B. Cook County Authority. The Cook County Board of Commissioners has enacted under Chapter 74, Article II of the Cook County Code of Ordinances, the Cook County Tax Incentive Ordinance, Classification System for Assessment, as amended from time to time (the "County Tax Incentive Ordinance"), which provides for, among other things, real estate tax incentives to property owners who build, rehabilitate, enhance and occupy property which is located within Cook County, Illinois and which is used primarily for industrial purposes.

The City may seek revocation of certain Cook County tax incentives under Section 2-45-165 of the Municipal Code for various reasons, including the failure of an applicant to comply with the requirements of a redevelopment agreement.

The Developer must satisfy the following conditions before the City will execute and deliver this Agreement, unless such conditions are waived in writing by the City:

4.01 Project Budget. DPD must have approved the Project Budget, including the Minimum Project Investment, and the MBE/WBE Budget.

4.02 Lease. A complete copy of the Lease, and all other written agreements setting forth the parties' understandings relating to Axiom Flame's occupancy of the Building and any financial agreements between the parties in any way relating to the Property, the Building or the Lease, certified by the Developer, shall have been delivered to the City.

If applicable, the Developer must have provided the City with a copy of a lease with Tenant evidencing that Tenant has leased the Property for a minimum term extending through the end of the Compliance Period.

4.03 Economic Disclosure Statement. Developer shall provide to the City an EDS, dated as of the Closing Date, which is incorporated by reference, and Developer further will provide any other affidavits or certifications as may be required by federal, state or local law in the award of public contracts, all of which affidavits or certifications are incorporated by reference.

4.04 Construction Compliance Informational Conference. Developer shall provide to the City a copy of the informational conference letter signed by DPD's construction and compliance division.

SECTION 5. COMPLETION OF CONSTRUCTION OR REHABILITATION

5.01 Certificate of Completion of Construction or Rehabilitation. Upon completion of the Project in accordance with the terms of this Agreement (and any requirements contained in the City Ordinance) and upon the Developer's written request, DPD shall issue to the Developer a Certificate of Completion of Construction or Rehabilitation (the "Certificate") in recordable form certifying that the Developer has fulfilled its obligation to complete the Project in accordance with the terms of this Agreement. If the Developer has not fulfilled its obligation, DPD will issue a written statement detailing the measures which must be taken in order to obtain them.

DPD may require a single inspection by an inspecting architect hired at the Developer's expense to confirm the completion of the Project. DPD shall make its best efforts to respond to Developer's written request for the Certificate within forty-five (45) days by issuing the Certificate or a written statement detailing the ways in which the Project does not conform to this Agreement or has not been satisfactorily completed, and the measures which must be taken by Developer in order to obtain the Certificate. Developer may resubmit a written request for the Certificate upon completion of such measures.

The Developer acknowledges and understands that the City will not issue the Certificate, until the following conditions have been met:

- Evidence certified to and acceptable to DPD of the Final Project Cost demonstrating that the Developer has completed the Project in accordance with this Agreement and the Application and that it has made the Minimum Project Investment;
- Final owner's sworn statement, with \$0 outstanding balance;
- Final contractor's sworn statement, with \$0 outstanding balance;

- Evidence acceptable to DPD that the Developer, at its own expense, insured the Property in accordance with Exhibit C hereto, including Accord Form 27 certificates evidencing the required coverages; and
- Evidence acceptable to DPD in the form of a closeout letter from DPD's Compliance and Monitoring division stating that the Developer is in complete compliance with all City Requirements (MBE/WBE, City Residency, and Prevailing Wage), as defined in Exhibit E.

5.02 Continuing Obligations. The Certificate relates only to the respective performance of the work associated with the Project improvements. After the issuance of the Certificate, however, all executory terms and conditions of this Agreement and all representations and covenants contained herein unrelated to such work will remain in effect throughout the Term of the Agreement as to the parties described in the following paragraph, and the issuance of the Certificate shall not be construed as a waiver by the City of any of its rights and remedies pursuant to such executory terms.

Those covenants specifically described at Sections 6.02, 6.03, 6.04, 6.05 and 6.06 as covenants that run with the land will bind any transferee of the Property or the Lease throughout the Term of the Agreement or such shorter period as may be explicitly provided for therein. The other executory terms of this Agreement shall be binding only upon the Developer or a permitted assignee of this Agreement.

A default by either Developer under the Lease shall not (a) relieve Developer from its obligations under this Agreement or (b) constitute any defense, excuse of performance, release, discharge or similar form of equitable or other relief that would prevent or limit the City's enforcement of its remedies under this Agreement.

5.03 Failure to Complete. If the Developer fails to complete the Project in accordance with the terms of this Agreement, and/or if the Developer has not received the Certificate by the Certificate Deadline, the Certificate will not be issued, and the City will have the right to pursue any available legal remedies.

5.04 Notice of Expiration of Term of Agreement. Upon the expiration of the Term of the Agreement, DPD shall provide the Developer, at the Developer's written request, with a written notice in recordable form stating that the Term of the Agreement has expired.

(d) except as otherwise provided herein, including without limitation as set forth in Section 6.01(i), during the Term of the Agreement, the Developer will continue to own good, indefeasible and merchantable fee simple title to the Property (and all improvements thereon), or a leasehold interest therein;

(e) Developer is now and for the Term of the Agreement shall remain solvent and able to pay its debts as they mature;

(j) has not made or caused to be made, directly or indirectly, any payment, gratuity or offer of employment in connection with the Agreement or any contract paid from the City treasury or pursuant to City ordinance, for services to any City agency ("City Contract") as an inducement for the City to enter into the Agreement or any City Contract with Developer in violation of Chapter 2-156-120 of the Municipal Code;

6.02 Covenant to Redevelop. Developer shall redevelop the Property in accordance with this Agreement and all Exhibits attached hereto and all federal, state and local laws, ordinances (including the City Ordinance), rules, regulations, executive orders and codes applicable to the Project, the Property

and/or Developer. The covenants set forth in this Section shall run with the land and be binding upon any transferee but shall be deemed satisfied upon issuance by the City of a Certificate with respect thereto.

6.03 Operations Covenant. The Developer hereby covenants and agrees, throughout the Term of the Agreement, to operate the Project at the Facility, or to cause any Tenant to operate the Project at the Facility, in a manner consistent with the Tax Incentive requirements (the "Operations Covenant"). The covenants set forth in this Section shall run with the land and be binding upon any transferee.

6.04 Occupancy Covenant. The Developer hereby covenants and agrees, throughout the Term of the Agreement, to maintain or to cause the Tenant to maintain, that not less than fifty percent (50%) of the Project shall remain open, occupied, and otherwise open for business (the "Occupancy Covenant"). The covenants set forth in this Section shall run with the land and be binding upon any transferee.

6.05 Jobs Covenant. Not less than twenty-five (25) full-time equivalent (minimum of 35 hours per week), construction jobs shall be created by Developer within six (6) months of the Commencement Date; and not less than eight (8) additional full-time equivalent, permanent jobs shall be created by Developer or Tenant within two (2) years of completion of the Project, for a total of thirty-three (33) full-time equivalent, permanent jobs to be retained or created by Developer or Tenant at the Facility through the Term of the Agreement.

6.06 Annual Compliance Report. Each year throughout the Term of the Agreement, the Developer shall submit to DPD by August 1st the Annual Compliance Report itemizing each of Developer's obligations under this Agreement during the preceding year. If the Annual Compliance Report is not received within this timeframe, the City will notify Developer in writing of such deficiency. Thereafter, Developer shall have ten (10) days to file the Annual Compliance Report with DPD. Developer's failure to timely submit the Annual Compliance Report will constitute an event of default.

6.07 Conflict of Interest. Developer represents, warrants and covenants that, to the best of its knowledge, no member, official, or employee of the City, or of any commission or committee exercising authority over the Project or any consultant hired by the City or Developer with respect thereto, owns or controls, has owned or controlled or will own or control any interest, and no such person shall represent any person, as agent or otherwise, who owns or controls, has owned or controlled, or will own or control any interest, direct or indirect, in Developer's business, the Property or any other property in the applicable Redevelopment Area.

6.08 Disclosure of Interest. Developer's counsel has no direct or indirect financial ownership interest in Developer, the Property or any other aspect of the Project.

6.09 Insurance. The Developer shall provide and maintain during the Term of the Agreement, and cause other applicable parties to provide and maintain, the insurance coverages specified in Exhibit C.

6.10 Compliance with Laws. To the best of Developer's knowledge, after diligent inquiry, the Property and the Project are and shall be in compliance with all applicable federal, state and local laws, statutes, ordinances (including the City Ordinance), rules, regulations, executive orders and codes pertaining to or affecting the Project and the Property. Upon the City's request, Developer shall provide evidence satisfactory to the City of such compliance.

6.11 Recording and Filing. The Developer shall cause this Agreement, certain exhibits (as specified by Corporation Counsel), all amendments and supplements hereto to be recorded and filed against the Property in the Recorder's Office of Cook County. Notwithstanding the recordation of this Agreement, the City and Developer agree and acknowledge that this Agreement is not intended to bind and shall not bind tenants of the Property, in their capacity as tenants, other than Developer, its Affiliates, and their successors, transferees and assigns.

6.12 Inspector General. It is the duty of Developer and the duty of any bidder, proposer, contractor, subcontractor, and every applicant for certification of eligibility for a City contract or program, and all of Developer's officers, directors, agents, partners, and employees and any such bidder, proposer, contractor, subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code. Developer represents that it understands and will abide by all provisions of Chapter 2-56 of the Municipal Code and that it will inform subcontractors of this provision and require their compliance.

6.13 Non-Governmental Charges. The Developer agrees to pay or cause to be paid when due any Non-Governmental Charges. The Developer has the right, before any delinquency occurs, to contest any Non-Governmental Charge by appropriate legal proceedings properly and diligently prosecuted, so long as such proceedings serve to prevent any sale or forfeiture of the Property.

6.14 Governmental Charges.

(a) Payment of Governmental Charges. Developer agrees to pay or cause to be paid when due all Governmental Charges (as defined below) which are assessed or imposed upon Developer, the Property or the Project, or become due and payable, and which create, may create, a lien upon Developer or all or any portion of the Property or the Project. "Governmental Charge" shall mean all federal, State, county, the City, or other governmental (or any instrumentality, division, agency, body, or department thereof) taxes, levies, assessments, charges, liens, claims or encumbrances (except for those assessed by foreign nations, states other than the State of Illinois, counties of the State other than Cook County, and municipalities other than the City) relating to Developer, the Property or the Project including but not limited to real estate taxes.

(b) Right to Contest. Developer has the right before any delinquency occurs to contest or object in good faith to the amount or validity of any Governmental Charge by appropriate legal proceedings properly and diligently instituted and prosecuted in such manner as shall stay the collection of the contested Governmental Charge and prevent the imposition of a lien or the sale or forfeiture of the Property. No such contest or objection shall be deemed or construed in any way as relieving, modifying or extending Developer's covenants to pay any such Governmental Charge at the time and in the manner provided in this Agreement unless Developer has given prior written notice to DPD of Developer's intent to contest or object to a Governmental Charge and, unless, at DPD's sole option:

(i) Developer shall demonstrate to DPD's satisfaction that legal proceedings instituted by Developer contesting or objecting to a Governmental Charge shall conclusively operate to prevent or remove a lien against, or the sale or forfeiture of, all or any part of the Property to satisfy such Governmental Charge prior to final determination of such proceedings;

and/or

(ii) Developer shall furnish a good and sufficient bond or other security satisfactory to DPD in such form and amounts as DPD shall require, or a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale or forfeiture of the Property during the pendency of such contest, adequate to pay fully any such contested Governmental Charge and all interest and penalties upon the adverse determination of such contest.

6.15 Developer's Failure To Pay Or Discharge Lien. If Developer fails to pay any Governmental Charge or to obtain discharge of the same, Developer shall advise DPD thereof in writing, at which time DPD may, but shall not be obligated to, and without waiving or releasing any obligation or liability of Developer under this Agreement, in DPD's sole discretion, make such payment, or any part thereof, or obtain such discharge and take any other action with respect thereto which DPD deems advisable. All sums so paid by DPD, if any, and any expenses, if any, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be promptly disbursed to DPD by Developer. Notwithstanding anything contained herein to the contrary, this paragraph shall not be construed to obligate the City to pay any such Governmental Charge. Additionally, if Developer fails to pay any Governmental Charge, the City, in its sole discretion, may require Developer to submit to the City audited Financial Statements at Developer's own expense.

6.16 FOIA and Local Records Act Compliance.

(a) FOIA. The Developer acknowledges that the City is subject to the Illinois Freedom of Information Act, 5 ILCS 140/1 et. seq., as amended ("FOIA"). The FOIA requires the City to produce records (very broadly defined in FOIA) in response to a FOIA request in a very short period of time, unless the records requested are exempt under the FOIA. If the Developer receives a request from the City to produce records within the scope of FOIA, then the Developer covenants to comply with such request within 48 hours of the date of such request. Failure by the Developer to timely comply with such request shall be an Event of Default.

(b) Exempt Information. Documents that the Developer submits to the City with the Annual Compliance Report or otherwise during the Term of the Agreement that contain trade secrets and commercial or financial information may be exempt if disclosure would result in competitive harm. However, for documents submitted by the Developer to be treated as a trade secret or information that would cause competitive harm, FOIA requires that Developer mark any such documents as "proprietary, privileged or confidential." If the Developer marks a document as "proprietary, privileged and confidential", then DPD will evaluate whether such document may be withheld under the FOIA. DPD, in its discretion, will determine whether a document will be exempted from disclosure, and that determination is subject to review by the Illinois Attorney General's Office and/or the courts.

- (e) the appointment of a receiver or trustee for the Developer, for any substantial part of the Developer's assets or the institution of any proceedings for the dissolution, or the full or partial liquidation, or the merger or consolidation, of the Developer; provided, however, that if such appointment or commencement of proceedings is involuntary, such action shall not constitute an Event of Default unless such appointment is not revoked or such proceedings are not dismissed within sixty (60) days after the commencement thereof;

(c) In the event Developer shall fail to perform any other non-monetary covenant which Developer is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless Developer has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those non-monetary defaults which are not capable of being cured within such thirty (30) day period, Developer shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured; provided, further, that there shall be no cure period under this Section 10.03 with respect to Developer's failure to comply with Section 3.04, Section 5.03, Section 6.01(i) and/or Section 6.03.

If a general aggregate applies to products/completed operations, the general aggregate limits must apply per project and once per policy period.

The City must be provided additional insured status with respect to liability arising out of Developer's work, services or operations and completed operations performed on behalf of the City. Such additional insured coverage must be provided on ISO form CG 2010 10 01 and CG 2037 10 01 or on an endorsement form at least as broad for ongoing operations and completed operations. Where the general aggregate limit applies, the general aggregate must apply per project/location and once per policy period if applicable, or Insured may obtain separate insurance to provide the required limits which will not be subject to depletion because of claims arising out of any other work or activity of Insured. If a general aggregate applies to products/completed operations, the general aggregate limits must apply per project and once per policy period.

The Developer must submit evidence of insurance prior to execution of Agreement. The receipt of any COI does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the COI are in compliance with all requirements of Agreement. The failure of the City to obtain, nor the City's receipt of, or failure to object to a non-complying insurance certificate, endorsement or other insurance evidence from Developer, its insurance broker(s) and/or insurer(s) will not be construed as a waiver by the City of any of the required insurance provisions. Developer must advise all insurers of the Agreement provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect the Developer for liabilities which may arise from or relate to the Agreement. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time.

Failure to Maintain Insurance. Failure of the Developer to comply with required coverage and terms and conditions outlined herein will not limit Developer's liability or responsibility nor does it relieve Developer of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

Notice of Material Change, Cancellation or Non-Renewal. Developer must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed and ten (10) days prior written notice for non-payment of premium. A copy of the physical endorsements must accompany the Certificate of Insurance for General Liability, Automobile Liability and Workers' Compensation in order to comply with the insurance requirements.

Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Developer.

Waiver of Subrogation. Developer hereby waives its rights and its insurer(s)' rights of, and agrees to require their insurers to waive their rights of, subrogation against the City under all required insurance herein for any loss arising from or relating to this Agreement. The Developer agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether the City receives a waiver of subrogation endorsement for Developer's insurer(s).

Developers Insurance Primary. All insurance required of Developer under this Agreement shall be endorsed to state that Developer's insurance policy is primary and not contributory with any insurance carrier by the City.

No Limitation as to Developer's Liabilities. The coverages and limits furnished by the Developer in no way limit the Developer's liabilities and responsibilities specified within the Agreement or by law.

No Contribution by the City. Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by Developer under this Agreement.

Insurance not Limited by Indemnification. The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Insurance and Limits Maintained. If Developer maintains higher limits and/or broader coverage than the minimums shown herein, the City requires and shall be entitled the higher limits and/or broader coverage maintained by Developer. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Joint Venture or Limited Liability Company. If Developer is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Other Insurance obtained by Developer. If Developer desires additional coverages, the Developer will be responsible for the acquisition and cost.

Insurance required of Contractor and Subcontractors. Developer must require Contractor and Subcontractors to provide the insurance required herein, or Developer may provide the coverages for Contractor and Subcontractors. All Contractors and subcontractors are subject to the same insurance requirements of Developer unless otherwise specified in this Agreement. The Developer is responsible for ensuring that each Contractor and Subcontractor has named the City of Chicago as an additional insured where required, as well as specifically naming the City of Chicago as an additional insured on any endorsement form at least as broad and acceptable to the City. The Developer is also responsible for ensuring that each Contractor and Subcontractor has complied with the required coverage and terms and conditions outlined in this Section D, Additional Requirements. When requested by the City, the Developer must provide to the City Certificates of Insurance and additional insured endorsements or other evidence of insurance. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time. Failure of the Contractors and Subcontractors to comply with required coverage and terms and conditions outlined herein will not limit Developer's liability or responsibility.

City's Right to Modify. Notwithstanding any provisions in the Agreement to the contrary, the City, Department of Finance, Risk Management Division maintains the right to modify, delete, alter or change these requirements.

AGREEMENTS WITH CONTRACTORS

1. Bid Requirement for General Contractor and Subcontractors. Prior to entering into an agreement with a General Contractor or any subcontractor for construction of the Project, Developer shall solicit, or shall cause the General Contractor to solicit, bids from qualified contractors eligible to do business with, and having an office located in, the City of Chicago, and shall submit all bids received to DPD, if requested, for its inspection and written approval. (i) Developer shall select the General Contractor (or shall cause the General Contractor to select the subcontractor) submitting the lowest responsible bid who can complete the Project in a timely manner.
2. Construction Contract. Prior to the Closing Date, the Developer must provide DPD with a certified copy of the construction contract, together with any modifications, amendments or supplements thereto, and upon DPD's request, a copy of any subcontracts. Photocopies of all contracts or subcontracts entered or to be entered into in connection with the Project shall be provided to DPD within five (5) business days of the execution thereof.
3. Performance and Payment Bonds. Prior to the commencement of any portion of the Project which includes work on the public way, the Developer must require the General Contractor to be bonded for its payment by sureties having an AA rating or better using a bond in a form acceptable to the City. The City shall be named as obligee or co-obligee on any such bonds.
4. Employment Profile. Upon DPD's request, the Developer, the General Contractor and all subcontractors must submit to DPD statements of their respective employment profiles. Developer shall contractually obligate and cause the General Contractor and each subcontractor to agree to the Construction Hiring Requirements.
5. Other Provisions. In addition to the requirements of Agreements with Contractors, the Construction Contract and each contract with any subcontractor shall contain provisions required pursuant to Section 3.04 (Change Orders), Exhibit E. Construction Hiring Requirements, and Section 7.01 (Books and Records) of the RDA.

CONSTRUCTION HIRING REQUIREMENTS

1. Employment Opportunity. The Developer shall contractually obligate its or their various contractors, subcontractors or any Affiliate of the Developer operating on the Property (collectively, with the Developer, the "Employers" and individually an "Employer") to agree, that for the Term of this Agreement with respect to Developer and during the period of any other party's provision of services in connection with the construction of the Project or occupation of the Property:

(a) No Employer shall discriminate against any employee or applicant for employment based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation,

military discharge status, marital status, parental status or source of income as defined in the City of Chicago Human Rights Ordinance, Chapter 2-160, Section 2-160-010 et seq., Municipal Code, except as otherwise provided by said ordinance and as amended from time to time (the "Human Rights Ordinance"). Each Employer shall take affirmative action to ensure that applicants are hired and employed without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income and are treated in a non-discriminatory manner with regard to all job-related matters, including without limitation: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Each Employer agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause. In addition, the Employers, in all solicitations or advertisements for employees, shall state that all qualified applicants shall receive consideration for employment without discrimination based upon race, religion, color, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military discharge status, marital status, parental status or source of income.

(b) To the greatest extent feasible, each Employer is required to present opportunities for training and employment of low- and moderate-income residents of the City and preferably of the Area; and to provide that contracts for work in connection with the construction of the Project be awarded to business concerns that are located in, or owned in substantial part by persons residing in, the City and preferably in the Area.

(c) Each Employer shall comply with all federal, state and local equal employment and affirmative action statutes, rules and regulations, including but not limited to the City's Human Rights Ordinance and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. (1993), and any subsequent amendments and regulations promulgated thereto.

(d) Each Employer, in order to demonstrate compliance with the terms of this Paragraph, shall cooperate with and promptly and accurately respond to inquiries by the City, which has the responsibility to observe and report compliance with equal employment opportunity regulations of federal, state and municipal agencies.

(e) Each Employer shall include the foregoing provisions of subparagraphs (a) through (d) in every contract entered into in connection with the Project, and shall require inclusion of these provisions in every subcontract entered into by any subcontractors, and every agreement with any Affiliate operating on the Property, so that each such provision shall be binding upon each contractor, subcontractor or Affiliate, as the case may be.

(f) Failure to comply with the employment obligations described in this paragraph shall be a basis for the City to pursue its remedies under the Redevelopment Agreement.

2. Prevailing Wage. The Developer, the General Contractor and all subcontractors must pay the prevailing wage rate as ascertained by the Illinois Department of Labor (the "Department"), to all persons working on the Project. All such contracts shall list the specified rates to be paid to all laborers, workers and mechanics for each craft or type of worker or mechanic employed pursuant to such contract. If the Department revises such prevailing wage rates, the revised rates shall apply to all such contracts. Upon

the City's request, the Developer shall provide the City with copies of all such contracts entered into by the Developer or the General Contractor to evidence compliance with this Prevailing Wage.

3. City Resident Construction Worker Employment Requirement. The Developer agrees for itself and its successors and assigns, and shall contractually obligate its General Contractor and shall cause the General Contractor to contractually obligate its subcontractors, as applicable, to agree, that during the construction of the Project they shall comply with the minimum percentage of total worker hours performed by actual residents of the City as specified in Section 2-92-330 of the Municipal Code of Chicago (at least 50 percent of the total worker hours worked by persons on the site of the Project shall be performed by actual residents of the City); provided, however, that in addition to complying with this percentage, the Developer, its General Contractor and each subcontractor shall be required to make good faith efforts to utilize qualified residents of the City in both unskilled and skilled labor positions.

The Developer may request a reduction or waiver of this minimum percentage level of Chicagoans as provided for in Section 2-92-330 of the Municipal Code of Chicago in accordance with standards and procedures developed by the Chief Procurement Officer of the City.

"Actual residents of the City" shall mean persons domiciled within the City. The domicile is an individual's one and only true, fixed and permanent home and principal establishment.

The Developer, the General Contractor and each subcontractor shall provide for the maintenance of adequate employee residency records to show that actual Chicago residents are employed on the Project. Each Employer shall maintain copies of personal documents supportive of every Chicago employee's actual record of residence.

Weekly certified payroll reports (U.S. Department of Labor Form WH-347 or equivalent) shall be submitted to the Commissioner of DPD in triplicate, which shall identify clearly the actual residence of every employee on each submitted certified payroll. The first time that an employee's name appears on a payroll, the date that the Employer hired the employee should be written in after the employee's name.

The Developer, the General Contractor and each subcontractor shall provide full access to their employment records to the Chief Procurement Officer, the Commissioner of DPD, the Superintendent of the Chicago Police Department, the Inspector General or any duly authorized representative of any of them. The Developer, the General Contractor and each subcontractor shall maintain all relevant personnel data and records for a period of at least three (3) years after final acceptance of the work constituting the Project.

At the direction of DPD, affidavits and other supporting documentation will be required of the Developer, the General Contractor and each subcontractor to verify or clarify an employee's actual address when doubt or lack of clarity has arisen.

Good faith efforts on the part of the Developer, the General Contractor and each subcontractor to provide utilization of actual Chicago residents (but not sufficient for the granting of a waiver request as provided for in the standards and procedures developed by the Chief Procurement Officer) shall not suffice to replace the actual, verified achievement of the requirements of this Paragraph concerning the worker hours performed by actual Chicago residents.

When work at the Project is completed, in the event that the City has determined that the Developer has failed to ensure the fulfillment of the requirement of this Paragraph concerning the worker hours performed by actual Chicago residents or failed to report in the manner as indicated above, the City will thereby be damaged in the failure to provide the benefit of demonstrable employment to Chicagoans to the degree stipulated in this Paragraph. Therefore, in such a case of non-compliance, it is agreed that 1/20 of 1 percent (0.0005) of the aggregate hard construction costs set forth in the Project budget (the product of .0005 x such aggregate hard construction costs) (as the same shall be evidenced by approved contract value for the actual contracts) shall be surrendered by the Developer to the City in payment for each percentage of shortfall toward the stipulated residency requirement. Failure to report the residency of employees entirely and correctly shall result in the surrender of the entire liquidated damages as if no Chicago residents were employed in either of the categories. The willful falsification of statements and the certification of payroll data may subject the Developer, the General Contractor and/or the subcontractors to prosecution. Any retainage to cover contract performance that may become due to the Developer pursuant to Section 2-92-250 of the Municipal Code of Chicago may be withheld by the City pending the Chief Procurement Officer's determination as to whether the Developer must surrender damages as provided in this paragraph.

Nothing herein provided shall be construed to be a limitation upon the "Notice of Requirements for Affirmative Action to Ensure Equal Employment Opportunity, Executive Order 11246" and "Standard Federal Equal Employment Opportunity, Executive Order 11246," or other affirmative action required for equal opportunity under the provisions of this Agreement or related documents.

The Developer shall cause or require the provisions of this paragraph to be included in all construction contracts and subcontracts related to the Project.

4. MBE/WBE Commitment. The Developer agrees for itself and its successors and assigns, and, if necessary to meet the requirements set forth herein, shall contractually obligate the General Contractor to agree that, during the Project:

(a) Consistent with the findings which support the Minority-Owned and Women-Owned Business Enterprise Procurement Program (the "MBE/WBE" Program"), Section 2-92-420 et seq., Municipal Code of Chicago, and in reliance upon the provisions of the MBE/WBE Program to the extent contained in, and as qualified by, the provisions of this paragraph 4., during the course of the Project, at least the following percentages of the MBE/WBE Budget attached hereto as Exhibit B (as these budgeted amounts may be reduced to reflect decreased actual costs) shall be expended for contract participation by MBEs or WBEs:

- i. At least 26 percent by MBEs
And
- ii. At least 6 percent by WBEs.

(b) For purposes of MBE/WBE Commitment only, the Developer (and any party to whom a contract is let by the Developer in connection with the Project) shall be deemed a "contractor" and this Agreement (and any contract let by the Developer in connection with the Project) shall be deemed a "contract" as such terms are defined in Section 2-92-420, Municipal Code of Chicago.

(c) Consistent with Section 2-92-440, Municipal Code of Chicago, the Developer's MBE/WBE commitment may be achieved in part by the Developer's status as an MBE or WBE (but only to the extent of any actual work performed on the Project by the Developer), or by a joint venture with one or more MBEs or WBEs (but only to the extent of the lesser of (i) the MBE or WBE participation in such joint venture or (ii) the amount of any actual work performed on the Project by the MBE or WBE), by the Developer utilizing a MBE or a WBE as a General Contractor (but only to the extent of any actual work performed on the Project by the General Contractor), by subcontracting or causing the General Contractor to subcontract a portion of the Project to one or more MBEs or WBEs, or by the purchase of materials used in the Project from one or more MBEs or WBEs, or by any combination of the foregoing. Those entities which constitute both a MBE and a WBE shall not be credited more than once with regard to the Developer's MBE/WBE commitment as described in this paragraph 4. The Developer or the General Contractor may meet all or part of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in its activities and operations other than the Project.

(d) Prior to the City's issuance of a Final Certificate, the Developer shall provide to DPD a final report describing its efforts to achieve compliance with this MBE/WBE commitment. Such report shall include inter alia the name and business address of each MBE and WBE solicited by the Developer or the General Contractor to work on the Project, and the responses received from such solicitation, the name and business address of each MBE or WBE actually involved in the Project, a description of the work performed or products or services supplied, the date and amount of such work, product or service, and such other information as may assist DPD in determining the Developer's compliance with this MBE/WBE commitment. DPD has access to the Developer's books and records, including, without limitation, payroll records, books of account and tax returns, and records and books of account in accordance with the Redevelopment Agreement, on five (5) business days' notice, to allow the City to review the Developer's compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the Project.

(e) Upon the disqualification of any MBE or WBE General Contractor or subcontractor, if such status was misrepresented by the disqualified party, the Developer shall be obligated to discharge or cause to be discharged the disqualified General Contractor or subcontractor and, if possible, identify and engage a qualified MBE or WBE as a replacement. For purposes of this Subsection (e), the disqualification procedures are further described in Section 2-92-540, Municipal Code of Chicago.

(f) Any reduction or waiver of the Developer's MBE/WBE commitment as described in this paragraph 4 shall be undertaken in accordance with Section 2-92-450, Municipal Code of Chicago.

(g) Prior to the commencement of the Project, the Developer, the General Contractor and all major subcontractors shall be required to meet with the monitoring staff of DPD with regard to the Developer's compliance with its obligations under this Agreement. During this meeting, the Developer shall demonstrate to DPD its plan to achieve its obligations under this Agreement, the sufficiency of which shall be approved by DPD. During the Project, the Developer shall, upon the request of the monitoring staff of DPD, such interim reports as the monitoring staff may require. Failure to submit such documentation on a timely basis, or a determination by DPD, upon analysis of the documentation, that

the Developer is not complying with its obligations hereunder shall, upon the delivery of written notice to the Developer, be deemed an Event of Default hereunder.
