RE: Amending Agreement to Administrative Services Agreement (the "Agreement")

Ladies and Gentlemen:

We have acted as counsel for SomerCor 504, Inc., an Illinois not-for-profit corporation ("SomerCor"), in connection with the execution and delivery of the Agreement by and between SomerCor and the City of Chicago, acting by and through its Department of Planning and Development (the "City"). SomerCor has requested that this opinion be furnished to the City.

In so acting as counsel for SomerCor we have examined:

- (i) an executed original of the Agreement;
- (ii) the Articles of Incorporation, including all amendments thereto, of SomerCor as furnished and certified by the Secretary of State of the State of Illinois (the "Articles");
- (iii) the By-Laws of SomerCor, as certified by the Secretary of SomerCor as of the date hereof (the "By-Laws"); and
- (iv) the Certificate of Good Standing dated _____, issued by the Office of the Secretary of State of the State of Illinois, as to the good standing of SomerCor (the "Certificate of Good Standing").

The Articles, By-Laws and Certificate of Good Standing are referred to collectively as the "Organization Documents".

In our capacity as counsel, we have also examined such other documents or instruments as we have deemed relevant for the purposes of rendering the opinions hereinafter set forth.

We have assumed, but have no reason to question, the legal capacity, authority and the genuineness of the signatures of and due and proper execution and delivery by the respective parties other than SomerCor which has made, executed or delivered or will make, execute and deliver the agreements and documents examined by us. We have also assumed that all documents submitted to us as originals are authentic and that all documents submitted to us as photostatic or certified copies conform to the original documents.

We have further assumed (i) that factual matters set forth in SomerCor's representations and warranties in the Agreement are true and accurate in all respects; (ii) that the conduct of the parties to the Agreement complies with any requirement of good faith, fair dealing and conscionability; and (iii) that there has not been any mutual mistake of fact, fraud, duress or undue influence.

We express no opinion as to (i) the laws of any state or jurisdiction other than the State of Illinois (and any political subdivisions thereof) and the United States of America; (ii) any matters pertaining or relating to the securities laws of the United States of America, the State of Illinois or any other state; (iii) any matters pertaining or related to the Employee Retirement Income Security Act of 1974 and any rules and regulations thereunder; (iv) any matters pertaining or relating to the taxation laws of the United States of America, the State of Illinois or any other state; and (v) any matters pertaining or relating to the criminal, quasi-criminal or civil forfeiture laws of the United States of America, the State of Illinois or any other state. Additionally, this opinion is limited to the matters set forth herein. No opinion may be inferred or implied beyond the matters expressly contained herein. We shall have no continuing obligations to inform you of changes in law or fact subsequent to the date hereof or of facts of which we become aware after the date hereof.

Based upon and subject to the assumptions and qualifications herein stated, it is our opinion that:

1. Based solely on our review of the Organization Documents, SomerCor is a not-for-profit corporation, duly organized and validly existing under the laws of the State of Illinois, SomerCor has made all filings required by the laws of the State of Illinois in respect of its formation and continuing existence, and has all requisite authority to carry on its business and to execute and deliver, and to consummate the transactions contemplated by, the Agreement.
2. Based solely on our review of the Organization Documents, the Agreement has been duly executed and delivered on behalf of SomerCor and constitutes a legal, valid and binding obligation of SomerCor, enforceable against SomerCor in accordance with its terms, except to the extent that enforcement of any such terms may be limited by: (a) applicable bankruptcy, reorganization, debt arrangement, insolvency or other similar laws generally affecting creditors' rights; or (b) judicial and public policy limitations upon the enforcement of certain remedies including those which a court of equity may in its discretion decline to enforce.
3. To our knowledge, there is no action, suit or proceeding at law or in equity pending, nor to our knowledge threatened, against or affecting SomerCor, before any court or before any governmental or administrative agency, which if adversely determined could materially and adversely affect the ability of SomerCor to perform under the Agreement or any of its business or properties or financial or other conditions.
4. The transactions contemplated by the Agreement are governed by the laws of the State of Illinois.
5. The execution and delivery of the Agreement and the consummation of the transactions contemplated thereby will not constitute:

- A. a violation or breach of (i) the Articles of Incorporation of SomerCor, (ii) the By-Laws of SomerCor, (iii) to our knowledge, any provision of any contract or other instrument to which SomerCor is bound, or (iv) to our knowledge, any order, writ, injunction, decree, statute, rule or regulation binding on SomerCor, or
 - B. to our knowledge, a breach of any of the provisions of, or constitute a default under, or result in the creation or imposition of any lien or encumbrance upon any of the property of SomerCor pursuant to any agreement or other instrument to which SomerCor is a party or by which SomerCor is bound.
6. To our knowledge, no action of, or filing with, any governmental or public body is required to authorize, or is otherwise required for the validity of, the execution, delivery and performance of any of the Agreement.

In basing the opinions or other matters set forth in this letter, the words "our knowledge" signify that, in the course of representation of SomerCor, no facts have come to our attention that would give us actual (and not implied or constructive) knowledge or actual (and not implied or constructive) notice that any such opinions or other matters are not accurate. Except as otherwise expressly stated in this opinion, we have undertaken no investigation nor verification of such opinions and matters. Further, the words "our knowledge" and similar language used in this opinion are intended to be limited to only the actual knowledge of the attorneys within our firm who have been directly involved in representing SomerCor, namely _____.

The foregoing opinions are furnished exclusively for your benefit and may be relied upon by you in connection with the Agreement but may not be delivered to or relied upon by any other person or entity without express written consent from the undersigned, which may be granted or denied in the undersigned's sole discretion.

Very truly yours,

The Contractor must submit evidence of insurance prior to execution of Agreement. The receipt of any COI does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the COI are in compliance with all requirements of the Agreement. The failure of the City to obtain, nor the City's receipt of, or failure to object to a non-complying insurance certificate, endorsement or other insurance evidence from Contractor, its insurance broker(s) and/or insurer(s) will not be construed as a waiver by the City of any of the required insurance provisions. Contractor must advise all insurers of the Agreement provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect the Contractor for liabilities which may arise from or relate to the Agreement. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time.

Failure to Maintain Insurance. Failure of the Contractor to comply with required coverage and terms and conditions outlined herein will not limit Contractor's liability or responsibility nor does it relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

Notice of Material Change, Cancellation or Non-Renewal. Consistent with State law, Contractor must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled or non-renewed and ten (10) days prior written notice for non-payment of premium. The Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether the City receives a waiver of subrogation endorsement for Contractor's insurer(s).

Contractors Insurance Primary. For any claims related to this contract, the Contractor's insurance coverage shall be primary and non-contributory. Any insurance or self-insurance maintained by the City shall be excess of the Contractor's insurance and shall not contribute with it. This also applies to any Excess or Umbrella liability policies.

Acceptability of Insurers. Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best rating of no less than A-, Class VIII, unless otherwise approved by the City.

No Limitation as to Contractor's Liabilities. The coverages and limits furnished by the Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Insurance not Limited by Indemnification. The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

Insurance and Limits Maintained. If Contractor maintains higher limits and/or broader coverage than the minimums shown herein, the City requires and shall be entitled the higher limits and/or broader coverage maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Joint Venture or Limited Liability Company. If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

Other Insurance obtained by Contractor. If Contractor desires additional coverages, the Contractor will be responsible for the acquisition and cost.

Insurance Required of Subcontractors. Contractor shall name the Subcontractor(s) as a named insured(s) under Contractor's insurance or Contractor will require each Subcontractor(s) to provide and maintain Commercial General Liability, Commercial Automobile Liability, Worker's Compensation, Employers Liability, and when applicable Excess/Umbrella Liability, Professional Liability, Cyber Liability, and/or Pollution Liability Insurance with coverage at least as broad as in outlined in Section A, Insurance Required. Contractor must ensure that coverage(s) is sufficient to cover any potential risks or damages arising from Subcontractor's work. Unless otherwise specified, the appropriate coverage limits for Subcontractor(s) may be determined by Contractor, but these limits must be adequate to cover all potential liabilities. Should Contractor accept coverage limits from Subcontractor(s) less than those outlined in Section A, Contractor

shall be responsible for any gap in the required coverage limits in the event of a loss. Contractor shall determine if Subcontractor(s) must also provide any additional coverages. Contractor is responsible for ensuring that each Subcontractor has named the City of Chicago as an additional insured where required and provide evidence of additional insured status on an endorsement form acceptable to the City. This includes but is not limited to application information, project management data, financial disbursements, compliance monitoring, and any other data related to the SBIF program.

(b) **Stage 1 Applicant Eligibility Review.** Within ten days after the close of the Acceptance Period, SomerCor shall make a preliminary determination of the likelihood of Lottery Eligibility of each Application that was received during the Acceptance Period.

(i) **Lottery and Wait-Listing Procedure.** Each Lottery-Eligible Application shall be deemed to be requesting the amount requested on their application plus an additional 20% contingency.

Within ten days following the close of the Acceptance Period, SomerCor shall arithmetically determine whether there are more Lottery-Eligible Applications than the maximum amount of funds available for the TIF Area as set forth on Exhibit 5 of this Agreement. If the total number of Lottery-Eligible Applications does not exceed the maximum amount of funds available for the TIF Area, then all Lottery-Eligible Applications shall be deemed "Applications Selected for Review."

Within that same time period, if the total number of Lottery-Eligible Applications exceeds the maximum amount of funds available for the TIF Area, then SomerCor shall give each Lottery-Eligible Application a randomly-selected, unique number as generated by a computer process or by such other lottery method as may be approved by the City. The Lottery-Eligible Applications shall be placed in numerical order from the lowest assigned number to the highest, until the number of Applications is reached that does not exceed the maximum amount of funds available for the TIF Area. Those Applications are then deemed "Applications Selected for Review." All other Lottery-Eligible Applications are deemed "Wait-Listed Applications" and shall be wait-listed in numerical order from lowest to highest.

If an Application Selected for Review later is rejected for failure to comply with this Procedure or the Program, then the lowest-number Wait-Listed Application then available shall thereafter be deemed an Application Selected for Review.

If the amount of funds reserved by the total number of available Applications Selected for Review does not meet or exceed the maximum amount of funds available for the TIF Area, or the amount of actual Grant Funds paid for all Projects in the TIF Area does not meet or exceed the maximum amount of funds available for the TIF Area, then the City shall determine whether and how to open a new application acceptance round.

(ii) Within a ten-day period following the lottery, SomerCor shall, for each Application, commence the following, and shall substantially complete these steps within the Stage 1 Resolution Period (as defined below):

(A) obtain and review financial information regarding the applicant and its Project including, but not limited to, calculating the applicant's annual sales, net worth, liquidity and full-time job equivalence as needed and in a manner determined by SomerCor and approved by DPD;

(B) verify any other information presented in the Application including, but not limited to, determining whether the proposed Project is located within the applicable TIF Area and is consistent with the land use plan of the TIF Area, and determining whether the applicant meets the Eligible Applicant criteria set forth in the Agreement.

(C) obtain from the applicant proof of site control for the Property, including a deed or executed lease agreement.

Within that same ten-day time period, SomerCor shall mail or e-mail each applicant whose Application passes this preliminary determination a "Stage 1 Letter" that (i) clearly identifies all open issues concerning the applicant's Economic Disclosure Statement and Affidavit ("EDS"), applicant ownership issues, or other aspect of the Application; (ii) suggests ways the applicant can resolve those issues; (iii) offers to assist the applicant's resolution of the issues; and (iv) sets

a 20-day deadline ("Stage 1 Resolution Period") for resolving all issues mentioned in the Stage 1 letter.

Also, within that same time period, SomerCor shall mail or e-mail each applicant whose Application does not pass the preliminary determination a "Rejection IA Letter" stating, at minimum, the reasons the Application fails and that the Application shall not be eligible for reconsideration.

Each Application that fully resolves its Stage 1 Letter issues within the Stage 1 Resolution Period shall be deemed an "Eligible Application."

(c) Stage 2 Project Eligibility Review. Within 10 days following the determination of Eligible Application (whether determined by lottery or by arithmetic calculation that a lottery is not needed), SomerCor shall, for each Eligible Application, commence the following, and shall complete it within the Stage 2 Resolution Period (as defined below):

(i) obtain scofflaw and child support clearance from the City's Departments of Revenue and Consumer Services for all persons identified on the EDSs to verify that the Project will qualify.;

In addition, SomerCor shall perform an initial site visit prior to issuing a "Stage 3 Letter."

Within the same 10-day time period following determination of Eligible Applications, SomerCor shall send a "Stage 2 Letter" to each such applicant stating that:

(i) their Application has been deemed an Eligible Application;

(ii) SomerCor has begun the processing of their application as set forth in the paragraph above and that it will contact the applicant if scofflaw or child support clearance issues arise;

(iii) within the number of days required by ordinance from the date of the letter (the "Stage 2 Resolution Period"), the applicant must complete and provide to SomerCor's satisfaction all the bids, specifications, drawings and draft contracts with contractors regarding the Project;

(iv) the applicant should provide SomerCor copies of the preliminary general contractor or architectural plans early in the Stage 2 Resolution Period so that SomerCor can assist the applicant's completion of the bid, specifications and contracts requirement;

(v) if the applicant, following its best efforts to develop the Project as initially proposed, finds during the Stage 2 Resolution Period that the Project is impossible to complete as initially proposed, then applicant may apply to DPD for approval to revise the Project and, if approval is so granted, then applicant may revise the Project and conform the revised Project to all the requirements of subsection (iii) above;

(vi) Project work that is begun prior to receiving a Stage 3 Letter (as described below) shall not be reimbursed or paid for by the Grant; and

(vii) if all the information requested in the Stage 2 Letter is not completed and submitted to SomerCor in a form satisfactory to SomerCor (including the resolution of any scofflaw or child support clearance issues) by the close of the Stage 2 Resolution Period, then the Eligible Application will thereafter be automatically disqualified from further participation in the Program.

Within five days following the conclusion of each Eligible Application's Stage 2 Resolution Period, SomerCor shall determine whether the Eligible Application has fully resolved each Stage 2 Letter requirement within the Stage 2 Resolution Period. Each applicant that SomerCor finds to have fully resolved its Stage 2 Letter issues within the Stage 2 Resolution Period shall immediately thereafter be deemed a "Grant-Eligible Application."

SomerCor shall promptly mail or e-mail to each applicant whose Eligible Application fails to become a Grant-Eligible Application a "Rejection 2 Letter" stating, at minimum, the reasons the Application fails and that the Application shall not be eligible for reconsideration.

(d) Stage 3 Project Completion Period and Grant Amount Determination. Within 10 days following the determination of a Grant-Eligible Application, SomerCor shall review each Grant-Eligible Application's final contract amount and determine the actual dollar amount of Grant Funds (i.e., half of the projected Eligible Costs) being requested (the "Net Grant Request"). SomerCor shall calculate the "Gross Grant Request" by adding ten percent to the Net Grant Request to allow for contingency. If the Gross Grant Request is less than the Maximum Program Assistance, then the Gross Grant Request shall be deemed the "Grant Amount." If the Gross Grant Request is equal to or greater than Maximum Program Assistance, then the "Grant Amount" shall be deemed to be Maximum Program Assistance permitted.

SomerCor shall then revise the dollar amount originally set aside or reserved for lottery purposes to equal the Grant Amount. Any amount set aside in excess of the Grant Amount shall be aggregated with other excess reserves from other Grant-Eligible Applications. SomerCor shall promptly contact the number of Wait-Listed Applications (in numerical order) that corresponds to the aggregate excess reserves (re-reserving the Maximum Program Assistance to each Wait-Listed Applicant) and deem each to be an Eligible Application. SomerCor shall pursue the procedures for each such Eligible Application set forth beginning at subsection (c) herein.

Within the same 10-day period, SomerCor shall, for each Grant-Eligible Application, send a "Stage 3 Letter" to each such applicant stating:

- (i) that their Application is a Grant-Eligible Application;
- (ii) the Grant Amount for which the applicant is eligible;
- (iii) that Project costs incurred after the date of the Stage 3 Letter are grant-eligible provided the applicant and the Project meet all Program requirements (including that the applicant continues to meet the definition of Eligible Applicant as set forth in the Agreement;
- (iv) that the Project must be completed (as determined by SomerCor and DPD) within time required by ordinance (the "Stage 3 Project Period") after the date of the Stage 3 Letter;

and

(v) SomerCor stands ready to help resolve any difficulties the applicant encounters in determining whether a proposed Project cost will be eligible under the Program guidelines.

(e) Final Project Eligibility Determination and Grant Closing. Following the close of the Stage 3 Project Period for each Grant-Eligible Application, SomerCor shall promptly determine whether the Grant-Eligible Application has fully complied with the Project work and all other requirements of the Program and the Stage 3 Letter within the Stage 3 Project Period.

If the Project fully complies except that the Eligible Costs actually incurred are less than were anticipated, then SomerCor shall recalculate the Grant Amount down from the Grant Amount set forth in the Stage 3 Letter and shall deem the revised amount the "Revised Grant Amount."

SomerCor shall then promptly notify each applicant whose Project fully complies with the Stage 3 Letter and all other Program requirements:

(i) that the Project fully complies with the Program requirements;

(ii) that SomerCor, on behalf of the City, will reimburse the Grant-Eligible Applicant the amount of \$XXXXXX, which amount is equal to the lesser of the Grant Amount or the Revised Grant Amount;

(iii) of the need to set a closing date for the Grant;

(iv) of the list of documents that the applicant must provide SomerCor at the closing; and

(v) that the Grant Funds for the Project will be disbursed within four to six weeks following the closing.

SomerCor shall attempt to close each Grant within 30 days of the ending date of the Stage 3 Project Period.

For each Grant-Eligible Application that both SomerCor and DPD have made a final determination is no longer eligible for Grant Funds, SomerCor shall as soon as possible after such determination send the applicant a "Rejection 3 Letter" stating, at minimum, the reasons the Application fails and that the Application shall not be eligible for reconsideration.
