The Applicant seeks to rezone 3440-3444 North Janssen from an RT-3.5 Residential Two-Flat, Townhouse and Multi-Unit District to a RT-4 Residential Two-Flat, Townhouse to divide the zoning lot and construct an addition to the existing detached house at 3440 North Janssen. Currently, 3440 North Janssen is improved with a detached house having a height of 25'9" and with a rear accessory coach house with a three-car garage. The Applicant is proposing a rear addition to the detached house. 3444 North Janssen is improved with a residential building containing three dwelling units with a height of 36 feet and no parking spaces.
