

ORDER

WHEREAS, the Chicago Municipal Code Chapter 2-173-020(b) declares that "If CPD receives a request from ICE, HSI, CBP, or another successor agency to provide assistance with a civil immigration enforcement operation, a CPD supervising officer shall determine whether such request is to assist in the enforcement of civil immigration law. If the supervisor determines that the request is to assist in the enforcement of civil immigration law, the supervisor shall decline the request. The supervisor shall also notify the Office of Emergency Management and Communications with an identifier that indicates that the event is a request for assistance with civil immigration enforcement"; and

WHEREAS, the "Welcoming City Ordinance Report: Second Quarter 2025" published on the Office of Inspector General's website notes that there are no responsive records for calls for service with initial or final event type of "CILE" - Civil Immigration Law Enforcement, but from requested documentation provided by the City around the incident of June 4th, 2025, it is apparent that CPD responded to a request for back up from a federal law enforcement agent; and

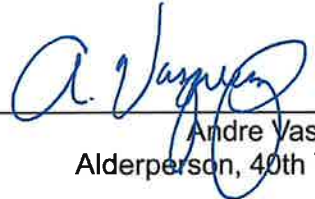

WHEREAS, it is clear that the reporting requirements within Chapter 2-173 provide an insufficient level of detail for the public and members of city council to understand the event types that are coded in for calls for service, like 'Assist Police', 'Disturbance - Large Gathering' or 'Notify' that are be related to civil immigration enforcement activities;

NOW BE IT ORDERED BY THE CITY COUNCIL OF THE CITY OF CHICAGO, the Chicago Police Department (CPD), Office of Emergency Management and Communications (OEMC), Mayor's Office and/or any relevant office, department or agency within the City of Chicago shall provide certain documentation in accordance with 5 ILCS 140 and 50 ILCS 706 within the time period of Jan 20, 2025 until the date of report transmission:
