family (as defined below) that no longer qualifies as a Low Income Family due to an increase in such Family's income since the date of its initial occupancy of such unit, the maximum monthly rent for such unit shall not exceed thirty percent (30%) of such Family's monthly income.

(iv) As used in this Section 8.19, the following terms have the following meanings:

(A) "Family" shall mean one or more individuals, whether or not related by blood or marriage; and

(B) "Low Income Families" shall mean Families whose annual income does not exceed sixty percent (60%) of the Chicago-area median income, adjusted for Family size, as such annual income and Chicago-area median income are determined from time to time by the United States Department of Housing and Urban Development, and thereafter such income limits shall apply to this definition.

(c) The covenants set forth in this Section 8.19 shall run with the land and be binding upon any transferee.

(d) The City and the Partnership may enter into a separate agreement to implement the provisions of this Section 8.19;

8.20 Job Readiness Program. If requested by the City, Partnership will use its best efforts to encourage its tenants at the Project to participate in job readiness programs established by the City to help prepare individuals to work for businesses located within the Redevelopment Area.

8.21 Broker's Fees. Partnership has no liability or obligation to pay any fees or commissions to any broker, finder, or agent with respect to any of the transactions contemplated by this Agreement for which the City could become liable or obligated.

8.22 No Business Relationship with City Elected Officials. Partnership acknowledges receipt of a copy of Section 2-156-030(b) of the Municipal Code and that Partnership has read and understands such provision. Under Section 2-156-030(b) of the Municipal Code of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a "Business Relationship" (as defined in Section 2-156-080(b)(2) of the Municipal Code), or to participate in any discussion of any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a Business Relationship. Violation of Section 2-156-030(b) by any elected official, or any person acting at the direction of such official, with respect to this Agreement, or in connection with the transactions contemplated thereby, will be grounds for termination of this Agreement and the transactions contemplated thereby. Partnership hereby represents and warrants that, to the best of its knowledge after due inquiry, no violation of Section 2-156-030(b) has occurred with respect to this Agreement or the transactions contemplated thereby.

8.23 Environmental Features. The design of the Project incorporates the following environmentally-friendly elements for which Partnership shall be responsible: permeable pavers covering at least 50% of the parking spaces; high efficiency heating and hot water; high insulation values in the windows and walls using 25% or more recycled-content insulation; insulated heaters; and a gearless elevator.

8.24 Annual Compliance Report. Beginning with the issuance of the Certificate and continuing throughout the Term of the Agreement, the Partnership shall submit to DPD the Annual Compliance Report within 30 days after the end of the calendar year to which the Annual Compliance Report relates.

8.25 Survival of Covenants. All warranties, representations, covenants and agreements of Partnership contained in this Section 8 and elsewhere in this Agreement are true, accurate and complete at the time of Partnership's execution of this Agreement, and will survive the execution, delivery and acceptance by the parties and (except as provided in Section 7 upon the issuance of the Certificate) will be in effect throughout the Term of the Agreement.

SECTION NINE: REPRESENTATIONS, WARRANTIES AND COVENANTS OF CITY

9.01 General Covenants. The City represents that it has the authority as a home rule unit of local government to execute and deliver this Agreement and to perform its obligations hereunder.

9.02 Survival of Covenants. All warranties, representations, and covenants of the City contained in this Section 9 or elsewhere in this Agreement shall be true, accurate, and complete at the time of the City's execution of this Agreement, and shall survive the execution, delivery and acceptance hereof by the parties hereto and be in effect throughout the Term of the Agreement.

SECTION TEN: DEVELOPER PARTIES' EMPLOYMENT OBLIGATIONS

10.01 Employment Opportunity. Partnership, on behalf of itself and its successors and assigns, hereby agrees, and shall contractually obligate its or their various contractors, subcontractors or any Affiliate of Partnership operating on the Project (collectively, with Partnership, such parties are defined herein as the "Employers," and individually defined herein as an "Employer") to agree, that for the Term of this Agreement with respect to Partnership and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as

amended from time-to-time (the "Human Rights Ordinance"). Each Employer must take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, must state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Redevelopment Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Redevelopment Area.

(c) Each Employer will comply with all applicable Federal, State and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the State Human Rights Act, 775 ILCS 5/1-101 eL seq. (2002 State Bar Edition, as amended), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Section, will cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of Federal, State and municipal agencies.

(e) Each Employer will include the foregoing provisions of subparagraphs (a) through (d) in every construction contract entered into in connection with the Project (other than for remediation and demolition entered into prior to the date of this Agreement), and will require inclusion of these provisions in every subcontract entered into by any subcontractors and every agreement with any Affiliate operating on the Property, so that each such provision will be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this Section 10.01 will be a basis for the City to pursue remedies under the provisions of Section 15.02 hereof, subject to the cure rights under Section 15.03.

10.02 City Resident Construction Worker Employment Requirement.

(a) Partnership agrees for itself and its successors and assigns, and will contractually obligate its General Contractor and will cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they will comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project will be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, Partnership, its General Contractor and each subcontractor will be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions. Partnership, the General Contractor and each subcontractor will use their respective best efforts to exceed the minimum percentage of hours stated above, and to employ neighborhood residents in connection with the Project.

(b) Partnership may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

(c) "Actual residents of the City" means persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

(d) Partnership, the General Contractor and each subcontractor will provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer will maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

(e) Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) will be submitted to the Commissioner of DPD in triplicate, which will identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

(f) Upon 2 Business Days prior written notice, Partnership, the General Contractor and each subcontractor will provide full access to their employment records related to the Construction of the Project to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly

authorized representative of any of them. Partnership, the General Contractor and each subcontractor will maintain all relevant personnel data and records related to the Construction of the Project for a period of at least 3 years after final acceptance of the work constituting the Project.

(g) At the direction of DPD, affidavits and other supporting documentation will be required of Partnership, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

(h) Good faith efforts on the part of Partnership, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) will not suffice to replace the actual, verified achievement of the requirements of this Section concerning the worker hours performed by actual Chicago residents.

(i) When work at the Project is completed, in the event that the City has determined that Partnership has failed to ensure the fulfillment of the requirement of this Section concerning the worker hours performed by actual residents of the City or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Section. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project Budget undertaken by Partnership (and specifically excluding any tenant improvements which are not undertaken by Partnership) (the product of .0005 x such aggregate hard construction costs) (as the same will be evidenced by approved contract value for the actual contracts) will be surrendered by Partnership to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly will result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject Partnership, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to Partnership pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether Partnership must surrender damages as provided in this paragraph.

(j) Nothing herein provided will be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

(k) Partnership will cause or require the provisions of this Section 10.02 to be included in all construction contracts and subcontracts related to the Project (other than contracts for remediation and demolition entered into prior to the date of this Agreement).

10.03 Developer Parties' MBE/WBE Commitment. The Partnership agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that during the Project:

(a) Consistent with the findings which support, as applicable, (i) the Minority-Owned and Women-Owned Business Enterprise Procurement Program, Section 2-92-420 et seq., Municipal Code of Chicago (the "Procurement Program"), and (ii) the Minority- and Women-Owned Business Enterprise Construction Program, Section 2-92-650 et seq., Municipal Code of Chicago (the "Construction Program," and collectively with the Procurement Program, the "MBE/WBE Program"), and in reliance upon the provisions of the MBEAA/BE Program to the extent contained in, and as qualified by, the provisions of this Section 10.03, during the course of the Project, at least the following percentages of the aggregate hard construction costs (as set forth in the Project Budget) shall be expended for contract participation by minority-owned businesses ("MBEs") and by women-owned businesses ("WBEs"):

(1) At least 24 percent by MBEs.

(2) At least four percent by WBEs.

(b) For purposes of this Section 10.03 only:

(i) The Partnership (and any party to whom a contract is let by Partnership in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by Partnership in connection with the Project) shall be deemed a "contract" or a "construction contract" as such terms are defined in Sections 2-92-420 and 2-92-670, Municipal Code of Chicago, as applicable.

(ii) The term "minority-owned business" or "MBE" shall mean a business identified in the Directory of Certified Minority Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a minority-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(iii) The term "women-owned business" or "WBE" shall mean a business identified in the Directory of Certified Women Business Enterprises published by the City's Department of Procurement Services, or otherwise certified by the City's Department of Procurement Services as a women-owned business enterprise, related to the Procurement Program or the Construction Program, as applicable.

(c) Consistent with Sections 2-92-440 and 2-92-720, Municipal Code of Chicago, Partnership's MBEAA/BE commitment may be achieved in part by Partnership's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by Partnership) or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by Partnership utilizing a MBE or a WBE as the General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials or services used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to Partnership's MBEAA/BE commitment as described in this Section 10.03. In accordance with Section 2-92-730, Municipal Code of Chicago, Partnership shall not substitute any MBE or WBE General Contractor or subcontractor without the prior written approval of DPD.

(d) The Partnership shall deliver quarterly reports to the City's monitoring staff during the Project describing its efforts to achieve compliance with this MBEAA/BE commitment. Such reports shall include, inter alia, the name and business address of each MBE and WBE solicited by Partnership or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist the City's monitoring staff in determining Partnership's compliance with this MBEAA/BE commitment. The Partnership shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs in connection with the Project for at least five years after completion of the Project, and the City's monitoring staff shall have access to all such records maintained by Partnership, on five Business Days' notice, to allow the City to review Partnership's compliance with its commitment to MBEAA/BE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, Partnership shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor, and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this subsection (e), the disqualification procedures are further described in Sections 2-92-540 and 2-92-730, Municipal Code of Chicago, as applicable.

(f) Any reduction or waiver of Partnership's MBEAA/BE commitment as described in this Section 10.03 shall be undertaken in accordance with Sections 2-92-450 and 2-92-730, Municipal Code of Chicago, as applicable.

(g) Prior to the commencement of the Project, Partnership shall be required to meet with the City's monitoring staff with regard to Partnership's compliance with its obligations under this Section 10.03. The General Contractor and all major subcontractors shall be required to attend this pre-construction meeting. During said meeting, Partnership shall demonstrate to the City's monitoring staff its plan to achieve its obligations under this Section 10.03, the sufficiency of which shall be approved by the City's monitoring staff. During the Project, Partnership shall submit the documentation required by this Section 10.03 to the City's monitoring staff, including the following: (i) subcontractor's activity report; (ii) contractor's certification concerning labor standards and prevailing wage requirements; (iii) contractor letter of understanding; (iv) monthly utilization report; (v) authorization for payroll agent; (vi) certified payroll; (vii) evidence that MBEAA/BE contractor associations have been informed of the Project via written notice and hearings; and (viii) evidence of compliance with job creation/job retention requirements. Failure to submit such documentation on a timely basis, or a determination by the City's monitoring staff, upon analysis of the documentation, that Partnership is not complying with its obligations under this Section 10.03, shall, upon the delivery of written notice to Partnership, be deemed an Event of Default. Upon the occurrence of any such Event of Default, in addition to any other remedies provided in this Agreement, the City may: (1) issue a written demand to Partnership to halt the Project, (2) withhold any further payment of any City Funds to Developer Parties or the General Contractor, or (3) seek any other remedies against Partnership available at law or in equity.

SECTION ELEVEN: ENVIRONMENTAL MATTERS

11.01 Environmental Matters. Partnership hereby represents and warrants to the City that Partnership has conducted environmental studies sufficient to conclude that the Project may be constructed, completed and operated in accordance with all Environmental Laws (taking into account the anticipated issuance and applicability of any NFRLs issued with respect to the Property), this Agreement and all Exhibits, the Scope Drawings, the Plans and Specifications and all amendments thereto, the TIF Bond Ordinance, if any, and the Redevelopment Plan.

Without limiting any other provisions hereof, Partnership agrees to indemnify, defend and hold the City (except with respect to Existing Materials and any gross negligence or wanton or willful misconduct by the City) harmless from and against any and all losses, liabilities, damages, injuries, costs, expenses or claims of any kind whatsoever including, without limitation, any losses, liabilities, damages, injuries, costs, expenses or claims asserted or arising under any Environmental Laws incurred, suffered by or asserted against the City as a direct or indirect result of any of the following, regardless of whether or not caused by, or within the control of Partnership: (i) the presence of any Hazardous Materials on or under, or the escape, seepage, leakage, spillage, emission, discharge or release of any Hazardous Materials from all or any portion of the Property, or (ii) any liens against the Property permitted or imposed by any Environmental Laws, or any actual or asserted liability or obligation of the City or Partnership or any of its Affiliates under any Environmental Laws relating to the Property.

This Section shall not be construed to require Partnership to assume any of the obligations of the CHA with respect to remediation work required to be performed by the CHA, and Partnership may exercise such rights and remedies it may have to enforce the CHA's performance of the work, provided, however, that this sentence shall not be construed to limit Partnership's indemnification obligations hereunder.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Partnership is not a waiver by the City of any

requirements for the Partnership to obtain and maintain the specified coverages. The Partnership shall advise all insurers of the Agreement provisions regarding insurance. - (i) Such Developer Party's failure to comply with any of the terms, covenants and conditions contained within this Agreement; or
- (ii) Such Developer Party's or any contractor's failure to pay General Contractors, subcontractors or materialmen in connection with the TIF-Funded Improvements or any other Project feature or improvement; or
- (iii) the existence of any material misrepresentation or omission in this Agreement, any offering memorandum or the Redevelopment Plan or any other document related to this Agreement that is the result of information supplied or omitted by such Developer Party or any of its Affiliates or any of their respective agents, employees, contractors or persons acting under the control or at the request of such Developer Party or any of its Affiliates; or
- (iv) a Developer Party's failure to cure any misrepresentation in this Agreement or any other document or agreement relating hereto; or
- (v) any act or omission by such Developer Party or any of its Affiliates.

provided, however, that no Developer Party shall have any obligation to an Indemnitee arising from the wanton or willful misconduct of that Indemnitee. To the extent that the preceding sentence may be unenforceable because it is violative of any law or public policy, such Developer Party will contribute the maximum portion that it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all indemnified liabilities incurred by the Indemnitees or any of them. The provisions of the undertakings and indemnification set out in this Section 13.01 will survive the termination of this Agreement.

SECTION FOURTEEN: MAINTAINING RECORDS/RIGHT TO INSPECT

14.01 Books and Records. Developer Parties will keep and maintain separate, complete, accurate and detailed books and records necessary to reflect and fully disclose the total actual costs of the Project and the disposition of all funds from whatever source allocated thereto, and to monitor the Project. general contracts, subcontracts, purchase orders, waivers of lien, paid receipts and invoices, will be available at Partnership's offices for inspection, copying, audit and examination by an authorized representative of the City, at Partnership's expense. No Developer Party will pay for salaries or fringe benefits of auditors or examiners. Developer Parties must incorporate this right to inspect, copy, audit and examine all books and records into all contracts entered into by a Developer Party with respect to the Project.

14.02 Inspection Rights. Upon 3 Business Days notice, any authorized representative of the City will have access to all portions of the Project and the Property during normal business hours for the Term of the Agreement.

SECTION FIFTEEN: DEFAULT AND REMEDIES

15.01 Events of Default. The occurrence of any one or more of the following events, subject to the provisions of Section 15.03, will constitute an "Event of Default" by a Developer Party, as applicable, hereunder (provided, however, the occurrence of an Event of Default by Partnership shall not be deemed to constitute an Event of Default by Holsten or LAC and the occurrence of an Event of Default by Holsten or LAC shall not be deemed to constitute an Event of Default by Partnership):

- (a) the failure of a Developer Party to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under this Agreement or any related agreement;
- (b) the failure of a Developer Party to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of such party under any other agreement with any person or entity if such failure may have a material adverse effect on such party's business, property (including the Property or the Project), assets (including the Property or the Project), operations or condition, financial or otherwise;
- (c) the making or furnishing by a Developer Party to the City of any representation, warranty, certificate, schedule, report or other communication within or in connection with this Agreement or any related agreement which is untrue or misleading in any material respect when made;
- (d) except as otherwise permitted hereunder, the creation (whether voluntary or involuntary) of, or any attempt by a Developer Party to create, any lien or other encumbrance upon the Property or the Project, including any fixtures now or hereafter attached thereto, other than the Permitted Liens, or the making or any attempt to make any levy, seizure or attachment thereof;
- (e) the commencement of any proceedings in bankruptcy by or against a Developer Party or for the liquidation or reorganization of a Developer Party, or alleging that a Developer

Party is insolvent or unable to pay its debts as they mature, or for the readjustment or arrangement of a Developer Party's debts, whether under the United States Bankruptcy Code or under any other state or Federal law, now or hereafter existing for the relief of debtors, or the commencement of any analogous statutory or non-statutory proceedings involving a Developer Party; provided, however, that if such commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such proceedings are not dismissed within 60 days after the commencement of such proceedings;

(f) the appointment of a receiver or trustee for a Developer Party, for any substantial part of a Developer Party's assets, or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of a Developer Party; provided, however, that if such appointment or commencement of proceedings is involuntary, such action will not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within 60 days after the commencement thereof;

(g) the entry of any judgment or order against a Developer Party for an amount in excess of \$1.0 million which remains unsatisfied or undischarged and in effect for 60 days after such entry without a stay of enforcement or execution;

(h) the occurrence of an event of default under the Lender Financing, if any, which default is not cured within any applicable cure period;

(i) the dissolution of Partnership, Holsten or LAC; or

(j) the institution in any court of a criminal proceeding (other than a misdemeanor) against a Developer Party or any natural person who owns a material interest in a Developer Party, which is not dismissed within 30 days, or the indictment of a Developer Party or any natural person who owns a material interest in a Developer Party, for any crime (other than a misdemeanor).

For purposes of Section 15.01 (j) hereof, a natural person with a material interest in a Developer Party is one owning in excess of thirty-three percent (33%) of such party's (or such party's ultimate parent entity's) issued and outstanding ownership shares or interest. Notwithstanding anything to the contrary contained herein, City hereby agrees that, in addition to the cure rights set out in Section 15.04 below, any cure of any default made or tendered by one or more of Partnership's limited partners shall be deemed to be a cure by the Partnership and/or Developer Parties and shall be accepted or rejected on the same basis as if made or tendered by Partnership and/or Developer Parties.

15.02 Remedies. Subject to Section 15.04, upon the occurrence of an Event of Default, the City may terminate this Agreement and any other agreements to which the City and the Developer Parties are or shall be parties and/or suspend disbursement of City Funds, except as otherwise

provided in Section 4.03(c)(vii). The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. To the extent permitted by law, the City may also lien the Property. Without limiting the generality of the foregoing, with respect to Events of Defaults by a Developer Party prior to the issuance of a Certificate, the City shall be entitled to seek reimbursement of City Funds from Developer Parties. If an Event of Default attributable to Holsten's or LAC's acts or omissions occurs, in no event shall the City be entitled to exercise remedies against Partnership. If an Event of Default attributable to Partnership's acts or omissions occurs, in no event shall the City be entitled to exercise remedies against Holsten or LAC.

15.03 Curative Period.

(a) In the event a Developer Party fails to perform a monetary covenant which it is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default will not be deemed to have occurred unless the applicable party has failed to perform such monetary covenant within 10 days of its receipt of a written notice from the City specifying that it has failed to perform such monetary covenant.

(b) In the event a Developer Party fails to perform a non-monetary covenant which it is required to perform under this Agreement, an Event of Default will not be deemed to have occurred unless the applicable party (or the non-defaulting Developer Party) has failed to cure such default within 30 days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such 30 day period, the applicable party will not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such 30 day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

15.04 Right to Cure by the Limited Partner and/or Citibank. If a default occurs under this Agreement and as a result thereof, the City intends to exercise any right or remedy available to it that could result in termination of this Agreement and all related agreements, or the suspension, cancellation, reduction or reimbursement of City Funds disbursed hereunder, or any other remedy under this Agreement, the City shall prior to exercising such right or remedy, send notice of such intended exercise to the Limited Partner and Citibank, and the Limited Partner (including, without limitation, by exercise of management take over rights of the Owner under its partnership agreement) and Citibank shall have the right (but not the obligation) to cure such default as follows:

(a) if a monetary default exists, the Limited Partner may cause to be cured such monetary default within 90 days after the later of (and Citibank, except as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer Parties with respect to such monetary default; or (ii) receipt by the Limited Partner and Citibank of

notice of default from the City. If the Limited Partner does not cause such monetary default to be cured within such 90-day time period set forth in the preceding sentence, then Citibank may cure such monetary default in the manner set forth in Section 15.04(c); and

(b) if a non-monetary default exists (except for a Personal Developer Default, as later defined), the Limited Partner may cause to be cured such non-monetary default within 90 days after the later of (and Citibank, except as provided in Section 15.04(h) below, and the City shall take no action during such 90 day period): (i) the expiration of the cure period, if any, granted under Section 15.03 to Developer with respect to such non-monetary default; or (ii) receipt by the Limited Partner and Citibank of notice of default from the City. If the Limited Partner does not cause such non-monetary default to be cured within such 90-day time period set forth in the preceding sentence, then Citibank may cure such monetary default in the manner set forth in Section 15.04(d); and

(c) if a monetary default exists, Citibank may cure such monetary default within 60 days after the later of (and the non-electing party and the City shall take no action during such 60-day period): (i) the expiration of the Limited Partner's 90-day cure period; or (ii) receipt by Citibank of notice from the City that the Limited Partner has failed to cure the default within the timeframe set forth in Section 15.04(a) above; and

(d) if a non-monetary default exists (except for a Personal Developer Default), Citibank may cure such non-monetary default within 90 days after the later of (and the non-electing party and the City shall take no action during such 90-day period): (i) the expiration of the Limited Partner's 90-day cure period; or (ii) receipt by Citibank of notice from the City that the Limited Partner has failed to cure the default within the timeframe set forth in Section 15.04(b) above; provided, however, if such non-monetary default is of a nature that is not subject to cure in 90 days, the cure period will be extended for the time period needed to cure such default (including any time period required by Citibank to take control of the Project by initiating foreclosure of its mortgage and/or appointing a receiver) and the City shall forbear from exercising its remedies hereunder so long as diligent and continuous efforts are being pursued to cure such default; and

(e) (1) If such non-monetary default would be an Event of Default set forth in Section 15.01(e), (f), (q), (i) or (j) hereof (each such default being a "Personal Developer Default"), the Limited Partner or Citibank (as applicable and in that strict order as more fully provided in this Section 15.04(e) below and not otherwise, the "Electing Party"), may provide written notice (the "Assumption Notice") to the City and the Limited Partner or Citibank (as applicable, the "Non- Electing Parties") within 30 days of receipt of notice from the City of such Personal Developer Default, as more fully provided in Section 15.04(e)(2) below. If notice is delivered within said 30- day period, the Electing Party shall, in accordance with

Section 15.04(e)(2) below, either cure or cause to be cured such Personal Developer Default by the assignment pursuant to Section 18.15 hereof of all of the Developer Parties' rights, obligations and interests in this Agreement to the Electing Party or any other party agreed to in writing by Citibank and the City, which assumption shall be deemed to cure the Personal Developer Default.

(2) Upon receipt by the City and Citibank of an Assumption Notice from the Limited Partner pursuant to subsection (e)(1) above, the cure period shall be extended for such reasonable period of time as may be necessary to complete such assignment and assumption of the Developer Parties' rights, obligations and interests in this Agreement (but in no event longer than 90 days without the written consent of the City and Citibank). If the Limited Partner does not (i) provide such Assumption Notice within the 30-day period specified in subsection (e)(1), or (ii) identify to the City and the Non-Electing Parties any other party (which may be an affiliate of the Limited Partner other than any of the Developer Parties) to assume the Developer Parties' rights, obligations and interests in this Agreement within 30 days from the date of the Assumption Notice, then Citibank shall have 30 days to cure such Personal Developer Default by the assignment, in accordance with the provisions of Section 18.14 hereof, of all of the Developer Parties' rights, obligations and interests in this Agreement to Citibank, or an affiliate thereof, or any other party agreed to in writing by Citibank and the City.

(f) If such Personal Developer Default is not cured by the Limited Partner or Citibank within the timeframes set forth in Section 15.04(e), then the City shall have available all remedies set forth in this Agreement, including those in Sections 15.02.

(g) During all such times as a Personal Developer Default exists and remains uncured after the expiration of all cure periods, no payments of City Funds shall occur until such time as such Personal Developer Default is thereafter cured.

(h) The City agrees that at any time during which an Event of Default has occurred under the Lender Financing Documents, during the period that Citibank is diligently and continuously pursuing actions or remedies under the Lender Financing, with or without the Developer Parties, which are intended to cause substantial completion of the Project, and, as part of such actions or remedies, continues to fund or make advances to pay Project costs, the City shall likewise forbear from exercising its remedies under Section 15.02.

(i) Notwithstanding anything to the contrary contained in this Agreement, including, without limitation, the continuation of any cure periods under Section 15.03 and Section 15.04, in the event Citibank initiates a foreclosure proceeding, or the Limited Partner and Citibank provide a joint notice of discontinuance of actions or remedies intending to achieve substantial completion, the City may immediately commence to exercise any and all of the remedies specified in Section 15.02 above.

SECTION SIXTEEN: MORTGAGING OF THE PROJECT

16.01 Mortgaging of the Project. All mortgages or deeds of trust in place as of the date hereof with respect to the Property or any portion thereof are listed on Exhibit G (including but not limited to mortgages made prior to or on the date hereof in connection with Lender Financing) and are referred to herein as the "Existing Mortgages." Any mortgage or deed of trust that a Developer Party may hereafter elect to record or permit to be recorded against the Property or any portion thereof without obtaining the prior written consent of the City is referred to herein as a "New Mortgage." Any mortgage or deed of trust that a Developer Party may hereafter elect to record or permit to be recorded against the Property or any portion thereof with the prior written consent of the City is referred to herein as a "Permitted Mortgage." It is hereby agreed by and between the City and the Developer Parties as follows:

(a) If a mortgagee or any other party shall succeed to a Developer Party's interest in the Property or any portion thereof by the exercise of remedies under a mortgage or deed of trust (other than an Existing Mortgage or a Permitted Mortgage) whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of such Developer Party's interest hereunder in accordance with Section 18.14 hereof, the City may, but will not be obligated to, attorn to and recognize such party as the successor in interest to such Developer Party for all purposes under this Agreement and, unless so recognized by the City as the successor in interest, such party will be entitled to no rights or benefits under this Agreement, but such party will be bound by those provisions of this Agreement that are covenants expressly running with the land specified in Section 7.02.

(b) If any mortgagee or any other party shall succeed to a Developer Party's interest in the Property or any portion thereof by the exercise of remedies under an Existing Mortgage or a Permitted Mortgage, whether by foreclosure or deed in lieu of foreclosure, and in conjunction therewith accepts an assignment of a Developer Party's interest hereunder in accordance with Section 18.14 hereof, then the City hereby agrees to attorn to and recognize such party as the successor in interest to such Developer Party for all purposes under this Agreement so long as such party accepts all of the executory obligations and liabilities of a "Developer Party" hereunder. Notwithstanding any other provision of this Agreement to the contrary, it is understood and agreed that if such party accepts an assignment of a Developer Party's interest under this Agreement, such party will have no liability under this Agreement for any Event of Default of such Developer Party which occurred prior to the time such party succeeded to the interest of such Developer Party under this Agreement, nor shall the City have the right to record a lien against or otherwise enforce any remedies hereunder against the Project, in which case such Developer Party will be solely responsible. If the City placed a lien on the Project pursuant to Section 15.02 hereof in connection with an Event of Default of a Developer Party which accrued prior to the time such party succeeded to the interest of the Developer Party under this Agreement, the City shall release such lien upon written request to do so by such succeeding

mortgagee. However, if such mortgagee under a Permitted Mortgage or an Existing Mortgage does not expressly accept an assignment of such Developer Party's interest hereunder, such party will be entitled to no rights and benefits under this Agreement, and such party will be bound only by those provisions of this Agreement, if any, which are covenants expressly running with the land specified in Section 7.02.

(c) Prior to the issuance by the City to Developer Parties of a Certificate under Section 7 hereof, no New Mortgage will be executed with respect to the Property or the Project or any portion thereof without the prior written consent of the Commissioner of DPD. A feature of such consent will be that any New Mortgage will subordinate its mortgage lien to the covenants in favor of the City that run with the land. After the issuance of a Certificate, consent of the Commissioner of DPD is not required for any such New Mortgage.

SECTION EIGHTEEN: ADDITIONAL PROVISIONS

18.01 Amendments. Except as provided in this Section 18.01, and except for changes or amendments that are otherwise expressly identified as being in the discretion of the Commissioner, this Agreement and the Schedules and Exhibits attached hereto may not be materially amended without the written consent of all parties. In addition to consents and discretion expressly identified herein, the Commissioner, in her sole discretion, may amend or otherwise revise: (a) any exhibits containing legal descriptions in order to correct a surveyor's, scrivener's or clerical error in such a legal description, or to reflect any new subdivision of property index numbers, provided that such correction does not have a material effect on any portion of the Project; and (b) Exhibit B-2 to

adjust unit locations and types; (c) Exhibits C-1 and C-2 in connection with updated budgets and/or the approval of Change Orders resulting in changes in the Project Budget in accordance with Section 3.05; (d) Exhibit D to adjust allocations between line items or to add new line items permitted under the Plan; (e) Exhibit K to reflect the terms of the final project financing, so long as such financing is not materially inconsistent with that contemplated hereunder; and (f) Exhibit G to correct inadvertent omissions or permit other minor title encumbrances not in the nature of a lien. Amendments required in clauses (b), (c) and (e) shall also require the Partnership's consent. The City in its sole discretion, may amend, modify or supplement the Redevelopment Plan. For purposes of this Agreement, Developer Parties are only obligated to comply with the Redevelopment Plan as in effect on the date of this Agreement.

18.02 Complete Agreement, Construction. Modification. This Agreement, including any exhibits and the other agreements, documents and instruments referred to herein or contemplated hereby, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, commitments and writings with respect to such subject matter.

18.03 Limitation of Liability. No member, elected or appointed official or employee or agent of the City shall be individually, collectively or personally liable to Developer Parties or any successor in interest to Developer Parties in the event of any default or breach by the City or for any amount which may become due to Developer Parties or any successor in interest, from the City or on any obligation under the terms of this Agreement.

18.04 Further Assurances. Partnership and City each agree to take such actions, including the execution and delivery of such documents, instruments, petitions and certifications as may become necessary or appropriate to carry out the terms, provisions and intent of this Agreement, and to accomplish the transactions contemplated in this Agreement.

18.05 Waivers. No party hereto will be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by such party. No delay or omission on the part of a party in exercising any right will operate as a waiver of such right or any other right unless pursuant to the specific terms hereof. A waiver by a party of a provision of this Agreement will not prejudice or constitute a waiver of such party's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by a party, nor any course of dealing between the parties hereto, will constitute a waiver of any of such parties' rights or of any obligations of any other party hereto as to any future transactions.

18.06 Remedies Cumulative. The remedies of a party hereunder are cumulative and the exercise of any one or more of the remedies provided for herein must not be construed as a waiver of any other remedies of such party unless specifically so provided herein.

18.07 Parties in Interest/No Third Party Beneficiaries. The terms and provisions of this Agreement are binding upon and inure to the benefit of, and are enforceable by, the respective successors and permitted assigns of the parties hereto. This Agreement will not run to the benefit of, or be enforceable by, any person or entity other than a party to this Agreement and its successors and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right. Nothing contained in this Agreement, nor any act of the City or the Developer Parties, will be deemed or construed by any of the parties hereto or by

third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the City or Developer Parties.

18.08 Titles and Headings. The Section, section and paragraph headings contained herein are for convenience of reference only and are not intended to limit, vary, define or expand the content thereof.

18.09 Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, with the same effect as if all parties had signed the same document. All such counterparts shall be deemed an original, must be construed together and will constitute one and the same instrument.

18.10 Severability. If any provision of this Agreement, or the application thereof, to any person, place or circumstance, is held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Agreement and such provisions as applied to other persons, places and circumstances will remain in full force and effect only if, after excluding the portion deemed to be unenforceable, the remaining terms will provide for the consummation of the transactions contemplated hereby in substantially the same manner as originally set forth herein. In such event, the parties will negotiate, in good faith, a substitute, valid and enforceable provision or agreement which most nearly affects the parties' intent in entering into this Agreement.

18.11 Conflict. In the event of a conflict between any provisions of this Agreement and the provisions of the TIF Ordinances in effect as of the date of this Agreement, such ordinance(s) will prevail and control.

18.12 Governing Law. This Agreement is governed by and construed in accordance with the internal laws of the State, without regard to its conflicts of law principles.

18.13 Form of Documents. All documents required by this Agreement to be submitted, delivered or furnished to the City will be in form and content satisfactory to the City.

18.14 Assignment. Prior to the issuance by the City to Developer Parties of the Certificate, Developer Parties may not sell, assign or otherwise transfer its interest in this Agreement in whole or in part without the written consent of the City; provided, however, that the Developer Parties may collaterally assign their respective interests in this Agreement to any of their collective or respective lenders identified to the City as of the Closing Date if any such lenders require such collateral assignment. Any successor in interest to Developer Parties under this Agreement will certify in writing to the City its agreement to abide by all remaining executory terms of this Agreement, including but not limited to Section 8.25 (Survival of Covenants) hereof, for the Term of the Agreement. Each Developer Party hereby consents to the City's transfer, assignment or other disposal of this Agreement at any time in whole or in part.

18.15 Binding Effect. This Agreement is binding upon Partnership, Holsten, LAC, the City and their respective successors and permitted assigns (as provided herein) and will inure to the benefit of Partnership, Holsten, LAC, the City and their respective successors and permitted assigns (as provided herein).

18.16 Force Majeure. Neither the City nor Developer Parties nor any successor in interest to either of them will be considered in breach of or in default of its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, war, terrorism, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the party affected which in fact interferes with the ability of such party to discharge its obligations hereunder. Such force majeure events shall also include the City's failure to complete the public improvements within the Property which, at the Closing Date, the City has agreed to undertake within a construction schedule mutually acceptable to the City and the Partnership, and the CHA's failure to complete any environmental remediation work that is the CHA's responsibility under applicable agreements between the CHA and Parkside, if applicable. The individual or entity relying on this section with respect to any such delay will, upon the occurrence of the event causing such delay, immediately give written notice to the other parties to this Agreement. The individual or entity relying on this section with respect to any such delay may rely on this section only to the extent of the actual number of days of delay effected by any such events described above.

18.17 Exhibits and Schedules. All of the exhibits and schedules attached hereto are incorporated herein by reference. Any exhibits and schedules to this Agreement will be construed to be an integral part of this Agreement to the same extent as if the same has been set forth verbatim herein.

18.18 Business Economic Support Act. Under the Business Economic Support Act (30 ILCS 760/1 et seq. 2002 State Bar Edition, as amended), if Partnership is required to provide notice under the WARN Act, Partnership will, in addition to the notice required under the WARN Act, provide at the same time a copy of the WARN Act notice to the Governor of the State, the Speaker and Minority Leader of the House of Representatives of the State, the President and Minority Leader of the Senate of State, and the Mayor of each municipality where Partnership has locations in the State. Failure by Partnership to provide such notice as described above may result in the termination of all or a part of the payment or reimbursement obligations of the City set forth herein.

18.19 Approval. Wherever this Agreement provides for the approval or consent of the City, DPD or the Commissioner, or any matter is to be to the City's, DPD's or the Commissioner's satisfaction, unless specifically stated to the contrary, such approval, consent or satisfaction shall be made, given or determined by the City, DPD or the Commissioner in writing and in the reasonable discretion thereof. The Commissioner or other person designated by the Mayor of the City shall act for the City or DPD in making all approvals, consents and determinations of satisfaction, granting the Certificate or otherwise administering this Agreement for the City.

18.20 Construction of Words. The use of the singular form of any word herein includes the plural, and vice versa. Masculine, feminine and neuter pronouns are fully interchangeable, where the context so requires. The words "herein", "hereof" and "hereunder" and other words of similar import refer to this Agreement as a whole and not to any particular Section, Section or other subdivision. The term "include" (in all its forms) means "include, without limitation" unless the context clearly states otherwise. The word "shall" means "has a duty to."

18.21 Date of Performance. If any date for performance under this Agreement falls on a Saturday, Sunday or other day which is a holiday under Federal law or under State law, the date for such performance will be the next succeeding Business Day.

18.22 Survival of Agreements. Except as otherwise contemplated by this Agreement, all covenants and agreements of the parties contained in this Agreement will survive the consummation of the transactions contemplated hereby.

18.23 Equitable Relief. In addition to any other available remedy provided for hereunder, at law or in equity, to the extent that a party fails to comply with the terms of this Agreement, any of the other parties hereto shall be entitled to injunctive relief with respect thereto, without the necessity of posting a bond or other security, the damages for such breach hereby being acknowledged as unascertainable.

18.24 Venue and Consent to Jurisdiction. If there is a lawsuit under this Agreement, each party hereto agrees to submit to the jurisdiction of the courts of Cook County, the State of Illinois and the United States District Court for the Northern District of Illinois.

18.25 Costs and Expenses. In addition to and not in limitation of the other provisions of this Agreement, Partnership agrees to pay upon demand the City's out-of-pocket expenses, including attorneys' fees, incurred in connection with the enforcement of the provisions of this Agreement but only if the City is determined to be the prevailing party in an action for enforcement. This includes, subject to any limits under applicable law, reasonable attorneys' fees and legal expenses, whether or not there is a lawsuit, including reasonable attorneys' fees for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Partnership also will pay any court costs, in addition to all other sums provided by law.

IN WITNESS WHEREOF, the parties hereto have caused this Parkside IIB Rental Project Redevelopment Agreement to be signed on or as of the day and year first above written.

Attention: Corporation Counsel

Ladies and Gentlemen:

We have acted as counsel to Parkside Phase IIB, L.P., an Illinois limited partnership (the "Developer"), in connection with the construction of certain improvements on _____ located in the Near North Redevelopment Project Area (the "Project"). In that capacity, we have examined, among other things, the following agreements, instruments and documents of even date herewith, hereinafter referred to as the "Documents":

- (a) Parkside Phase IIB Rental Project Redevelopment Agreement (the "Agreement") of even date herewith, executed by Developer and the City of Chicago (the "City"); and
- (b) all other agreements, instruments and documents executed in connection with the foregoing.

In addition to the foregoing, we have examined:

- (a) the original or certified, conformed or photostatic copies of Developer's (i) Certificate of Formation, as amended to date, (ii) Amended and Restated Agreement of Limited Partnership, (iii) qualifications to do business and certificates of good standing in all states in which Developer is qualified to do business, and (iv) records of all corporate proceedings relating to the Project; and
- (b) such other documents, records and legal matters as we have deemed necessary or relevant for purposes of issuing the opinions hereinafter expressed.

In all such examinations, we have assumed the genuineness of all signatures (other than those of Developer), the authenticity of documents submitted to us as originals and conformity to the originals of all documents submitted to us as certified, conformed or photostatic copies.

Based on the foregoing, it is our opinion that:

1. Developer is a limited partnership duly organized, validly existing and in good standing under the laws of its state of organization, has full power and authority to own and lease its properties and to carry on its business as presently conducted, and is in good standing and duly qualified to do business as a foreign organization under the laws of every state in which the conduct of its affairs or the ownership of its assets requires such qualification, except for those states in which its failure to qualify to do business would not have a material adverse effect on it or its business.

2. Developer has full right, power and authority to execute and deliver the Documents to which it is a party and to perform its obligations thereunder. Such execution, delivery and performance will not conflict with, or result in a breach of, Developer's Certificate of Formation or Amended and Restated Agreement of Limited Partnership or result in a breach or other violation of any of the terms, conditions or provisions of any law or regulation, order, writ, injunction or decree of any court, government or regulatory authority, or, to the best of our knowledge after diligent inquiry, any of the terms, conditions or provisions of any agreement, instrument or document to which Developer is a party or by which Developer or its properties is bound. To the best of our knowledge after diligent inquiry, such execution, delivery and performance will not constitute grounds for acceleration of the maturity of any agreement, indenture, undertaking or other instrument to which Developer is a party or by which it or any of its property may be bound, or result in the creation or imposition of (or the obligation to create or impose) any lien, charge or encumbrance on, or security interest in, any of its property pursuant to the provisions of any of the foregoing, other than in favor of any lender providing lender financing.

3. The execution and delivery of each Document and the performance of the transactions contemplated thereby have been duly authorized and approved by all requisite action on the part of Developer.

4. Each of the Documents to which Developer is a party has been duly executed and delivered by a duly authorized officer of Developer, and each such Document constitutes the legal, valid and binding obligation of Developer, enforceable in accordance with its terms, except as limited by applicable bankruptcy, reorganization, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5. (Sub)Exhibit A attached hereto (a) identifies the members and managers of Developer and the percentage interest held by each member. To the best of our knowledge after diligent inquiry, except as set forth on (Sub)Exhibit A, there are no warrants, options, rights or commitments of purchase, conversion, call or exchange or other rights or restrictions with respect to any of the equity of Developer. Each outstanding interest of Developer is duly authorized, validly issued, fully paid and nonassessable.

6. To the best of our knowledge after diligent inquiry, no judgments are outstanding against Developer, nor is there now pending or threatened, any litigation, contested claim or governmental proceeding by or against Developer or affecting Developer or its property, or seeking to restrain or enjoin the performance by Developer of the Agreement or the transactions contemplated by the Agreement, or contesting the validity thereof. To the best of our knowledge after diligent inquiry, Developer is not in default with respect to any order, writ, injunction or decree of any court, government or regulatory authority or in default in any respect under any law, order, regulation or demand of any governmental agency or instrumentality, a default under which would have a material adverse effect on Developer or its business.

7. To the best of our knowledge after diligent inquiry, there is no default by Developer or any other party under any material contract, lease, agreement, instrument or commitment to which Developer is a party or by which the company or its properties is bound.

8. To the best of our knowledge after diligent inquiry, all of the assets of Developer are free and clear of mortgages, liens, pledges, security interests and encumbrances except for those specifically set forth in the Documents.

9. The execution, delivery and performance of the Documents by Developer have not and will not require the consent of any person or the giving of notice to, any exemption by, any registration, declaration or filing with or any taking of any other actions in respect of, any person, including without limitation any court, government or regulatory authority.

10. To the best of our knowledge after diligent inquiry, Developer owns or possesses or is licensed or otherwise has the right to use all licenses, permits and other governmental approvals and authorizations, operating authorities, certificates of public convenience, goods carriers permits, authorizations and other rights that are necessary for the operation of its business.

11. A federal or state court sitting in the State of Illinois and applying the choice of law provisions of the State of Illinois would enforce the choice of law contained in the Documents and apply the law of the State of Illinois to the transactions evidenced thereby.

We are attorneys admitted to practice in the State of Illinois and we express no opinion as to any laws other than federal laws of the United States of America and the laws of the State of Illinois.

This opinion is issued at Developer's request for the benefit of the City and its counsel, and may not be disclosed to or relied upon by any other person.

Very truly yours,

ARTICLE 3 DUTIES AND RESPONSIBILITIES OF CONTRACTOR

3.01 Scope of Services

The Services which the Contractor shall provide include, but are not limited to, those described in this Article 3 and in Exhibit 1 which is attached hereto and incorporated by reference as if fully set forth here. The SSAC reserves the right to require the Contractor to perform revised services that are within the general scope of services of this Agreement and of the Special Services identified in the Establishment Ordinance subject to the same terms and conditions herein. Revised services are limited to changes or revisions to the line items in the Budget, do not affect the maximum compensation and require the prior written approval of the SSAC. The SSAC may, by written notice to the Department and the Contractor, delete or amend the figures contained and described in the Budget attached hereto as Exhibit 1 and incorporated by reference as if fully set forth herein. The Contractor shall provide the Services in accordance with the standards of performance set forth in Section 3.02.

3.02 Standard of Performance

The Contractor shall perform all Services required of it with that degree of skill, care and diligence normally shown by a contractor performing services of a scope, purpose and magnitude comparable with the nature of the Services to be provided hereunder. The Contractor shall at all times use every reasonable effort on behalf of the City to assure timely and satisfactory rendering and completion of its Services.

The Contractor shall at all times act in the best interests of the City consistent with the professional obligations assumed by it in entering into this Agreement. The Contractor shall perform all Services in accordance with the terms and conditions of this Agreement and to the full satisfaction of the SSAC. The Contractor shall furnish efficient business administration and supervision to render and complete the Services at reasonable cost.

The Contractor shall assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Contractor remains responsible for the professional and technical accuracy of all Services provided, whether by the Contractor or its Subcontractors or others on its behalf.

If the SSAC determines that the Contractor has failed to comply with the foregoing standards, the Contractor shall perform again, at its own expense, all Services required to be reperfomed as a direct or indirect result of such failure. Any review, approval, acceptance or payment for any or all of the Services by the City does not relieve the Contractor of its responsibility for the professional and technical accuracy of its Services. This provision in no way limits the City's rights against Contractor, either under this Agreement, at law or in equity.

3.03 Personnel

A. Key Personnel

The Contractor shall, immediately upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension thereof an adequate staff of competent personnel, who are fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. Contractor shall pay the salaries and wages due all its employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for such payroll deductions as are mandatory by law or are permitted under applicable law and regulations.

B. Prevailing Wages

If the Contractor engages in Construction, it shall comply, and shall cause all of its Subcontractors to comply by inserting appropriate provisions in their contracts, with 820 ILCS 130/0.01 et seq. regarding the payment of the general prevailing rate of hourly wage for all laborers, workers, and mechanics employed by or on behalf of the Contractor and all Subcontractors in connection with any and all Construction work. The prevailing rates of wages applicable at the time of execution of this Agreement are included in Exhibit 5 to this Agreement, which is incorporated by reference as though fully set forth herein.

C. Illinois Workers, Veterans Preference and Steel Products

If the Contractor engages in Construction, it shall comply, and shall cause all of its Subcontractors to comply by inserting appropriate provisions in their contracts, with the Employment of Illinois Workers on Public Works Act, 30 ILCS 570/0.01 et seq., the Veterans Preference Act, 330 ILCS 55/0.01 et seq., and the Steel Products Procurement Act, 30 ILCS 30/565/1 et seq.

3.04 Nondiscrimination

(a) Contractor

(i) Federal Requirements

Contractor must not engage in unlawful employment practices, such as (1) failing or refusing to hire or discharging any individual, or otherwise discriminating against any individual with respect to compensation or the terms, conditions or privileges of the individual's employment, because of the individual's race, color, religion, sex, age, handicap/disability or national origin; or (2) limiting, segregating or classifying Contractor's employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect the individual's status as an employee, because of the individual's race, color, religion, sex, age, handicap/disability or national origin.

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Civil Rights Act of 1964, 42 U.S.C. § 2000e et seq. (1981), as amended and the Civil Rights Act of 1991, P.L. 102-166. Attention is called to: Exec. Order No. 11246, 30 Fed. Reg. 12,319 (1965), reprinted in 42 U.S.C. § 2000e note, as amended by Exec. Order No. 11375, 32 Fed. Reg. 14,303 (1967) and by Exec. Order No. 12086, 43 Fed. Reg. 46,501 (1978); Age Discrimination Act, 42 U.S.C. §§ 6101-6106 (1981); Age Discrimination in Employment Act, 29 U.S.C. §§ 621-34; Rehabilitation Act of 1973, 29 U.S.C. §§ 793-794 (1981); Americans with Disabilities Act, 42 U.S.C. §12101 et seq.; 41 C.F.R. Part 60 et seq. (1990); and all other applicable federal statutes, regulations and other laws.

(ii) State Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq.(1990), as amended and any rules and regulations promulgated in accordance with it, including the Equal Employment Opportunity Clause, 44 111. Admin. Code § 750 Appendix A. Furthermore, Contractor must comply with the Public Works Employment Discrimination Act, 775 ILCS 10/0.01 et seq.(1990), as amended, and all other applicable state statutes, regulations and other laws.

(iii) City Requirements

Contractor must comply with, and the procedures Contractor utilizes and the Services Contractor provides under this Agreement must comply with, the Chicago Human Rights Ordinance, ch. 2-160, Section 2-160-010 et seq. of the Municipal Code of Chicago (1990), as amended, and all other applicable City ordinances and rules.

(b) Subcontractors

Contractor must incorporate all of this Section 3.04 by reference in all agreements entered into with any suppliers of materials, furnisher of services, Subcontractors of any tier, and labor organizations that furnish skilled, unskilled and craft union skilled labor, or that may provide any such materials, labor or services in connection with this Agreement. Further, Contractor must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the federal, state and local agencies charged with enforcing such laws and regulations, including the Chicago Commission on Human Relations.

3.05 Insurance

The Contractor shall comply with the insurance provisions attached hereto as Exhibit 3 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor enters into a subcontract with a Security Firm such Security Firm shall comply with the insurance provisions attached hereto as Exhibit 4 and incorporated by reference as if fully set forth herein, or such other insurance provisions as may be required in the reasonable judgment of the Risk Management Division. If the Contractor subcontracts with a Subcontractor other than a Security Firm, such Subcontractor shall comply with the Contractor insurance provisions attached hereto as Exhibit 3.

The Risk Management Division may waive or reduce any of the insurance requirements set forth herein.

3.06 Indemnification

A. On written notice from the City of Losses the City believes are Losses Arising under this Agreement as defined in this Section 3.06, the Contractor shall defend, indemnify, and hold completely harmless the City Indemnitees from and against such Losses, regardless of whether Contractor challenges the City's belief. The defense, indemnification and hold harmless obligations of the Contractor toward City Indemnitees remain an affirmative obligation of Contractor following the City's notice of Losses the City believes are Losses Arising under this Agreement, unless and until a court of competent jurisdiction finally determines otherwise and all opportunities for appeal have been exhausted or have lapsed.

B. For purposes of this Section 3.06,

"City Indemnitees" means, individually and collectively, the City of Chicago, its officials, agents, employees and SSAC members.

"Losses" means, individually and collectively, all kinds of liabilities, losses, suits, claims, damages, judgments, fines, and demands, including all reasonable costs for investigation, reasonable attorneys' fees, court costs, and experts' fees, arising by reason of injury or death of any person, damage to property, patent or copyright infringement.

"Arising under this Agreement" means (i) arising out of awarding this Agreement, (ii) arising out of the enforcement of this Agreement, including the enforcement of this indemnification provision; (iii) arising out of or in connection with Contractor's performance or non-performance of this Agreement (including the acts or omission of Contractor, its officers, agents, employees, consultants, subcontractors, licensees, or invitees), any breach by any of them of any warranty made under this Agreement, or any failure by any of them to meet any applicable standard of performance under this Agreement; or (iv) any combination of any of the foregoing.

C. To the extent permissible by law, Contractor waives any limits on Contractor's liability that it would otherwise have by virtue of the Worker's Compensation Act or any other related law or judicial decision (such as *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Worker's Compensation Act or under the Illinois Pension Code.

D. The City has the right, at its option and at its own expense, to participate in the defense of any suit without relieving Contractor of any of its obligations under this indemnity provision. The requirements set forth in this indemnity provision are separate from and not limited by the amount of insurance Contractor is required to obtain under this Agreement or by its bonds pursuant to other provisions in this Agreement. Further, the indemnitees contained in this provision survive the expiration or termination of this Agreement.

3.07 Records and Audits

The Contractor shall deliver or cause to be delivered all documents, data, studies, reports, findings or information to the SSAC promptly in accordance with the time limits prescribed herein and if no time limit is specified, then upon reasonable demand therefore, or upon termination or completion of the Services hereunder.

The Contractor agrees to adopt at its own expense such financial controls, including, without limitation, the employment of a fiscal agent approved by the Commissioner, as determined by the Commissioner in his sole discretion and communicated in writing to the Contractor after the date of execution of this Agreement, to ensure that the Contractor is fulfilling the terms of this Agreement.

The Contractor and any Subcontractors shall furnish the SSAC with semi-annual reports or provide such information as may be requested relative to the performance and cost of the Services. The Contractor shall maintain records showing actual time devoted and costs incurred. The Contractor shall keep books, documents, paper, records and accounts in connection with the Services open to inspection, copying, abstracting, transcription, and an independent audit by City employees or agents or third parties, and shall make these records available to the City and any other interested governmental agency at reasonable times during the performance of its Services.

In addition, Contractor shall retain them in a safe place and make them available for an independent audit, inspection, copying and abstracting for at least five years after the final payment made in connection with this Agreement.

THE CONTRACTOR SHALL NOT COMMINGLE SERVICE TAX FUNDS WITH FUNDS FROM OTHER SOURCES, and to the extent that the Contractor conducts any business operations separate and apart from the Services hereunder using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then the Contractor shall maintain and make similarly available to the City detailed records supporting the Contractor's allocation to this Agreement of the costs and expenses attributable to any such shared usages.

The Contractor shall provide an annual audited financial statement (a "Third Party Audit") to the Department and the SSAC within 120 calendar days after the end of the calendar year, and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout. Contractor must comply with the requirements in Exhibit 8 with respect to any Third Party Audit. If any Third Party Audit shows that Contractor or any of its Subcontractors has overcharged the City in any period, the City will notify Contractor, and Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges. Any failure to comply with the audit requirements set forth in Exhibit 8 of the Agreement shall constitute an event of default under the Agreement. If such event of default is not corrected to the City's satisfaction within the cure period identified by the City, the City may incur costs to conduct any supplementary audit it deems necessary, and Contractor must then promptly reimburse the City for any such costs. No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents that the City would have had in the absence of such provisions.

The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of such an audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

If the City is unable to make a determination regarding overcharges to City as a result of Contractor's not having maintained records as required under this Agreement, Contractor must promptly reimburse the City for some or all of the cost of the audit, as determined in the sole discretion of the City. Failure of Contractor to promptly reimburse the City in accordance with this Section 3.07 is an event of default under Section 7.01 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

3.08 Subcontracts and Assignments

The Contractor shall not assign, delegate, subcontract or otherwise transfer all or any part of its rights or obligations under this Agreement or any part hereof, unless otherwise provided for herein or without the express written consent of the SSAC. The absence of such provision or written consent shall void the attempted assignment, delegation or transfer and shall be of no effect as to the Services or this Agreement.

All subcontracts, all approvals of Subcontractors and any assignment to which the SSAC consents are, regardless of their form, deemed conditioned upon performance by the Subcontractor or assignee in accordance with the terms and conditions of this Agreement.

If the Contractor subcontracts for security services, the Subcontractor shall be a Security Firm certified by the State of Illinois and the Security Firm's employees shall be licensed by the State of Illinois. The Contractor, upon entering into any subcontract with a Security Firm, shall furnish the SSAC and the Department with a copy of the subcontract for their approval. The City expressly reserves the right to approve all Security Firm subcontracts.

3.09 License, Permits and Safety Considerations

A. Licenses and Permits

If the Contractor engages in Construction, it is responsible for and, in a timely manner consistent with its obligations hereunder, shall secure and maintain at its expense such permits, licenses, authorizations and approvals as are necessary for it to engage Construction under this Agreement

B. Safety Considerations

If the Contractor engages in Construction, it shall at all times exercise reasonable care, shall comply with all applicable provisions of federal, state and local laws to prevent accidents or injuries, and shall take all appropriate precautions to avoid damage to and loss of City property and the property of third parties in connection with the Construction. The Contractor shall erect and properly maintain at all times all necessary safeguards, barriers, flags and lights for the protection of its and its Subcontractors' employees, City employees and the public.

If the Contractor engages in Construction, it shall report to the Department any damage on, about, under or adjacent to City property or the property of third persons resulting from its performance under this Agreement. The Contractor is responsible for any damage to City property and the property of third parties due, in whole or in part, to the Contractor's Construction activities under this Agreement, and the Contractor shall repair such damage to a reasonably acceptable standard.

3.10 Performance Bond

If the Contractor engages in Construction work where expenditures exceed \$100,000, it shall, not later than the date the Contractor begins such work or executes a subcontract for such work, provide or cause to be provided to the Department a performance and payment bond in the amount allocated for the Construction work (but not including the amount allocated for design and preparation of specifications), by a surety or sureties acceptable to the City. The performance bond shall be in the form and to the effect of Exhibit 6 hereto, which is incorporated by reference as if fully set forth here.

If any of the sureties on such bond at any time fail financially, or are deemed to be insufficient security for the penalty of the bond, then the City may, on giving 10 days notice thereof in writing, require the Contractor to furnish a new and additional bond with sureties satisfactory to the City, and, if so required, Contractor must promptly provide such bond.

ARTICLE 4 TERM OF SERVICES

This Agreement shall take effect as of January 1, 2014 ("Effective Date") and shall continue through December 31, 2014, or until the Agreement is terminated earlier in accordance with its terms.

ARTICLE 5 COMPENSATION

5.01 Basis of Payment

The maximum compensation that the Contractor may be paid under this Agreement between January 1, 2014 and December 31, 2014 is the sum of (a) \$117,383 or the total amount of Service Tax Funds actually collected, plus interest earned on those funds, for tax year 2013, whichever is less; (b) the total amount of Surplus Funds in the amount of \$15,159 which are being carried over from previous program years and which contractor hereby acknowledges are in its possession; and (c) Late Collections in an amount not to exceed \$5,800; the maximum compensation that the Contractor may be paid under this Agreement between January 1, 2014 and December 31, 2014, therefore, shall not exceed \$138,342.

5.02 Budget for Services

The Contractor in conjunction with the SSAC has prepared a Budget through December 31, 2014, attached hereto as Exhibit 1 and incorporated by reference as if fully set forth here, covering all services described in the Scope of Services. Subject to the restriction that the maximum amount that may be spent in calendar year 2014 may not exceed \$138,342, the SSAC reserves the right to transfer funds between line items or make Budget revisions that do not affect the maximum compensation set forth in Section 5.01. The SSAC shall revise the Budget if any part of the Contractor's Services is terminated.

5.03 Method of Payment

Pursuant to a schedule to be determined by the Commissioner, after the performance of Services pursuant to the terms of this Agreement, Contractor may submit invoices to the City to request reimbursement for such expenses. The Contractor must provide, along with the invoices, such additional documentation as the Commissioner requests to substantiate the Services. Upon the Commissioner's determination that the invoices are accurate, the City will process payment of the invoices.

The Contractor shall establish a separate checking account ("Account") in a bank authorized to do business in the State of Illinois that is insured by the Federal Deposit Insurance Corporation. All Service Tax Funds that the Comptroller transfers to the Contractor shall be deposited in the Account and disbursements from the Account shall be pursuant to this Agreement. THE CONTRACTOR IS RESPONSIBLE FOR RECONCILING THE ACCOUNT MONTHLY AND ACCOUNTING FOR ALL SERVICE TAX FUNDS. THE CONTRACTOR MUST REQUIRE ITS AUDITOR TO REPORT ON THE ACTIVITIES THAT ARE SUPPORTED BY THESE FUNDS IN A SEPARATE AUDIT TO ACCOUNT FOR CURRENT AND PRIOR YEARS' SERVICE TAX FUNDS.

The Contractor shall provide to the SSAC the signature card and sample check from the bank which shows the signature(s) of the Contractor's authorized representative(s). The SSAC reserves the right to audit the account and require the Contractor to refund any funds that were not spent pursuant to the Budget or that were not approved by the SSAC. The name and address of the bank is _____ and the wire transfer and the Account numbers are _____.

All funds remaining in the Account at the expiration or early termination of this Agreement, including any interest earned, belong to the City for the benefit of the Area and shall be returned to the City to be used only for Special Services.

5.04 Criteria for Payment

The SSAC shall determine the reasonableness, allocability and allowability of any rates, costs and expenses charged or incurred by the Contractor.

5.05 Funding

Payments under this Agreement shall be made from Service Tax Funds in fund number _____ and are subject to the availability of funds therein.

5.06 Non-Appropriation

In the event that no funds or insufficient funds are appropriated and budgeted in any City fiscal period for payments to be made under this Agreement, then the City will notify the Contractor of such occurrence and this Agreement shall terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments shall be made or due to the Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments hereunder.

ARTICLE 6 SPECIAL CONDITIONS

6.01 Warranties and Representations

In connection with the execution of this Agreement, the Contractor warrants and represents:

- A. That it is financially solvent; that it and each of its employees, agents, and Subcontractors are competent to perform the Services required; that it is legally authorized to execute and perform or cause to be performed this Agreement under the terms and conditions stated herein.
- B. That it shall not knowingly use the services of any ineligible Subcontractor for any purpose in the performance of the Services.
- C. That it and its Subcontractors are not in default at the time of the execution of this Agreement, or deemed by the Department to have, within five years immediately preceding the date of this Agreement, been found to be in default on any contract awarded by the City.
- D. That it and, to the best of its knowledge, its Subcontractors are not in violation of the provisions of § 2-92-320 of the Municipal Code of Chicago, 720 ILCS 5/33E-1, et seq. of the Criminal Code of 1961, and 65 ILCS 5/11-42.1-1 of the Illinois Municipal Code.

E. That it, all Subcontractors and their respective officers, directors, agents, partners, and employees shall cooperate with the Inspector General or Board of Ethics in any investigation or hearing undertaken pursuant to Chapters 2-56 or 2-156 of the Municipal Code of Chicago; that it understands and will abide by all provisions of Chapter 2-56 and 2-156 of the Municipal Code of Chicago and all subcontracts shall inform Subcontractors of such provision and require understanding and compliance therewith.

F. That, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached hereto, no representation, statement or promise, oral or written, or of any kind whatsoever, by the City, its officials, agents or employees, has induced the Contractor to enter into this Agreement.

G. That the Contractor understands and agrees that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination for default.

H. That neither Contractor nor an Affiliate of Contractor (as defined below) appears on the Specially Designated Nationals List, the Denied Persons List, the unverified List, the Entity List or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce (or their successors), or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation, order or judgment. "Affiliate of Contractor" means a person or entity that directly (or indirectly through one or more intermediaries) controls, is controlled by or is under common control with Contractor. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity (either acting individually or acting jointly or in concert with others) whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

I. Contractor will abide by any policies promulgated by the Department or other City departments.

J. Contractor understands and will abide by, and will cause Subcontractors to abide by, the terms of Chapter 2-55 of the Municipal Code of Chicago pertaining to cooperation with the Office of the Legislative Inspector General. Contractor understands and will abide by the terms of Section 2-154-020 of the Municipal Code of Chicago. Failure by the Contractor or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-030 of the Municipal Code of Chicago shall be a default for which no cure is available and grounds for termination of this Agreement.

6.02 Economic Disclosure Statement and Affidavit

The Contractor has provided the City with an Economic Disclosure Statement (EDS) and Affidavit, "Familial Relationships with Elected City Officials and Department Heads," which is attached hereto as Exhibit 2 and incorporated by reference as if fully set forth herein. Contractor shall apprise the Department promptly of any changes in the information provided in the EDS by completing and submitting a revised EDS.

In addition, the Contractor shall provide the City with copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable, and evidence of its authority to do business in the State of Illinois, including without limitation, registrations of assumed names or limited partnerships and certifications of good standing with the Office of the Secretary of State of Illinois.

6.03 Conflict of Interest

Pursuant to Chapter 2-156 of the Municipal Code of Chicago, and 65 ILCS 5/3.1-55-10, no member of the governing body of the City or other unit of government, no other officer, employee, SSAC member, or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement or any related subcontract pertain, and no relative of any SSAC member shall have any personal economic or financial interest, directly or indirectly, in this Agreement or any such subcontract except to the extent that such benefits are provided equally to all residents and/or business owners in the Area. Furthermore, no SSAC member, relative of any SSAC member, City official, agent or employee shall be a Subcontractor or have any financial interest in any Subcontractor, employee or shareholder of the Contractor or receive anything of value from the Contractor.

No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee shall be admitted to any share or part of this Agreement or to any financial benefit to arise from it. The Contractor acknowledges that any agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 shall be voidable by the City.

The Contractor covenants that it, its officers, directors and employees, and the officers, directors and employees of each of its members if a joint venture, and Subcontractors presently have no financial interest and shall acquire no interest, direct or indirect, in the Services undertaken by the Contractor pursuant to the Agreement that would conflict in any manner or degree with the performance of the Services. The Contractor further covenants that in the performance of this Agreement no person having any such interest shall be employed. The Contractor agrees that if the Commissioner in his reasonable judgment determines that any of the Contractor's services for others conflict with the Services the Contractor is to provide for the City under this Agreement, the Contractor shall terminate such other services immediately upon request of the City.

6.04 Non-liability of Public Officials

No official, employee or agent of the City shall be charged personally by the Contractor, or by any assignee or Subcontractor of the Contractor, with any liability or expenses of defense or be held personally liable to them under any term or provision hereof, because of the City's execution or attempted execution hereof or because of any breach hereof.

6.05 Independent Contractor

(a) The Contractor shall perform under this Agreement as an independent contractor to the City and not as a representative, employee, agent or partner of the City.

(b) The City is subject to the May 31, 2007 Order entitled "Agreed Settlement Order and Accord" (the "Shakman Accord") and the June 24, 2011 "City of Chicago Hiring Plan" (the "City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(c) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a subcontractor. Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(d) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(e) In the event of any communication to Contractor by a City employee or City official in violation of paragraph (c) above, or advocating a violation of paragraph (d) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("IGO Hiring Oversight"), and also to the head of the Department. Contractor will also cooperate with any inquiries by IGO Hiring Oversight or the Shakman Monitor's Office related to this Agreement.

6.06 Business Relationships with Elected Officials

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official, or any person acting at the direction of such official, to contact either orally or in writing any other City official or employee with respect to any matter involving any person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months. In addition, no elected official may participate in any discussion in any City Council committee hearing or in any City Council meeting or vote on any matter involving the person with whom the elected official has any business relationship that creates a financial interest on the part of the official, or the domestic partner or spouse of the official, or from whom or which he has derived any income or compensation during the preceding twelve months or from whom or which he reasonably expects to derive any income or compensation in the following twelve months.

Violation of Section 2-156-030 by any elected official with respect to this Agreement will be grounds for termination of this Agreement. The term financial interest is defined as set forth in Chapter 2-156 of the Municipal Code of the City of Chicago.

6.07 Chicago "Living Wage" Ordinance

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Contractor has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then

(iii) Contractor must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the "Base Wage") for all Services performed under this Agreement.

(b) Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2013, the Base Wage is \$11.78, and each July 1 thereafter, the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Contractor and all other Performing Parties must pay the prevailing wage rates.

(d) Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit Contractor and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Contractor is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.08 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.09 Environmental Warranties and Representations

In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Contractor warrants and represents that it, and to the best of its knowledge, its subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390	Dumping on public way;
7-28-440	Dumping on real estate without permit;
11-4-1410	Disposal in waters prohibited;
11-4-1420	Ballast tank, bilge tank or other discharge;
11-4-1450	Gas manufacturing residue;
11-4-1500	Treatment and disposal of solid or liquid waste;
11-4-1530	Compliance with rules and regulations required;
11-4-1550	Operational requirements; and
11-4-1560	Screening requirements.

During the period while this Agreement is executory, Contractor's or any subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole designation of the Commissioner. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit Contractor's and its subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect Contractor's eligibility for future contract awards.

6.10 EDS / Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 2, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

6.11 Ethics

(a) In addition to other warranties and representations, Contractor warrants that no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Contractor further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

6.12 MacBride Ordinance

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if Contractor conducts any business operations in Northern Ireland, the Contractor must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 111. Laws 3220).

The provisions of this Section 6.12 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.13 Duty to Report Corrupt or Unlawful Activity

It is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows or should reasonably know to involve corrupt or other unlawful activity by its employees or the employees of any of its subcontractors, in connection with the performance of city work, or by any person dealing with the city which concerns the person's dealings with the city. Knowing failure to make such a report will be an event of default under this Agreement.

ARTICLE 7 EVENTS OF DEFAULT, REMEDIES, TERMINATION, RIGHT TO OFFSET, SUSPENSION

7.01 Events of Default Defined

The following constitute events of default:

A. Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

B. Contractor's material failure to perform any of its obligations under the Agreement including, but not limited to, the following:

(1) failure to commence or ensure timely completion of the Services due to a reason or circumstance within Contractor's reasonable control;

(2) failure to perform the Services in a manner satisfactory to the City;

(3) failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(4) discontinuance of the Services for reasons within the Contractor's reasonable control;

(5) failure to comply with a material term of this Agreement, including but not limited to the provisions concerning insurance and nondiscrimination; and

(6) any other acts specifically and expressly stated in this Agreement as constituting an event of default.

C. The Contractor's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. The Contractor acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

7.02 Remedies

The occurrence of any event of default which the Contractor fails to cure within 14 calendar days after receipt of notice specifying such default or which, if such event of default cannot reasonably be cured within 14 calendar days after notice, the Contractor fails, in the sole opinion of the Commissioner, to commence and continue diligent efforts to cure, permits the City to declare the Contractor in default. Whether to declare the Contractor in default is within the sole discretion of the Commissioner. Written notification of the default, and any intention of the City to terminate the Agreement, shall be provided to Contractor and such decision is final and effective upon Contractor's receipt of such notice. Upon receipt of such notice, the Contractor must discontinue any services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process of completion, to the City. At such time the City may invoke any legal or equitable remedy available to it including, but not limited to, the following:

- A. The right to take over and complete the Services or any part thereof as agent for and at the cost of the Contractor, either directly or through others. The Contractor shall have, in such event, the right to offset from such cost the amount it would have cost the City under the terms and conditions herein had the Contractor completed the Services.
- B. The right to terminate this Agreement as to any or all of the Services yet to be performed, effective at a time specified by the City.
- C. The right of specific performance, an injunction or any other appropriate equitable remedy.
- D. The right to money damages.
- E. The right to withhold all or any part of Contractor's compensation hereunder.
- F. The right to deem Contractor non-responsible in future contracts to be awarded by the City.

If the City considers it to be in its best interest, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits the Contractor to continue to provide the Services despite one or more events of default, the Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement nor does the City waive or relinquish any of its rights. No delay or omission to exercise any right accruing upon any event of default impairs any such right nor shall it be construed as a waiver of any event of default or acquiescence therein, and every such right may be exercised from time to time and as often as may be deemed expedient.

7.03 Right to Offset

The City reserves its rights under § 2-92-380 of the Municipal Code of Chicago and the Commissioner shall consult with the SSAC before exercising such rights.

7.04 Suspension

The City may at any time request that the Contractor suspend its Services, or any part thereof, by giving 15 days prior written notice to the Contractor or upon no notice in the event of emergency. No costs incurred after the effective date of such suspension shall be allowed. The Contractor shall promptly resume its performance upon written notice by the Department. The Budget may be revised pursuant to Section 5.02 to account for any additional costs or expenses actually incurred by the Contractor as a result of recommencing the Services.

7.05 No Damages for Delay

The Contractor agrees that it, its members, if a partnership or joint venture and its Subcontractors shall make no claims against the City for damages, charges, additional costs or hourly fees for costs incurred by reason of delays or hindrances by the City in the performance of its obligations under this Agreement.

7.06 Early Termination

In addition to termination for default, the City may, at any time, elect to terminate this Agreement or any portion of the Services to be performed under it at the sole discretion of the Commissioner by a written notice to the Contractor. If the City elects to terminate the Agreement in full, all Services shall cease and all materials accumulated in performing this Agreement, whether completed or in the process of completion, shall be delivered to the Department within 10 days after receipt of the notice or by the date stated in the notice.

During the final ten days or other time period stated in the notice, the Contractor shall restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination shall be on the same basis as set forth in Article 5 hereof, but if any compensation is described or provided for on the basis of a period longer than ten days, then the compensation shall be prorated accordingly.

If a court of competent jurisdiction determines that the City's election to terminate this Agreement for default has been wrongful, then such termination shall be deemed to be an early termination.

ARTICLE 8 GENERAL CONDITIONS

The invalidity of any one or more phrases, sentences, clauses or sections herein shall not affect the remaining portions of this Agreement or any part thereof.

8.10 Miscellaneous Provisions

Whenever under this Agreement the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to the Contractor's performance, the waiver, whether express or implied, applies only to that particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No waiver shall be construed as a modification of the Agreement regardless of the number of times the City may have waived the performance, requirement or condition.

8.11 Disputes

Except as otherwise provided in this Agreement, Contractor must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the Chief Procurement Officer for decision based upon the written submissions of the parties. LaSalle Street, Room 301, Bid and Bond Room, Chicago, Illinois 60602.) The Chief Procurement Officer will issue a written decision and send it to the Contractor and the SSAC by mail. The decision of the Chief Procurement Officer is final and binding. The sole and exclusive remedy to challenge the decision of the Chief Procurement Officer is judicial review by means of a common law writ of certiorari.

8.12 Contractor Affidavit

The Contractor must provide to the City, no later than thirty days after the end of each year May 1M of each year, a fully executed and notarized Affidavit certifying the expenditures and Services provided for the prior year. The Contractor must also provide to the City, no later than June 1st of each year, a Full-Year Assessment. The forms of this Affidavit and Full-Year Assessment are attached as Exhibit 7 and incorporated by reference.

8.13 Prohibition on Certain Contributions

A claims-made policy which is not renewed or replaced must have an extended reporting period of two years.

The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. Contractor must advise all insurers of the Agreement provisions regarding insurance. Nonconforming insurance does not relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

The Contractor must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City of Chicago do not contribute with insurance provided by Contractor under this Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

Rider attached to this Contractor's Performance and Payment Bond reads as follows:

Rider.

(To Contractor's Performance And Payment Bond)

This Rider supplements Contractor's Performance and Payment Bond ("Bond") on that certain contract with the City of Chicago ("City") bearing Contract Number ____ and Specification Number ____ ("Contract"). Surety acknowledges that the Contract requires Contractor to obtain from each of its subcontractors consent to a collateral assignment of their contracts with Contractor to the City. The Contract further grants the City the right, upon Contractor's default for failure to comply with Chapter 4-36 of the Municipal Code of the City, and at the City's sole option, to take over and complete the work to be performed by Contractor through the City's assumption of some or all of Contractor's subcontracts. If the City, in its sole discretion, exercises this right, then Surety waives any rights it may have to cure Contractor's default by performing the work itself or through others and remains bound by its other obligations under the Bond.

Special Service Area -- Additional Audit Requirements.

Accounting System.

The Department requires that the Contractor maintain its accounting system in a manner which allows the Contractor's expenditures to be categorized in its statement of activities according to the categories listed in the budget approved by the City for each Area.

Guidance For The Contractor's Selection Of A CPA Firm (Independent Auditor).

The Contractor must use the following guidelines for engaging a qualified CPA Firm:

1. Issue a Request for Proposal ("RFP") that sets forth all of the terms and conditions of the engagement, evaluation criteria and scope of the work required. Audit firm evaluations can replace an annual RFP process; an RFP process every three years is preferred.
2. Distribute and publicize the RFP sufficiently to ensure full and open competition.
3. Request in the RFP that bidders provide detail on:
 - a. How the CPA Firm will conduct the audit.
 - b. Qualifications of the CPA Firm, management and staff, including experience in auditing like entities.
 - c. Policies on notification of changes in key personnel.
 - d. Whether the proposed staff has received continuing professional education that is relevant to the performance of this engagement during the previous two years.
 - e. Whether the CPA Firm has received a positive peer review within the last three years.
 - f. Whether the CPA Firm is independent, as defined by applicable auditing standards.
 - g. Whether the CPA Firm has been the object of any disciplinary action during the past three years.
 - h. Confirmation the CPA Firm and key personnel assigned to this engagement maintains an active license in the State of Illinois and attached a copy of a current license with the RFP response or annually.
 - i. Confirmation the CPA Firm is not on the City's debarred vendor list.
 - j. The audit fee.
4. Evaluate the proposals based on:
 - a. The CPA Firm's understanding of the audit requirements, including the needs of the Area and the final products to be delivered.

- b. Soundness of technical approach to the audit, including the meeting of the Contractor's specific deadlines and other requirements.
 - c. Qualifications of the CPA Firm.
 - d. Qualifications of the audit team.
 - e. The information provided by respondents in response to the RFP, including cost and independence.
5. Rate the proposals as follows:
 - a. Proposals should be evaluated as submitted.
 - b. Make a list of strengths and weaknesses for each to support its technical rating.
 - c. Review the proposed fees offered by the bidders after completion of the technical evaluation.
 - d. Ask questions of the bidders to eliminate any ambiguities.
 - e. Select a proposal that is most advantageous to the Area based on the evaluation criteria set forth in the RFP.
6. Once a CPA Firm is chosen based upon the foregoing criteria, require a written engagement letter to avoid misunderstandings that specifies:
 - a. Audit scope, objectives and purposes.
 - b. Deadlines for the work to be performed.
 - c. Audit fees.
 - d. Report format, including providing a PDF digital version of the final audit.
 - e. Type and timing of support to be provided to the CPA Firm by the Special Service Area Commission ("SSAC").
 - f. Professional auditing standards to be followed in performing the audit.
 - g. Independence of the CPA Firm to the SSAC.

- h. Terms of making changes to the scope of the Agreement.
- i. CPA Firm's ownership of the work papers, retention period and requirement for availability to the City upon request.

Summary Schedule Of Findings.

In order to properly conduct the certified audit of the books and records of the Contractor, it is necessary for the CPA Firm to read and understand the requirements contained in the Agreement. Particular attention should be given to Sections 3 and 5 of the Agreement.

The CPA Firm must test the Contractor's compliance with the requirements contained in the Agreement. Should the CPA Firm find exception to the requirements of the Agreement, it must disclose all exceptions in a separate schedule, which shall be entitled "Summary Schedule of Findings". Each finding shall be listed separately. The schedule shall be incorporated with the other required financial statements.

If the CPA Firm finds no exceptions to the Agreement requirements, it shall still include a "Summary Schedule of Findings". On that schedule the CPA Firm shall make an affirmative statement indicating it has read the Agreement and, after conducting the audit, has determined that no exceptions were noted.

Subsections to note in Section 5 include:

- a. Section 5.01, Basis of Payment, describes "carryover" as the amount of Service Tax Funds collected for prior tax years which remain previously unspent.
- b. Section 5.02, Budget for Services, restricts the maximum amount that may be spent in a calendar year to the amount stated in the Agreement.
- c. Section 5.03, Method of Payment, states that the Contractor shall establish a separate checking account and that Area funds shall not be commingled with other sources.

Audit Of Financial Statements.

As discussed in Section 3.07, "Records and Audits", the Contractor shall provide an annual audited financial statement to the Department and SSAC within 120 calendar days after the end of the calendar year and the system of accounting shall be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

Audit Documents.

The City requires an audit conducted in accordance with generally accepted accounting principles to include the following documents:

1. Statement of Financial Position.
2. Statement of Activities: Budget and Actual (period being audited compared to the previous year, e.g., columns should be 2014 Budget, 2014 Actual, Variance; 2013 Budget, 2013 Actual, Variance).
3. Statement of Cash Flows.
4. Notes to the Financial Statements.
5. Summary Schedule of Findings that also includes the management response to any audit findings and any subsequent CPA Firm and/or City's and/or management responses until the CPA Firm and/or the City consider the findings sufficiently remedied.

Expense descriptions included in the Statement of Activities must correspond to the expense descriptions in the budget submitted to the City.

CPA Firm License.

The CPA Firm shall attach as an exhibit to the audit the firm's active license and key personnel to this engagement in the State of Illinois.

Audit Presentations.

The CPA Firm shall attend at least one SSAC meeting and be available for other meetings as requested by the City to present the draft and/or final audit and respond to questions.

Debarment.

Upon issuance of the final audit, the CPA Firm shall confirm it is not on the City's debarred vendor list.

(To Service Provider Agreement For
Special Service Area No. 16)

This Model Multi-Project Labor Agreement ("Agreement") is entered into by and between City of Chicago, an Illinois municipal corporation, as Owner, on behalf of itself and each of its contractors, subcontractors of whatsoever tier performing construction work on any project to which this Agreement shall be applicable, and each of the undersigned labor organizations signatory hereto.

Whereas, Owner is responsible for construction, demolition, rehabilitation, maintenance, and/or renovation of real property located in Chicago, Illinois; Due to the size, scope, cost and duration of the multitude of Projects traditionally performed by the City of Chicago, the parties to this Agreement have determined that it is in their interest to have these Projects completed in the most timely, productive, economical and orderly manner possible, and without labor disruptions of any kind that might interfere with, or delay, any of these Projects;

Whereas, the parties have determined that it is desirable to eliminate the potential for friction and disruption of these Projects by using their best efforts and ensuring that all work is performed by the trade unions that are signatory hereto and which have traditionally performed and have trade and geographic jurisdiction over such work. Experience has proven the value of such cooperation, and that such mutual undertakings should be maintained, and if possible, strengthened, and that the ultimate beneficiaries remain the Owner of the project; and,

Whereas, the Owner acknowledges that it has a serious and ongoing concern regarding labor relations associated with the Projects and through its completion irrespective of the existence of a collective bargaining relationship with any of the signatory labor organizations.

NOW THEREFORE, in order to further these goals and objectives and to maintain the spirit of harmony, labor-management cooperation and stability, the parties agree as follows:

1. During the term of this Agreement, Owner its representatives and agents shall not contract or subcontract, nor permit any other person, firm, company, or entity to contract or subcontract, any construction, demolition, rehabilitation or renovation work for the Project work covered under this Agreement or within the trade jurisdiction of the signatory labor organization, to be performed at the Site of construction or off-site solely for installation at the Site (including all tenant improvements, if applicable), unless such work is performed only by a person, firm or company signatory, or willing to become signatory, to the applicable area-wide collective bargaining agreement(s) with the union(s) or the appropriate trade/craft union(s) or subordinate body or affiliate of the Chicago & Cook County Building & Construction Trades Council ("Council") or the Teamsters' Joint Council No. 25. Copies of all such current collective bargaining

agreements constitute Appendix "A" of this Agreement, attached hereto and made an integral part hereof, and as may be modified from time to time during the term of this Agreement. Said provisions of this Agreement shall be included in all Requests for Bids and/or Proposals and shall be explicitly included in all contracts or subcontracts of whatsoever tier by all contractors and subcontractors; provided that the total Project value exceeds \$25,000.00. In no event shall contracts be "split" so as to avoid the applicability of this Agreement. In the event a dispute arises with respect to the applicability of this Multi-Project Labor Agreement to a particular project, the parties agree to submit said dispute to final and binding arbitration before a Permanent Umpire who shall be mutually agreed to by the parties.

2. With respect to a contractor or subcontractor who is the successful bidder, but is not signatory to the applicable collective bargaining agreement, the collective bargaining agreement(s) executed by said bidder shall be the relevant area-wide agreement(s) regulating or governing wages, hours and other terms and conditions of employment.
3. During the term of this Agreement, the Owner or any Project contractor and subcontractor shall engage in no lockout.
4. During the term of this Agreement, no labor organization signatory hereto, or any of its members, officers, stewards, agents, representatives, or employees shall instigate, authorize, support, sanction, maintain, or participate in any strike, walkout, work stoppage, work slowdown, work curtailment, cessation or interruption of production, or in any picketing of any Site covered under this Agreement for any reason whatsoever, including but not limited to the expiration of any of the collective bargaining agreements referred to on Appendix A. In the event of an economic strike or other job action upon the termination of an existing collective bargaining agreement, in no event shall any adverse job action be directed against any covered Project. All provisions of the subsequently negotiated collective bargaining agreement shall be retroactive for all employees working at a Project Site, provided such a provision for retroactivity is contained in the newly negotiated collective bargaining agreement.
5. Each Union signatory hereto agrees that it will use its best efforts to prevent any of the acts forbidden in Paragraph 4, and that in the event any such act takes place or is engaged in by any employee or group of employees, each Union signatory hereto further agrees that it will use its best efforts (including its full disciplinary power under its Constitution and/or By-Laws) to cause an immediate cessation thereof.
6. Any contractor or subcontractor signatory or otherwise bound stipulated or required to abide by and to any provisions of this Agreement shall have the right to discharge or discipline any employee who violates the provisions of this Agreement. Such discharge or discipline by a contractor or subcontractor shall be subject to the Grievance/Arbitration procedure of the applicable collective bargaining agreement only as to the fact of such employee's violation of this Agreement. If such fact is established, the penalty imposed shall not be disturbed. Work at any Site covered under this Agreement shall continue without disruption or hindrance of any kind during any Grievance/ Arbitration procedure.

7. The parties expressly authorize a court of competent jurisdiction to order appropriate injunctive relief to restrain any violation of this Agreement, any form of self-help remedy is expressly forbidden. Nothing in the foregoing shall restrict any party to otherwise judicially enforce any provision of its collective bargaining agreement between any labor organization and a contractor with whom it has a collective bargaining relationship.
8. This Agreement shall become effective, and shall be included in all Requests for Proposals and/or Bids, all Purchase Orders, Contracts or other arrangements issued by the City of Chicago for work described in Paragraph 1 above immediately subsequent to the ratification of the Ordinance authorizing this Multi-Project Labor Agreement by the City Council.
9. This Agreement shall expire on December 31, 2016 and shall be automatically extended for an additional five (5) year term unless the parties issue a notice to terminate between sixty (60) and (30) days prior to the initial expiration date.
10. In the event a dispute shall arise between any contractor or subcontractor of the Project and any signatory labor organization and/or fringe benefit fund established under any of the appropriate collective bargaining agreements as to the obligation and/or payment of fringe benefit contributions provided under the collective bargaining agreement, upon proper notice to the contractor(s) or subcontractor(s) by the applicable labor organization or fringe benefit fund and to the contractor or subcontractor, an amount sufficient to satisfy the amount claimed shall be withheld from the contractor's or subcontractor's regularly scheduled periodic payment from the contractor or subcontractor, or their agents until such time as said claim is resolved.
11. In the event of a jurisdictional dispute by and between any labor organizations signatory hereto, such labor organizations shall take all steps necessary to promptly resolve the dispute. In the event of a dispute relating to trade or work jurisdiction, all parties, including the employers, contractors or subcontractors, agree that a final and binding resolution of the dispute shall be resolved as follows:
 - a.) Representatives of the affected trades shall meet on the job site within forty-eight (48) hours after receiving notice in an effort to resolve the dispute. (In the event there is a dispute between local unions affiliated with the same International Union, the decision of the General President, or his/her designee, as the internal jurisdictional authority of that International Union, shall constitute a final and binding decision and determination as to the jurisdiction of work.)
 - b.) If no settlement is achieved subsequent to the preceding Paragraph, the matter shall be referred to the Chicago & Cook County Building & Construction Trades Council, which shall meet with the affected trades within forty-eight (48) hours subsequent to receiving notice. An agreement reached at this Step shall be final and binding.
 - c.) If no settlement agreements is reached during the proceedings contemplated by Paragraph "a" or "b" above, the matter shall be immediately referred to the Joint Conference Board, established by the Standard Agreement between the Construction Employers' Association and the Chicago & Cook County Building & Construction Trades Council, which may be amended from time to time, for final and binding resolution of said dispute. Said Standard Agreement is attached hereto as Appendix "B" and specifically incorporated into this Agreement.

12. This Agreement shall be incorporated into and become part of the collective bargaining agreements between the Unions signatory hereto and contractors and subcontractors. In the event of any inconsistency between this Agreement and any collective bargaining agreement, the terms of this Agreement shall supersede and prevail except for all work performed under the NT Articles of Agreement, the National Stack/Chimney Agreement, the National Cooling Tower Agreement, all instrument calibration work and loop checking shall be performed under the terms of the UA/IBEW Joint National Agreement for instrument and Control Systems Technicians, and the National Agreement of the International Union of Elevator Constructors with the exception of the content and subject matter of Articles V, VI and VII of the AFL-CIO's Building & Construction Trades Department model Project Labor Agreement.
13. The parties agree that in the implementation and administration of this Agreement, it is vitally necessary to maintain effective and immediate communication so as to minimize the potential of labor relations disputes arising out of this Agreement. To that end, each party hereto agrees to designate, in writing, a representative to whom problems can be directed which may arise during the term of this Agreement. Within forty-eight (48) hours after notice of the existence of any problem, representatives of each party shall meet to discuss and, where possible, resolve such problems. The representative of the signatory unions shall be Thomas Villanova, or his designee, President of the Chicago & Cook County Building & Construction Trades Council. The representative of Owner shall be the Corporation Counsel or his/her designee.
14. If any provision, section, subsection or other portion of this Agreement shall be determined by any court of competent jurisdiction to be invalid, illegal, or unenforceable in whole or in part, and such determination shall become final, such provision or portion shall be deemed to be severed or limited, but only to the extent required to render the remaining provisions and portions of this Agreement enforceable. This Agreement, as thus amended, shall be enforced so as to give effect to the intention of the parties insofar as that is possible. In addition, the parties hereby expressly empower a court of competent jurisdiction to modify any term or provision of this Agreement to the extent necessary to comply with existing law and to enforce this Agreement as modified.
15. Owner and General Contractor, on behalf of themselves and their contractors and subcontractors agree that the applicable substance abuse policy (i.e., drug, alcohol, etc.) applicable to the employees working on any covered Project shall be that as contained, or otherwise provided for, in the area-wide collective bargaining agreements attached at Appendix "A" to this Agreement. Nothing in the foregoing shall limit the Owners and/or General Contractor, its contractors or subcontractors from instituting its own substance abuse policy governing other employees performing work on a Project not otherwise covered under this Agreement. In the event there is no substance abuse policy in the applicable collective bargaining agreement, the policy adopted by the Owners and/or General Contractor may apply.

16. The parties recognize a desire to facilitate the entry into the building and construction trades of veterans who are interested in careers in the building and construction industry. The parties agree to utilize the services of the Center for Military Recruitment, Assessment and Veterans Employment (hereinafter referred to as the "Center") and the Center's Helmets to Hardhats" program to service as a resource for preliminary orientation, assessment of construction aptitude, referral to apprenticeship programs or hiring halls, counseling and mentoring, support network, employment opportunities and other needs as identified by the parties. The parties also agree to coordinate with the Center to create and maintain an integrated database of veterans interested in working on this project and of apprenticeship and employment opportunities for these Projects. To the extent permitted by law, the parties will give appropriate credit to such veterans for bona fide, provable past experience, in the building and construction industry.

The parties recognize the importance of facilitating the goals and objectives of the Apprenticeship & Training Initiative agreed to by the parties in separate collective bargaining agreements applicable to employees of the Owner. Additionally, parties agree to incorporate the duties and responsibilities associated with the Supplemental Addendum to the Multi-Project Labor Agreement between the signatory labor organizations and the Chicago Public Schools attached hereto in Appendix "C" and incorporated herein. Towards these ends, the undersigned labor organizations will assist and cooperate with the Owner, the Chicago Public Schools, City Colleges and contractors in monitoring and enforcing the foregoing commitments, including providing relevant information requested by the Owner for the purpose of such monitoring and enforcement, including the information provided for in Paragraph 3(E) of the Supplemental Addendum with CPS. Upon execution of this Agreement, representatives of the Owner and the Chicago Building Trades Council will immediately meet for the purpose of establishing the specific mechanism by which this information will be gathered, processed and reported.

The parties hereto agree and acknowledge that the commitments set forth herein, including those in the attached Appendix "C" are interdependent. In the event the goals and commitments set forth in Appendix "C" are not realized, the City shall bring this to the attention of the Chicago Building Trades Council ("Council"), and the parties shall immediately meet for the purpose of identifying the cause(s) of said failure and implement necessary measures to remedy the failure. Should the Council's affiliate members refuse to implement measures reasonably necessary to realize these goals and commitments, the City may terminate this Agreement subsequent to January 13, 2013. If, as of June 1, 2012, the City believes that the Council's affiliate members have failed to implement measures reasonably necessary to realize these goals and commitments, the City may at that time deliver to the Council formal written notice of intent to terminate this Agreement on January 1, 2013. Upon deliverance of such notice, the parties shall immediately meet to craft and implement additional measures to remedy such failure. If the parties are unsuccessful in implementing satisfactory measures, the City may implement said notice of termination on January 1, 2013.

The parties acknowledge the Residency requirement for employees of contractors and subcontractors in the standard City of Chicago construction contract. The parties also agree to cooperatively work and monitor compliance with these requirements and to work cooperatively to facilitate and work in good faith to the achievement of said required Residency provision including union attendance at pre-bid conferences with prospective contractors and subcontractors as well as other reasonable undertakings to demonstrate progress in this regard.

- 17. The parties agree that contractors and subcontractors working under the provisions of this Agreement shall be required to strive to utilize the maximum number of apprentices on said Project as permitted under the applicable collective bargaining agreement as contained in Appendix "A".
- 18. This document, with each of the Attachments, constitutes the entire agreement of the parties and may not be modified or changed except by the subsequent written agreement of the parties.
- 19. All parties represent that they have the full legal authority to enter into this Agreement.

The undersigned, as the Owner and Labor Organizations on the Project, agree to all of the terms and conditions contained in this Agreement.

WHEREAS, The City of Chicago (the "City") is a home rule unit of government under Section 6(a), Article VII of the 1970 Constitution of the State of Illinois authorized to exercise any power and perform any function pertaining to its government and affairs; and

WHEREAS, The Cook County Board of Commissioners has enacted the Real Property Assessment Classification Ordinance, as amended (the "Classification Ordinance"), which establishes the Class L property tax classification to encourage the preservation and rehabilitation of certain historically and architecturally significant buildings, which will enhance the general character of real estate in the county and contribute to the economic well-being of the county by increasing the level of economic activity, increasing employment opportunities and contributing to the long-term growth of the real property tax base; and

WHEREAS, Integrated Motor Club LLC, an Illinois limited liability company (the "Owner"), is the owner of a historic building (the "Building") located at 68 East Wacker Place in Chicago, Illinois, as more precisely described in Exhibit 1 attached hereto and hereby made a part hereof (the land and improvements thereon being herein referred to as the "Project Real Estate"); and

WHEREAS, The City Council of the City (the "City Council") adopted an ordinance on May 9, 2012, designating the Building as a Chicago landmark pursuant to the criteria then established in Section 2-120-620 now in Section 2-120-580 of the Municipal Code of Chicago, and such designation as a Chicago landmark meets the definition of landmark pursuant to Section 1 of the Classification Ordinance; and

WHEREAS, The Owner proposes to rehabilitate the Building thereby preserving the historic building, increasing employment opportunities in the area and contributing to the long-term growth of the real property tax base (the "Project"); and

WHEREAS, It is anticipated that the Project may require a transfer of a beneficial interest in the Owner to one or more entities who will receive an allocation of federal historic rehabilitation tax credits ("Tax Credit Investors"); and

WHEREAS, The Owner anticipates using the Building for hotel purposes after the Project is completed (the "Use"); and

WHEREAS, The Owner has applied to the Office of the Assessor of Cook County, Illinois (the "Assessor"), for designation of the Project Real Estate as a Class L classification eligible for certain real estate tax incentives pursuant to the Classification Ordinance; and

WHEREAS, Pursuant to the Classification Ordinance, the Class L classification is available to real estate which is to be used for commercial or industrial purposes and which (1) is a landmark (as defined in Section 1 of the Classification Ordinance); and (2) has undergone Substantial Rehabilitation (as defined in Section 1 of the Classification Ordinance), which constitutes an investment by the owner of at least 50 percent of the building's full market value as determined by the Assessor in the assessment year prior to the commencement of the Substantial Rehabilitation; and the Class L incentive shall apply to the Building only, except that if the entire Building has been vacant and unused for at least 24 continuous months prior to the filing of the eligibility application with the Assessor, the land upon which the Building is situated shall be eligible for the incentive; and

WHEREAS, Section 2 of the Classification Ordinance requires that, in connection with the filing of a Class L eligibility application with the Assessor, an applicant must obtain from the unit of local government in which the real estate is located, an ordinance or resolution which expressly states that the local government: 1) has determined that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the property; 2) supports and consents to the granting of the incentive; and 3) has reviewed and accepted its Preservation Commission's (as defined in Section 1 of the Classification Ordinance) written recommendation of the project for the Class L incentive, specifying the project budget and proposed scope of the work, which meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; and

WHEREAS, The City is a Certified Local Government as defined in Section 1 of the Classification Ordinance and has established the City of Chicago Commission on Chicago Landmarks (the "Landmarks Commission"), and such Landmarks Commission is a Preservation Commission (as defined in Section 1 of the Classification Ordinance); and

WHEREAS, On March 6, 2014, the Landmarks Commission issued a written recommendation of the Project to the City Council; recommending that the Project be approved by the Assessor for the Class L incentive, a copy of which is attached hereto as Exhibit 2 and hereby made a part hereof; and

WHEREAS, The Project Real Estate has not been occupied and used for the 24-month period prior to the filing of the Class L eligibility application with the Assessor, making the Class L incentive applicable to the Building and land; and

WHEREAS, The City requires, and the Owner has agreed to perform or cause to be performed, certain work as part of the Project as more fully described in Exhibit 2 attached hereto and incorporated herein, in furtherance of the City's efforts to promote a sustainable development policy; and

WHEREAS, The Department of Planning and Development of the City (the "DPD") has reviewed the proposed Project, has determined that it meets the necessary eligibility requirements for Class L designation, and hereby recommends to City Council that the City expressly determine by ordinance that: 1) the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate; 2) the City supports and consents to the granting of the incentive; and 3) the City has reviewed and accepted the Landmarks Commission's written recommendation of the Project for the Class L incentive, specifying the Project budget and proposed scope of the work, and specifying that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation, Preservation, Restoration, and Reconstruction of historic properties; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The above recitals are hereby expressly incorporated as if fully set forth herein.

SECTION 2. The City hereby determines that the incentive provided by Class L is necessary for the Substantial Rehabilitation of the Project Real Estate.

SECTION 3. The City hereby expressly supports and consents to the granting of the Class L incentive. The City's support and consent to the grant of certification for the Class L incentive for the Project Real Estate is expressly conditioned upon the substantial completion of the Project and Use as proposed by the Owner and approved by the City, both upon completion of the Substantial Rehabilitation of the Project Real Estate and during the term of the Class L incentive.

SECTION 4. The Project is anticipated to be completed by June, 2015. The Commissioner of DPD (the "Commissioner") or a designee of the Commissioner (together with the Commissioner, an "Authorized Officer") shall have discretion to extend the construction completion date by issuing a written extension letter in response to a written request from the Owner. To the extent that the Project Real Estate is not rehabilitated, used or maintained during the term of the Class L incentive in a manner which is substantially consistent with the approved Project or Use, as determined by the Authorized Officer, the Authorized Officer is hereby authorized to take such steps as may be necessary and appropriate to withdraw the City's support and consent to the Class L incentive, which may cause the Class L certification to be terminated or revoked.

SECTION 5. The City has reviewed and hereby accepts the Landmarks Commission's written recommendation of the Project for the Class L incentive, which specifies the Project budget and proposed scope of the work, and which specifies that the Project meets or exceeds the Standards of the United States Department of the Interior for Rehabilitation,

Preservation, Restoration, and Reconstruction of historic properties, a copy of which is attached hereto as Exhibit 2 and made a part hereof.

SECTION 6. The Authorized Officer is hereby authorized to deliver a certified copy of this ordinance to the Assessor and to furnish such additional information as may be required in connection with the filing of the application by the Owner with the Assessor for Class L designation of the Project Real Estate.

SECTION 7. The Authorized Officer is hereby authorized to enter into and execute such instruments and agreements, and perform any and all acts as shall be necessary or advisable in connection with the Project, including such other terms and conditions as may be approved in connection with the Project by the Authorized Officer.

SECTION 8. The Authorized Officer is hereby authorized to approve minor changes in the scope of work delineated on (Sub)Exhibit B to Exhibit 2 hereof, provided that changes in the Building conditions warrant such changes and will not change the suitability of the Project Real Estate for the Use (all as determined in the sole discretion of the Authorized Officer). Changes to the Project budget delineated on Exhibit A to Exhibit 2 shall not require approval provided that the Project is substantially completed in accordance with the scope of work defined in (Sub)Exhibit B to Exhibit 2 and achieves the minimum investment required for Class L eligibility.

SECTION 9. Upon request by the Owner for a final determination of the eligibility of the Project Real Estate for the Class L incentive by the Landmarks Commission pursuant to the Classification Ordinance upon completion of the Substantial Rehabilitation of the Project Real Estate, the Authorized Officer shall verify that the work performed substantially conforms to the Project approved by the City and that the Project Real Estate is eligible for the Class L incentive (the "Final Determination").

SECTION 10. Any conveyance of all or a portion of the Project Real Estate by the Owner before the Final Determination shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void. Any renewed support and consent of the City for the Class L incentive contemplated in connection with the Project undertaken by a successor in interest to the Owner of the Project Real Estate prior to the Final Determination shall require additional authorization by the City Council. Any change prior to the Final Determination in the direct owners in excess of 7.5 percent of the Owner or who constitute the direct or indirect controlling parties of the Owner, as determined by the Corporation Counsel (an "Ownership Change"), shall render the support and consent of the City for the Class L incentive set forth hereunder in connection with the Project null and void, unless such Ownership Change is approved by the Authorized Officer in his or her discretion. This Section 10 shall not apply to the transfer of a beneficial interest in the Owner to Tax Credit Investors with respect to the Project, or to the transfer of a leasehold interest in the Project Real Estate to a master tenant entity owned in whole or in part by one or more

Tax Credit Investors, provided that such transfers do not involve a change to the direct or indirect controlling parties of the Owner.

SECTION 11. No permit fee waiver(s) pursuant to Section 2-120-815 of the Municipal Code of Chicago from the City related to the Project Real Estate shall be granted to the Owner during the rehabilitation of the Project and prior to the expiration of the Class L incentive related to the Project Real Estate.

SECTION 12. To the extent that any ordinance, resolution, order or provision of the Municipal Code of Chicago, or part thereof, is in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any section, paragraph, clause or provision shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.

SECTION 13. This ordinance shall be effective from and after its passage and approval.
