Except as provided in Subsections (44 10) if an employee is absent without pay for any portion of the workday on the last working day preceding or the first working day following such holiday, the holiday shall be considered as an additional day absent without pay.

(e) In addition to the foregoing paid holidays, each officer and employee in the City departments and offices subject to the control of the Mayor and City Council in an active employment status on January 1 of each year shall receive one (1) paid personal day.

Beginning December 1, 2026, employees may elect to carry over their personal day to the following calendar year. Such carryover shall not exceed five (5) personal days.

Severance of employment prior to the use of all or any part of accumulated personal days terminates all rights for compensation.

(2) Vacation Leave.

Except as otherwise provided in a collective bargaining agreement, this Section G(2) shall govern vacation leave for all employees:

(a) On and after January 1, 2013, all employees shall be eligible for vacation leave computed on the basis described in this paragraph (a) as of January 1st of each year during the year in which they were employed. Such vacation leave will be computed on the basis of time earned during the current calendar year. Vacation leave earned will be determined by dividing the number of months worked in the current calendar year by twelve and then multiplying by the number of yearly vacation days based on service. Any fraction will be rounded off to the nearest whole number of days.

Vacation leave may be advanced to an employee who accrues vacation on a monthly basis, subject to department head approval, up to the full amount the employee would normally accrue within the current calendar year. If the employee leaves City service prior to the date on which the employee would have accrued all vacation leave that was previously forwarded to them, the employee will be required to reimburse the City for all unaccrued vacation leave used.

Each full-time salaried employee or full-time hourly rate employee with less than six years of service will be granted two calendar weeks and three days (13 working days) vacation leave in each calendar year.

Each full-time salaried employee or full-time hourly rate employee who has served the City for six years or more prior to July 1st shall be granted a vacation of three calendar weeks and three days (18 working days) in each calendar year.

Each full-time salaried employee or full-time hourly rate employee who has served the City for fourteen years or more prior to July 1st shall be granted a vacation of four calendar weeks and three days (23 working days) in each calendar year.

Each full-time salaried or full-time hourly rate employee who has served the City for twenty-four years or more prior to July 1st shall be granted a vacation of four calendar weeks and four days (24 working days) in each calendar year.

Each full-time salaried or full-time hourly rate employee who has served the City for twenty-five years or more prior to July 1st shall be granted a vacation of five calendar weeks (25 working days) in each calendar year.

Each Deputy District Chief of the Chicago Fire Department who works a platoon schedule and who has served the City for less than twenty-five years prior to July 1st shall be granted a vacation of 10 platoon working days in each calendar year.

Each Deputy District Chief of the Chicago Fire Department who works a platoon schedule and who has served the City for twenty-five years or more prior to July 1st shall be granted a vacation of 12 platoon working days in each calendar year.

Each Assistant Deputy Chief Paramedic of the Chicago Fire Department who works a platoon schedule and who has served the City for less than twenty-five years prior to July 1st shall be granted a vacation of 8 platoon working days in each calendar year.

Each Assistant Deputy Chief Paramedic of the Chicago Fire Department who works a platoon schedule and who has served the City for twenty-five years or more prior to July 1st shall be granted a vacation of 9 platoon working days in each calendar year.

Each uniformed member of the Chicago Fire Department (for purposes of this paragraph, "CFD") who is granted a leave of absence from a career service position within CFD after December 1, 2018, in order to be appointed to an exempt rank position within CFD shall retain up to one year's work of accrued unused vacation leave earned while in that career service position. Such accrued unused vacation leave shall be made available to that uniformed member when he or she returns to their career service position within CFD from the exempt position appointment or, if that uniformed member's employment terminates, the retained accrued unused vacation leave will be paid out in accordance with the collective bargaining agreement or state law, whichever is applicable.

Part-time employees will be granted one (1) hour of vacation leave for every thirty-five (35) hours worked, up to a maximum of forty (40) hours of vacation leave per calendar year. Any seasonal employees working less than one hundred and twenty (120) calendar days in any year will not be eligible for vacation leave. Interns will not be eligible for vacation leave.

(b) No employee while on an unpaid leave of absence or in a leave without pay status may earn vacation credit except where such leave was adjudged eligible for duty disability or military leave. Vacation leave will be reduced in proportion to the length of leave (excluding leave of absence for duty disability or military leave) during the current calendar year. Any calendar month in which the employee was in a paid status for at least 50% of work time in that month shall be credited for purposes of computing vacation leave on the basis described in paragraph (a).

(c) Up to five days of vacation leave may be carried over from the calendar year in which such vacation was due to the next calendar year for employees with less than 10 years of service. Starting with the vacation carryover process from 2023 to 2024, seven

days' vacation leave may be carried over from the calendar year in which such vacation was due to the next calendar year for employees with 10 years of service or more. Starting with the vacation carryover process from 2025 to 2026, in addition to the vacation carryover allowed in this subsection (G)(2)(c) of this Section, when an employee's request to utilize vacation leave is denied in writing for work-related reasons by the head of the employee's department, it may be carried over to the following year if approved by the employee's department head. Carryover vacation leave is to be on file subject to audit by the Budget Director or the Commissioner of Human Resources, or both, or their designees.

(d) In the event an employee has not taken accrued vacation as provided for herein by reason of separation from City service, the employee, or in event of death the widow or widower or estate, shall be entitled to receive the employee's prevailing salary for any such earned, unused vacation. Vacation earned and accrued pursuant to Section G(2)(a) and Section G(2)(b) for service in the current year and any unused vacation leave carried over pursuant to Section (G)(2)(c) shall be paid on a supplemental payroll as soon as is practicable following the last day worked.

(e) In case a holiday as defined in Section G(1) is observed on any workday during a full week of an employee's regularly scheduled vacation, an additional day off with pay shall be allowed for each such holiday.

(f) The department head shall designate when the vacation shall be taken.

(g) Any employee of the City of Chicago who has rendered service to the County of Cook, the Chicago Park District, the Chicago Housing Authority, the Forest Preserve District, the Metropolitan Sanitary District of Greater Chicago, the State of Illinois, the Chicago Board of Education, the City Colleges of Chicago, Community College District 508, the Chicago Transit Authority, the Public Building Commission of Chicago, the Chicago Urban Transportation District, and the Regional Transportation Authority, shall have the right to have the period of such service credited and counted for the purpose of computing the number of years of service as an employee of the City for vacation credit, provided that such service has been continuous as defined in this resolution.

~~However, vacation~~ Vacation time accrued while working for another public agency shall not be transferable.

(Omitted text is unaffected by this resolution)

(10) Voluntary Unpaid Furlough Days.

Due to budget requirements, the Budget Director and Comptroller may offer City employees, or groups of employees, the option of taking one or more unpaid furlough days. Such furlough days may only be taken with the permission of the applicable department or agency head and shall be subject to such procedures and limitations as may be prescribed by the Budget Director and Comptroller. Consent of the department or agency head may be withdrawn based on operational needs at any time.

For the purposes of this Subsection, the term "base salary" means:

- (a) for salaried employees, the annual rate of compensation, exclusive of overtime and final vacation, appropriated for service in the employee's position; and,
- (b) for other employees, the regular or straight time rate of compensation appropriated and payable for a normal work week in the employee's position, exclusive of overtime and final vacation.

The opportunity to take voluntary unpaid furlough days may be offered to such groups of employees as the Budget Director and Comptroller deem appropriate. Provided, however, that voluntary unpaid furlough days may not be offered to sworn police personnel or members of the uniformed service of the Fire Department.

If an employee who desires to take voluntary unpaid furlough hereunder receives Health Insurance Coverage, Dental Coinsurance Coverage and Optical Care Coverage, the employee shall authorize deductions from the employee's pay on forms supplied by the City in the amount that would have been deducted from base salary for such benefits had the employee worked during the voluntary unpaid furlough. Such coverage shall not be affected by taking voluntary unpaid furlough.

If an employee who desires to take voluntary unpaid furlough participates in one of the annuity and benefit funds established under Articles 8 or 11 of the Illinois Pension Code, the employee shall authorize deductions from pay on forms supplied by the City in the amount that would have been deducted from base salary for the employee contribution had the employee worked during the voluntary unpaid furlough. Any amounts so deducted shall be paid to the appropriate annuity and benefit fund in the same manner as other employee contributions.

Notwithstanding the provisions of Subsection G (1)(d), an employee will not be denied pay for a holiday because the employee takes a voluntary unpaid furlough day immediately before or after the holiday, or because the employee's scheduled furlough day falls on a holiday.

An employee taking voluntary unpaid furlough hereunder shall be treated as having worked during such furlough for the sole purpose of vacation and/or sick leave accrual. Dates of voluntary unpaid furlough shall not be counted as hours worked for purposes of eligibility for a leave of absence. Under no circumstances may an employee perform services for the City of Chicago while on voluntary unpaid furlough hereunder.
