

SUBSTITUTE **ORDINANCE**

WHEREAS, the City Council has permitted the establishment of Additional Dwelling Units (“ADUs”) in certain residential single family zoning districts, consistent with Section 17-7-0570 of the Municipal Code; and

WHEREAS, pursuant to Section 17-7-0575 of the Municipal Code, any ordinance adding a new Additional Dwelling-Unit Allowed RS Area must be codified as an amendment to Section 17-7-0574, and must cover an area including no less than one block face and its opposite block face combined; and

WHEREAS, identified designated Additional Dwelling-Unit Allowed RS areas are rationally distinct from adjacent areas by virtue of their zoning conditions, existing housing typologies, and market conditions, and the Department of Housing seeks to monitor the impact of ADUs in these areas to reassess best practices for the regulation, expansion, or contraction of Additional Dwelling Unit-Allowed RS Areas;

WHEREAS, the designated areas are suitable for gentle infill development, aligning with local housing goals that encourage incremental residential density while maintaining neighborhood character; and

WHEREAS, the designated areas are characterized by a predominance of R lots with a substantial presence of single family and two- to –six-flat residential buildings, which represent housing types that are physically suitable for the addition of conversion units and coach houses; and

WHEREAS, the designated areas contain consistent block patterns and standard lot sizes making them more conducive for ADUs; and

WHEREAS, permitting ADUs in the designated areas will expand affordable unsubsidized housing opportunities for moderate- and low-income tenants; and

WHEREAS, permitting ADUs in the designated areas will help bring existing dwelling spaces into conformity with current zoning and building standards, creating safer, Code-compliant housing; and

WHEREAS, permitting ADUs the designated areas will support homeowner stability, support multigenerational living, and create additional revenue streams to defray property tax costs, home maintenance costs, or other costs; now, therefore,
