

ORDER

WHEREAS, the City in its past has created contracting goals and programs in advancement of its interest to advance purchasing power of minority groups and reduce reliance on fossil fuels; and

WHEREAS, it is widely chronicled that the federal immigration enforcement system has and continues to create widespread harm across the nation and in the City; and

WHEREAS, it is in the public interest for the residents of the City to know which companies are both profiting from the federal immigration enforcement system as well as the City;

NOW BE IT ORDERED BY THE CITY COUNCIL OF THE CITY OF CHICAGO, the Department of Procurement Services shall conduct or commission a study to determine which active contractors and/or vendors for the City has contracts tendering goods and/or services relating to federal immigration enforcement activities in the United States including but not limited to those contracts with the Department of Homeland Security and all of its subsidiaries and any deputized federal agencies. The study should include at minimum the following information regarding those contracts entered with the City of Chicago:

1. Name of vendor and/or contractor
2. Dollar amount of contract with the City
3. Term of contract with the City
4. Goods and/or services tendered to the City
5. Information about contracts in furtherance of federal immigration enforcement activities

BE IT FURTHER ORDERED, that such information shall be compiled and provided to City Council within thirty (30) days of passage of this Order.
