BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CHICAGO:

SECTION 1. Rule 41 of the Rules of Order and Procedure of the City Council, City of Chicago, for the 2023 – 2027 term is hereby amended by deleting the language struck through, and by inserting the language underscored, as follows:

RULE 41. All ordinances, orders, petitions, resolutions, motions, communications, appointments, or other propositions shall be referred, without debate, to the appropriate committees and only acted upon by the City Council at a subsequent meeting, on the report of the committee having the same in charge; provided, however, that the following shall not be subject to this rule:

Nothing in this Rule 41 or the Rules of Order and Procedure of the City Council shall preclude the introduction or submission of ordinances, orders, resolutions, petitions, appointments, or other propositions into a committee of the City Council by an operating department, office, or agency in order to facilitate an expeditious hearing on said matter where an emergency exists; provided, however, that no ordinance, order, resolution, petition, appointment, or other proposition may be submitted directly to a committee for consideration if a substantially similar matter is currently pending before City Council or any other committee. Before any such matter may be considered by a committee: (i) the operating department, office, or agency must provide each member of the committee a copy of the matter at least 48 hours in advance of the meeting at which it will be considered, together with a statement explaining the nature of the emergency or other condition that requires an expeditious hearing before the next regular meeting of the City Council; and (ii) the committee accepts the matter by a two-thirds vote of all members of the committee. Nothing in this paragraph shall be deemed to prohibit the amendment or substitution, in accordance with these Rules, of any matter that has been timely submitted and otherwise meets the requirements of this paragraph. Any matter directly introduced or submitted to a committee of City Council under this paragraph shall require approval by a vote of two-thirds of all members of the City Council entitled by law to be elected.

In addition, routine or repetitive matters may also be introduced directly into a committee of the City Council for hearing. This provision shall not apply to matters described in paragraphs (a), (b) or (c) of this Rule. Examples of such routine or repetitive matters include orders and ordinances regarding the issuance of parking permits, the installation of traffic signs or signals, the issuance of sign and signboard permits, the approval of charitable solicitation (tag day) permits, and the approval of legal settlements.
