

EXHIBIT D
FORM OF DEED

QUITCLAIM DEED
(Vacant Land)

(The Above Space for Clerk's Use Only)

THE CITY OF CHICAGO, an Illinois municipal corporation and home rule unit of government, having its principal offices at 121 North LaSalle Street, Chicago, Illinois 60602 ("City" or "Grantor"), for and in consideration of \$120,000, and other good and valuable consideration, conveys and quitclaims all right, title and interest in the real property legally described on Exhibit A attached hereto ("City Property"), pursuant to an ordinance adopted by the City Council of the City ("City Council") on _____, and published in the Journal of the Proceedings of the City Council for such date at pages _____ through _____, to Jaroslaw Madry, an individual ("Grantee"), having an address of 1255 Caroline Ct., Vernon Hills, Illinois 60061.

Without limiting the quitclaim nature of this deed, this conveyance is subject to: (a) the standard exceptions in an ALTA title insurance policy; (b) general real estate taxes and any special assessments or other taxes; (c) all easements, encroachments, covenants and restrictions of record and not shown of record; (d) such other title defects that may exist; and (e) any and all exceptions caused by the acts of Grantee or its agents.

In addition, this conveyance is subject to the following terms, covenants and conditions which are a part of the consideration for the City Property and which shall run with the land and be binding upon and enforceable against the Grantee and the Grantee's heirs, successors and assigns, in perpetuity (unless a shorter period is expressly stated below):

1. Covenant to Improve City Land; Restriction on Conveyance. Grantee (a) shall improve the City Property with two (2) 3-unit buildings, each containing three (3) 3-bedroom/2-bath units and a parking garage with three (3) spaces, in accordance with the site plan and elevations previously approved by the Department of Planning and Development (the "Department"); (b) shall commence construction of the Project within sixty (60) days of the date of this deed, and complete construction of the Project within twelve (12) months of the construction commencement date, provided, however, the Department, in its sole

discretion, may extend the construction commencement and completion dates upon written request; (c) until construction of the Project is completed, may not, without the prior written consent of the City, which shall be in the City's sole discretion: (i) merge, liquidate, or consolidate; (ii) directly or indirectly sell, lease, assign or otherwise transfer the City Property, excluding the sale of individual dwelling units in the ordinary course of development, or (iii) engage in any financing or other transaction which would create an encumbrance or lien on the City Property, except for the acquisition and construction financing for the Project. If any of these conditions is not satisfied, the City may record a notice of default against the City Property and shall have the right to exercise any and all remedies available to it at law or in equity, including the right to re-enter and take possession of the City Property, terminate the estate conveyed to the Grantee, and re-vest title to the City Property in the City. Grantee, at the request of the City, covenants to execute and deliver to the City a reconveyance deed to the City Property to further evidence such re-vesting of title. The forgoing covenants shall expire upon completion of the Project.

2. Environmental Documents Review. The City, acting through its Department of Fleet and Facility Management ("DFFM"), has conducted a limited review ("Limited Review") of certain City records and other information ("Review Documents") in an effort to identify potential environmental concerns associated with the City Property. Grantee acknowledges and agrees that Grantee has previously received a summary of the Bureau's Limited Review, and that the City has made all Review Documents available to Grantee for inspection and copying upon request.
3. Limited Nature of City's Review. Grantee acknowledges and agrees that the City does not represent or warrant that DFFM's methodology for or findings from its Limited Review are accurate or complete or that the environmental condition of or risks to the City Property are consistent with the DFFM's summary of its Limited Review. Grantee acknowledges and agrees that the City did not perform a Phase I Environmental Site Assessment or conduct a thorough environmental investigation of the City Property, and that the City's review of the Review Documents was limited. Grantee acknowledges and agrees that DFFM's Limited Review may not have located all City, publicly available, or other documents or information relating to the condition of the City Property, and that there may be other conditions, uses, and sources or types of contamination affecting the City Property. Grantee acknowledges and agrees that the City is not obligated to locate all such documentation or information or to perform any environmental investigation or evaluation of the City Property.
4. Historic Contamination of Urban Land. Grantee acknowledges and agrees that properties in urban areas, including Chicago, are frequently impacted by historical conditions and uses that may not be documented in the Review Documents, such as (a) buried demolition debris containing lead-based paint or asbestos, (b) underground heating oil tanks, (c) off-site migration of chemicals from existing or former gas stations, dry cleaners, metal finishing operations, lumber treatment facilities, and other commercial, industrial or manufacturing land uses, (d) illegal dumping, (e) nearby railroad operations, and (f) airborne deposit of lead and other contaminants from historical use of lead gasoline and surrounding industries. Buyer acknowledges receipt of a fact sheet prepared by the United States Environmental Protection Agency about urban gardening best management practices to prevent or reduce exposure to contaminants that may be present in soils, "Reusing Potentially Contaminated Landscapes: Growing Gardens in Urban Soils," EPA 542/F-10/011 (Spring 2011).

5. “As Is,” “Where Is” and “With All Faults” Conveyance. Grantee acknowledges and agrees that Grantee has had an opportunity to inspect the City Property and is relying solely upon Grantee’s own inspection and other due diligence activities that Grantee may have conducted in determining whether to acquire the City Property, and not upon any information provided by or on behalf of the City with respect thereto, including without limitation, the Limited Review, the Review Documents and any summary thereof. Grantee acknowledges and agrees that the City Property is being conveyed, and Grantee accepts the City Property, in its “AS IS,” “WHERE IS” and “WITH ALL FAULTS” condition without any covenant, representation, or warranty, express or implied, of any kind, regarding the physical or environmental condition of the City Property or the suitability of the City Property for any purpose whatsoever. Grantee acknowledges and agrees that Grantee is solely responsible for any investigation and remediation work necessary to put the City Property in a condition which is suitable for its intended use.

6. Release of City. Grantee, on behalf of itself, its affiliates, and the respective officers, directors, trustees, employees, agents, successors and assigns of Grantee and its affiliates (collectively, the “Grantee Parties”), or anyone claiming by, through, or under the Grantee Parties, hereby releases, relinquishes and forever discharges, Grantor and its officers, employees, agencies, departments, officials, agents, representatives, contractors and consultants (collectively, “City Parties”), from and against any and all claims, demands, losses, damages, liabilities, costs and expenses, including, without limitation, reasonable attorney’s fees and court costs (collectively, “Losses”) which the Grantee or any of the Grantee Parties ever had, now have, or hereafter may have, whether grounded in tort or contract or otherwise, in any and all courts or other forums, of whatever kind or nature, whether known or unknown, foreseen or unforeseen, now existing or occurring after the date of this deed, based upon, arising out of or in any way connected with, directly or indirectly, the environmental or physical condition of the City Property, including, without limitation, (i) any release, emission, discharge, generation, transportation, treatment, storage or disposal of hazardous substances in, on, under or about the City Property, or threatened release, emission or discharge of hazardous substances in, on, under or about the City Property, and (ii) any investigation, cleanup, monitoring, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision or other third party in connection or associated with the City Property or any improvements, facilities or operations located or formerly located thereon (collectively, “Released Claims”). Grantee shall defend (through an attorney reasonably acceptable to the City), indemnify, and hold the City Parties harmless from and against any and all Losses which may be made or asserted by any third parties (including, without limitation, any of the Grantee Parties or anyone claiming by, through, or under the Grantee Parties) arising out of or in any way connected with, directly or indirectly, any of the Released Claims. Grantee Parties waive their rights of contribution and subrogation against the City Parties.
